

Q3

The vehicle illustrated is equipped with optional features which may not be available in Malaysia.

You say:

“Awesome!”

We say:

“Its character has become more mature, its presence even more confident. The new Audi Q3 is a powerful, dynamic SUV that cuts a fine figure both on the road and off.”

You say:  
**“Wow!”**

**We say:**

“Dynamic lines, excitingly styled surfaces and maximum three-dimensionality make the Audi Q3 stand out from the crowd. The raised front end shows presence, LED headlights take its brilliance to a new level. Another special feature is the new grille architecture that makes the DNA of the Q family immediately recognisable.”

You say:  
**“Yeahh!”**

**We say:**

“Impressive driving dynamics is standard in the new Audi Q3. Its powerful engine ensures driving enjoyment in a matter of seconds.

Look forward to an intensive driving experience that, thanks to Audi drive select, adapts to suit your personal preferences. Dynamic or with the new “offroad” driving profile for enhanced offroad suitability.”

The vehicle illustrated is equipped with optional features which may not be available in Malaysia.

You say:

“Top!”

We say:

“Size can be found in every dimension in the new Audi Q3. You get more space and comfort, a 3D-look dashboard, 12.3-inch virtual cockpit plus and a new 10.1-inch touchscreen MMI centre display. Having a new digital operating concept has made infotainment and convenience functions simpler and more intuitive than ever before.

The Audi smartphone interface connects your smartphone to the vehicle and shows apps on the MMI screen. This way, music streaming services can be called up at any time. In addition, the Audi sound system produces a superior sound.”

The vehicle illustrated is equipped with optional features which may not be available in Malaysia.

You say:

# “What can I do online?”

We say:

“The MMI centre display ensures user-friendly operation of familiar online services and functions. The Wi-Fi hotspot\* connects up to eight mobile devices to the internet. The new infotainment system allows you easy and intuitive access while driving, and predictive route guidance gets you to your destination as quickly as possible.

Audi connect provides a range of connected services. These include traffic information, weather information, point-of-interest search as well as information on parking spaces and fuel prices.”

\*External data SIM card is required for Wi-Fi hotspot.

You say:

# “Practical.”

We say:

“Sliding rear seat bench, variable flat loading floor, electric tailgate, available with gesture control in conjunction with the convenience key, two integrated LED spotlights in the tailgate, USB ports and a 12V socket. These are just a few of many functions that make the Audi Q3 particularly suitable for everyday use and the ideal companion for every lifestyle.

With 530l to 1,525l of luggage space, plus an extended storage and luggage compartment package – the generous amount of space in the Audi Q3 will please passengers in the front and back while optimising luggage space.”

The vehicle illustrated is equipped with optional features which may not be available in Malaysia.

You say:  
“Rather stylish!”

**We say:**

“The Q3 advanced equipment line places the focus on exterior design: Contrasting paint finish in Manhattan grey, metallic and striking highlights make the Q3 eye-catching.
