CITROËN C8 ERGONOMIC TECHNOLOGY

COMFORT AND FLEXIBILITY. THE CITROËN C8 CAN ADAPT WITH EASE TO CATER FOR THE CHANGING DEMANDS OF YOUR LIFESTYLE.

THE THREE ROWS OF SEATING CAN ACCOMMODATE UP TO EIGHT PEOPLE. ALL MODELS FEATURE SEVEN INDIVIDUAL FULL-SIZE SEATS. A THIRD-ROW THREE-SEAT PASSENGER BENCH CAN ALSO BE SPECIFIED AT NO EXTRA COST ON LX AND SX MODELS. ALL INDIVIDUAL REAR SEATS ARE RAKE AND REACH ADJUSTABLE AND, THANKS TO A BROAD HIGH BACKREST THAT IS SLIGHTLY CURVED AT THE BASE, THEY ALSO PROVIDE EXCELLENT LUMBAR SUPPORT.

Flexibility is further assured with the use of the patented Quickfix® instant anchoring system. All the rear seats can slide a distance of 15cm by means of rails and be easily folded, installed or removed completely in a matter of seconds. Invaluable when you need that extra storage space for a bulky item or perhaps to provide easier access to the third row of seats.

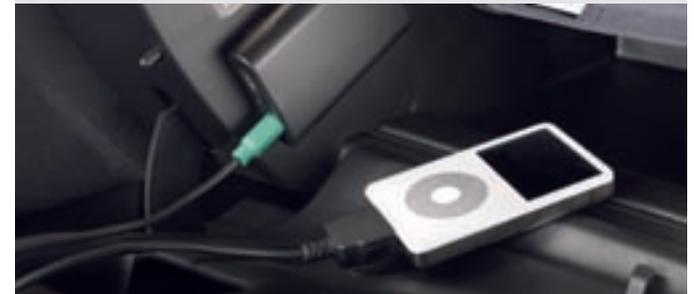

ACCESSORIES YOU WON'T WANT TO BE WITHOUT.

Whether you wish to enhance the vehicle's appearance, add to its convenience, storage or safety features, or enjoy its high-quality in-car entertainment including the MP3 adaptor and satellite navigation systems, we have the solution for you.

> MP3 ADAPTOR

Enjoy music from your own MP3 player and control your song selection through the dashboard stereo thanks to this clever little MP3 adaptor.

MP3 Player not included.

> PARCEL SHELF

The generous boot features a parcel shelf that also acts to shield your luggage from view.

For information on the full range of accessories available, contact your local Citroën Dealer or visit www.accessories.citroen.co.uk

COMFORT IN ALL ITS FORMS.

The trouble is, some may want to heat it up and others to cool it down. Either way, the Citroën C8 has it covered. As you would expect, all models feature automatic digital air conditioning. But our advanced system has been designed to give each occupant control over their own zone's climate. Seven front air vents facilitate independent temperature control for the driver and front passenger.

The second and third rows of seats (from SX models) are each serviced by four air vents, to ensure air-flow throughout the rest of the cabin. Also included as part of the air conditioning system is a clever sensor that automatically adjusts the air temperature according to the intensity of direct sunlight.

Check it out. The Citroën C8 provides a host of storage compartments. Your only problem may be remembering where you put what.
