

ford mondeo zetec

1999 Edition

engineered

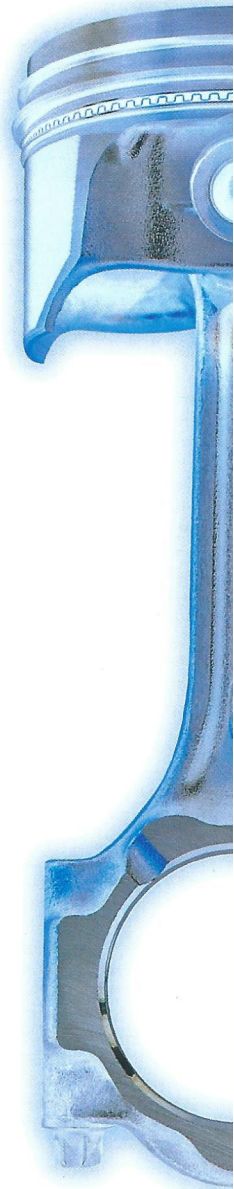

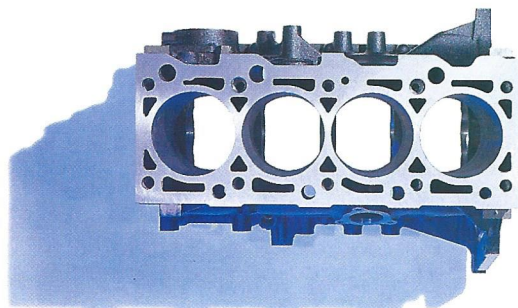

The new Ford Mondeo Zetec. The most engaging, most exciting Ford Mondeo yet. A car with vitality. A car which sets the dynamic standards by which others are judged. Confident, refined, but with an enthusiastic sporting character.

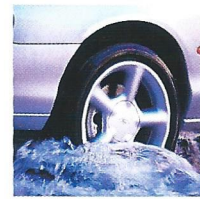

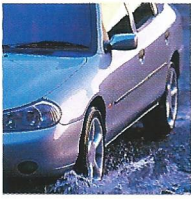

Lightweight aluminium Zetec-E multi-valve engines provide effortless performance. Finely-tuned Quadralink suspension and precise steering capture the essence of perfect balance.

With its distinctive form, the five-door Ford Mondeo Zetec is a car for the individual. A shape to be admired. While the estate offers space, energy and strength in equal measure. Generously equipped, but irresistibly good value.

The new Ford Mondeo Zetec. Engineered, from the ground up.

... for your enjoyment

instant response

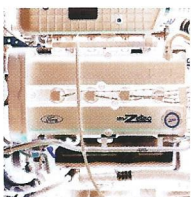

At the heart of every true driver's car beats a spirited, responsive engine.

One which inspires its driver with an ample blend of power and efficiency.

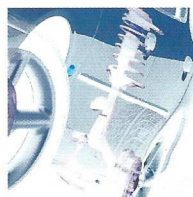

The Ford Mondeo Zetec is no exception. Under the bonnet you will discover a choice of two of the latest generation multi-valve engines: a 115 PS 1.8 and a 130 PS 2.0-litre. Engineered for driving pleasure, both units deliver smooth, progressive torque just when you need it.

Newly-developed engine mountings prevent engine and transmission vibrations from reaching the occupants, regardless of the speed or road conditions. The result is outstanding noise control and vibration-free comfort.

...without the trauma

Free-revving multi-valve engines deliver excellent top-end performance and increased responsiveness.

Sure-footed and confident with the latest Quadralink suspension.

New generation engine mountings help to isolate occupants from noise and vibration.

the science of control

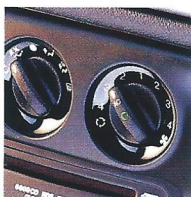

Settle into Mondeo Zetec's supportive, power height-adjustable driver's seat. Grasp the rake and reach-adjustable steering wheel. Precise and stable, Mondeo responds eagerly to your every command.

Switches and controls fall perfectly to hand. Dials have been carefully placed to be read at a glance. Naturally. While the gunmetal-effect fascia continues Mondeo Zetec's seductive, sporting tone.

CFC-free air conditioning and a highly-effective pollen filter help to keep you fresh, yet relaxed. A radio/CD and the 'Quickclear' heated windscreen deliver pleasure and convenience in equal measure. Your comfort is our priority.

Indeed, nothing has been overlooked in creating the perfect expression of sporting refinement.

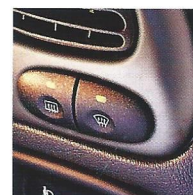

... and comfort

CFC-free air conditioning keeps you comfortably refreshed whilst travelling – whatever the weather.

Enjoy music as it's meant to be heard, with the 6000 RDS EON/PTY radio/CD.

'Quickclear' heated windscreen disperses ice within seconds to give a clear view of the road ahead.
