Smart, practical and stylish.

At Haval, we understand life can be stressful. The Haval H2 is designed to minimise stress, with the ease of access, the high equipment levels and the clever use of space, coming together to make your journey comfortable and enjoyable.

Generous rear cargo area

Spacious interior

60/40 split rear folding seats

Push button start /stop

Apple CarPlay - Apple CarPlay™ functionality requires iPhone 5 or above. Apple® and iPhone® are registered trademarks of Apple Inc.

With soft touch materials, key-less entry, push button start and Apple CarPlay and keep you comfortable and connected.

Behind the wheel you'll notice the comfortable upright driving position giving you maximum vision of the road ahead, and the logical placement of switches and controls make for easy driving.

With Haval's ergonomic humanistic approach to design, the H2 is one of the easiest SUVs to access and drive. By designing the seats at an average hip-height provides easy ingress and egress, so there's no awkward climbing as is often the case with many SUVs on the market.

Designed for you.

Easy on the eye.

Designed with a bold front grill, LED running lights and new twin rear exhaust panels, the Haval H2 is vibrant, stylish and full of personality. Whether it's a quick trip to the gym, shopping for a new outfit or a weekend away at a winery, you'll be safe, comfy and right at home in your new Haval H2.

Daytime running lights

Relax you're in safe hands.

The Haval H2 has a full suite of active and passive safety features built into its strong passenger cell.

Airbags deploy immediately to reduce impact forces and minimise the potential for injury. Full-length side curtain airbags provide additional protection for rear-seat passengers.

The perfect combination of reversing sensor and reversing camera provides you with accurate information when reversing out of driveways or carparks.

The Bosch ESP (Electronic Stability Program) keeps the H2 on your chosen path and helps prevent slipping and skidding.

The Tyre Pressure Monitoring System (TPMS) constantly monitors tyre pressures for optimum performance and economy.

Front dual, front dual side and integrated side curtain airbags.

Electronic Stability Program (ESP)
