

Fly Your Dream

# Hongqi HS5

First Luxury Class-B SUV of Hongqi

Create the fantastic dream-like third space for you

**Extremely Delicate** The delicate aesthetic elements make the vehicle shine in the limelight.

**Extremely Honorable** The courtesy granted by national guest makes the vehicle shine in the limelight.

#### Grille Design of Hongqi Family

The classical waterfall intake grille of Hongqi family and the emblem that is imbued with supreme heroism echo each other.

#### Qizhi LED Lighting System

The LED headlamp is equipped with ALS adaptive height adjustment system and IHC automatic high/low beam switchover system, to ensure the safety of passengers and vehicle.

#### Dynamic Side Posture With A Perfect Proportion

The fashionable, honorable, dynamics, avant-garde, concise but fully stretched waist line design shows wonderful confidence.

**Extremely Intelligent** Advanced interconnection technology makes the vehicle shine in the limelight.

#### HC2.0 intelligent cockpit

Hongqi HC2.0 intelligent cockpit, equipped with advanced intelligent voice interaction system, forges a free trip with all things interconnected for you.

#### Auto Parking

The auto parking system enables you to easily cope with vertical, horizontal and slant parking.

#### 360° Panoramic image

The onboard screen panoramically displays real-time image to make the parking safer and more efficient.

#### High-strength vehicle body

More than 60% of steel used on the vehicle is high-strength steel, and the 1,500Mpa high-strength hot-formed steel is used to constitute the cage-type safety structure.

**Extremely Safe** Top safety picks make the vehicle shine in the limelight.

#### AEB Active Brake System

Capable to judge collisions within the speed of 75km/h to achieve the automatic brake.

#### Network information security system HS2.0

The vehicle adopts the advanced information security assessment technology to protect personal data of user and avoid unauthorized use of the vehicle.

**Extremely Comfortable** Enjoyable driving makes the vehicle in the limelight.

#### Extremely comfortable driving experience

Seats made of Nappa genuine leather and Alcantara material, aviation-class headrest for sleep, and seat heating and ventilation function bring extremely comfortable driving time.

#### Air purification system

The unique active indoor air cleaning technology can monitor and clean the air at real time.

#### Hongqi exclusive audio system

The BOSE Center point® surround audio system reflects every detail of sound and forges the theatre-like on-site feeling.

### Dynamics and Control

Excellent driving experience makes the vehicle shine in the limelight.

#### Brand-new CA4GC Third-generation Independently-developed Engine

Independently developed on the basis of third-generation supercharged direct-injection gasoline engine platform perfectly balances the dynamics, fuel consumption and emission.

#### New-generation 4WD System

The BorgWarner new-generation electromagnetic 4WD system enables a more compact structure, more intelligent control and more precise control on wheel torque to greatly improve off-road performance.

#### Five Driving Modes

Five driving modes (economy, comfort, sports, off-road and snowfield) coordinating with the intelligent adjustable shock absorber provide a pleasant driving.
