

2021 Hyundai

# ELANTRA Hybrid ELANTRA N Line

# Designed to reflect the many facets of performance.

ELANTRA N Line in Electric Shadow

ELANTRA Hybrid Limited in Ceramic White

<sup>1</sup>Claim based on comparison of specifications on manufacturer websites. <sup>2</sup>Complimentary maintenance includes Hyundai-approved oil and oil filter change (except for electric vehicles and fuel cell electric vehicles) plus tire rotation at normal factory scheduled maintenance intervals for 3 years or 36,000 miles, whichever comes first. More frequent maintenance due to severe driving or conditions is excluded. Offer valid only for new 2020 - 2021 Hyundai models purchased or leased on or after February 1, 2020. See your Hyundai dealer for further details and limitations. <sup>3</sup>The Hyundai Near Field Communication Digital Key requires a compatible Android smartphone and appropriately equipped 2021 Hyundai Elantra. Not all Android devices are compatible. Elantra vehicle must be equipped with a smart key with push button start, wireless device charging and Audio Video Navigation System 5.0 (or newer) or Display Audio 2.0. Lock and unlock functionality works on the front doors only. See your Owner's Manual for further details and limitations. <sup>4</sup>Requires active Blue Link subscription with Remote package. Not available on Elantra Hybrid Blue. <sup>5</sup>An active Blue Link subscription is required for the web search function to operate. Vehicle commands do not require a Blue Link subscription. Not available on Elantra Hybrid Blue or Elantra N Line.

When our engineers set out to create the next-generation Hyundai Elantra, their search for higher levels of performance led them in many directions. In the new Elantra N Line, they drew on what our success with Hyundai Motorsports has taught us about building quicker, smarter and safer performance cars. And from Hyundai's industry-leading research into alternative fuel technologies comes a new Elantra Hybrid that delivers efficient performance with ultra-low emissions.

Hyundai designers elevated their game, too, reflecting Elantra's multi-faceted personality with a precision-sculpted shape featuring a wide cascading grille, LED lighting and a lowered coupe-like profile. Inside, Elantra's modern interior design looks and feels incredibly roomy - rear-seat legroom and total interior volume are

best-in-class for the compact car segment!<sup>1</sup> Elantra N Line and Elantra Hybrid Limited both come standard with Hyundai Digital Key - a segment-first technology that creates seamless convenience for every family member.

Advanced SmartSense driver-assist technologies further enhance Elantra's reputation for safety - models equipped with optional front crash prevention and specific headlights have earned IIHS Top Safety Pick honors each year for the last 10 consecutive years. And every 2021 Elantra is backed by America's Best Warranty, Hyundai Assurance and our new Hyundai Complimentary Maintenance program.<sup>2</sup> The result of all this innovation? A feeling of confidence that's immeasurable.

## Hyundai Digital Key

A new Hyundai Digital Key unlocks Elantra's front doors and starts the engine using your compatible Android™ smartphone.<sup>3</sup> Multiple drivers can be assigned a digital key that instantly retrieves their personalized radio presets, instrument cluster display preferences and more.<sup>4</sup>

## Dynamic Voice Recognition

This breakthrough convenience lets you activate Elantra Hybrid Limited's climate controls, select SiriusXM channels and more using conversational (rather than truncated) voice commands. You can even ask it questions like 'How's the stock market doing today?' or 'When is the Steelers game?'<sup>5</sup>

ELANTRA N Line in Phantom Black

## Precision engineering. For an imprecise world.

There's a lot in life that's beyond our control. But with Elantra, you can get exactly the car you've always imagined driving. What does it feel like to hold precision in the palm of your hands? With Elantra N Line, it's the powerful response of a turbocharged 201-hp engine, controlled via a 6-speed manual or available 7-speed Dual Clutch Transmission with paddle shifters. With each gear shift, you'll hear the crisp notes coming from a chrome-tipped dual exhaust system. With each turn of the wheel, you'll feel the direct feedback of a sport-tuned suspension and the firm grip of performance tires on 18" alloy wheels.

With the Elantra Hybrid Blue, an advanced hybrid powertrain delivers segment-leading fuel economy – its EPA-estimated 54 combined MPG is more efficient than Toyota Corolla Hybrid.<sup>1</sup> A 1.6L GDI engine and 32 kW electric motor combine for 139 hp and 195 lb-ft torque. Both Elantra N Line and Hybrid feature a multi-link rear suspension for confident cornering. And both come equipped with unique brake systems that offer enhanced performance compared to standard Elantra models. So whether you press the pedal on the right, or the pedal on the left, you're in complete control.

Forward Collision-Avoidance Assist with Pedestrian Detection

Rearview camera with dynamic parking guidelines

Safe Exit Warning

Parking Collision-Avoidance Assist - Reverse

•Hybrid only

<sup>1</sup>Claim based on comparison of specifications on manufacturer websites. Elantra Hybrid Blue EPA estimates for comparison only. Mileage may vary. Your actual mileage will vary with options, driving conditions, driving habits and the vehicle's condition. <sup>2</sup>Safety features vary by model. For details, refer to the Features chart in the back of this brochure or visit HyundaiUSA.com. <sup>3</sup>Cyclist detection is available on Elantra Hybrid. Not available on Elantra N Line.

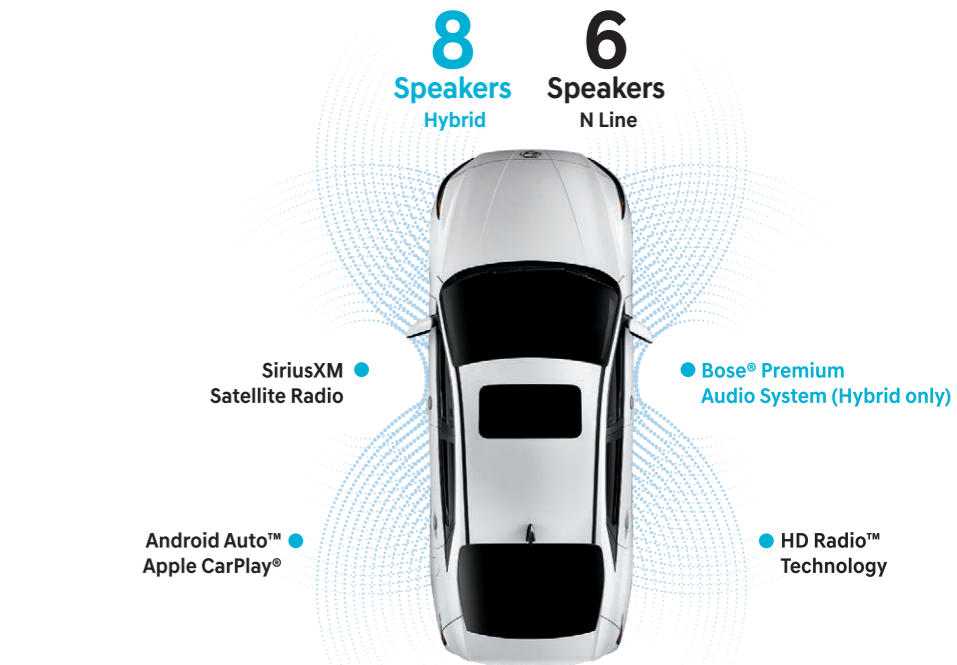

ELANTRA N Line in Black Leather+Cloth / Sport Seats with Red Stitching

## A command center, centered around you.

We know how central your car is to your daily life. That's why Elantra's all-new interior reorients practically everything around your needs – right down to how the cupholders fit the precise size of your favorite container. You can set the available ambient lighting to any of 64 colors and preheat the cabin using the Hyundai Blue Link® app.<sup>1</sup>

Sit in the driver's seat, and a wide cockpit design from the door to the high center console wraps around you, conveying a sense of security. Seated in the Elantra Hybrid Limited? Your front seats are ventilated to help keep you cool. Seated in the Elantra N Line? The interior has a sportier character with a unique N Line analog gauge cluster, a sport steering wheel and deeply bolstered sport seats marked by red contrast stitching.

Sitting atop Elantra Hybrid Limited's center console, a 10.25" display uses its class-leading dimensions to create a split-screen command center for sophisticated audio, climate and navigation systems.<sup>2</sup> A segment-first 10.25" digital instrument cluster and the largest navigation screen in the compact car class<sup>2</sup> are available under a single cover of glass, providing all the information you need at a glance.

10.25" digital LCD instrument cluster

10.25" navigation display

Power tilt-and-slide sunroof

Hands-free smart trunk release

<sup>1</sup>The 2021 Hyundai Elantra includes three years of the Blue Link Connected Care, Remote and Guidance (factory-equipped navigation required) packages. All trials require an active Blue Link subscription agreement subject to the Connected Services Terms and Conditions. Three-year term starts from the new vehicle date-of-first-use, is available for new vehicle purchases and leases, and is transferable to subsequent owners subject to the Terms and Conditions. Only use Blue Link and corresponding devices when safe to do so. Cellular and GPS coverage is required. Features, specifications and fees are subject to change. For more on details and limitations, visit HyundaiUSA.com or your authorized Hyundai dealer. <sup>2</sup>Claim based on comparison of specifications on manufacturer websites.

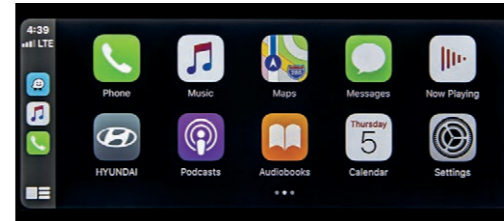

# Upgrade your mobile device. With Hyundai Blue Link.

The new Elantra might just be the ultimate way to upgrade your mobile device. Thanks to our award-winning Blue Link,<sup>®</sup> Elantra is available with the latest generation of connected car technologies. A comprehensive suite of safety, convenience and remote features let you interact with your car – and the rest of your digital life – in powerful, practical ways.

If you're like most Hyundai owners, the Blue Link features you'll use most are its remote capabilities.<sup>1</sup> With the MyHyundai app, you can start your car's engine and adjust the climate controls from your office or kitchen using your smartphone, Amazon Echo<sup>®</sup> or Google Home<sup>™</sup> virtual assistant.<sup>2</sup> You can also remotely activate Elantra's heated front seats or tune the radio presets by sending your personal profile to your Elantra ahead of time.<sup>3</sup> Want to remotely check and see if you've left the windows open? The MyHyundai app lets you check by consulting your smartphone.

For 2021, Elantra comes standard with Apple CarPlay<sup>®</sup>/Android Auto,<sup>™</sup> which is available with the segment's first wireless connection.<sup>4</sup> Elantra's Bluetooth<sup>®</sup> music streaming has also been enhanced – you can now connect two phones to the audio system simultaneously. And to keep everyone powered up, Elantra offers dual USB charge ports and an available wireless charging pad.<sup>5</sup>

<sup>1</sup>Requires active Blue Link subscription with Remote package. <sup>2</sup>Amazon, Alexa and all related logos and motion marks are trademarks of Amazon.com, Inc. or its affiliates. Google Assistant and Google Home are trademarks of Google LLC. <sup>3</sup>Requires properly equipped vehicle and Blue Link subscription with Remote package. <sup>4</sup>Claim based on comparison of specifications on manufacturer websites. Apple CarPlay<sup>®</sup> is a registered trademark of Apple Inc. Android Auto<sup>™</sup> is compatible with Android<sup>™</sup> phones running Android 5.0 or higher. Android Auto may not be available on all devices and is not available in all countries or regions. Additional apps may be required. Android and Android Auto are trademarks of Google LLC. <sup>5</sup>Qi wireless charging function is based on smartphone compatibility and/or specific accessory cases. <sup>6</sup>Blue Link agents will contact existing emergency service responders. <sup>7</sup>Requires active Blue Link subscription with Guidance package and vehicle equipped with a navigation system.

### Automatic Emergency Assistance

Blue Link Connected Care offers 24/7 SOS Emergency Assistance and Automatic Collision Notification that calls for help if you're in an accident where airbags deploy.<sup>6</sup>

### On-Demand Diagnostics

Run vehicle diagnostics from your Hyundai's touchscreen, report issues at the press of a button and receive Monthly Vehicle Health Reports or maintenance reminders by email.

### Destination Send-to-Car

Use your smartphone to find restaurants or points of interest that may not be updated on your vehicle's maps, then send the destination to your Elantra's navigation system.<sup>7</sup>

### Car Finder

Our Car Finder smartphone app feature lets you navigate your way back to your Elantra after a day of downtown shopping or an evening spent rooting for your favorite team.

### Remote Controls

Use your smartphone, your home assistant or your wearable device to remotely start your Elantra's engine, unlock the doors, set the car's cabin temperature and more.

### Remote Vehicle Status

Wondering how much fuel is in your car's tank? If your Elantra's trunk is closed or the doors are unlocked? Your MyHyundai app knows the answers to these questions and more.
