A locking rear differential and Rock Mode option provide even more capability and strength for severe off-road conditions. Standard on Jeep Cherokee Trailhawk models.

Every Trail Rated® vehicle must successfully pass tests in five performance categories: Traction, Articulation, Manoeuvrability, Ground Clearance and Water Fording.* Standard on Trailhawk. With its Trail Rated status, Jeep Cherokee Trailhawk is primed to tackle the most challenging road conditions out there, and you're poised to face the road ahead with confidence.
