

# 2021 Wrangler

**Jeep**<sup>®</sup>

these roots  
have run deep  
since 1941

Born as a purpose-built 4x4 for the front lines in 1941, Jeep® 4x4s soon transitioned from the battlefields to the farm fields and backroads, where they diligently kept up with hard daily use, in industry and recreation alike. Through 80 years and all manner of terrain and weather, a growing lineup of Jeep® 4x4s has consistently moved the bar with strong drivetrains, innovative engineering and quality components that stand out from all other 4x4 SUVs.

# room to breathe

Sahara® Unlimited in Sarge Green

**LET IT ALL IN** Nothing says open-air freedom like a Wrangler with its top down. Choose the style that you like best, whether it's an available Sky One-Touch™ Power Top, Sunrider® Soft Top or available Freedom Top® Modular Hardtop (available in both Black and body-colour), then start planning where to head for your next sun-filled outing.

Sahara Unlimited in Snazzberry

Sahara Unlimited with available premium-wrapped mid-dash

# original and one-of-a-kind

**Like nothing else with a pedigree over 80 years strong, Jeep® Wrangler stands out by giving you the ability to overcome anything the road puts before you.**

**STEEL BUMPERS** Built with ultra-strong steel to take the punishment of the trails. The front bumper is primed to add a winch, features integrated LED fog lamps and has removable end caps to help manoeuvre through tight spots. Available on Rubicon®.

**SKID PLATES** Made from high-strength steel for weight savings and increased strength. Four skid plates/bars protect the underbody. The automatic transmission skid plate enables crossmember removal for weight savings.

**TOW HOOKS** Every Wrangler gets two up front and one in back. Rubicon receives painted Red hooks.

# lock in to off-road adventure

**COMMAND-TRAC® 4x4 SYSTEM** This part-time, shift-on-the-fly system divides torque 50/50 between front and rear axles for tough traction and all-weather capability. The NV241 GII transfer case shifts smoothly from Two-Wheel Drive (2WD) to Four-Wheel Drive (4WD) at speeds up to 72 km/h (45 mph). For serious rock crawling, its 2.72:1 low range ensures confidence. Standard on Sport and Sahara.®

**SELEC-TRAC® FULL-TIME 4x4 SYSTEM** With its proven, active 4WD transfer case, Selec-Trac® does all the thinking so you can concentrate on the scenery. Selec-Trac analyzes the situation for you and sends torque to the wheels with the most grip. The system provides continuous, optimum traction that effortlessly conquers snow, ice, rocks, mud and everything in between. The system's Smart Lock maintains constant 4WD action when you take to the trail or face challenging road conditions. Available on Sahara and Sport.

**ROCK-TRAC® 4x4 SYSTEM** Rubicon® rides with this extreme 4WD system. Its 4:1 low-gear ratio allows Rubicon to crawl at a low speed for greater control and increases the amount of torque available at the wheels. Standard on Rubicon.

**ROCK-TRAC FULL-TIME 4x4 SYSTEM** This system offers the capability of Rock-Trac® with the added convenience of a full-time, active transfer case that can provide optimal traction over changing road conditions. Available on Rubicon.

tested to master the most challenging terrains

# 5

## manoeuvrability

Every Wrangler is born with the athletic ability to navigate narrow gaps and emergency situations with precision steering, optimized wheelbases and a tight turning radius.

## articulation

Suspension systems enhance on- and off-road performance by maximizing flexibility, axle articulation and wheel travel.

The articulation helps to keep all four wheels on the ground, providing greater control over rough terrain and obstacles.

## water fording<sup>®</sup>

Traverse waterways with confidence, thanks to additional electrical and body seals, plus a high air-intake location. Wrangler has the capability to safely manage in up to 76 cm (30 in) of water. Always inspect all waterways before proceeding.

## traction

Helps you maintain controlled forward motion on snowy back roads and over icy urban bridges. You can climb steep sand dunes and master muddy tracks. Your Trail Rated<sup>®</sup> Wrangler has the traction within to master all kinds of topography and driving conditions.

## ground clearance

Head out knowing that your Trail Rated vehicle was designed to clear logs, rocks and uneven ground. Your undercarriage is protected, too, with forged skid plates that cover valuable underbody elements.

# the recognized benchmark

**EVERY TRAIL RATED<sup>®</sup> JEEP<sup>®</sup> WRANGLER** is engineered for exceptional off-road performance. Its Trail Rated badge ensures that Wrangler can master the toughest road and weather conditions. In your Trail Rated Jeep<sup>®</sup> Wrangler, you're in command of exclusive, authentic Four-Wheel-Drive (4WD) capability. Confidently move forward to see what the world is really made of.

Always off-road responsibly in approved areas.

# the ups and downs of off-roading

**HILL START ASSIST (HSA)** works to prevent Wrangler from rolling when starting on an uphill gradient. Standard.

Rubicon® Unlimited in Hydro Blue

**HILL DESCENT CONTROL (HDC)** is packaged with the 3.6L Pentastar™ V6 engine with eTorque and the 8-speed automatic transmission, helping Wrangler navigate steep declines at a steady speed.

Rubicon Unlimited in Sarge Green

**OFF-ROAD PAGES** Access real-time performance data like suspension travel or keep an eye on your tilt-and-pitch. In-depth vehicle diagnostics, including wheel turn, articulation and transmission temperature, all help to provide an optimized experience. Available.

**THE FORWARD-FACING TRAILCAM OFF-ROAD CAMERA<sup>6</sup>** aids in off-road navigation. Grid lines display the path in front of the tires to help you pick the best line for any obstacle, and an integrated washer lets you clean any mud splatter from the camera with the simple push of a button. Available.

## STATE-OF-THE-ART TOUCHSCREEN/INTUITIVE INTERFACE

Command a range of cabin comforts and features from your touchscreen. Set temperature controls, activate available heated seats and steering wheel, and so much more. A drag-and-drop menu bar allows you to highlight your top six favourite features and services so they're always in sight on your available 7- or 8.4-inch Uconnect® touchscreen display.

### NAVIGATION

Looking for your next on- or off-road adventure? Uconnect employs GPS Navigation<sup>9</sup> for audible turn-by-turn directions, and detailed 3D maps help to ensure you arrive on time. Use Voice Command<sup>10</sup> and say the complete address to get directions quickly. Available.

### PHONE/TEXT

Make hands-free<sup>10</sup> phone calls or use your voice to send a text. Pair up to 10 Bluetooth<sup>®</sup> enabled phones. See a visual prompt of incoming calls or texts and send an automated reply. Available.

### SIRI EYES FREE<sup>11</sup>

Use voice commands with Siri Eyes Free<sup>11</sup> and your connected iPhone to create and send texts, make and receive calls, access directions, and play music. Available.

A smarter, safer way to use an iPhone inside your vehicle and seamlessly integrates it with the Uconnect touchscreen and Siri voice control.<sup>11</sup> The compatibility allows you to make calls, access music, send and receive messages, get directions optimized for traffic conditions, and more while staying focused on the road.<sup>1</sup> Available.

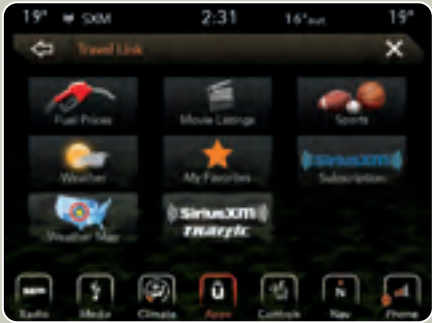

Designed with your personal safety and convenience in mind, Android Auto<sup>TM1</sup> gives you the right information for the road ahead. Connect to easily access your favourite music with YouTube Music, and get where you need to go with Google Maps. Talk to Google on Android Auto<sup>1</sup> and get things done with your voice so you can keep your focus on driving.<sup>1</sup> Easily send messages, get directions, control media and more. Just say, "Hey Google" to get started. Available.

# SIRIUSXM connected services<sup>2</sup>

Trips are enhanced with informative and entertaining apps. Access them on your Uconnect® touchscreen as well as your smartphone. Connected technology keeps you linked to a whole new world.

**SiriusXM** Listen to your favourite playlist from your connected device, then flip to SiriusXM<sup>2</sup> in your car and enjoy the best ad-free music, plus every major sport and the biggest names in entertainment, news and comedy. You'll get over 140 channels, all at the press of a button. With the SiriusXM All Access<sup>2</sup> package, you get every channel available on your satellite radio, and you can also listen wherever you go on your portable devices with the SiriusXM App<sup>2</sup>, which is included with your one-year trial. Available.

**SiriusXM TRAVEL LINK** Access useful information when you need it, right at your fingertips. Get detailed weather maps, five-day forecasts and severe weather alerts, as well as sports scores and in-game weekly schedules for your favourite teams, information on fuel prices in your area and more. Your first five years of SiriusXM Travel Link<sup>12</sup> service are included. Available.

**SiriusXM TRAFFIC PLUS** Avoid congestion before you reach it. Get continuous updates on traffic speed, accidents, construction, road closures and more before you begin your travels. You will get to your destination faster and more easily than ever before. Your first five years of SiriusXM Traffic Plus<sup>12</sup> service are included. Available.

**Uconnect** | **SiriusXM GUARDIAN** Drive worry-free with SiriusXM Guardian<sup>3</sup> — a premium suite of safety and convenience services that can be accessed in-vehicle or through the Uconnect App. Includes a one-year trial. Available.

## SIRIUSXM GUARDIAN<sup>3</sup> SERVICES + UCONNECT® APP

- > **SOS CALL<sup>13</sup>** In the event of an incident, push the SOS button.<sup>13</sup> You'll be connected to a SiriusXM Guardian<sup>3</sup> agent who contacts 9-1-1, provides your location, and stays on the line with you until help arrives.
- > **ROADSIDE ASSISTANCE CALL<sup>14</sup>** puts you in touch with an agent who can get you help while you're out on the road.
- > **LOCK/UNLOCK** your car from virtually anywhere.
- > **START YOUR CAR REMOTELY<sup>15</sup>**
- > **FLASH THE LIGHTS** and sound the horn to help find your car.
- > **VEHICLE FINDER** allows you to locate your vehicle on a map.
- > **SEND & GO<sup>16</sup>** enables you to send destinations to your navigation system.
- > **THEFT ALARM NOTIFICATION<sup>17</sup>** Receive alerts by text, email or push notification if your vehicle's available theft alarm is triggered.
- > **STOLEN VEHICLE ASSISTANCE<sup>18</sup>**
- > **FAMILY DRIVE ALERTS** Peace of mind when you hand over the keys. Allows you to set parameters to receive notifications when others are operating your vehicle.

immersive  
sound waves

9

**ALPINE® PREMIUM SOUND SYSTEM** Everyone is surrounded and rides within an exhilarating audio experience with nine speakers, including an overhead sound bar, all-weather subwoofer and 552-watt amplifier. The system is enhanced by Active Noise Cancellation. Available.

**ALPINE®**

A

# keep it all in order

Everything has a place with the many clever and convenient storage options designed into Wrangler. Stay organized, with important items right at hand. With phones and devices conveniently stowed, you're able to find them quickly, then get out and go. Wrangler Unlimited offers 2,050 L (72.4 cu ft) of cargo room with the rear seats folded, so you can go all out when you get it all in.

A

## A) TRAIL RAIL™ CARGO MANAGEMENT SYSTEM

This versatile system, optional on all Wrangler models, lets you accessorize your cargo-carrying capability. It includes aluminum rails on the tailgate and cargo floor, along with cargo anchors that lock into place (four anchors included with two-door models, six with four-door models). Then, choose to add further utility with the available Tailgate Table from Mopar®.

B

**B) IN-FLOOR STORAGE BIN** Store larger items, like computers and tools, within a hidden storage area under the cargo floor, behind the second row of seats. The lid secures when the swing gate is closed for convenient peace of mind.

## C) MODULAR SEATBACK JEEP® UTILITY GRID SYSTEM

Exclusive to and integrated into the Rubicon® front seatbacks, it allows for additional flexible storage options. Durable nylon woven straps accommodate available Modular Lightweight Load-carrying Equipment (MOLLE)-style bags. An available Mopar Kit includes a set of three bags (small, medium and large), each with attachment straps and featuring the Jeep® Brand logo.

C

**D) BINS AND POCKETS** The two-tiered centre console has a main bin big enough to fit an iPad and a convenient top tray for smaller gear. Cup holders are sized to hold larger beverage containers and have a dedicated slot for cell phone or key fob storage. Storage nets on doors and trays help keep the cabin neat and tidy.

D

D

D

Properly secure all cargo.

# travel with confidence

**PULLING POWER** Wrangler Unlimited models can confidently tow up to 1,588 kg (3,500 lb) when properly equipped with the available Trailer Tow and HD Electrical Group. Wrangler is also ideal for towing behind an RV.

## 3.0L ECODIESEL V6 ENGINE

Turbocharged to deliver exceptional responsiveness, the 3.0L EcoDiesel produces strong, out-of-the-gate takeoffs, thanks to 260 horsepower and 442 lb-ft of torque. Even more, it hands over the confidence to pull loads up to 1,588 kg (3,500 lb), when properly equipped. And, because diesel fuel converts to a greater amount of usable energy compared to gasoline, it helps deliver excellent fuel efficiencies. Available on Unlimited models.

## CANADA'S BEST-SELLING ENGINE: 3.6L PENTASTAR™ V6 ENGINE<sup>19</sup>

The standard mate for the 6-speed manual transmission, this engine performs with smooth confidence. Welcome efficiencies arrive with Engine Stop/Start (ESS) technology while remaining a brawny performer, boasting 285 horsepower and 260 lb-ft of torque.

## 3.6L PENTASTAR V6 ENGINE WITH eTORQUE

The legendary Pentastar™ V6 engine gets a boost with eTorque. By including this efficient feature, you'll gain fuel-saving/energy-generating functions that include Auto Stop/Start, electric power assist, extended fuel shutoff, transmission shift management, intelligent battery charging and regenerative braking. With eTorque, there's also additional low-end torque for extra starting power and exceptional rock crawling. Standard with an 8-speed automatic transmission. Available.

## 2.0L TURBO ENGINE

Direct injection boosts power while reducing emissions, and ESS technology helps improve fuel economy. This engine achieves 270 horsepower and 295 lb-ft of torque, and with its standard match to the 8-speed automatic transmission, you'll enjoy strong takeoffs and smooth highway coasting. Available.

## 6-SPEED MANUAL TRANSMISSION

Here, you're handed low 1st and Reverse gears, which are great for off-roading, with a vent tube that can be moved to help safely traverse higher water fording<sup>8</sup> levels. It comes standard, matched to either a Command-Trac® 4x4 System on Sport and Sahara® or paired with the Rock-Trac® 4x4 System on Rubicon®.

## 8-SPEED AUTOMATIC TRANSMISSION

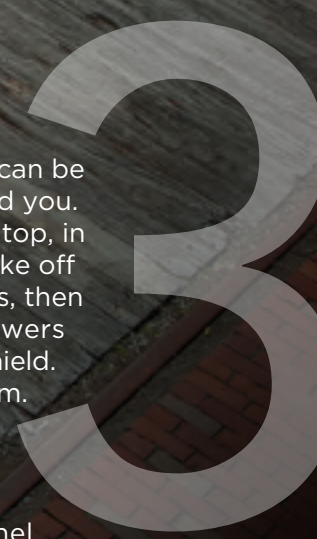

With smooth, quick efficiency, this transmission provides additional gears with no gain in weight, enhanced acceleration with reduced fuel consumption and increased torque with added strength to pull. Available.

more fun  
with more sun

In just a few minutes, you can be one with the world around you. Open the three-piece hardtop, in sections or all at once. Take off the easy-to-remove<sup>4</sup> doors, then a simple “flip and clip” lowers and secures the windshield. Hello, open-air freedom.

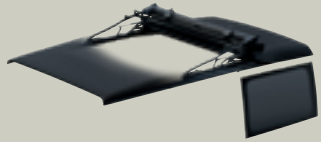

**DUAL TOP GROUP**  
Includes Freedom Panel storage bag, Black three-piece Freedom Top<sup>®</sup> Modular Hardtop and Black Sunrider<sup>®</sup> Soft Top or Tan Sunrider Soft Top. Available on Sahara<sup>®</sup> and Rubicon<sup>®</sup> Unlimited.

## SUNRIDER® SOFT TOP

Rubicon® in Firecracker Red

**SUNRIDER® SOFT TOP** Standard on Wrangler Sport and Rubicon,® and available with the Dual Top Group on Sahara,® with an easy-to-use zipperless design. Its simple operation allows the top to glide open with the help of spring-loaded support bars. Crafted from heavy-duty, waterproof cloth material. Available in Black or Heritage Tan.

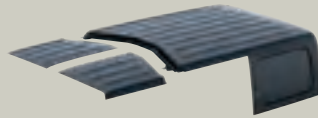

**FLIP BACK AND RELAX** Smart fabric management and an easy-to-use retraction handle let you bring in fresh air faster than ever with minimal effort.

**GET A REALLY NICE TAN** In addition to Black, the Sunrider® Soft Top is available in an attractive Heritage Tan, giving you a second choice of top colour.

## FREEDOM TOP® MODULAR HARDTOP

Sahara® Unlimited in Billet Silver Metallic

**FREEDOM TOP® MODULAR HARDTOP** This three-piece Modular Hardtop is light and easy to remove.<sup>4</sup> For a full open-air experience, you can remove<sup>4</sup> all three sections or let in the sun by just removing<sup>4</sup> the two front panels. Available. (Standard in Black on Sahara Unlimited.)

**AVAILABLE BODY-COLOUR** Match your Freedom Top® panels to your body-colour. Standard on Sahara Altitude and High Altitude. Available on Rubicon, Sahara Unlimited and Rubicon Unlimited.

## SKY ONE-TOUCH™ POWER TOP

**SKY ONE-TOUCH™ POWER TOP** Invite in the fresh air with the push of a button, thanks to this power-to-open top. Open up even more with the easy-to-remove<sup>4</sup> rear glass quarter panels. Available on Sahara and Rubicon Unlimited only (cannot be combined with other roof options).

Sahara Unlimited in Bright White

# advanced safety & security systems

Wrangler is ready and willing to stand as a constant guardian to help ensure your well-being on the road. More than 75 standard and available safety and security features, sensors and cameras stay on alert for your peace of mind.

**BLIND-SPOT MONITORING<sup>6</sup> AND REAR CROSS-PATH DETECTION<sup>6</sup>** Maintain a safe perimeter with the help of these sensor systems. Chimes and illuminated icons notify you when side or rear blind-spots are encroached. Available.

**PARK-SENSE<sup>®</sup> REAR PARK ASSIST SYSTEM<sup>6</sup>** Works in tandem with the ParkView<sup>®</sup> Rear Back-Up Camera<sup>6</sup> to display previously hidden objects, bringing them to your attention on-screen and with an audible warning so you have time to react. At speeds below 6 km/h (4 mph), the system will automatically bring the vehicle to a stop if an object is detected. Available.

**ELECTRONIC STABILITY CONTROL (ESC)<sup>5</sup>** A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should it detect you're veering off your intended path. ESC<sup>5</sup> coordinates Electronic Roll Mitigation (ERM), Antilock Brake System (ABS) and Brake Assist, All-Speed Traction Control and available Trailer Sway Control (TSC), sending them into action when needed. Standard.

**SELECTABLE TIRE-FILL ALERT** When airing down tires for off-road situations, the system will chirp the horn when a pre-selected pressure is reached. When adding air back, it chirps the horn upon reaching the recommended on-road pressure. Available.

**PARALLEL AND PERPENDICULAR PARK/UNPARK ASSIST<sup>6</sup>** This active guidance system controls steering automatically. Let the system's ultrasonic sensors help you ease into parking spots as you gently brake and change from Reverse to Drive, as needed. Available.

**HILL START ASSIST (HSA) AND HILL DESCENT CONTROL (HDC)** HSA works to prevent Wrangler from rolling when starting on an uphill gradient. HDC is packaged with the 3.6L Pentastar<sup>™</sup> V6 engine with eTorque and the 8-speed automatic transmission, helping Wrangler navigate steep declines at a steady speed.

**SAFETY GROUP** Includes LED taillamps, Park-Sense<sup>®</sup> Rear Park Assist System,<sup>6</sup> and Blind-Spot Monitoring<sup>6</sup> and Rear Cross-Path Detection.<sup>6</sup>

# the confident road forward

**LED LIGHTING GROUP** Maintain a unique — and safe — presence after dark, and add extra visual security during the day. The traditional round headlamps are equipped with unique daytime running lamps (DRLs), and the LED headlamps, taillamps and front LED fog lamps enhance visibility during inclement weather. Available.

**SIRIUSXM GUARDIAN<sup>3</sup> WITH SOS CALL<sup>13</sup> AND ROADSIDE ASSISTANCE CALL<sup>14</sup>** Provides help in the event of an emergency while out on the road. Press the SOS button<sup>13</sup> on the rearview mirror to be connected to an agent who can direct emergency assistance to your location. Press the Assist button on your rearview mirror, followed by Roadside Assistance<sup>14</sup> on your touchscreen, to speak to an agent who can send roadside help. Available.

**PARKVIEW<sup>®</sup> REAR BACK-UP CAMERA<sup>6</sup> WITH TRAILER VIEW** When the vehicle is in Reverse, the Uconnect<sup>®</sup> screen displays a wide-angle view of what's immediately behind your vehicle. You'll see objects behind you that may have been out of your sight line (along with hearing an audible warning) — all in good time to react. On-screen dynamic grid lines help you see your back-up path or line up a trailer to your hitch. You'll also be able to keep an eye on your tow load while in motion. Standard.

**TRAILER SWAY CONTROL (TSC)** Crosswinds and traffic hold no sway over you and your payload. As part of Electronic Stability Control,<sup>5</sup> TSC helps keep you and the toys you tow safely on course. Standard.

# 2021 Wrangler buyer's guide

RUBICON® Its iconic cabin features available Redical Anodized mid-dash panels, adding Red accent stitching to the optional leather-trimmed interior. Choose to add a factory-installed auxiliary switchbank that lets you add up to four accessories and control them from your dash.

Sport 80<sup>th</sup> Anniversary Edition  
in Sarge Green

Sahara<sup>®</sup> Unlimited 80<sup>th</sup> Anniversary  
Edition in Sarge Green

HIGH ALTITUDE is designed to capture attention on the street while elevating your comfort inside the cabin. The LED Lighting Group, which includes headlamps, fog lamps and taillamps, adds attitude, and standard wide-track axles give it a bold stance. The 20-inch wheels, body-colour fender flares, Freedom Top® Modular Hardtop and bumpers help it stand out. Inside, premium leather-trimmed seats, a leather-wrapped steering wheel, and a Uconnect® 4C NAV multimedia centre with an 8.4-inch touchscreen, including SiriusXM Guardian,<sup>3</sup> SiriusXM Traffic Plus<sup>12</sup> and SiriusXM Travel Link<sup>12</sup> along with the Alpine® Premium Sound System, are welcome standard features.

MOPAR VEHICLE PROTECTION. FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

WARRANTIES. 2021 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance.† SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres. Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres. The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance.†

\*Whichever comes first. Some conditions may apply. †The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

1) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. Android Auto requires the Android Auto App on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates may apply. 2) Requires SiriusXM radio subscriptions governed by SiriusXM Canada Customer Agreement available at [www.siriusxm.ca/terms](http://www.siriusxm.ca/terms). 3) All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States, Puerto Rico and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. 4) Be sure to follow all instructions in the Owner's Manual for removal of top and doors, and lowering of windshield. Driving with doors off and windshield down is for off-road use only. 5) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 6) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 7) The Jeep SUV Brand has received more awards in its lifetime than any other SUV brand. 8) Do not attempt water fording unless depth is known to be less than 76 cm (30 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. 9) Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 10) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 11) Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 12) SiriusXM Traffic Plus and SiriusXM Travel Link require a subscription, sold separately or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at [www.siriusxm.ca](http://www.siriusxm.ca) for complete terms and how to cancel, which includes calling SiriusXM at 1-866-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. 13) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's GPS location. 14) Roadside Assistance Call connects you with an agent who will provide Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. 15) When equipped with Remote Start System. 16) Send & Go requires a vehicle equipped with Navigation. To use Send & Go, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 17) Theft Alarm Notification is compatible with factory-installed alarms only. 18) Stolen vehicle police report required. 19) Based on IHS Markit Automotive Canadian New Vehicle Total Registrations for combined years CY 2014 to CYTD September 2019. 20) Not compatible with all garage door openers. 21) The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 22) Only available with automatic transmissions. 23) Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully.
