THE FAMOUS BADGE

There's never been a more iconic octagon. From the moment in 1924 England that Morris Garages became "MG," the brand leapt into the hearts and minds of car lovers the world over.

True power comes from an efficient, turbocharged 1.5L engine that produces 166 Ps and 250 Nm of torque.

Chic, two-toned 18-inch alloy wheels are both stylish and functional.

View real time stats on a 7-inch Virtual Instrument Cluster, while an 8-inch LCD infotainment system with Apple CarPlay® ensure hands-free connectivity.

"London Eye" headlamps, a "Stardust" grille, and Flowing Tail Lamps accentuate the MG 6's sporty value proposition.

The MG 6's flat-bottomed steering wheel is a nod to the brand's rich racing heritage, updated with multi-functional controls to keep up with the times.

Two-toned red and black seats, dash, and door panels give the MG 6 an eye-catching and attractive cabin.

*Available for MG Red and Pearl Black MG 6 Trophy Variants only.

The MG 6 is built around an ultra-rigid safety cage and features a 6-airbag system.
