NISSAN ALMERA

NISSAN ALMERA

CONNECTED AND MORE REFINED

NISSAN ALMERA

THE SPACIOUS SEDAN FOR THOSE WHO WANT TO

LIVE LARGE

The world has changed. Small is big. Smart is sexy. And living richly isn't about how much you spend. The perfect car for this new way to roll? The Nissan ALMERA. With a spacious interior, advanced technology and performance that's as responsible as it is responsive. Change is good. Especially when it looks like this. The Nissan ALMERA is going to dare you to open your mind and re-examine your expectations from a car.

PERFORMANCE AND ECONOMY

The Nissan ALMERA is powered by an impressive 1.5 litre petrol engine available in manual or automatic transmission, delivering 73kW of power with 134Nm of torque – enough to get you from A to B in no time. While the Nissan ALMERA feels like a big car on the inside, it still offers small sedan efficiency. When it comes to performance and outstanding fuel economy, the Nissan ALMERA really is the intelligent choice for those looking for big value for money.

THE FREEDOM

TO EXPLORE NEW DESTINATIONS

INTERIOR

Step inside and the Nissan ALMERA delivers confident and modern sophistication that is practical, ergonomic, functional and aesthetically pleasing. The intelligently designed cabin layout puts all the controls you need right at your fingertips, from audio control to boot release, powered mirror control to remote central locking.

High quality finishes compliment the vehicle's stylish design, while easy-to-read dials keep the driver up to date at all times. Passenger comfort is also not compromised, the Nissan ALMERA sports a rear centre armrest with cupholders, rear fan and adjustable rear head rests.

The Nissan ALMERA's audio system features MP3 and USB connectivity so you can enjoy your tunes just the way you like them. Now that sounds good.

SPACIOUS COMFORT

Welcome to a big new day, where generous legroom is a given, where headroom is never in short supply, and where even the tallest can stretch out in comfort. Thanks to the revolutionary design of the Nissan ALMERA, owners can enjoy class-defying comfort and versatility in a beautifully compact package. The Nissan ALMERA provides the perfect balance of superior space for driver, passengers and luggage, all in one compact sedan that's truly big enough for everyone. Think premium space minus the premium price tag.

BIG ON BOOT SPACE

The boot space in the Nissan ALMERA is astonishingly generous. A full 490 litres of capacity with a deep loading area, a low loading sill and smooth surfacing inside allows you to load up with room to spare.

With enough boot space for the whole family's needs, shopping, sporting events or holidays all become pleasure cruises.

SEES THE UNFORESEEN.

With clever engineering and technology, the new Nissan ALMERA makes reversing a breeze with rear parking sensors that ensure even the tightest parking spots become a precision exercise.

SAFETY

The Nissan ALMERA comes with an impressive array of safety features that are designed to keep you and your passengers safe and sound.

HELPS THE DRIVER TO MAINTAIN COMFORTABLE DRIVING

Even when a risk has not appeared, Nissan technologies make it easier for the driver to maintain safe driving conditions. Some of these innovations reduce the driver's burden, while others enhance visibility and awareness of the immediate surroundings at night and when parking, for example.

HELPS THE DRIVER TO RECOVER FROM DANGEROUS CONDITIONS TO SAFE DRIVING

When a risk appears, warnings and automatic countermeasures help the driver avoid it.

HELPS MINIMIZE THE DAMAGE WHEN A COLLISION IS UNAVOIDABLE

In cases when a crash cannot be avoided, additional Nissan technology helps reduce injuries and damage by activating the brakes, restraining passengers, and applying other measures.

ISOFIX child restraint anchorage points, together with 3-point ELR seatbelts for all passengers, ensure the Nissan ALMERA keeps everyone firmly in the safety zone.

Driver and passenger SRS (Supplemental Restraint System) airbags deploy automatically in the event of severe frontal impact, reducing the risk of injury.

Zone Body Construction features advanced safety technology that includes a clearly defined crushable zone to absorb and disperse impacts, with a high-strength cabin safety zone to maximise passenger protection.

Forewarned is forearmed

Halogen headlights ensure excellent visibility for increased open-road safety, allowing you to see what's ahead better than ever before.

The Anti-lock Braking System (ABS) prevents wheel lockup during heavy braking which allows the driver to continue steering safely.

Electronic Brake-force Distribution (EBD)

sends extra energy to the rear brakes if and when it senses additional weight in the back of the vehicle, increasing stopping power and reducing stopping distance.

SAFETY SHIELD

Safety Shield

In the commitment to "Real World Safety", Nissan pursues innovation as part of its Safety Shield concept. Based on the idea that cars should help protect people, advanced, proactive safety technologies help driver and passengers to avoid danger and injury in a wide range of circumstances.

Nissan's commitment to the environment

Nissan's environmental philosophy embraces people, vehicles and nature. In the pursuit of a sustainable mobile society, the Nissan Green Program aims to reduce the environmental impact of Nissan vehicles at every stage of the vehicle life cycle, while corporate activities address environmental challenges.

NISSAN'S commitment to quality: to provide all customers with a consistently high level of quality, Nissan applies the standard worldwide, to ensure that all Nissan owners enjoy peace of mind for the lives of their vehicles. The approach is based on quality from the customer's perspective on three key elements: 1. The expectation of a smooth driving experience with complete peace of mind. 2. The intangible appeal of a vehicle, its power to captivate and excite, with features that capture attention and imagination. 3. The level of attentiveness and service during the sales process, and long after the sale is concluded.
