## EXCITING TECHNOLOGY FOR AN ENERGISING YET CONFIDENT DRIVE

Imagine a more exciting journey every day – driving with greater exhilaration, confidence and connection to the world around you. That's the thinking behind Nissan Intelligent Mobility. It comes to life in Micra through Intelligent Driving systems that help keep you safe on the road. Because the more secure you feel behind wheel, the more you can enjoy the sheer pleasure of driving.

## EXPRESS YOURSELF

Care and detail has gone into every element of Micra's design, from its floating roof to stylish seat trims and unique wheel designs. Micra's sleek and sporty design is available in plenty of colors to ensure your unique style shines through.

## GET COMFORTABLE

Micra's interior has been carefully created to enhance your driving experience. From the soft-touch upper dash and leather steering wheel\* to the satin silver decorations and the coloured trim option, Micra is cleverly designed to blend comfort and style.

\*Leather steering wheel available as standard on N-Sport grade and above.  
Orange Interior personalisation available as an option only on Tekna grade.

## EXCEPTIONAL DETAILS

D-Shape  
Steering Wheel

Intuitive Interior  
Lay Out

Soft-touch materials  
and silver finishings

## DISCOVER THE MICRA N-SPORT STYLE

With a comfortable driving position, ergonomic seats, and excellent noise insulation, Micra has been engineered to amplify your experience.

Discover the sporty energy inside the Micra N-Sport cockpit with its padded knee pads and striking black trims. Alcantara® dashboard and seats (with synthetic leather parts) as well as privacy glass, to ensure premium comfort whilst you are on the road.

## BOSE® PERSONAL® UNIQUE SOUND EXPERIENCE

Driving Micra is an exciting experience thanks to the BOSE® PERSONAL® audio system\*. Praised for its outstanding performance and the possibilities soundstage provides, it will turn each ride into an uplifting journey.

### 360° PREMIUM SOUND SPACE.

With 6 speakers – including 2 Ultra-Nearfield™ Speakers in the driver's headrest – Micra offers you the ultimate, high-definition audio experience\*\*.

### TAILOR IT AS YOU LIKE.

Personalise your listening experience for you and your passengers by adjusting the width of the sound to suit your preferences. With its fully integrated controls and driver focused soundstage, a fully immersive experience is at your fingertips.

### SMART DESIGN.

Compact and smartly engineered, the BOSE® PERSONAL® system gives you a premium audio experience without compromising on storage space.

\*Bose® Personal® audio system is available as standard on Tekna grade only.

\*\*Bose® Personal® audio system comes with 6 speakers and 1 amplifier. 2 speakers in the driver seat's headrest with Ultra-Nearfield technology, 2 speakers in the front A-Pillars, 2 Super65 speakers in the front doors and 1 digital amplifier under the driver seat.

## NISSANCONNECT\*

Nissan's next-generation audio and navigation system comes with exciting features like smartphone integration, bluetooth hands-free & a multi-touch 7" screen which you can customise to suit your own preferences, you can even add shortcuts and widgets to really make it your own. NissanConnect also brings the familiar experience of your smartphone via Apple CarPlay and Android Auto.

Connecting a mobile phone to NissanConnect with Apple CarPlay and Android Auto should only be done when the car is parked safely. Use of the system should always be in accordance with the Highway Code. Users should be aware of the potential for hands-free technology to distract attention from the road which could impact on having full control of the vehicle. For compatible devices, visit <https://www.nissan.co.uk/ownership/nissan-infotainment-system/android-auto-apple-carplay.html>

**CUSTOMISE YOUR HOME MENU.** With the shortcuts and widgets manager you can customise your home screen to display your most frequently used features such as audio, call history and traffic information.

**VOICE RECOGNITION.** Press and hold the talk button on your steering wheel to activate simple voice commands – it's quick and convenient when you're on the move.

**SINGLE LINE SEARCH.** You can search for addresses, POI's or both using a single line search option which makes it much simpler to search for your destination.

\*NissanConnect is available as standard on Acenta grade and upwards.

**YOUR MUSIC. YOUR WAY.** Use Bluetooth streaming audio or the USB input to play music directly from your smartphone.

## INTELLIGENT INTEGRATION TO MAKE YOUR CAR A MORE PRODUCTIVE SPACE.

Plan your trip based on real time traffic data, giving you accurate and live route options. Stay up to date with over the air updates<sup>(1)</sup> delivered via your smartphone or by connecting with an external WiFi hotspot. Push destinations straight to your car with the Door-to-Door navigation app and navigate to your favorite destinations with ease.

### PUSH YOUR DESTINATION TO YOUR CAR VIA A COMPUTER OR THE MOBILE APP.

Plan your trip before you go by sending your destination to the car before leaving.

### DOOR-TO-DOOR NAVIGATION.

The mobile app enables you to navigate end to end, from where you parked your car to the front door of your destination.

### PREMIUM TRAFFIC DATA.

Get Accurate time to destination information before you leave based on Real Time Traffic and decide the best route to your destination.

### DOOR-TO-DOOR NAVIGATION APP

Download the Door-to-Door Navigation App on your Smartphone and access all your maps on your next generation NissanConnect multi-touch display screen.

<sup>(1)</sup> Navigation is available as standard on Tekna grade and is an option on N-Sport and Acenta.

Orange interior personalisation is available as an option only on Tekna grade

REALTIME DRIVING INFORMATION

DRIVING AIDS

CALLER ID

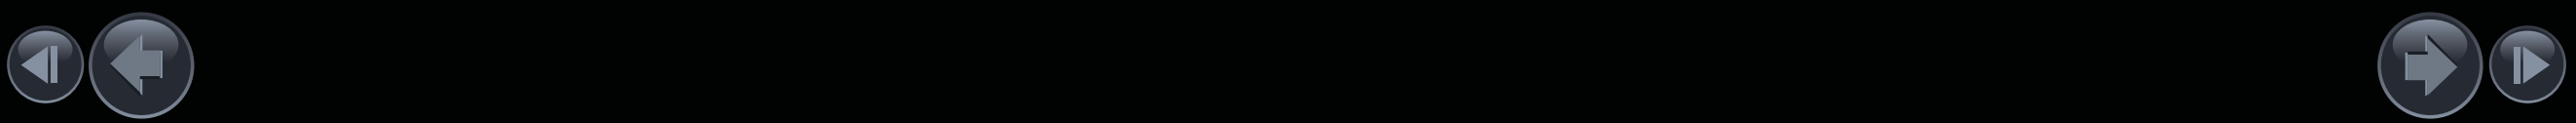

AUDIO

## NISSAN ADVANCED DRIVE-ASSIST DISPLAY INNOVATION THAT'S RIGHT IN FRONT OF YOU.

Designed to reduce distractions and make the most of your journey, the Micra's advanced Drive-Assist display brings you a high-definition 5" TFT screen<sup>(1)</sup>, which contains all the information you need, when you need it, with just a glance. Effortless.

<sup>(1)</sup> Drive-Assist Display is standard on Acenta grade and above

Driver's seat with height and back angle adjustment

Excellent seat sliding range

Adjustable steering wheel

60:40 rear folding seats

## SPACE FOR YOURSELF AND MORE

Micra is designed for living life to the fullest. Despite being engineered for optimum driver and passenger comfort, Micra offers ample space for rear passengers, with plenty of head and knee room. All with loads of space for luggage too. Time to start sending out the invitations.

Orange interior personalisation is available as an option only on Tekna grade

# SPACE THAT SHIFTS TO SUIT YOUR NEEDS

Small yet spacious, the amount of room in Micra is surprising. Fold down the rear seats to fit in any extra bags or bulkier objects. Use the smart storage spaces for your personal items, including a spacious glove box, 1.5L bottle holder in the door, seat pockets, cup holders and there is even a phone holder with USB and 12V power sockets.

Twin cup holder smartly located in central console.

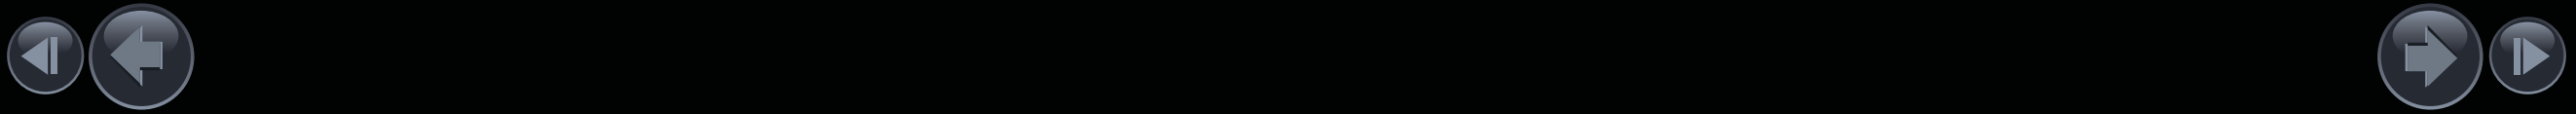

Convenient 10L glove box to fit your tablet or a large water bottle.

Orange interior personalisation is available as an option only on Tekna grade

**300L** BOOT SPACE  
Rear seats not folded

**956L** FULL BACK  
Rear seats folded down

**RIGHT ON THE NOSE.**

In drive, the display gives you both a front and overhead view, so you know just how much room you have.

**SAVE YOUR WHEELS.**

In drive or reverse, you can push the camera button to switch out the overhead for a side view. A great tool for seeing how close you are to the kerb.

**COMPLETE THE PICTURE.**

Located under your driver's side mirror, this camera helps round out your virtual 360° bird's-eye view, whether you're in drive or reverse.

**BACKGROUND SAVVY.**

In reverse, the display helps you see what's directly behind you, while the overhead view helps with smaller objects that might be hidden below your window.

**NISSAN INTELLIGENT AROUND VIEW MONITOR  
WITH MICRA AS YOUR PARTNER,  
EVEN PARKING IS A PLEASURE**

What if parallel parking was easier? A rear-view camera and rear parking sensors are great to give you further confidence when backing up – but when it comes to parking, it's nice to see more than just what's directly behind you. That's why Micra's innovative Around View Monitor\* uses four cameras that give you a virtual 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and kerbside views, so you can get a better look. And since not all obstacles are stationary (like pedestrians or a rolling shopping trolley), Moving Object Detection can warn you about moving objects in your trajectory.

\*Intelligent Around View Monitor is available as standard on Tekna grade. It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. Driver assist features have speed and other limitations and should not be solely relied on. For more information, please refer to the owner's manual or visit [www.nissan.co.uk/techterms](http://www.nissan.co.uk/techterms)

Orange interior personalisation is available as an option only on Tekna grade

## NISSAN INTELLIGENT DRIVING SUPPORTING YOUR DRIVE

Imagine a bolder ride through life. Driving with greater exhilaration, confidence and an enhanced sense of awareness of the world around you. This is the inspiration behind Nissan Intelligent Mobility\*. You will brim with confidence behind the wheel of the Micra with systems that help keep an eye out all around you, watch the flow of traffic and even step in to help keep you out of trouble. The more secure you feel behind the wheel, the more you can experience the sheer joy of driving your new Micra.

NISSAN  
INTELLIGENT  
MOBILITY

**INTELLIGENT EMERGENCY BRAKING\***. Helping to monitor the presence of vehicles or pedestrians in your way, this system gives you warning and applies braking if there's any danger ahead.

**INTELLIGENT LANE INTERVENTION\***. This technology gives you a visual alert, haptic feedback via the steering wheel and even applies subtle braking to guide you back into the lane, in case you start drifting without indicating.

**BLIND SPOT WARNING\***. Boost your vision: the system will warn you if there are vehicles in the blind spots diagonally behind the car.

\*It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. Driver assist features have speed and other limitations and should not be solely relied on. For more information, please refer to the owner's manual or visit [www.nissan.co.uk/techterms](http://www.nissan.co.uk/techterms)

## NISSAN INTELLIGENT DRIVING EASING YOUR WAY

Micra features an incredible suite of safety technologies\* that support you along your journey. Acting as a third eye and a helping hand, Nissan's intelligent driving systems enhance the drive, ensuring it's as easy and fun as possible.

NISSAN  
INTELLIGENT  
MOBILITY

**TRAFFIC SIGN RECOGNITION\***  
Speed limit signs have never been harder to forget, thanks to real-time automatic road sign detection.

**HIGH BEAM ASSIST\***. See more on dark roads. The system activates the high beams and temporarily dips the lights for oncoming traffic.

**HILL START ASSIST\***. No rolling back. This system holds the brakes for the time it takes to get going on a hill.

\*It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. Driver assist features have speed and other limitations and should not be solely relied on. For more information, please refer to the owner's manual or visit [www.nissan.co.uk/techterms](http://www.nissan.co.uk/techterms)

## NISSAN INTELLIGENT DRIVING

# MICRA, SUPPORTING YOU ON THE ROAD.

Agile and responsive, Micra's driving dynamics give you a better sense of the road. Intelligent Ride Control reduces body motion for a smoother drive whilst Intelligent Trace Control works with Nissan's Electric Power Steering (EPS) system to deliver subtle yet secure manoeuvrability\*. Excitement. Confidence. Control.

**INTELLIGENT RIDE CONTROL\***  
Applies subtle braking to prevent unpleasant body movement over bumps and enhance the overall comfort of your ride.

**INTELLIGENT TRACE CONTROL\***  
Helps to deliver confident handling around corners. It adjusts the brake pressure on individual wheels to help keep you on an ideal path through turns.

\*It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. Driver assist features have speed and other limitations and should not be solely relied on. For more information, please refer to the owner's manual or visit [www.nissan.co.uk/techterms](http://www.nissan.co.uk/techterms)

## CATCH ME IF YOU CAN

Put your foot down and enjoy Micra's excellent aerodynamic performance and the exceptionally responsive and fuel-efficient IG-T 92PS engine. With a choice of manual or automatic transmissions, find the driving experience that suits you best.

### CHOOSE YOUR TRANSMISSION

Use our table to compare power, torque, fuel consumption and emissions or visit your nearest Nissan dealer for advice.

	IG-T 92 5 speed Manual	IG-T 92 Xtronic Automatic
<b>Power</b> PS (kW)	92 (68)	92 (68)
<b>Torque</b> (Nm)	160	144
<b>F.E Comb</b> L/100km	5.3 - 5.6*	6.0 - 6.3*
<b>CO<sub>2</sub> Comb</b> g/km	120 - 126*	137 - 143*

The range of CO<sub>2</sub> Comb and F.E Comb figures mentioned are for all grades from Visia to Tekna with IG-T 92 engines.

\*WLTP figures shown are for comparability purposes. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration.

Images and descriptions shown are for guidance purpose. In some instances photos are of non-local specification vehicles and do not represent a specific model, grade or offer. The features shown may not be available or may not be available as standard or only as option. Features available depending on version, as standard or only as option.

# AT NISSAN, WE FOCUS ON QUALITY.

It comes first in everything we do, in the lab and the design studio, the factory and our dealerships and in our relationship with you. We try, retry and try again. Because everything we do is mastered through experience. We call it Nissan Quality.

## 360° PROCESS

We build in quality from the outset, meticulously conceiving each car to make them more comfortable and more durable through innovative design, intelligent technology and thoughtful details inspired by you.

## SAFETY

We work with our intelligent driving systems to help look out for you and help you avoid any mishaps for a bolder, more confident driving experience day after day. Our Around View Monitor uses 4 cameras to give you a virtual birds eye view of your car in its surroundings.\*

## EXTREME RELIABILITY

We push our cars to the limit to best sustain their daily performance and reliability. We travel millions of miles in pre-production tests, open and close doors and bonnets thousands of times a day and use real volcanic dust from Japan to test window resistance.

\*Intelligent Around View Monitor is available as standard on Tekna grade. It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. Driver assist features have speed and other limitations and should not be solely relied on. For more information, please refer to the owner's manual or visit [www.nissan.co.uk/techterms](http://www.nissan.co.uk/techterms)

# YOU+NISSAN

## OUR PROMISE. YOUR EXPERIENCE

ANYWHERE, ANYTIME, ANYTHING. JUST CALL 0800 246 820 AND WE'LL BE RIGHT THERE.

## NISSAN SERVICE PLANS

<https://www.nissan.co.uk/ownership/nissan-services/service-contract.html>.

The Nissan Service Plan is a scheduled maintenance service covering all mandatory routine technical operations and vehicle checks. Relax knowing your car will be serviced by Nissan trained technicians using only genuine and approved quality parts.

## NISSAN EXTENDED WARRANTY

Why not relax and enjoy the ride for a bit longer knowing you can get things fixed when you need to? At Nissan, we let you extend your warranty for a longer period of time. To do this contact your preferred Nissan dealer before your current warranty expires. You can even extend your warranty if your original warranty has expired. Again, you'll need to get in touch with a Nissan dealer, this time to get your car or van examined before the purchase is completed. Your vehicle also needs to be less than 10 years old and have covered no more than 100,000 miles. Available at participating dealers only.

### AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to your everyday problems. At Nissan, we design cars, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

#### NISSAN MICRA OFFERS YOU:

**3-YEAR WARRANTY OR 60,000 MI NEW VEHICLE WARRANTY (WHICHEVER COMES FIRST)**

**12-YEAR ANTI-CORROSION BODY PERFORATION WARRANTY**

**12MONTH OR 12,500 MILE SERVICE INTERVAL (WHICHEVER COMES FIRST)**

Warranty Terms and Exclusions apply, speak to your local dealer for details.

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you to both see and sense more. Nissan Intelligent Mobility is about a better future – moving us to a world that’s safer, more sustainable, and exciting.
