

NEW PEUGEOT 3008 SUV

For 210 years, PEUGEOT has uphold the French manufacturing tradition of quality and inventiveness. Today, PEUGEOT is more focused than ever on designing sleek vehicles, giving drivers a sensory experience that goes beyond driving by heightening their senses. From

ergonomics to materials and connectivity, we have worked on every detail to bring you a more intuitive driving experience. More than anything, we wish to offer you the freedom to choose, because people have been and always will be our main focus.

BETTER DESIGN.

REFINEMENT AND DYNAMISM.

The exterior design of the new PEUGEOT 3008 SUV highlights its assertive character, balance of strength and smoothness. The powerful, refined front end of the 3008 SUV, with its frameless vertical grille and its wings in the extension, prefigures the aesthetic codes of tomorrow.

STRONG PERSONALITY.

The lighting signature includes, right from the entry level of the range, new LED headlights emphasised by the DRLs in the shape of “luminous crocodiles” with a chrome tip, characteristically PEUGEOT and identifiable at first glance. To enhance its character, the new PEUGEOT 3008 SUV is also equipped with full LED headlights with SDL* function.

* Static Directional Lighting, improves road visibility on bends.
Only available in Allure Premium

INCISIVE LIGHT SIGNATURE.

At the rear, the new PEUGEOT Full LED technology lights include characteristic 3D claws and scrolling indicators. The lights are covered with transparent smoked glass, extending the black boot strip on either side of the vehicle, which visually enlarges the rear of the vehicle for a sportier look.

EXCLUSIVE CHARACTER.

The 18" DETROIT* diamond-cut aluminium wheel rims with brand new design, wide wheel arch protectors and solid door sills enhance the robust dynamism of the new PEUGEOT 3008 SUV.

*Only available in Allure Premium

ENHANCED
EXPERIENCE.

UNLIMITED CONNECTIONS.

With the Mirror Screen function, you can enjoy the apps on your Apple CarPlay™, or Android Auto compatible smartphone on the touch screen. And your smartphone recharges wirelessly* in the storage area in the centre console.

* Induction charging for devices compatible with the Qi standard

THE UNIQUE EXPERIENCE OF THE NEW PEUGEOT i-COCKPIT®.

The new PEUGEOT 3008 SUV invites you to discover its spectacular interior with its modern and top-of-the-range PEUGEOT i-Cockpit®. Its compact multifunction steering wheel offers more sensations and manoeuvrability. Its new 10" high-definition touch screen* comes with elegant chrome Toggles Switches giving quick and intuitive access to the various comfort functions. Its 12.3" head-up digital instrument panel now comes equipped with high-quality display.

*Only available in Allure Premium

ULTIMATE COMFORT.

Bathe in the light from the large panoramic sunroof* and sink into the mistral NAPPA leather seats** in the new PEUGEOT 3008 SUV.

Create your own in-car space with the “Magic Flat” system and its 2/3- 1/3-fold-down bench seat, freeing up a flat floor. Store your items depending on leisure activity and even load long objects thanks to the flat-folding passenger seat.

*Only available in Allure Premium
**Optional in Allure Premium

SMART
TECHNOLOGY.

KEEP CONTROL.

Advanced Grip Control, available on the new PEUGEOT 3008 SUV, is a pack consisting of optimised traction control*, specific tyres* and Hill Assist Descent Control*. It allows you to adapt your grip in the most difficult conditions: snow, mud or sand.

THE POWER
OF CHOICE.

PURETECH AND BLUEHDI ENGINES.

The new PEUGEOT 3008 SUV benefits from a wide range of Puretech petrol and BlueHDi diesel engines that can be combined with a 6-speed manual gearbox or an 8-speed EAT8* automatic transmission. These different engines, all equipped with Stop&Start, combine performance, controlled fuel consumption and driving pleasure.

FUEL CONSUMPTION AND CO2 EMISSIONS. Estimated data, given for information only.

(1) The fuel consumption and CO2 emissions figures mentioned comply with the WLTP test procedure, on the basis of which new vehicles are type approved from 1 September 2018. This WLTP procedure replaces the European drive cycle (NEDC), which was the test procedure used previously. Due to more realistic test conditions, the fuel consumption and CO2 emissions measured under the WLTP are, in many cases, higher compared to those measured under the NEDC. The fuel consumption and CO2 emissions figures may vary depending on actual conditions of use and on different factors such as : specific equipment, options and format of tires.

Please contact your dealer for further information. For more information [refer to the website that each of the Brands has put in place to explain the WLTP]

* EAT8 (Efficient Automatic Transmission 8): eight-speed automatic gearbox.

EAT8 AUTOMATIC GEARBOX.

The EAT8* automatic gearbox with steering wheel shift paddles and electric control generates rapid and smooth gear changes thanks to Quickshift technology. This optimisation of gears results in fuel economy and comfort in use in addition to optimising the driving experience and comfort.

* EAT8 (Efficient Automatic Transmission 8)

WARM
ATMOSPHERE.

Here, elegance is expressed in stylish fabrics, Alcantara® or Nappa leather* with topstitching and heathered fabrics, Greval Grey Alcantara** or Dark Lime wood**.

* Available as an option - Leather and other materials: for details about the leather trim, please refer to the technical specifications available from the point of sale.
