MORE POWER IN EVERY DRIVE

The true SUV gets a powerful makeover. With a modern 1.3L Turbo Petrol Engine and advanced technology, the new DUSTER offers power and torque like never before in its segment. Its all-new BS6 compliant powertrain and superior transmission have you ready for any adventure. This is further elevated by enhanced all-round capabilities and superior fuel efficiency. The car's powerful performance is complemented by the bold new exterior with striking Crimson Red Accents.

DOMINATE THE GREAT OUTDOORS

MOST POWERFUL IN SEGMENT

1.3L TURBO PETROL

Gear up for power-packed drives with the new DUSTER. The new powerful 1.3L Turbo petrol engine helps you muscle your way through any terrain. With an exceptional maximum power of 156 PS and maximum torque of 254 Nm, it is built to match your adventurous side.

NEW PERFORMANCE X-TRONIC CVT WITH 7-STEP M-MODE

The power-led performance of the new DUSTER is enhanced by the new X-tronic CVT gearshift. It offers improved responsiveness, giving better drive quality and control to the car even in heavy traffic. And for those off-road drives, the 7-speed Manual mode option (M) allows you to have a hands-on driving experience whenever you want.

IMPROVED FUEL ECONOMY WITH THE TURBO POWERTRAIN

Be it off-road performance or a better fuel economy, the new DUSTER ensures you make the most of every drive. This is complemented by the 6-Speed synchronised gearbox that gives superior shift quality and fuel efficiency.

AN IMPOSING PRESENCE

The new Renault DUSTER reinforces its solid presence. With Forza Diamond Cut Alloys, stylish skid plates and a higher ground clearance, the car exhibits an imposing stance. The projector headlamps and LED DRLs add a lighting signature. While the car's dynamism is further elevated with Crimson Red Accents that make the new tri-winged chrome grille and fog lamp covers stand out.

INTERIORS THAT CREATE AN IMPACT

Step inside and drive out in style. The DUSTER with Midnight Black interiors features Premium Blue Glazed seat upholstery and a striking dashboard. The interiors are further accentuated with the embellished gear stick and an Ice Blue Graphic instrument cluster.

ADVANCED SAFETY

With great power comes great responsibility. The new DUSTER is designed with a sturdy monocoque body to add more safety for you and your loved ones. The car comes with advanced safety features, like dual airbags, Electronic Stability Program, speed alert, ABS with EBD and Brake Assist, seatbelt reminders and reverse parking sensors. Along with true SUV features like Hill start assist, it helps you take on any adventure with more confidence.

COMFORT MEETS NEW-AGE TECHNOLOGY

Android Auto is a trademark of Google LLC

Step into a world of technology and comfort as you take on the great outdoors. The new DUSTER features Remote Precooling, which lets you start the car and cool it even before you drive. The car's intuitive Smart Start/Stop switches the engine off and restarts automatically as per driving situations for better fuel efficiency. The DUSTER's latest technology continues in the fully integrated 17.64 cm Touchscreen MediaNAV Evolution that comes with Apple CarPlay and Android Auto. To add more comfort to every drive, the air conditioning comes with automatic climate control, while the 475L boot space helps you carry anything you like, the way you like.
