# WRX/WRX STI

**Looks aren't  
always deceiving.**

**WRX / WRX STI**

WRX

## **Have control. Let loose.**

From the moment you fire one up, the WRX all but begs you to find a curvy stretch of asphalt. Its rigid, strong chassis gives you the kind of controllability you need to get the most of every bit of ferocious grip coming from the exceptionally balanced Subaru Symmetrical Full-Time AWD system. The suspension makes it all possible, with stiff anti-roll bars, performance-tuned shock dampening and spring-rates, and available 18-inch alloy wheels.<sup>1</sup> Translation: confidence.

<sup>1</sup> Available on WRX Sport-tech trims only.

## **Mundane undone.**

For fans of motorsports worldwide, it takes just three letters to spell thrilling performance: STI. The WRX STI offers sophisticated styling, while its hood scoop and downforce-generating rear spoiler<sup>1</sup> leave no question about what it is or what it's built for. The moment you hit that apex, the STI Sport-tech with its Bilstein<sup>®2</sup> performance-tuned suspension will let you know this is where it's meant to be.

1 Available on WRX STI Sport and Sport-tech trims only. 2 Bilstein<sup>®</sup> is a registered trademark of ThyssenKrupp Bilstein GmbH.

**WRX STI**

**One of the rare moments  
you see them standing still.**

# WRX / WRX STI

# WRX / WRX STI

1 Recaro® is a registered trademark of Recaro Beteiligungs-GmbH Corporation. 2 Available on WRX STI Sport-tech trims only. 3 Apple CarPlay® is a registered trademark of Apple Inc. 4 Android™ is a trademark of Google LLC. 5 Activation and required monthly subscription sold separately. Includes 3-month trial subscription. See your retailer for details. 6 Harman Kardon® is a registered trademark of Harman International Industries, Inc. 7 Available on WRX Sport-tech and WRX STI Sport-tech trims only.

## Immerse Yourself

The WRX and WRX STI put you at the centre of the driving experience with advanced designs and driver-focused details, including Recaro<sup>®1,2</sup> performance seats and a leather-wrapped flat-bottom sport-design steering wheel. Connectivity is seamless, thanks to the SUBARU STARLINK<sup>®</sup> infotainment system with Apple CarPlay<sup>®</sup> and Android<sup>™</sup> Auto integration.<sup>3,4</sup> For commercial-free music, news, sports, and entertainment, you can also add SiriusXM<sup>®5</sup> for 120+ channels of premium audio content that's available in many remote areas. Whatever you choose to listen to, it'll cut through with detail and clarity made possible by a 320-watt premium audio system with 9 Harman Kardon<sup>®6,7</sup> speakers.

## SUBARU SYMMETRICAL FULL-TIME AWD

### **Built and driven for the same reason. Excitement.**

No other car drives like it, because nothing else is built like it. Every Subaru is engineered with a deep commitment to you as a driver. Each has the power to enhance your driving experience and create excitement. That's why, among other advanced performance technologies, the WRX and WRX STI are built with our unique Subaru Symmetrical Full-Time All-Wheel Drive system at their core. As its balanced, low-centre-of-gravity drivetrain bites the pavement with all four wheels, acceleration intensifies, your confidence expands, and every corner ignites a new passion for driving.

# WRX / WRX STI

## Subaru Core Technology

### ACTIVE TORQUE VECTORING

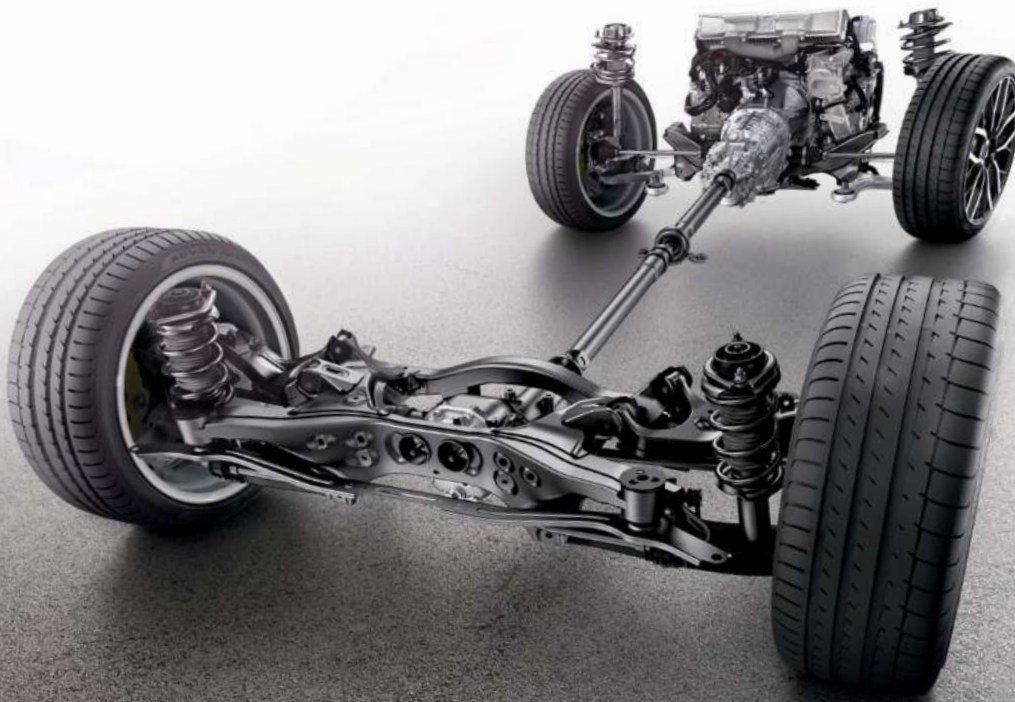

This technology helps make handling more precise while allowing you to push your vehicle closer to the limit. As you enter a corner and lateral g-forces take hold, the system applies braking force to the inside front wheel to help you keep your intended line. This means your WRX or WRX STI responds to your steering inputs more immediately and more engagingly.

WRX STI

### SPORT-TUNED CHASSIS

Years of heated competition, extensive testing, and advances in materials and engineering have been channeled into the chassis designs for the WRX and WRX STI. Exceptional stability and lightning-quick response were central to this development, as high-tensile steel was employed throughout the frame to increase its torsional rigidity and better control the vehicle's weight. What's more, the suspension is performance-tuned with large stabilizers, stiff spring-rates, and pillow-ball bushings, all optimized for high-speed handling. This expertly balances stiffness and compliance to create immediate response and an unprecedented connection between driver, car, and road.

WRX STI

### 1 2.0-Litre Direct-Injection Turbo SUBARU BOXER® Engine

The engine of the WRX gives you more of everything. More efficiency—advanced direct-injection technology extracts power from every last drop of fuel, giving the WRX surprisingly good fuel economy. More power—peak torque comes on more quickly for responsiveness that is easily accessible in any driving environment. More enjoyment—with the WRX, you can enjoy high performance without the costs of high fuel consumption.

WRX

### 2 2.5-Litre DOHC Turbo SUBARU BOXER® Engine

Few motors have the same reputation for pure excitement on any road as the 2.5-litre turbo of the WRX STI. It flawlessly fuses raw power with total poise as its turbo spools almost instantaneously and unleashes power for intense acceleration. Proven over the years, its performance has been made only more thrilling.

STI

### 3 6-Speed Manual Transmission

With its short throw, smooth and direct action, and leather-wrapped shift knob, shifting the 6-speed manual transmission lets you savour every sweep of the glowing red tachometer needle. And the 6-speed manual transmission equipped with the Driver Controlled Centre Differential (DCCD) in the WRX STI features close-ratio gearing, ratcheting up its performance potential even further.

WRX

STI

### 4 Sport Lineartronic™ Transmission

The efficiency-enhancing Sport Lineartronic™ transmission keeps the engine in the perfect rev range to minimize fuel consumption. Paddle shifters provide a manual mode with 6 steps when SI-DRIVE is placed in Intelligent or Sport Mode, and 8 when you put it in Sport Sharp. It's also paired with Variable Torque Distribution (VTD) AWD, which distributes the engine's torque to all four wheels while focusing on the rear wheels for a sporty feel.

# WRX / WRX STI CUSTOMIZABLE DRIVING ENVIRONMENT

WRX STI with Manual Transmission

WRX with Sport Lineartronic™

## 1 SI-DRIVE

Subaru Intelligent Drive (SI-DRIVE) lets you adapt the driving character of the WRX<sup>1</sup> or the WRX STI to your needs or desires. While in Intelligent Mode [I], acceleration is smooth with an eye toward optimal efficiency. Select Sport Mode [S] for linear response and versatile command of every condition. To extract the maximum response from the turbocharged engine, switch to Sport Sharp Mode [S#]. It gives you the most direct throttle response and precise rev control across the entire rpm range.

WRX STI

## 2 Sport Gauges With LCD Display

The vital driving information you need is only a glance away with these crisp, easy-to-read gauges. Fire up your WRX or WRX STI, and see the needles perform a full sweep to get you ready for the drive. An LCD display located in the centre of the array can be customized to put the information you desire right in your direct field of view.

WRX STI

## 3 Colour Multifunction Display

Positioned to be clearly visible with minimal distraction as you drive, this large LCD multifunction display shows you a variety of information that puts you in touch with your vehicle. It can even show a digital boost gauge that lets you keep tabs on your turbocharger.

WRX STI

## 4 Multi-Mode DCCD

The Driver Controlled Centre Differential (DCCD) allows you to dial-in the centre differential locking of the WRX STI by choosing how torque is distributed to the front and rear wheels, thereby shaping its handling. Auto Mode finds the ideal power distribution for changing conditions, while Auto [+] keeps more power up front for increased traction. Auto [-] puts more power to the rear for tighter cornering, and the six-step Manual Mode lets you lock in your preferred handling characteristics.

STI

WRX : Available on WRX

STI : Available on WRX STI

## WRX / WRX STI HIGH-PERFORMANCE SAFETY

### Multi-Mode VDC

Multi-mode Vehicle Dynamics Control (VDC) helps protect you from a detected loss of control while offering three distinct modes for flexible performance. Normal Mode fully engages the system. Change to Traction Mode to raise the threshold for intervention, allowing you to maximize your control and the torque delivered to the wheels. You can even select Off Mode to deactivate Vehicle Dynamics Control.

WRX STI

### EyeSight®

Equipped exclusively on WRX models equipped with the Sport Lineartronic™ transmission, EyeSight®<sup>1,2</sup> Driver Assist Technology integrates multiple safety and convenience features so you'll always feel comfortable and protected wherever you go. EyeSight® gives you a virtual second pair of eyes on the road that can warn you of potential danger ahead and even apply the brakes if necessary. It's a vigilant safety feature that gives peace of mind to every drive. Once you experience it, driving will never be the same.

WRX

### Advanced Braking

Both the WRX and WRX STI feature technologies that improve braking and your safety. Brake Assist helps you fully engage the brakes in an emergency, while the Brake Override feature can help you avoid unintended acceleration by overriding the gas pedal input if both the brake and gas pedal are pressed at the same time.

WRX STI

### Brembo® Brakes

The ultimate name in high-performance braking. Brembo®<sup>3</sup> produces uncompromisingly powerful brakes that can take the punishment of hard driving. The 6-speed manual transmission WRX Sport-tech<sup>4</sup> exclusively features 4-piston front and 2-piston rear calipers with ventilated discs. With the WRX STI, more horsepower demands more stopping power. This is delivered by massive monoblock 6-piston front and 2-piston rear calipers coupled with cross-drilled and ventilated discs, keeping you in control as you edge closer to the limit.

WRX STI

1 Available only with Sport Lineartronic™ transmission on WRX trims. 2 EyeSight® is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operation and limitations. 3 Brembo® is a registered trademark of Brembo S.p.A. 4 Available on WRX Sport-tech trim with 6-speed manual transmission only.

## 2021 WRX / WRX STI | Trim Levels

### WRX

- 268-hp turbocharged 2.0-litre DIT 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical Full-Time All-Wheel Drive
- 6-speed manual transmission
- Sport-tuned suspension
- 10-spoke 17 x 8.0-inch dark gunmetal aluminum-alloy wheels
- Fixed roof cross-bar mounting points
- Aluminum pedals
- Flat-bottom leather-wrapped steering wheel
- Colour multifunction display
- Shark fin body-colour antenna
- Auto-on/off headlights
- Automatic climate control
- Cloth upholstery
- Heated front seats
- Rearview Camera
- 6.5-inch infotainment system: AM/FM/CD/MP3/WMA audio system with high-resolution touchscreen display, Apple CarPlay,®<sup>11</sup> Android™ Auto,<sup>12</sup> STARLINK® smartphone integration (including Aha™ radio),<sup>13</sup> 6 speakers, dual USB port/iPod®<sup>11</sup> control, auxiliary audio input, steering wheel-integrated controls, Bluetooth®<sup>14</sup> mobile phone connectivity with voice activation and streaming audio, and SiriusXM® Satellite Radio<sup>15</sup>

### WRX Sport

#### Includes WRX key features and adds/upgrades:

- 10-way power-adjustable driver seat with power-adjustable lumbar support
- Trunk lip spoiler
- Power tilting and sliding glass sunroof
- LED Steering Responsive Headlights (SRH)
- LED fog lights
- Welcome lighting
- Body-colour side mirrors with integrated turn signals
- Subaru Rear/Side Vehicle Detection (SRVD)
- Proximity Key with Push-button Start
- Optional Sport Lineartronic™ with EyeSight® (Removes 6-speed manual transmission): Includes SI-DRIVE, paddle shifters, EyeSight® Driver Assist Technology,<sup>16</sup> Reverse Automatic Braking (RAB),<sup>17</sup> High Beam Assist (HBA) and EyeSight® Assist Monitor

### WRX Sport-tech

#### Includes WRX Sport key features and adds/upgrades:

- 18 x 8.5-inch dark gunmetal, cast aluminum-alloy wheels
- Brembo®<sup>5,8</sup> performance braking system (6-speed manual transmission only)
- 9-speaker, 320-watt Harman Kardon®<sup>18</sup> audio system
- Leather-trimmed upholstery
- 7-inch infotainment system with navigation: AM/FM/CD/MP3/WMA audio system with high-resolution capacitive touchscreen display with GPS navigation system, Apple CarPlay,®<sup>11</sup> Android™ Auto,<sup>12</sup> STARLINK® smartphone integration (including Aha™ radio),<sup>13</sup> dual USB port/iPod®<sup>11</sup> control, auxiliary audio input, SMS text messaging capability, Bluetooth®<sup>14</sup> mobile phone connectivity with voice activation and streaming audio, and SiriusXM® Satellite Radio<sup>15</sup>
- Optional Sport Lineartronic™ with EyeSight® (Removes 6-speed manual transmission and Brembo® performance braking system): Includes SI-DRIVE, paddle shifters, EyeSight® Driver Assist Technology,<sup>16</sup> Reverse Automatic Braking (RAB),<sup>17</sup> High Beam Assist (HBA) and EyeSight® Assist Monitor

### WRX STI

- 310-hp turbocharged 2.5-litre 4-cylinder SUBARU BOXER® engine
- Subaru Symmetrical Full-Time All-Wheel Drive with Driver Controlled Centre Differential (DCCD)
- 6-speed manual transmission
- Brembo®<sup>4,5</sup> high-performance braking system
- Sport-tuned performance suspension
- 18 x 8.5-inch dark gunmetal aluminum-alloy wheels. Multi-spoke design.
- Auto-on/off headlights
- LED Steering Responsive Headlights (SRH)
- Colour multifunction display
- Dual-zone automatic climate control
- Flat-bottom leather-wrapped steering wheel
- Leather shift knob and parking brake lever
- Ultrasuede®<sup>19</sup>/leather-trimmed upholstery
- Heated front seats
- Body-colour side mirrors with integrated turn signals
- Rearview Camera
- 6.5-inch infotainment system: AM/FM/CD/MP3/WMA audio system with high-resolution touchscreen display, Apple CarPlay,®<sup>11</sup> Android™ Auto,<sup>12</sup> STARLINK® smartphone integration (including Aha™ radio),<sup>13</sup> 6 speakers, dual USB port/iPod®<sup>11</sup> control, auxiliary audio input, steering wheel-integrated controls, Bluetooth®<sup>14</sup> mobile phone connectivity with voice activation and streaming audio, and SiriusXM® Satellite Radio<sup>15</sup>

### WRX STI Sport

#### Includes WRX STI key features and adds/upgrades:

- 19 x 8.5-inch dark gunmetal with machine finish aluminum-alloy wheels
- 10-way power-adjustable driver seat with power-adjustable lumbar support
- STI wing trunk spoiler
- Power tilting and sliding glass sunroof
- Welcome lighting
- Subaru Rear/Side Vehicle Detection (SRVD)
- Proximity Key with Push-button Start

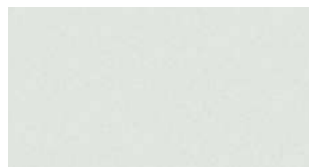

### WRX STI Sport-tech

#### Includes WRX STI Sport key features and adds/upgrades:

- Bilstein®<sup>20</sup> performance-tuned suspension
- Recaro®<sup>2</sup> performance-design front seats, 8-way power-adjustable driver seat
- 9-speaker, 320-watt Harman Kardon®<sup>18</sup> audio system
- Optional wing or lip spoiler
- 7-inch infotainment system with navigation: AM/FM/CD/MP3/WMA audio system with high-resolution capacitive touchscreen display with GPS navigation system, Apple CarPlay,®<sup>11</sup> Android™ Auto,<sup>12</sup> STARLINK® smartphone integration (including Aha™ radio),<sup>13</sup> dual USB port/iPod®<sup>11</sup> control, auxiliary audio input, SMS text messaging capability, Bluetooth®<sup>14</sup> mobile phone connectivity with voice activation and streaming audio, and SiriusXM® Satellite Radio<sup>15</sup>

## Subaru Warranties

Every Subaru vehicle is designed and built to offer our customers the highest possible level of quality and reliability. We are proud of our vehicles and proud to stand behind them with a comprehensive warranty. For 2021 model-year vehicles, the warranty on all Subaru vehicles consists of the following:

**New Vehicle Limited Warranty (36 month/60,000 km)** – Covers basic and major components for 36 months or 60,000 km.

**Major Component Limited Warranty (60 month/100,000 km)** – Extends coverage of major components (more than just powertrain) up to 60 months or 100,000 km.

**Surface Corrosion Limited Warranty (36 month/60,000 km)** – Covers surface corrosion to visible painted body panels for 36 months or 60,000 km.

**Anti-Perforation Limited Warranty (60 month/unlimited km)** – Covers perforation due to corrosion to body sheet metal panels for 60 months, regardless of kilometres.

**Emission Control System Limited Warranty** – Covers some emissions components for 36 months or 60,000 km and the major parts of the emission control system for 96 months or 130,000 km.

**Parts and Accessories Limited Warranty** – Covers Subaru parts and accessories installed by the retailer prior to retail delivery of the vehicle for 36 months or 60,000 km, and Subaru parts and accessories installed by the retailer after the retail delivery of the vehicle for 12 months or 20,000 km from the date of the installation.

The above information is an overview of warranty coverage and is not a warranty statement. If you wish to see more details regarding Subaru warranties, please refer to your Subaru warranty booklet, contact your local retailer or visit our Web site at [subaru.ca](http://subaru.ca).

## Subaru 360 C.A.R.E. Program (36 months/unlimited km)

Access to dedicated Subaru 360 C.A.R.E. (Customer Assistance for Roadside Emergencies) Roadside Assistance Services, which includes access to 1,000 CAA and AAA offices throughout Canada and the United States. In addition to towing, coverage also includes Fuel Delivery, Battery Boost, Flat Tire Service, Lock-Out Service, Trip Accident & Mechanical Breakdown Assistance Service, Winching and Extrication Service, Personalized Trip Planning and Routing, Theft and Hit-and-Run Reward, and Arrest Bond Certificate.

The above information is an overview of services. If you wish to see more details regarding Subaru 360 C.A.R.E., please visit our Web site at [subaru.ca](http://subaru.ca).

## Subaru Protection Plan

As a Subaru owner, you have expectations for a pleasurable, trouble-free ownership experience – now and into the future. Once your 36-month/60,000-km New Vehicle Limited Warranty period ends,<sup>1</sup> our Subaru Protection Plan (SPP) – the only vehicle service contract endorsed by Subaru Canada for Subaru vehicles – can prolong your hassle-free ownership experience with three levels of extended service contract coverage tailored to your needs: Powertrain Protection; Major Protection; or Complete Protection (best level of coverage to complement the 60-month/100,000-km Major Component Limited Warranty). SPP offers comprehensive mechanical and electrical coverage and a number of additional features and benefits, such as Roadside Assistance and Alternate Transportation, for up to 7 years or 160,000 kilometres from your vehicle's in-service date. Whether your vehicle is purchased or leased, SPP protects you and your investment. Be sure to ask your retailer for details or visit [subaru.ca](http://subaru.ca).

<sup>1</sup> If you already own a Subaru vehicle and it is still within the 36-month/60,000-km New Vehicle Limited Warranty period, you are still eligible for SPP.

Subaru vehicles are uniquely designed to get out there more and to leave less behind. We build our vehicles for maximum longevity, because more time spent on the road equals less time spent in junkyards and landfills. In fact, 96.7% of our vehicles sold in Canada over the last 10 years are still on the road today<sup>1</sup>. You'll also find very little waste created in the production of a Subaru. Many of our vehicles are built in the Subaru of Indiana Automotive, Inc., (SIA) factory, which was the first manufacturing facility in the U.S. to achieve zero-landfill status. Other Subaru facilities around the world now achieve similar goals in helping to preserve the environment. Respect for our surroundings is yet another way that Subaru vehicles help to build driver confidence for the road ahead.

<sup>1</sup> Based on IHS Markit Vehicles in Operation as of June 30, 2020, for Model Years 2011 to 2020 vs. Total New Registrations of those vehicles.

**For a detailed list of specifications, features, accessories, and model comparisons, please visit [Subaru.ca](http://Subaru.ca) or your nearest authorized Subaru Retailer.**

The Supplemental Restraint System (SRS airbags) affords the driver and passenger additional protection in some collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment. The combination of SRS and seatbelts provides the best protection in a serious accident. All illustrations, specifications, features and photographs contained in this brochure are based on product information available at the time of its printing, and may not be completely accurate following its publication.
