DZIRE
THE HEART CAR

 **MARUTI SUZUKI**
Count on us

Maruti Swift DZire now with
new K-12 Petrol Engine.

Life gives you what your Heart Desires

Ever wondered if you can have a car that fulfills all your heart's desires? We suggest you look no further and just slide behind the wheels of the Maruti Suzuki DZire. With striking good looks, luxurious interiors and the best features one can ever wish for, DZire revels in the glory of being the lowest maintenance car in its class. So go ahead, drive the car of your dreams and fulfill your heart's desire.

Make heads turn with its Desirable Exteriors

- Chiseled shoulder-line to complement muscular flared wheel arches and sills
- Rear bumper-integrated centre fog lamps under an internationally styled boot lid
- Rich chrome styling for an imposing and impressive grille
- Classy vertically oriented headlamps and integrated fog lamps
- Chic wrap-a-round tail lamps

Height adjustable driver seat

A 6-way adjustable driver's seat keeps the driver comfortable and makes for a pleasurable drive

Indulge in your desire for Complete Comfort

- All-round power windows for improved convenience
- Tilt-adjustable steering column lets you set it just right for your height
- Sound absorbing materials and vibration dampers for a quieter drive
- Spacious and airy back seats
- Choice of fabric available between variants

Pamper your desires with Luxurious Interiors

On-board computers auto-adjust to the weather outside maintaining precise cabin temperature

Classy dashboard-integrated audio system with remote control and powerful speakers

Tilt-steering lets you adjust the steering wheel to your individual posture

Illuminated steering-mounted audio controls and headlight leveling switch for a better driving experience

Drive as far as you desire with Excellent Handling & Luggage Space

An advanced suspension acknowledged as one of the world's best forms of vehicle suspension, proven in rally-winning cars

Independent McPherson struts and anti-roll bars in front limit body sway in corners and enhance handling and grip on the road

Semi-independent torsion beam and gas dampers in rear for better handling on rough roads

An advanced speed sensitive power steering gives you effortless steering, lesser cabin noise and enhanced fuel efficiency

5-gear stick travels shorter distances for silk smooth transmission

Large boot space - enough to pack all that you want on a getaway and also provides a neat spare wheel location

Meet your desire for Security with Reassuring Safety Features

- Dual front air bags cushion the front seat occupants in case of a head-on collision
- Collapsible steering column minimises injury on impact
- Seat belts with safety enhancing pretensioners and force limiters

WITH ABS

WITHOUT ABS

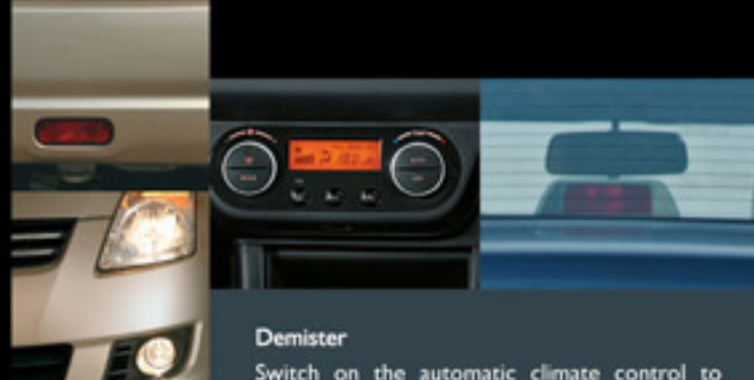

- Anti-lock Braking System (ABS) with brake assist prevents uncontrolled skids while braking, especially on slippery roads and ensures minimum stopping distance
- Electronic Brake-force Distribution (EBD) distributes braking force between the front and rear wheels
- Booster assist & ventilated disc brakes come in handy when you have to brake at a short distance
- The key-integrated Intelligent, Computerized Anti-theft System (iCATS), checks for the correct code before allowing the engine to start, even if a duplicate (mechanical shape) key is used

See all you desire with Clear Visibility

- Powerful and clear-lens headlamps provide superior visibility
- Headlight leveling allows perfect light adjustment

High-mounted stop lamp and rear bumper-integrated fog lamp give clear signals to following traffic

Front fog lamps let you drive effortlessly even on the foggiest days

Demister

Switch on the automatic climate control to enjoy a clear all-round view, even in heavy rains. First, temperature-controlled air is emitted to clear mist from the windscreen and side windows. Next, the rear glass is heated by the rear defogger to get clear vision from all sides.

New K-12 Engine

PETROL

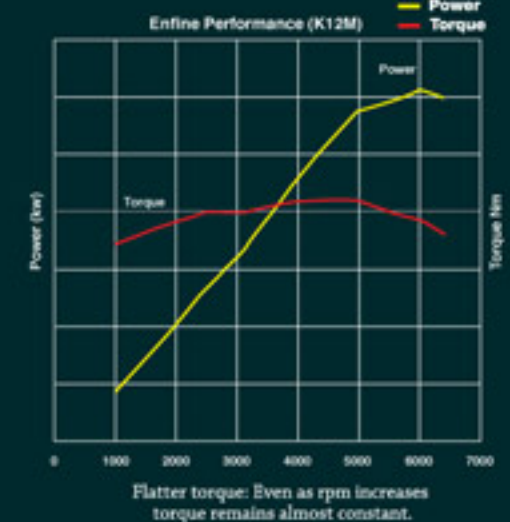

DIESEL

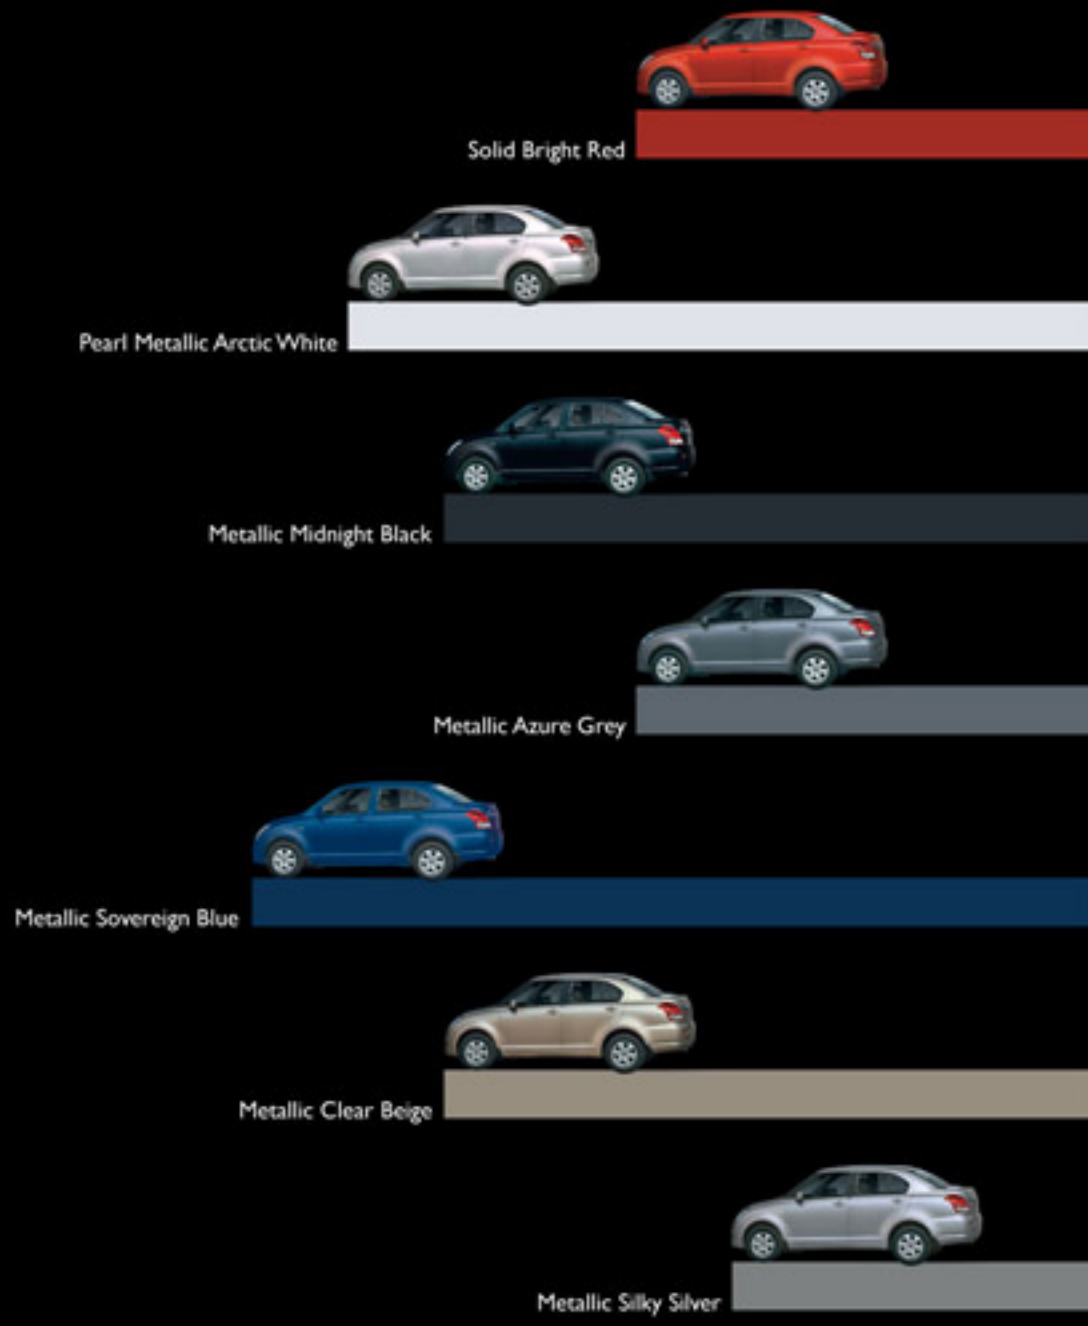

Give in to your desire for Power

- Advanced 1.2L 16 valve K-series engine delivers flatter torque
- Great performance at 85PS@6000rpm and 113Nm@4500rpm due to improved compression ratios lead to better initial and passing acceleration in city driving conditions
- BS IV compliant lightweight DOHC engine reduces friction and improves durability with the high fuel efficiency @17.94kmpl
- Lower NVH (noise, vibration and harshness) provides an enhanced drive and lesser fatigue
- Dual ignition coils with an electronic current distribution allows negligible maintenance
- Free revving and all-round aluminium construction give excellent mileage due to reduced weight and higher power-to-weight ratio
- 6 on-board computers control everything precisely from fuel to ignition timing

- The 1248cc engine delivers 75PS@4000rpm and 190Nm@2000rpm resulting in fewer gear shifts and a superior drive
- A unique 5-step multi-injection technology allows smoother running, low noise and vibration levels
- Double Over Head Camshaft (DOHC) ensures high fuel efficiency
- The combination of Turbocharger and Intercooler guarantees more pulling power
- BS IV compliant

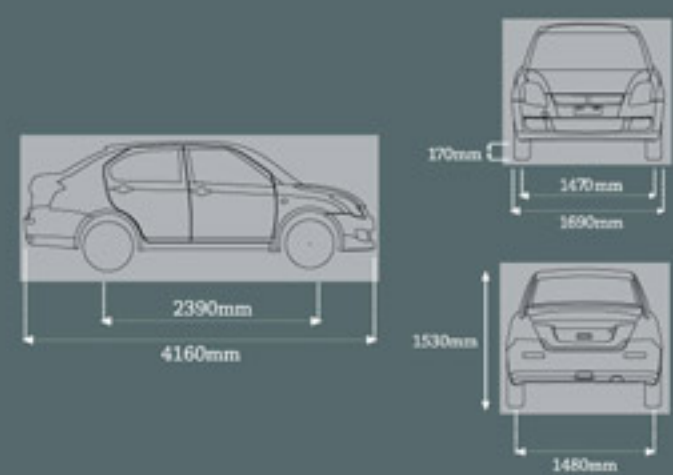

Fulfill your desire
to add colour to your life with a
Wide Colour Palette
