LEAD THE WAY

FJ CRUISER

FJ CRUISER

*With over 60 years of
Land Cruiser in its blood,
the FJ takes the road
very seriously.*

FJ Sport Cruiser shown

With its unique modern-retro styling, unapologetic attitude and power, the FJ Cruiser is as far from middle-of-the-road as you can get. This is not your typical, wanna-be-the-real-deal suburban SUV. The FJ Cruiser has real backbone that's born from real heritage – the indestructible Land Cruiser. Two models are available: the FJ Cruiser and FJ Sport Cruiser.

COUP

DETROT

FJ Sport Cruiser shown

the power of
Independence

A true revolution in motoring. The FJ is as powerful as it is tough, with its go-anywhere-do-anything attitude. The engine is a powerhouse that kicks out 200 kW of power at 5 600 r/min and 380 Nm of torque at 4 400 r/min. The FJ is not just strong but is also loaded with smart features: an Electronic Fuel Injection (EFI) system, Vehicle Stability Control (VSC) helps ensure stability by automatically adjusting engine output and the braking force of each wheel to prevent oversteering and understeering on corners, Active Traction Control (A-TRAC) helps ensure excellent traction by controlling the brake pressure if the wheels slip when running off-road when in 4-wheel drive. CRAWL Control works like cruise control, but at a much lower speed, to minimise wheel lock and spin and increase the ease of the drive, stability and safety. Whether tackling mud or rock, this system automatically manages both the engine and brakes, maintaining the vehicle at a constant, low steady speed that allows the driver to concentrate on steering the vehicle, especially when negotiating out of tight spots. With a ground clearance of 245 mm, the highest in the Land Cruiser family, no matter how rough the road ahead, the FJ can tackle it.

the Groundbreaker in you

FJ Cruiser shown

FJ Sport Cruiser shown

The exterior design has an unapologetic, bold extroverted look. The FJ has a wild side, a rogue in the city yet confident off-road. Modern yet retro, the FJ's unique styling demands a unique driver who's not afraid to break the rules.

The FJ's signature white roof makes a bold style statement that is complemented by rugged black bumpers and silver mirrors that are electrically adjustable. 17" alloy wheels and a full-size alloy spare wheel that is mounted on the rear door complete the look. The rear spoiler has an integrated brake light and side steps with covers are standard. The extra wide windscreen comes equipped with a 3-arm wiper system and there's a retractable rear window wiper that's housed on the hatch door. Another unique feature is that the rear privacy glass windows wrap around the back of the FJ to further add to its distinct style. What's even cooler is that the FJ has double door openings so the doors open out from the middle. The Sport Cruiser comes standard with chrome trim to add a bit of bling to the door handles, front bumper, hood bulge, grille, mirrors and scuff plates, and also has a hard spare wheel cover in black.

WARRIOR BAR

Street cred. Check! The FJ's style isn't just skin-deep, the look outside is perfectly coordinated with the look inside – the interior colour panels match the exterior body colour. The overall impression is bold and confident.

Rear-hinged door design

Carpet set (FJ Sport Cruiser)

FJ Cruiser scuff plates (FJ Sport Cruiser)

With inner space that's big on technology with Bluetooth, USB and iPod inputs, you'll always be connected. The FJ delivers an exceptional acoustic experience with its 6-speaker audio system, including two ceiling-mounted speakers. And no matter how long or hard the road ahead, cruise control makes for smooth sailing. Add to that power steering and electrically-operated windows to make the trip that much easier. The back monitor that's integrated into the rear view mirror automatically switches on when the vehicle is in reverse – one less thing to stress about. Since the FJ is built for adventure, it is also as practical as it is sophisticated: smart storage spaces are ideal for small items and a rear seat that splits 60:40 with removable cushions make it easy for you to take large items on the road. The Sport Cruiser comes standard with black combination leather seats and a distinctive FJ Cruiser carpet set. And to keep you cool(er) on the road there's air conditioning, of course.

BODY GUARD AHEAD

full Metal jacket

Not all bodyguards wear black and mirrored sunglasses. The FJ Cruiser not only has your back but has you covered from every angle. The Anti-lock Braking System (ABS) prevents wheels from locking. And just like a bodyguard, you'll also have 'eyes' at the back of your head with a back sonar and sensors that can detect objects behind you. For all of its might, the FJ is also family-friendly with ISO-FIX child restraint seat belts. Add to that the extra safety ammo of front, side and curtain shield airbags, power door lock and immobiliser, and you're good to go. Anywhere.

TRUCK

FJ Cruiser shown

Being ‘green’ can be a challenge when you are one of the world’s most respected go-anywhere-do-anything vehicles. With its ‘means-business-take-no-prisoners’ presence and power, it’s understandable that it’s hard to see that the FJ also aims to make peace with the environment. In line with Toyota’s Environmental Plan – ECO-Project, the FJ has been designed to be as green as it can be. Here’s what you have to understand to understand the FJ’s green side: Toyota is committed to reducing the use of substances that contribute to global warming and uses recyclable materials wherever possible. The FJ uses an environmentally-friendly chrome-free substrate in the air conditioner evaporator and lead pollution is minimised by using aluminium in the heater core materials. The FJ also keeps recycling top of mind by using 100% polyester materials in the clean air filter that facilitates easy waste disposal and by using recyclable materials with excellent qualities (Thermo Plastic Olefin) throughout the interior and exterior of the vehicles. The FJ has a Euro Step 3 emissions rating. So while there’s no doubt that the FJ is a mean machine, it is also as green a machine as a mean machine can be.

Toyota is serious about combating the problems associated with waste tyres in the country and has therefore taken up its producer responsibility as defined by the Waste Management Act of 2008. Waste Tyre Registration Number: TPREG0031GAU

Fuel consumption (l/100 km)	11.4*	CO ₂ emissions (g/km)	267*
-----------------------------	-------	----------------------------------	------

*The fuel consumption and CO₂ values of your vehicle may vary from those measured. Driving behaviour, as well as other factors such as road conditions, traffic, vehicle conditions, installed equipment, load and number of passengers play a role in determining a vehicle’s fuel consumption and CO₂ emissions.

TOYOTACARE

Keeping your Toyota Genuine

Buying a Toyota signals the start of an exciting journey, from the moment you take ownership of your vehicle until the day you trade it in. With ToyotaCare, our endeavour is to provide specialised vehicle maintenance and outstanding customer service throughout this journey. Keep Your Toyota Genuine with our range of Genuine Products and Approved Services to ensure an unparalleled ownership experience and complete peace of mind.

Toyota Genuine Products

For guaranteed fit and function, Genuine Parts are essential in maintaining the safety and reliability of your vehicle. Genuine Parts comply with all safety, regulatory and environmental requirements, making it the obvious choice. The same exacting precision applies to Toyota Accessories, developed by engineers with extensive knowledge on vehicle integration – you can enhance the appeal and functionality of your FJ Cruiser without compromising its safety features or warranty. Warranties are about peace of mind, and the Genuine Extended Warranty is designed to provide superior cover (up to 3 years or 100 000 km) and a seamless claims process thanks to full integration with Toyota systems. The Genuine Extended Service Plan also enjoys exclusive approval by Toyota SA and provides flexible extension options up to 7 years or 200 000 km to suit your period of ownership. Paying today's rates for tomorrow's maintenance is a sensible way to protect your FJ Cruiser resale value by means of a full service history.

Toyota Approved Services

Specialised vehicle maintenance requires first-class facilities, advanced equipment and expert knowledge. Toyota Quality Service not only promises accurate diagnosis and repair, but also a philosophy of building trust through a genuine concern for the needs of our customers. To complement the extensive network of Toyota dealers, we have vast number of Accredited Body and Paint Repairers, selected on stringent criteria to ensure outstanding workmanship and customer service. You can maintain your vehicle's pristine condition without compromising its warranty thanks to the exclusive use of Genuine Parts by our Accredited Repairers. Offering 24-hour access to a full complement of assistance and recovery benefits, Toyota Roadside Assistance provides the peace of mind that competent support is only a phone call away.

Register on  **MyTOYOTA** portal for real-time service bookings and convenient vehicle management in order to keep your Toyota Genuine. For more information on Toyota Genuine Products and Approved Services, visit www.toyota.co.za/toyotacare

Toyota Financial Services

At Toyota Financial Services, we believe that purchasing your Toyota should be as enjoyable as driving it. Toyota Financial Services is the fast, flexible and convenient means of financing your FJ Cruiser. We have created a range of financial products that suit both private and business customers, easily accessible through your local Toyota dealer. We take the hassle out of arranging finance. Toyota Financial Services (South Africa) Ltd is an authorised Financial Services (FSP No. 7454) and Registered Credit Provider (NCRCP62). For comprehensive information about products offered by Toyota Financial Services, visit www.toyota.co.za/toyota-finance
