**How to use this brochure**

This brochure showcases some of the highlights of all-new Corsa. Please note that some of the vehicles shown include options available at extra cost and not all of the features described are available on every model. You can click through to the [all-new Corsa Price and Specification Guide](#) for all the latest details.

# We've switched it up.

Corsa's back and it's better than ever.  
Read on to find out just how much.  
Did we mention it's gone electric too?

# Think bigger

Yes, it's a Corsa, but it's like no Corsa you've seen before.

The exterior's been totally switched up – all-new Corsa feels modern, dynamic and poised. While the cool, stylish interior has been updated to bring you the latest tech and innovation.

At its heart is a brand-new engine range, starring the first-ever all-electric Corsa that gives you everyday driving thrills with low running costs. Didn't expect that, did you?

The other engines are pretty spectacular too; an all-new petrol/diesel powertrain portfolio boasts significantly better fuel economy and improved CO<sub>2</sub>, for a drive that's efficient yet totally addictive.

It's official – the next generation of Corsa is here.

So, let's get into it.

# Loads to love

**Everyday excitement**

Engineered for everyday driving thrills with a brand-new choice of petrol and diesel engines plus an all-new, 100% electric powertrain.

**Seamless connectivity**

The latest and greatest connectivity features keep you entertained and well connected.

**First-class interior**

A class-leading high-quality interior, now featuring Alcantara cloth, will have you looking (and feeling) fantastic.

**Bold new look**

A new confident design makes all-new Corsa a car you'll be proud to own.

**Real-world tech**

Small car proportions with big-car features, to keep you safe, comfortable and in control.

# Looks the part

Sporty, stylish and perfectly in proportion. All-new Corsa really looks the part. With sleek flowing lines, dynamic curves and bold new front grille – it all adds up to make Corsa stand out, turn heads and get you noticed.

## Like what you see? Let's take a closer look...

### Floating roof design\*

A stylish two-tone floating roof takes all-new Corsa's styling to the next level.

### New front grille

Corsa's front profile is now much bolder – with a new front grille that feels refined and stylish.

### New LED headlights

Corsa's really grown up – the new grille and front bumper are complemented by bold new LED headlights.

### New LED tail lights\*

An all-new LED tail light design is the perfect addition to Corsa's much sportier rear.

\*Standard on certain models.

# Feel good things

Get into the all-new Corsa and you'll never want to get out. With a cabin that's spacious, welcoming and packed full of premium features and state-of-the-art tech. Like an all-new integrated infotainment system that puts all your important info in reach and in your eyeline.

# It'll drive you wild

And it isn't just all style and great looks. All-new Corsa is just as impressive under the bonnet. You get a choice of petrol or diesel engines, boasting an outstanding set of performance figures, with no compromise on efficiency. If that just isn't enough, on the SRi model you can drive in Sport mode and take things even further.

Add to that the new all-electric Corsa-e, that propels you from 0–30mph in just 2.8 seconds, and you have Corsa's most exciting line up yet.

Are you ready?

**Small in size, large on life,  
all-new Corsa's engineered  
to make every drive more  
enjoyable whatever your  
power choice.**

**Prepare to be  
seriously impressed...**

**Petrol and diesel**

An all-new powertrain portfolio features a choice of efficient petrol and diesel engines that pack a punch with less drain on your pocket.

In fact, New Corsa petrol engines are up to 19% more fuel efficient.

Win win.

**Automatic transmission**

It's smooth sailing with Corsa's new 8-speed auto transmission, with three different driving modes; Sport, Normal and Eco. City driving, made easy.

**Sport mode**

License to thrill? Switch your Corsa SRi into Sport mode and you'll get sharper throttle response, lighter steering and an all-round exciting ride.

A bright orange Opel Corsa-e is parked at a modern, silver charging station. A black charging cable is plugged into the car's rear. In the foreground, a man with glasses, wearing a dark blue jacket over a white t-shirt and dark trousers, is walking towards the camera with a smile. The background features a brick wall and large glass windows of a building. Other people are visible in the background, including a man standing near the entrance and a woman walking. The scene is set in an urban environment during the day.

# Plug and play

An electric car that's more everyday than out-of-the-way. One that's accessible to everyone. And most importantly, one that doesn't cost the earth. Say hello to the new all-electric Corsa-e. It's 100% electric, 100% exciting, and designed to fit in with your life perfectly.

### Up to 209-mile range

The new all-electric Corsa-e takes you everywhere you want to go with a 100% electric powertrain and impressive 209-mile range. With EV-specific connected services you can precondition the car, set delayed charging cycles, search for charging stations for a set navigation route, all from your smartphone.

Additionally, the Corsa-e features an intuitive on-board app that gives the driver an accurate overview of the current state of charge, the range and driving stats.

### Dynamic driving experience

The Corsa-e delivers effortless acceleration when you need it, gliding from 0-60mph in just 7.6 seconds.

**209 miles**  
on a full-charge\*

**0-60 mph**  
in 7.6 seconds

What's more, you get a choice of driving modes, depending on your mood and the driving conditions. Sport mode increases the thrill, while Eco mode optimises your range.

\*Provisional data. The electric range shown was achieved using the new WLTP test procedure. Figures are intended for comparability purposes only. The electric range you achieve under real life driving conditions will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load.

### Charging options

With various charging options you can charge your Corsa-e anywhere, whether at a specifically designed wallbox, a public charging station or at home. When you're out and about a rapid charger can re-charge the battery from 15% to 80% in 30 minutes, whilst a home wallbox (7kW) will give you a full charge in 7.5 hours.

### Low running costs

The Corsa-e offers truly exceptional running costs. Not only that but your servicing costs are lower too. Fully electric cars are currently also exempt from vehicle excise duty, and there's no congestion charge to pay, either. That's some serious savings.

### Government grants

The government has made grants available for electric vehicles. For the Corsa-e, the government grant is up to £3,000. Providing you meet a few more criteria\*, you can also qualify for up to £350 towards the installation of an authorised home charging unit. Ask your Retailer for more information about the Vauxhall home charging offer.

\*You can obtain 15-80% of the vehicle charge in 30 minutes from a 100kW rapid charging station. Rapid charging stations are widely available across the UK at various locations and their power rating varies, typically from 50kW and sometimes up to 350kW. The charging time may vary according to the type and power of the charging station, the outside temperature at the charging point and the battery temperature. \*\*From 21/22 tax year.

**No congestion  
charges**

**15-80%  
charge**  
in 30 minutes\*

**£0 VED**

**1% BiK\*\***

**Safety**

**first**

You want to feel safe on the road, that's a given. So we've packed all-new Corsa with all the safety and driver assistance features you need to get out and get on with life (and be safe while you do it).

# IntelliLux LED<sup>®</sup> lighting

IntelliLux LED<sup>®</sup> Matrix headlights\* automatically adapt your headlights according to the type of road or driving conditions. There are eight variations, whether you're in a city street or country lane, parking up or driving round a tight bend.

\*Standard on certain models.

# Safety features

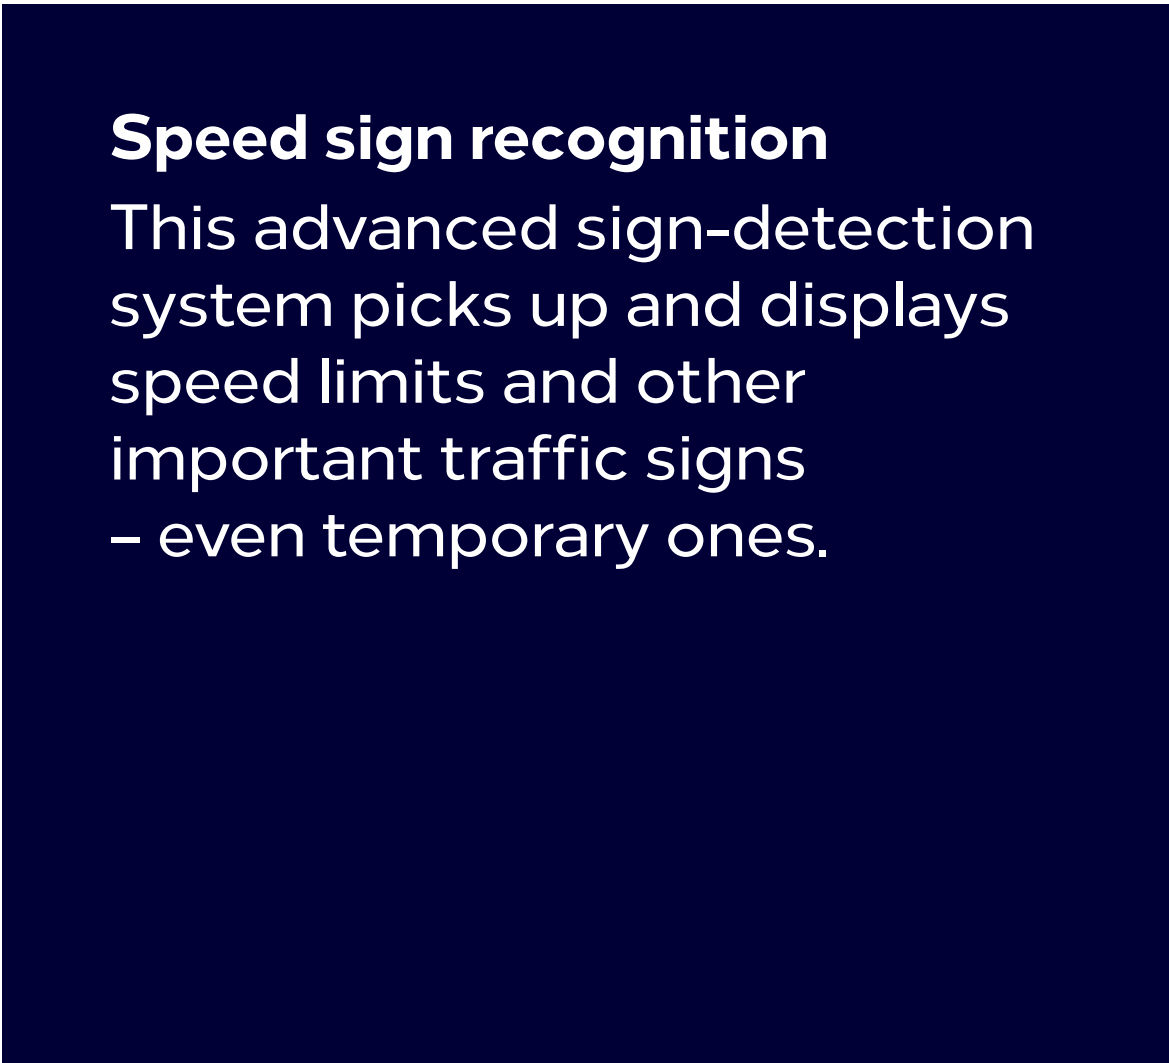

**Forward collision alert**

Slow or stationary car upfront? Forward Collision spots it and lets you know immediately, giving you plenty of warning time to hit the brakes.

**Lane departure warning**

Lane departure warning gives you a heads up (and an audio alert) should you start drifting out of lane.

**Speed sign recognition**

This advanced sign-detection system picks up and displays speed limits and other important traffic signs – even temporary ones.

**Automatic emergency braking with pedestrian detection**

This clever system helps to avoid low-speed rear-end collisions by automatically braking if it senses a potential impact. It will also brake to protect pedestrians who've walked in your path.

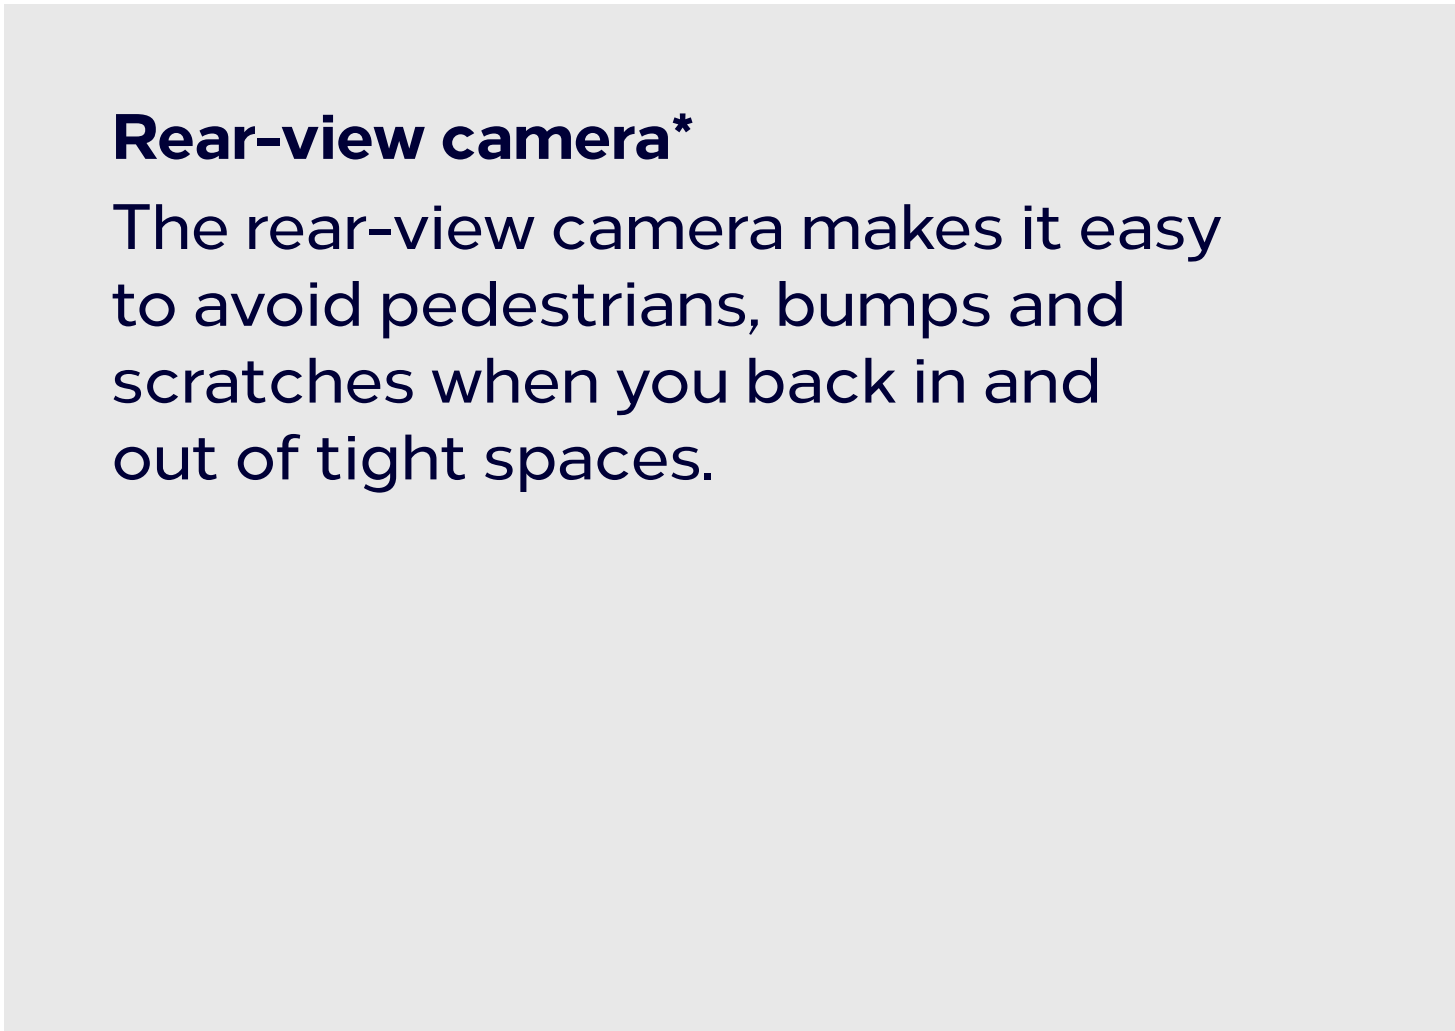

# Driver assistance features

**Front and rear parking distance sensors\***  
Endlessly driving around looking for a space? This will help you steer into that tight spot no problem.

**Rear-view camera\***  
The rear-view camera makes it easy to avoid pedestrians, bumps and scratches when you back in and out of tight spaces.

**Driver drowsiness alert**  
Our seriously smart driver drowsiness alert uses sensors to keep an eye out and warn you if you show signs of tiredness. So you'll know when it's time to stop for that all-important break.

\*Standard on certain models. Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

# Make yourself at home

All-new Corsa's interior not only looks good but it does good. It's packed full of features to keep you and your passengers relaxed, comfortable and entertained wherever you go.

# Interior comfort features

**Heated steering wheel and seats\***

Nothing says comfort more than heated seats – add to that a heated steering wheel and you’ll be feeling totally pampered.

**Air-con and electronic climate control\***

You’ll be ‘just right’, whatever the weather with manual air conditioning\* or electronic climate control\*.

**Storage solutions and load area**

There’s space for everything inside all-new Corsa, with storage spots right where you need them, and a bigger boot for your luggage, shopping bags... and the rest.

**Massage driver’s seat\***

A seat that keeps you cool, comfortable and massages you while you drive, sounds too good to be true, doesn’t it? It isn’t – it comes as standard on all-new Corsa Ultimate Nav models.

\*Standard on certain models.

# Connectivity and infotainment

## Multimedia and Multimedia Navi

You'll find a multimedia system as standard in every New Corsa. Featuring a colour touchscreen and full smartphone integration\*, it serves up smart entertainment using Apple CarPlay and Google Android Auto™. In addition, on Nav models, you'll get Vauxhall Connect as standard with access to navigation services such as live traffic and road safety alerts, journey management, fuel prices and parking information. You can even check out the weather.

\*Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries. \*\*Available on certain models. †Standard on Nav models only. Services may require a subscription/fee and are subject to mobile network coverage and availability. Live navigation services are included for 3 years and thereafter are subject to an additional subscription fee.

## Multimedia Navi Pro\*\*

All of the Multimedia infotainment system features, including Vauxhall Connect services, plus an enlarged 10-inch colour touchscreen and a cool 7-inch colour driver information cluster.

**Smartphone projection, USB and Bluetooth® connectivity**  
All-new Corsa features Bluetooth® connectivity and USB connection\*\*. You can also connect your smartphone using Apple CarPlay or Android Auto™ to project your phone onto the Multimedia display. Simple access to your phone, music and apps, complete with voice control.

## Vauxhall Connect†

Peace of mind when you need it, and so much more, 24/7, 365 days a year. In an emergency or breakdown, you can call up help at the touch of a button. You can access live navigation services, receive regular vehicle diagnostic info plus there's a host of remote convenience features available through the MyVauxhall app.

# Simply brilliant

We want to make buying your all-new Corsa as stress-free as possible, so we've made it even simpler to choose the Corsa that suits you. We now have an easy to understand walk up, with no fussy options or add-ons to choose from.

## **SE models**

First in the line-up is the wonderfully well-equipped SE. The SE Premium model adds a little touch of luxury and tech.

## **SRi models**

This sporty little number also comes in Premium form featuring all the tech you need.

## **Elite models**

Elite comes with luxury features as standard. Elite Nav Premium gives you a few extra styling and technology features.

## **Ultimate Nav models**

A little bit of everything; our range-topping Ultimate model completes the line-up.

# Electrifying

There are three Corsa-e models to choose from. They are all exceptionally well-equipped, 100% electric and 100% ready to excite you.

## **SE Nav Premium models**

Everything you need for an all-electric life on the road. Comfort, essential connectivity and real-world tech.

## **SRi Nav Premium**

The sportier one of the pack, SRi Nav Premium ramps up the style with additional classy touches both inside and out.

## **Elite Nav Premium models**

Need just a little more style, premium comfort and tech? Then the 100% electric Elite Nav Premium is just what you need.

# The finishing touch
