# The New Vento TSI

## Matters of the heart.

At the heart of the Vento, lies the revolutionary 1L TSI engine that's BS6 compliant. It strikes a fine balance between both power and efficiency. The beloved Vento TSI offers only the smoothest driving experience. It is this very legacy that the Vento carries forward through its 1L TSI engine which gives you maximum power with minimum consumption.

Its 6-speed manual and automatic transmission lets you focus more on the fun the road brings you. While its revolutionary TSI engine lets you cruise down the road at 110PS and 175Nm torque.

Our TSI engine is a high functioning combination of being energetic and economical - two characteristics that do not generally work together in conventional petrol engines.

## Dashboard

The fact that German Engineering is flawless is no secret. But with the Vento, it travels one step further. The intuitive Touchscreen Infotainment System and Multi-function Console, will not only find the best route to your destination, but make your journey a unique and enjoyable experience. The Flat-bottom, Multi-function Steering Wheel comes with \*Voice Command Controls, and the Climatronic Air-conditioning lets you rule over the internal environment.

## Space Max

With Space Max, the Vento offers sprawling leg space for the rear passenger and makes the journey comfortable for everyone.

## Auto Dimming IRVM

In case of night driving, the Vento comes prepared with an Auto-dimming Interior Rear-view Mirror to reduce the glare from trailing vehicles.

## Rain Sensor

It's also equipped with an intelligent Rain Sensor to automatically signal the wipers at the slightest hint of rain.

## Cooled Glovebox

During hot summer days, the Cooled Glovebox is perfect for things that need a little extra cooling, especially on those long drives and weekend getaways.

### Static Cornering Lamp

The Vento also comes with superior Fog Lamps and Cornering Lights, that give full visibility during rough weather. When the steering wheel is turned or the turn indicator is operated, a small additional reflector with a separate halogen bulb illuminates the area into which the vehicle is turning, over several metres at an angle of 35 degrees. As a result passers-by are picked up sooner and more easily by the driver.

### Alloy Wheels

The Vento doesn't just grab your attention as it approaches, it leaves you wanting more. The bold new alloy wheels are sure to grab other's attention your way. The stunning R16 'Portago' Grey Alloy Wheels make a statement.

### Electronically Foldable Side Mirrors

Its new Electronically Foldable Side Mirrors with integrated Turn Indicators, which can be controlled from your seat with a mere touch of a button even in tight spaces.

### Touchscreen Infotainment System with Mirror link™, Android Auto™ & Apple CarPlay™

### Cruise Control

As you enjoy the music, the Cruise Control helps you maintain a steady speed and lets you coast down the road with ease. Even those long drives on highways will now become effortless.

### Smoked Tail Lamps

The new Smoked Tail Lamps not only makes increases the visibility of the car from rear at night but also will make sure you get a second glance every time you zoom by.

### Four Airbags

Being equipped with Dual Front Airbags for added protection of the front occupants as well as Side Airbags and Rear Parking Sensors and Reverse Cameras, we ensure safety is an all-round affair.
