

2013 CADILLAC CTS

cadillac.ca

192-13-B-002E

## IT'S TIME FOR AN UPGRADE.

Good isn't too difficult to achieve. But great? That's something different. Great takes putting in the long hours. Burning the midnight oil. Believing in the big ideas, sweating the small stuff, and steadfastly refusing to settle for less than the very best. Great comes, in other words, from people living their passion, people like the team behind Cadillac's 2013 CTS family of luxury driving machines. Thanks to them, CTS showcases an unsurpassed commitment to excellence in automotive design and technology in every model – Coupe, Sport Sedan, Sport Wagon, and of course, the thrilling V-Series variants. If you're ready to make the leap from good to great, then it's time to go for a drive.

**At Left:** CTS Coupe, shown in Thunder Grey ChromaFlair®, an extra-cost option, with available Sport Package.

# *BREATH TAKING STYLE – AND PERFORMANCE TO MATCH.*

The excitement of CTS Coupe begins the moment you first set eyes on it. With its bold profile and ingenious hidden door handles, the car is sheer drama in steel and glass, attracting envious looks and compliments in every setting. When experienced from the well-bolstered eight-way power adjustable driver's seat, CTS Coupe is even more thrilling. This is a genuine two-plus-two luxury sports car, powered by a highly refined 318-horsepower V6 engine and with the lightning-quick reflexes that only a premium ZF steering system and unique, performance-oriented suspension tuning can provide. In the driver-focused cabin, the emphasis is equal parts luxury, striking style and confident control. Put it all together and the end result will take your breath away.

**1** The bright chrome finish and dihedral shape of CTS Coupe's centre-mounted dual exhaust outlets make a powerful accent for the car's dramatic rear styling.

**2** The CTS Coupe cabin combines technical sophistication with beautiful premium details, like the French stitching you will find on the seats and dash.

**At Right:** CTS Coupe, shown in Radiant Silver Metallic with available Sport Package.

# BEAUTIFUL FROM EVERY ANGLE.

With its uniquely commanding presence, clean, sculpted surfaces and bold details, CTS Sport Sedan is a rolling showcase of leading-edge automotive design. And for those in the know, this is a car that's just as impressive below the surface. You'll find premium hardware everywhere in the CTS Sport Sedan. Take, for example, the standard 270-horsepower 3.0-litre V6 engine. With advanced technologies like direct fuel injection and Variable Valve Timing, it easily outpowers Audi's new A6 2.0T, the BMW 528i and the Mercedes-Benz E300.\* Other hidden highlights include a sophisticated track-tuned suspension, the StabiliTrak® electronic stability control system and Panic Brake Assist. The superior appointments you will find inside the well equipped CTS Sport Sedan cabin, of course, speak for themselves.

\* Based on latest competitive information available at time of printing.

**1** The available CTS Touring Package includes a dark accented grille shown here, plus, on Sport Sedan and Sport Wagon models, chrome door handles, along with a host of interior upgrades.

**2** With new-for-2013 standard interior amenities including an ambient lighting package, supple leather seating surfaces and a remote vehicle starter system, CTS Sport Sedan delivers unabashed luxury. Models with the available Touring Package (shown) include dramatic Midnight Sapele wood trim.

At Left: CTS 3.6L Sport Sedan, shown in Thunder Grey ChromaFlair®, an extra-cost option, with available Sport Package.

## IMAGINE THE POSSIBILITIES.

CTS Sport Wagon delivers all the world-class luxury, style and agile performance drivers have come to expect from CTS, plus a higher level of versatility that opens up new worlds of possibilities. Behind the 60/40 split-folding rear seats, there's room for 720 litres of cargo – more than you will find in BMW's 5-Series Gran Turismo.\* Fold the seats away and that expands to a generous 1642 litres. Loading and unloading is a breeze, thanks to a standard programmable power rear liftgate. If you need to transport even more gear, CTS Sport Wagon's standard roof load management system and available crossbars make it a simple matter to install the cargo rack or box of your choice.

\* Based on latest competitive information available at time of printing.

**1** Drivers who park in garages with low ceilings will appreciate CTS Sport Wagon's standard power liftgate, which can be programmed to open to a specific height.

**2** CTS Sport Wagon's standard 60/40 split-folding rear seatbacks make it easy to carry passengers and long or bulky cargo items at the same time.

**At Left:** CTS 3.6L Sport Wagon, shown in Thunder Grey ChromaFlair®, an extra-cost option, with available Sport Package.

# LUXURY THAT'S DESIGNED FOR DRIVING.

For a prime example of the CTS team's passion for pushing the envelope, look no further than the cabin. Styled to reflect the latest thinking in contemporary design and equipped to deliver higher levels of comfort, convenience and control, CTS's interior makes competitive cars look austere by comparison. Modern conveniences like an adaptive remote starting system and Bluetooth® mobile phone connectivity are standard on all models. For your listening enjoyment, the pure sound reproduction of a Bose® audio system is standard on every model. Midnight Sapele Pommele wood trim, heated and ventilated Recaro® performance bucket seats, a heated power-adjustable steering wheel, an ambient lighting package, and an array of other features are also available.

**1** CTS's available Navigation System features a pop-up touch screen and a 40 GB Hard Drive Device (HDD). It recesses into the dash when not in use.

**2** Sport Alloy Pedals, sueded trim on the steering wheel, shifter and seat inserts and genuine Midnight Sapele wood accents are a few of the fine features included with the available CTS Touring Package.

**3** For 2013, CTS 3.6L and CTS-V models can be equipped with the exceptional comfort and support of power adjustable Recaro® front bucket seats with sueded inserts.

At Left: CTS Sport Sedan interior, shown in Ebony with available features.

# CTS-V: AWESOME IN EVERY WAY.

With its 556-horsepower supercharged 6.2-litre V8 engine, CTS-V – available in Coupe, Sport Sedan and Sport Wagon forms – isn't just the most powerful Cadillac ever built. It's one of the most powerful production cars in the world. And sheer thrust is just part of the equation. With premium chassis hardware like Brembo® vented disc brakes and a performance-tuned Magnetic Ride Control® suspension, CTS-V delivers balanced performance of the very highest order. At Germany's fearsome Nürburgring race track, a CTS-V Sport Sedan completed the Nordschleife course in under 8 minutes – an astounding performance for a luxury car on regular production tires. No wonder *Car and Driver* magazine has named the CTS-V lineup to their list of the 10Best Cars for the last four years in a row.

**1** Supercharged and intercooled, CTS-V's state-of-the-art 6.2L LSA V8 engine produces a tremendous 556 hp and 551 pounds-feet of torque.

**2** A dramatic V-Series grille, 19-inch alloy wheels, high-performance low-profile tires and a rear deck-lid spoiler are a few of the exterior touches that distinguish CTS-V Sport Sedan.

**3** CTS-V Sport Wagon offers a blend of blistering performance, luxury and utility that nothing else can match. It's destined to be a much sought-after collector's item.

**4** Cadillac Racing campaigns specially prepared CTS-V race cars against competitors like the Porsche 911 GT3 in the World Challenge GT series.

**At Right:** CTS-V Coupe, shown in Thunder Grey ChromaFlair®, an extra-cost option, with available features.

# CTS-V

## LUXURY ON FAST-FORWARD.

In creating CTS-V's unique blend of luxury and ultra-high performance, Cadillac's engineers and designers overlooked nothing. The available heated and ventilated Recaro® seats deliver outstanding comfort. They're also contoured and bolstered to hold you firmly in place as you test the limits of the car's high-tech suspension – on the track, of course. Sueded microfibre inserts in the seats and an available sueded steering wheel and shifter package contribute to an even surer grip. A standard Navigation System with a pop-up touch screen helps guide you to destinations throughout North America.\* For even more drama and exclusivity, dark-stained Midnight Sapele genuine wood accents are available for the instrument panel, console and doors.

\* At time of print, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.

1 The available Recaro® front bucket seats feature pneumatic bolsters in the cushions and backrests to help every driver achieve exactly the right fit.

2 LED tracer lights on the CTS-V tachometer track the needle as it rises and falls. They flash as the engine approaches redline to signal the need for an upshift.

At Left: CTS-V Coupe interior, shown with available Recaro® performance seats in Ebony with Saffron sueded inserts.

# MEET YOUR PERSONAL RISK MANAGER.

A multi-dimensional concern for safety is an integral part of the CTS concept. The top priority is helping you stay out of danger whenever possible. The responsive chassis and four-wheel disc brakes are key to achieving that goal, supplemented by advanced systems like the StabiliTrak<sup>®</sup> electronic stability control system, ABS and Panic Brake Assist. Should a collision prove unavoidable, front and rear crush zones, a steel safety cage and six standard airbags come into play to help reduce any risk of injury. And afterwards, OnStar<sup>®</sup> can automatically dispatch the appropriate emergency service personnel to your exact location and provide the assistance you need.\*

\*Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Services vary by model and conditions. OnStar<sup>®</sup> acts as a link to existing emergency service providers.

**1** Side blind zone alert provides a warning in the exterior rear-view mirror when there's a vehicle in your "blind spot." It's standard on CTS-V Coupe and available on CTS Coupe.

## ACQUISITION OPTIONS

In addition to the many exclusive privileges of Cadillac ownership, General Motors of Canada has created a range of supplementary support programs to enhance your ownership experience. Some of these programs assist you in purchasing the Cadillac of your choice. Others help protect you and your new Cadillac over the long term.

### PURCHASING:

- **Purchase Financing or Leasing** – on-the-spot financing at your GM dealership†
- **The GM Card** – GM cardholders may redeem up to \$3500 GM Card<sup>®</sup> Earnings (subject to Vehicle Redemption Allowances) toward the Total Purchase Price on eligible new GM vehicles.†† For full program details please visit [thegmcard.ca](http://thegmcard.ca)

† Subject to eligibility. †† Program subject to change.

### ADDITIONAL OWNERSHIP PROGRAMS:

- **GM Protection Plan (GMPP)** – the only extended service plan backed by the resources and commitment of General Motors. GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period.‡

‡ Conditions and limitations apply.

### INFORMATION RESOURCES:

You can obtain more information about Cadillac vehicles and programs from your Cadillac dealer, or at these information centres:

- The Cadillac website at [cadillac.ca](http://cadillac.ca)
- The Cadillac Contact Centre at 1-888-446-2000 (1-800-263-3830 for TDD users).

### A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of printing, please check with your Cadillac dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

### A WORD ABOUT ASSEMBLY

Cadillac vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in Cadillac vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

### A WORD ABOUT CORROSION

Cadillacs are designed and built to resist corrosion. All body sheet metal components are warranted against rust-through corrosion for 6 years. There is no deductible for rust-through repairs. Application of additional rust-inhibiting materials is not required under the corrosion coverage and none is recommended.

### TRADEMARKS

The marks appearing in this Cadillac brochure including, but not limited to: General Motors, GM, Cadillac, the Cadillac badge, CTS, V-Series emblem and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Magnetic Ride Control, StabiliTrak and Twilight Sentinel are trademarks of General Motors and/or General Motors of Canada Limited, its subsidiaries, affiliates or licensors.

OnStar and the OnStar emblem are registered trademarks and OnStar RemoteLink is a trademark of the OnStar, LLC.

TheftLock is a registered trademark of Delphi Technologies, Inc.

Bose and Cabin Surround are registered trademarks of the Bose Corporation.

Radio Data System (RDS) is a registered trademark of the U.S. National Association of Broadcasters.

SiriusXM, the SiriusXM logo, channel names and logos are trademarks of SiriusXM Radio Inc.

App Store, iPhone and iPod are trademarks of Apple Computer, Inc., registered in the U.S. and other countries.

Android is a trademark of Google Inc.

BlackBerry is a registered trademark of Research In Motion, Limited.

Bluetooth is a registered trademark of Bluetooth SIG Inc.

Tremec is a registered trademark of The Kuo Group.

Brembo is a registered trademark of Brembo S.p.A.

Recaro is a trademark of RECARO GmbH & Co.

# CADILLAC SHIELD: THE NEW STANDARD OF LUXURY.

At Cadillac, we believe our owners deserve the very best. That's why when we set out to create the ultimate customer experience, designing and engineering great vehicles was just the beginning; we were also looking to create an experience comparable with those provided by the world's greatest luxury brands. Every vehicle we sell is backed by the Cadillac Shield, the most comprehensive suite of owner benefits offered by any luxury automotive brand in the world. From innovations like Remote Vehicle Diagnostics and advanced mobile apps to the extraordinary value of our no-charge Premium Care Maintenance Program, Cadillac Shield establishes a new standard of luxury ownership.

## WARRANTY PROTECTION

Every Cadillac is covered by a 4-year/80,000 km Limited Warranty\* which covers repairs on your entire vehicle, including parts and labour, to correct problems in materials and workmanship. A 6-year/110,000 km Powertrain Component Limited Warranty\* is also included that covers select powertrain components.

## PREMIUM CARE MAINTENANCE

Standard on every new Cadillac is the no-charge Cadillac Premium Care Maintenance Program, which covers select required maintenance services for the first 4 years or 80,000 km\*\* of ownership.

The standard one-year Directions & Connections Plan allows you to push one button to connect with a live Advisor to find the things and places you want. Get directions or a diagnostics check while you drive. Make calls safely with both hands on the wheel and control your vehicle with the OnStar RemoteLink™ mobile app. And as always, get help immediately in a crash or an emergency. These are just a few examples of the level of personal service we think you deserve as a Cadillac owner.

## SECURITY BY ONSTAR®

If you've reported your Cadillac stolen, OnStar®†† can use GPS technology to help authorities quickly locate and recover it. On most Cadillac models, an Advisor can send a Stolen Vehicle Slowdown® or Remote Ignition Block signal to help authorities safely recover it.

## DIAGNOSTICS BY ONSTAR®

With best-in-class diagnostics from OnStar®,†† maintaining your Cadillac can be as simple as checking your email or your OnStar RemoteLink™ mobile app. Every month, you can receive an email with the status of key operating systems or push your OnStar® button for a real-time diagnostics check on demand.

## ROADSIDE ASSISTANCE

Any time you require assistance during the 6-year/110,000 km Powertrain Component Limited Warranty period,\* whether you are in Canada or the contiguous United States, Roadside Assistance is at your disposal 24 hours a day, 7 days a week, 365 days a year.

## COURTESY TRANSPORTATION

Whenever your Cadillac requires scheduled maintenance or warranty repair service during the warranty period, your dealer will provide you with shuttle transportation for daily service or an alternate car (or reimbursement for rental or other transportation expenses) for overnight service.

## NAVIGATION BY ONSTAR®

Just push the OnStar®†† button and an Advisor can download voice-guided turn-by-turn directions to your Cadillac, and a voice will call out every turn or send them to your navigation system, if so equipped.

## CONNECTIONS BY ONSTAR®

Available Hands-Free Calling‡ capability from OnStar® allows you to make and receive calls safely from your Cadillac. With the OnStar RemoteLink™ mobile app, you can access real-time information and control your Cadillac from anywhere you have cell phone service. Now you can even find a destination with OnStar RemoteLink™ and send directions right to your vehicle.

## EMERGENCY BY ONSTAR®

In most crashes, built-in sensors can automatically alert an OnStar®†† Advisor who is immediately connected into your Cadillac to see if you need help sent to your exact location. Other OnStar®†† emergency services include Injury Severity Predictor and First Assist. All Cadillac models come with 1 year of OnStar® service standard.

## MYCADILLAC APP

The ingenuity of the CTS doesn't stop with the vehicle. As a Cadillac owner, an advanced complimentary app is available for your new vehicle. From virtually anywhere at anytime, a few taps of your finger on your iPhone® or Android™ smartphone let you access features like parking reminders, the Owner's Manual, and more. Plus, in conjunction with the OnStar RemoteLink™ mobile app, you'll have the ability† to remotely start your vehicle (when factory equipped) from any place you have cell service, and lock and unlock your doors. As well, you can access key diagnostic information, including fuel tank level and range, and remaining oil life. In addition, you can select a destination and have directions sent right to your CTS.

\* Whichever comes first, fully transferable. See dealer for limited warranty details. \*\* Whichever comes first, fully transferable. See dealer for select scheduled maintenance details. † Available on select iPhone®, Android™ and BlackBerry® (interim availability) devices. Services vary by phone, vehicle and conditions. Requires active OnStar® subscription. †† Visit onstar.ca for coverage map, details and system limitations. OnStar® acts as a link to existing emergency service providers. ‡ Requires iPhone® or Android™ platform and active OnStar® subscription.

S – Standard. 0 – Optional individually or in combination with other optional equipment.

- Included with available Luxury Collection.
- Before making a lane change, always check the Side Blind Zone Alert display, check the exterior and interior rear-view mirrors, look over your shoulder for vehicles and hazards and activate your turn signal.
- Included with available Leather Seating Package.
- Included with available Sport Package.
- Includes Grade Braking and Performance Algorithm Shifting.
- Includes steering wheel-mounted paddle shifters and remote vehicle starter system.
- Included when available automatic transmission is specified.
- Included with available Performance Luxury Package.
- Included with available CTS Touring Package.
- Requires available Recaro® performance seats.
- Not compatible with all devices.
- Requires available Sport Package. Not available with Light Cashmere interior trim.
- Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions.
- \*\* Installation of four winter tires recommended for winter driving conditions.

<sup>†</sup> All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.

<sup>††</sup> At time of print, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.

<sup>‡</sup> Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit siriusxm.ca for details.

## DIMENSIONS

### EXTERIOR DIMENSIONS mm (in.)

Wheelbase	(A)	2880 (113.4)
Length	(B)	4788 (188.5)
Width	(C)	1882 (74.1)
Height	(D)	1422 (56.0)
Front track	(E)	1575 (62.0) (with 18" wheels) 1570 (61.8) (with 19" wheels) 1572 (61.9) (V-Series)
Rear track	(F)	1600 (63.0) (with 18" wheels) 1598 (62.9) (with 19" wheels) 1610 (63.4) (V-Series)

### INTERIOR DIMENSIONS mm (in.)

Headroom	Front/rear	937/879 (36.9/34.6)
Legroom	Front/rear	1077/889 (42.4/35.0)
Shoulder room	Front/rear	1422/1293 (56.0/50.9)
Hip room	Front/rear	1384/1212 (54.5/47.7)
Seating capacity		4

### CAPACITIES

Fuel	68 L (14.9 imp. gal.)
Cargo volume	297 L (10.5 cu. ft.)
Towing <sup>‡‡</sup> – CTS	454 kg (1000 lb.)
– CTS-V	Not recommended

### CURB WEIGHT, ESTIMATED kg (lb.)

3.6 L (RWD)	1768 (3898)
3.6 L (AWD)	1858 (4096)
CTS-V with manual transmission	1913 (4217)
CTS-V with automatic transmission	1930 (4255)

<sup>‡‡</sup> Includes weight of trailer, cargo, passengers and equipment. All towing recommendations are subject to change. Trailer tongue load should be 10% of the maximum trailer weight but should never exceed the load rating for that vehicle, engine or hitch combination. See your dealer or refer to the CTS Owner's Manual for details.

19. Deletes 6-disc CD changer.

\* Visit [onstar.ca](http://onstar.ca) for coverage map, details and system limitations. Services vary by model and conditions.

\*\* All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.

† Installation of four winter tires recommended for winter driving conditions.

†† At time of print, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.

‡ Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit [siriusxm.ca](http://siriusxm.ca) for details.

## DIMENSIONS

### EXTERIOR DIMENSIONS mm (in.)

Wheelbase	(A)	2880 (113.4)
Length	(B)	4877 (192.0)
Width	(C)	1842 (72.5)
Height	(D)	1473 (58.0)
Front track	(E)	1570 (61.8) (with 17" wheels) 1575 (62.0) (with 18" wheels) 1570 (61.8) (with 19" wheels) 1575 (62.0) (V-Series)
Rear track	(F)	1582 (62.3) (with 17" wheels) 1585 (62.4) (with 18" wheels) 1580 (62.2) (with 19" wheels) 1577 (62.1) (V-Series)

### INTERIOR DIMENSIONS mm (in.)

Headroom		
Front/rear		986/942 (38.8/37.1)
Legroom		
Front/rear		1078/916 (42.4/36.0)
Shoulder room		
Front/rear		1441/1390 (56.7/54.7)
Hip room		
Front/rear		1365/1346 (53.7/53.0)
Seating capacity		5

### CAPACITIES

Fuel	68 L (14.9 imp. gal.)
Cargo volume – with rear seats up	720 L (25.4 cu. ft.)
– with rear seats down	1642 L (58.0 cu. ft.)
Towing <sup>‡‡</sup> – CTS	454 kg (1000 lb.)
– CTS-V	Not recommended

### CURB WEIGHT, ESTIMATED kg (lb.)

3.0L (RWD)	1821 (4015)
3.0L (AWD)	1905 (4200)
3.6L (RWD)	1857 (4094)
3.6L (AWD)	1953 (4306)
CTS-V with manual transmission	1994 (4396)
CTS-V with automatic transmission	2007 (4425)

‡‡ Includes weight of trailer, cargo, passengers and equipment. All towing recommendations are subject to change. Trailer tongue load should be 10% of the maximum trailer weight but should never exceed the load rating for that vehicle, engine or hitch combination. See your dealer or refer to the CTS Owner's Manual for details.

All interior trim configurations are available with all exterior colours.

1 – Also available on CTS Coupe.  
2 – Also available on CTS Sport Sedan and Sport Wagon.

## 2013 CTS EXTERIOR COLOURS

GAN – Radiant Silver Metallic

GBA – Black Raven

GBE – Crystal Red Tintcoat\*1

GBN – White Diamond Tricoat\*2

GLH – Thunder Grey ChromaFlair\*3

GLK – Black Diamond Tricoat\*2

GTR – Opulent Blue Metallic

GWS – Glacier Blue Metallic

GWT – Silver Coast Metallic4

GWV – Summer Gold Metallic4

The exterior and interior colours in this brochure are as close to the actual vehicle production colours as the printing process allows. For more accurate colour samples, ask your Cadillac sales consultant to see the dealer showroom vehicle colour display.

1 – Tintcoat is a premium two-layer paint application with the addition of a tinted clearcoat, lending the finish an extra depth and brightness.  
2 – Tricoat is a meticulous three-layer process that results in a dramatic hue-shifting colour reminiscent of a show-car finish.

3 – ChromaFlair® uses advanced light-interference technology and prismatic metallic pigments to create an intense, deeply lustrous colour.  
4 – Not available on CTS-V.  
\* Available at extra cost.

## WHEELS

A – 17" painted aluminum (Q5W)

B – 18" Pearl Nickel painted aluminum wheel (UHN)
