

CITROËN C3 PICASSO

PICASSO

# THE CITROËN RANGE

Here at Citroën we have come a long way since we created the world's first all-steel bodied car. Today we are recognised for our innovative technology and original designs. Our world-leading, fuel-efficient engines respect the environment and our outstanding safety features guarantee one of the safest driving environments available. We are fully committed to delivering outstanding customer service to back up the fantastic Citroën Model Range.

We're proud to be part of such an iconic brand and we look forward to helping you choose a car that means you too can enjoy the driving experience offered by Citroën's Créative Technologie.

**Stéphane Le Guevel**  
Director General  
Citroën UK

1924

Citroën creates the B10 and the world's first all-steel bodied car is born.

1949

Twenty five years later, the iconic 2CV is launched and stays in production for over 5 decades!

A HISTORY...

1989

The prestigious, XM makes its debut, showcasing Citroën's advanced Hydractive computer controlled selflevelling suspension.

2008

The C4 WRC proves to be an all-conquering World Rally Champion. Citroën takes the Manufacturers' Title in 2008, 2009 and 2010.

2010

The innovations keep coming – quietly – with Citroën Survolt concept. A thrilling, clean, whisper quiet electric car.

2013

Never content to rest on our laurels, the innovative Citroën C3 Hybrid Air is unveiled at the Geneva Motor Show.

...OF INNOVATION

---

# YOU & YOUR C3 PICASSO

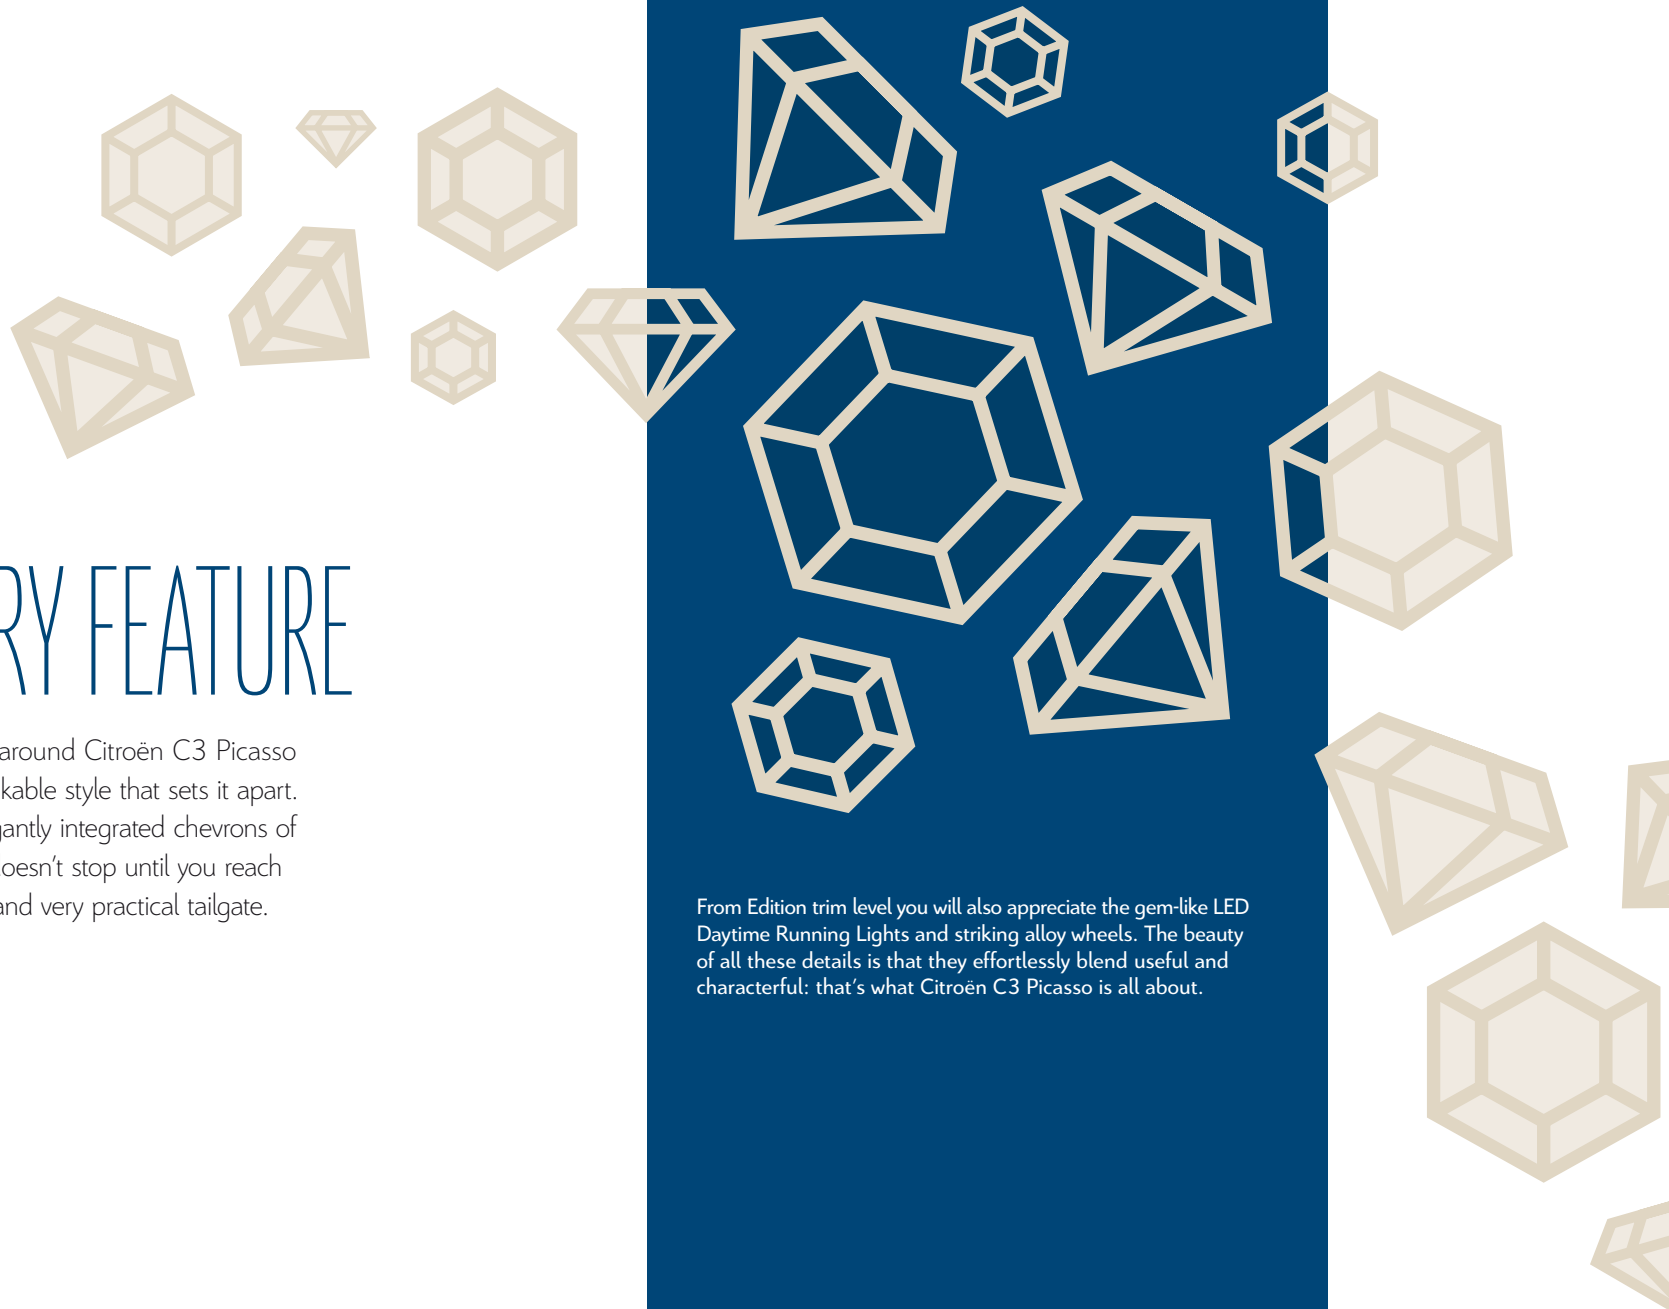

Citroën C3 Picasso is a compact roomy five seat MPV, but that's just the beginning of the story. Highly distinctive and full of clever innovations, this is a design where comfort, efficiency, economy and personality combine in one welcoming unique place.

The impressively large glazed area is very much part of Citroën C3 Picasso's style signature, starting with a huge panoramic windscreen that curves seamlessly round into the quarter-lights. At a glance or in detail, here is a car shaped by fresh thinking.

CITROËN C3 PICASSO

# IN EVERY FEATURE

Wherever you look around Citroën C3 Picasso you will find unmistakable style that sets it apart. It starts with the elegantly integrated chevrons of the front grille and doesn't stop until you reach the sheer, sculpted and very practical tailgate.

From Edition trim level you will also appreciate the gem-like LED Daytime Running Lights and striking alloy wheels. The beauty of all these details is that they effortlessly blend useful and characterful: that's what Citroën C3 Picasso is all about.

# ROOM WITH A VIEW

Citroën C3 Picasso is equipped to bring you the very best views all round. With its exceptionally large glazed area you'll never miss a thing, particularly through that impressive panoramic windscreen. Choose the Platinum version to add the huge panoramic sunroof and your interior will have a really bright open feel. That's hardly surprising in a car with 4.52m<sup>2</sup> of glazing!

From Edition trim level you also benefit from the ingenious touch of fog lights with cornering function, for fail-safe visibility on every twist and turn.

## SET YOURSELF FREE

Citroën C3 Picasso's unique compact shape and widescreen visibility set you free to make the most of the busiest streets.

On every twist and turn you'll enjoy responsive, light steering plus a precise effortless gear change and clutch too. From Edition level you get the safety focused convenience of cruise control with speed limiter, air conditioning and Bluetooth® handsfree plus media streaming.

When it's time to grab that ideal space, these same qualities make your every manoeuvre accurate and easy. Choose a Platinum model and you can also gain the reassuring benefit of an optional reversing camera. You'll also benefit from automatic air conditioning, automatic lights and windscreen wipers. From the open road to the tightest space, there is an innovation to enhance your day.

# LIFE SIMPLY FITS

Citroën C3 Picasso is naturally spacious but really flexible too. The Spacebox storage system effortlessly accommodates your belongings, offering a two-position adjustable boot area. With the back seat in its rearmost position there is a generous 385 litres. Move the seat forward and this grows to 500 litres. Fold the back seat flat and you've got an amazing 1506 litres of luggage room!

You can even remove the rear seat altogether and adjust the height of the boot floor for ultimate load carrying. Citroën C3 Picasso responds to life's unpredictable demands with innovative, practical ideas that simply work.

# A PLACE FOR EVERYTHING

Beyond the versatile space of the boot there are plenty more stowage solutions. For example there's the easily accessed 3 litre draw under the front passenger seat and usefully roomy door pockets for your odds and ends.

On Edition and Platinum models there is also handy two position adjustable boot space, or the rear split/folding flat seats make it easy to pack really long loads.

# SAFETY AT EVERY TURN

Confidence inspiring safety starts with exceptional all round visibility. Citroën C3 Picasso's airy design gives you the best possible view of what's happening everywhere. There's a whole range of advanced driving technology on your side too.

The standard ABS with Electronic Brakeforce Distribution combines with Emergency Braking Assistance to provide really sure-footed stopping power. There's also automatic activation of the hazard warning lights to send a clear signal when you need to stop suddenly. On the move, the Electronic Stability Programme senses any loss of grip and ensures that you stay on the right course, using the traction control to minimise skidding on poor surfaces. Meanwhile inside, you and your family are protected by up to six airbags.

# EFFICIENT AT HEART

Everywhere you look, Citroën C3 Picasso is inspiring, because while you're enjoying contemporary style, comfort and safety you're also achieving amazing economy. For example the smooth punchy BlueHDi 100 will return 72.4mpg combined and up to 80.7mpg on a long run.

There's a diesel and a petrol option, each created to bring you the right balance between low emissions, serious economy and refined driving character. Choose the BlueHDi 100 diesel with a manual gearbox and your car will only be producing 101g/km CO<sub>2</sub>. You can drive in uncompromised style with no-compromise efficiency.

MPG figures are achieved under official EU test conditions, intended as a guide for comparative purposes only, and may not reflect actual on-the-road driving conditions.

**80.7 MPG**

# EDITION. UNIQUE BEGINS HERE.

All the qualities that make Citroën C3 Picasso distinctive are enhanced by the Edition model's excellent specification. Wherever you look you'll find the contemporary design, sophisticated equipment and welcoming touches that make every journey special.

# PLATINUM. LUXURY UNLEASHED.

Choose Citroën C3 Picasso Platinum to experience optimum specification. Everything that makes driving enjoyable, relaxed and safe has been added to the mix. It could take you a little while to appreciate the sheer depth of technology and luxuries here, but that's half the fun.

Polar White

Ruby Red (M)

Perla Nera Black (M)

## COLOURFUL CHARACTER

A car with strong personality needs a bold body colour to make the most of its presence and individual design. The vibrant range of seven shades here highlights Citroën C3 Picasso's distinctive shape: one of them will match your vision exactly.

Karma Purple (M)

Shark Grey (M)

Arctic Steel (M)

Pearl White (P)

[M] Metallic [P] Pearlescent Please note: Colours and pictures shown are for illustration purposes only. Please consult your Dealer for definitive colour and trim/upholstery details.

OVER TO

YOU

Now your Citroën C3 Picasso can take shape. Explore the product specification brochure and begin to make the choices that will bring it to life – your life. Then you can take the most satisfying step of all and make it happen. Simply get in touch with your local Authorised Citroën Dealer to arrange a test drive.

# OVER TO YOU...

Citroën C3 Picasso is inspired by real life, so the only way to really enjoy its unique balance of strengths is to add that final ingredient: your lifestyle and your family's needs. Take a good look at the chic but totally practical profile, the flexible and welcoming interior, the flowing expanse of glazing and the sharp details and then begin to add your personal touches, everywhere.

## EDITION. UNIQUE BEGINS HERE.

Citroën C3 Picasso Edition specification includes:

- ABS with Electronic Brakeforce Distribution and Emergency Braking Assistance
- Electronic Stability Programme
- Driver's and front passenger's airbag
- Variable power assisted steering
- Remote central locking with deadlocks
- **Spacebox Storage System** – two position adjustable boot space 385/500 litres and rear split/folding flat 1/3 - 2/3 sliding seats
- Halogen headlights
- Panoramic windscreen
- Electrically adjustable door mirrors
- Front and rear electric windows with 'one-touch' operation (driver's side) and anti-pinch
- 12 volt socket in cabin
- Scented air freshener
- Multi-function on-board trip computer
- Height and reach adjustable steering wheel
- Height-adjustable driver's seat
- Tyre pressure monitor
- 16 inch 'Blade' alloy wheels
- LED daytime running lights
- Black door handles
- Black lacquer door mirrors
- Black side rubbing strips
- Roof bars
- Fog lights with cornering function
- Chrome fog light surrounds
- Black lacquered rear number plate moulding with chrome insert
- Liberia cloth interior trim
- Leather steering wheel
- Driver, passenger and curtain airbags
- Cruise control with speed limiter
- Rear parking sensors
- Manual air conditioning
- RDS stereo radio/MP3 compatible CD player with steering mounted controls with Bluetooth® & USB

## DIMENSIONS

All diesel engines are fitted with Diesel Particulate Filter System

All measurements are in millimetres.

\* 1670mm including roof bars.

MPG figures are achieved under official EU test conditions, intended as a guide for comparative purposes only, and may not reflect actual on-the-road driving conditions.

# CITROËN & YOU

**Finance and Insurance** should reflect you and your needs, just as your chosen car does. Here are the products that aim to do just that.

## CITROËN FINANCIAL SERVICES

### PURCHASE PLAN

Own your vehicle with this flexible package designed to fit your budget.

### ELECT 3

A new Citroën car every two or three years with monthly payments structured to suit your budget.

### ELECT 4

Enjoy the convenience of a new car without the stress and hassle of ownership.

To find out more about Citroën products and services, go to [www.citroen.co.uk](http://www.citroen.co.uk) or contact your Citroën dealer.

## FOR BUSINESS USERS

### CITROËN CONTRACT MOTORING

#### HIRE PURCHASE

A tried and tested finance package that allows you to own your vehicle.

#### BUSINESS LEASE

An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

#### LEASE PURCHASE

Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

#### CONTRACT HIRE

A non-ownership finance solution that keeps costs fixed and risks low.

For more information on Citroën fleet and business sales, please call Citroën fleet connect on 08457 940 940 or look us up at [www.citroen.co.uk/fleet](http://www.citroen.co.uk/fleet)

### CITROËN INSURANCE

#### INSTANT COVER

To help you drive away your new car without delay, we offer Instant Cover insurance, providing you with 7 days comprehensive car insurance, for free!

#### MOTOR INSURANCE

Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0370 024 2725.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Alternatively, visit [www.citroen.co.uk](http://www.citroen.co.uk) for more information or to apply online.

Citroën Insurance policies are underwritten by U K Insurance Limited, Registered office: The Wharf, Neville Street, Leeds, LS1 4AZ. Registered in England & Wales No. 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Citroën Insurance is a trading style of PSA Finance UK (company registration number: 01024322) having its registered office at Quadrant House, Princess Way, Redhill, Surrey, RH1 1QA.

**Care for your Citroën C3 Picasso** and it will look after you – like every Citroën it's part of legendary engineering heritage with reliability built in.

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

### CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year\* warranty package, plus a 12 year anti-perforation\*\* warranty and a 3 year paint warranty.

\* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

\*\* Against all internal to external perforation to bodywork or underbody.

### CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes.

Full details are available on request from Citroën UK via [cuk\\_contactcentre@citroen.com](mailto:cuk_contactcentre@citroen.com)

### CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens.

To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

### CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles.

For further information, please contact your Citroën Dealer.

# GLOSSARY

## › BlueHDi DIESEL ENGINE

Latest generation diesel engine technology from Citroën. BlueHDi complies with Euro 6 emission standards, to deliver exceptional fuel economy and CO<sub>2</sub> emissions and gives a driving experience rich in power and performance.

## › PURETECH ENGINES

PureTech engines provide increased power with lower fuel consumption and emissions by adopting a smaller and lighter three cylinder configuration constructed of pressure-cast aluminium.

In conjunction with low friction component coatings, improved air and fuel flow and optimised combustion, this allows engines to offer more power, better fuel economy and significantly lower CO<sub>2</sub> emissions.

## › DIESEL PARTICULATE FILTER SYSTEM (DPFS)

Our unique DPFS collects exhaust particulates (soot) that would have been bound for the air around us and burns them off at 550 degrees C. This means that 'black smoke' is eliminated completely. And because the filter is constantly burning the particulates it is self-cleaning and requires no maintenance.

## › ANTI-LOCK BRAKING SYSTEM (ABS)

Computer-controlled braking assistance designed to prevent the wheels from locking under extreme braking. This enables the car to continue being steered and therefore controlled during this braking incident. The Citroën C3 Picasso's ABS system is further enhanced with EBA and EBD.

## › ELECTRONIC BRAKEFORCE DISTRIBUTION (EBD)

A conventional ABS system cannot account for any of the four wheels wanting to lock more quickly than the others (for example, two of the wheels may be on snow and two on tarmac). EBD reads the deceleration rate of each wheel individually and applies the ABS principles accordingly.

## › EMERGENCY BRAKING ASSISTANCE (EBA)

As drivers we find it difficult to instinctively brake very hard, but this is often what is needed in those rare emergency situations. The EBA system recognises our 'attempt' to brake hard and in combination with the ABS and EBD systems instantly applies the maximum stopping power possible.

## › ELECTRONIC STABILITY PROGRAMME (ESP)

This is computer-controlled traction assistance and is provided primarily through the braking systems. The ESP's control unit constantly compares where the driver intends going (through the position of the steering wheel) with where the vehicle is actually going and, if necessary, makes speed corrections to each wheel individually through braking or engine torque to keep the vehicle 'in line'.

## › VARIABLE POWER ASSISTED STEERING

A system that provides extra power assistance for a vehicle's steering at low speeds (such as turning a sharp corner) and less assistance during high-speed situations.

## › ON-BOARD TRIP COMPUTER

The Citroën C3 Picasso's multi-function on-board trip computer provides you with information at your fingertips. At the touch of a button you can view a range of data like fuel consumption, average speed and mileage possible at your current fuel level.

## › EMYWAY COLOUR SATELLITE NAVIGATION

eMyWay is completely integrated into the vehicle which avoids the risk of theft. The design has been created for ease of use and with steering wheel controls, navigating from your phone to the satellite navigation couldn't be any easier. eMyWay allows you to define routes, stops and places of interest with the added benefit of vocal instruction. eMyWay also provides live traffic updates of any congestion spots or delays. A GPS integrated aerial is built into the vehicle, to maximise the reception of satellite information; therefore permitting an accurate location of the car.

## › RADIO DATA SYSTEM (RDS)

A traffic information on FM radio, allowing the station name and other information to be transmitted alongside audio information.

## › FRONT SEAT BELT PRE-TENSIONERS

In the event of a crash, a pre-tensioner will tighten the seat belt almost instantaneously. This reduces the load on the occupant in a violent crash. Like airbags, pre-tensioners are triggered by sensors in the car's body, and use explosively expanding gas to drive a piston that retracts the belt. Seat belt pre-tensioners also lower the risk of 'submarining', which is when a passenger slides forward under a loosely worn seat belt.

## › ISOFIX

A standardised and more simple method for installing child seats, each seat is 'clicked' into place via a three point system. On the Citroën C3 Picasso, Isofix is installed on the outer rear seats.

# PRICES
