

GMC

TERRAIN

2015

WE ARE PROFESSIONAL GRADE

2015 GMC TERRAIN. We understand what you want in a crossover: generous interior room, but in a size that works with your life. That's why Terrain was engineered to produce more innovations per square inch. So you get full-size capability in a smart, efficient crossover. There's an estimated fuel consumption¹ of 7.3 L/100 km highway with its I-4 engine, or a powerful optional V6. From its new available OnStar 4G LTE technology² to its comfortable, versatile cabin, Terrain puts incredible thinking on display.

¹2015 GMC Terrain (FWD) equipped with standard 2.4L 4-cylinder engine. Fuel-consumption estimates based on GM preliminary testing in accordance with new 2015 model-year Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary. ²Visit onstar.ca for coverage maps, details and system limitations. Services and connectivity may vary by model and conditions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement (including software terms).

TERRAIN DENALI: GO ALL-IN.

Looking at Terrain Denali, it's easy to see why it's the ultimate Terrain. After all, with its signature Denali grille and satin-chrome door handles, mirror caps, bodyside mouldings and wheels, it takes the crossover to a new level of style. Quite naturally, we didn't stop there.

SIGNATURE DENALI GRILLE.

PROGRAMMABLE POWER LIFTGATE.

PROJECTOR-BEAM HEADLAMPS.

DISTINCTIVE DENALI WHEELS.

TERRAIN DENALI IN CARBON BLACK METALLIC
shown with available equipment.

LEAVES NOTHING TO CHANCE. ESPECIALLY YOUR COMFORT.

Open the door to Terrain Denali and discover the result of a lot of thinking—about you. To enhance your comfort, convenience and driving experience, GMC designers ensured that style and practicality are equally represented. Entering Denali means all of your tactile, visual and auditory senses have been addressed and elevated further—here's proof.

DISTINCTIVE DENALI SEATING.

GENEROUS SECOND-ROW LEG ROOM.

HEATED FRONT EIGHT-WAY POWER SEATS.

POWER TILT-SLIDING SUNROOF.

TERRAIN SLT: LOOKING GOOD WAS ONLY A START.

The GMC design philosophy is to create styling that doesn't simply look good, it must also be purposeful. From the angle of the windshield to every line and curve, the whole idea is to disturb less air. That's why Terrain is designed to slice the wind to help create a quiet driving environment. These are additional features of SLT that will catch your attention.

LOW STEP-IN AND LIFT-OVER HEIGHT.

STYLISH ARRAY OF WHEELS.

ACOUSTIC LAMINATED WINDSHIELD AND TRIPLE DOOR SEALS.

HALOGEN FOG LAMPS.

We packed a lot into Terrain SLT. There's a Colour Touch Audio System with IntelliLink,¹ USB access,² Bluetooth^{®2} connectivity, second-row Multi-Flex seating and a lot more. The seating design allows you to slide the second row back nearly 203 mm (8"). The result is 1013 mm (39.9") of rear leg room.

¹Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit intellilink.gmc.gm.ca for more details. ²Not compatible with all devices.

THE HOTTEST SPOT ON THE ROAD.

From behind the wheel of Terrain you have a direct line of sight to gauges, easy fingertip access to controls and voice command of available entertainment and navigation functions. Terrain also helps you stay connected, informed and entertained. New for 2015, Terrain is equipped with OnStar 4G LTE¹ with an available Wi-Fi hotspot (with 3-month/3GB trial, whichever comes first) that allows you to easily connect up to seven devices to the Internet along your travels.

¹Visit onstar.ca for coverage maps, details and system limitations. Services and connectivity may vary by model and conditions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement (including software terms). ²Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms and Conditions" and complete details at siriusxm.ca. ³Not compatible with all devices. ⁴Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit intellilink.gmc.gm.ca for more details. ⁵Data plan rates apply. ⁶At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.

COLOUR TOUCH AUDIO SYSTEM A 178 mm (7") diagonal high-resolution colour touch-screen makes it easy to find important information quickly. Not only does it include AM/FM/CD/SiriusXM² (with 3-month trial), it also gives you a customizable home page and both USB³ and auxiliary inputs for your MP3 player.

INTELLILINK⁴ Standard on most models, IntelliLink provides smartphone integration and voice-activated control of your communication and entertainment selections. This includes making a call, changing the station, streaming Internet radio station Stitcher SmartRadio⁵ through your smartphone or accessing your music library.

NAVIGATION⁶ SYSTEM The available NAV system, which includes IntelliLink⁴, adds multiple map views. It also features 3 months of NavTraffic² for continuously updated traffic information.

REAR VISION CAMERA Standard on all models, it displays a real-time image with grid lines in the colour touch-screen while in reverse, making it easier and safer when backing up. Shown with available Rear Cross Traffic Alert.

REAR-SEAT ENTERTAINMENT SYSTEM This available system offers video gaming and DVD playback for rear-seat passengers. It includes a remote and two sets of wireless infrared headphones (batteries included).

ONSTAR 4G LTE HOTSPOT¹ This new available 4G LTE Wi-Fi hotspot means a super-fast Internet connection for up to seven Web-enabled devices. It's reliably fast and easy to use.

USB CONNECTIVITY³ Plug into the USB port and control most of your MP3 music player's functions with available steering-wheel-mounted radio controls.

REMOTE VEHICLE STARTER SYSTEM This available feature can start Terrain from up to 60 metres (200') away, so the cabin will begin warming to your preset temperature. Uplevel models can begin heating or cooling the interior based on exterior temperature and also turn on heated seats, the rear defroster and outside heated side-view mirrors.

PIONEER[®] PREMIUM SOUND The available Pioneer system allows you to hear your favourite music as the artist intended. With the help of eight strategically placed speakers, this available sound system fills the interior with 250 watts of distortion-free sound.

SIRIUSXM SATELLITE RADIO[®] Get a 3-month trial subscription, with 120 channels including commercial-free music, sports, news, talk, comedy and entertainment. With NavTraffic, you'll get real-time updated traffic right on your vehicle's available NAV system.

STEERING-WHEEL-MOUNTED RADIO CONTROLS Change stations, adjust volume or search the audio system with your fingertips.

BLUETOOTH FOR PHONE³ Keep your eyes on the road by controlling your phone or portable device with your voice. It works through the steering-wheel-mounted controls.

IT HAS MULTIPLE PERSONALITIES.

Incredible thinking created a compact crossover with the people- and cargo-carrying versatility you expect from a full-size SUV. Terrain offers the easy-to-use Multi-Flex sliding rear seat and 60/40 split rear seatback that make going from carrying people to cargo easy. The second-row seats fold down on either side (or both) for large loads—with up to 1809 L (63.9 cu. ft.) of available cargo space.¹ Terrain also offers additional conveniences.

LOW STEP-IN AND LOW LIFT-OVER HEIGHT.

OVERSIZED GLOVE BOX AND LAPTOP-SIZED CENTRE CONSOLE.

PROGRAMMABLE POWER LIFTGATE (AVAILABLE).

FOUR 12-VOLT POWER OUTLETS: 2 FRONT, 1 SECOND ROW AND 1 CARGO AREA.

¹Cargo and load capacity limited by weight and distribution.

CONTROL YOUR ENVIRONMENT.

Terrain provides generous space and many ways for you to tailor its comfort and storage to fit your needs and your liking.

HEATED FRONT SEATS To help warm you up quickly, available front heated seats can be activated when you use the available remote vehicle starter system. Both cushions and seatbacks have heating elements to spread the warmth evenly for added comfort.

ILLUMINATED SILL PLATES The two front sill plates are polished aluminum and are another example of Denali's premium materials and finish.

AMBIENT LIGHTING The center stack is illuminated with warm, red ambient lighting.

EIGHT-WAY POWER SEAT In Denali, both the driver and front passenger enjoy the comfort of an eight-way power seat with power lumbar.

DISTINCTIVE DENALI SEATING Contrasting stitching outlines perforated leather-appointed seating, with an embossed Denali logo on the front seats.

CONNECTIONS An auxiliary 12-volt power port and a USB port¹ let you charge portable electronics and connect your MP3 player to the audio system.

STORAGE SPACES The interior features an oversized glove box in addition to the centre console that's deep enough for a laptop. There's also a smaller compartment under the centre armrest and two-tier storage in the door panels.

ACOUSTICS AND NOISE SUPPRESSION

The windshield angle, body shape and mirrors are designed to help manage airflow to reduce wind noise. For additional quiet, Terrain is engineered with triple door seals and an acoustic laminated windshield and front side glass.

LOW LIFT-OVER HEIGHT The load floor is set at a height to make it easy to move large or heavy items in and out, and with the second-row seats folded down, Terrain opens up 1809 L (63.9 cu. ft.) of available cargo space.²

LOW STEP-IN HEIGHT While the upper door opening is set high for clearance, the floor is at a lower, car-like height, making it easy for people of all sizes to enter and exit.

¹Not compatible with all devices.

²Cargo and load capacity limited by weight and distribution.

POWER. AND THE ABILITY TO HANDLE IT.

Terrain offers two sources of power. Standard is the 2.4L I-4, and with front-wheel-drive models, it offers 7.3 L/100 km highway fuel consumption,¹ or there's the available 3.6L V6 with an abundant 301 hp. Terrain is also engineered to help you stay comfortably in command with nimble handling and powerful braking.

ENGINE

DIRECT INJECTION (DI) For precise fuel distribution and fast, efficient combustion, both engines feature DI technology. By injecting fuel at over 13,790 kPa (2000 psi), the air and fuel mix more completely for crisp throttle response and a lean blend for efficiency at cruise speeds.

VARIABLE VALVE TIMING (VVT) Both engines feature VVT to deliver the power of a high-performance engine with the low-speed response you need for trailering or climbing steep inclines.

ECO-MODE To help optimize efficiency, the 2.4L I-4 engine has an Eco-Mode button that allows the engine to hold gears longer, with only a slight decrease in acceleration.

¹Fuel-consumption estimates based on GM preliminary testing in accordance with new 2015 model-year Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary. ²Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for details.

OIL LIFE MONITOR For long life and durability, the monitor located in the Driver Information Centre calculates how much oil life is left, based on when and how you drive.

TRANSMISSION

6-SPEED AUTOMATIC WITH OVERDRIVE For brisk acceleration and reduced highway rpm, this advanced transmission has a wide ratio spread. The gear ratios between first and sixth are appropriately spaced for strong, consistent acceleration at almost any speed.

HANDLING

AUTOMATIC GRADE BRAKING To prevent unwanted acceleration and reduce the need for braking during a hill descent, the 6-speed automatic includes this "smart" feature that monitors braking, acceleration, throttle position and even whether a trailer is connected.

RACK-MOUNTED POWER STEERING On 2.4L models, the system delivers assist electronically, eliminating the need for a power-steering pump. It automatically gives you extra steering boost when you need it for parking and tight manoeuvres, and less assistance for highway driving.

TRAILER SWAY CONTROL Keep both you and your trailer heading in the proper direction, automatically. The system uses StabiliTrak sensors to detect the rocking of a swaying trailer, then applies the vehicle's brakes to help bring it back in line.

HILL START ASSIST To help prevent your Terrain from rolling back while on a hill or steep incline, it takes over when you lift your foot off the brake. It holds full brake pressure momentarily, giving you time to move your foot to the accelerator.

ALL-WHEEL DRIVE (AWD) An intelligent AWD system is available for extra traction and the ability to adapt to changing road conditions.

TRACTION CONTROL To make the most of available traction, the system senses when one or more wheels is starting to spin, such as on a slippery surface, and applies individual brakes and manages engine power to slow the wheel down and maintain traction.

ADVANCED DUAL-FLOW VALVING This feature in Terrain Denali's front suspension provides a smoother ride and improved handling across a broad range of driving conditions.

TRAILERING PACKAGE This available package helps Terrain achieve an impressive trailer weight rating of 1588 kg (3500 lb.)² with the available 3.6L V6 or up to 680 kg (1500 lb.)² with the standard 2.4L I-4.

INSTEAD OF WHAT IF, WHAT IF IT DIDN'T HAPPEN?

Terrain offers available Forward Collision Alert, Lane Departure Warning and Side Blind Zone and Rear Cross Traffic alerts to help you avoid mishaps. They're constantly on guard, ready to help you through adverse driving conditions. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for more important safety information.

*Air bag inflation can cause severe injury or death to anyone too close to the air bag when it deploys. Be sure every occupant is properly restrained. Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

FORWARD COLLISION ALERT AND LANE DEPARTURE WARNING

Available Forward Collision Alert provides an audible and visual signal if you are rapidly approaching another vehicle and it appears a collision may be imminent. Available Lane Departure Warning alerts you if you wander from your lane without using your turn signal.

STABILITRAK STABILITY CONTROL SYSTEM To help you stay in control when road surfaces are loose, snowy, icy, wet or uneven, StabiliTrak monitors how Terrain is responding to your steering and braking commands.

SIDE BLIND ZONE AND REAR CROSS TRAFFIC ALERTS Denali's radar-equipped sensors monitor blind spots, alerting you to help reduce the risk of collisions. While in reverse, Rear Cross Traffic Alert monitors your surroundings to provide visual and audible alerts to traffic approaching from outside your field of vision.

AIR BAGS¹ To help reduce the risk of injury to the driver and front-seat passenger, Terrain is equipped with two front dual-stage air bags. Head curtain side-impact air bags deploy from the roof rail like a protective curtain for outboard passengers and can be activated by either rollover or side-impact sensors.

GMC PRO GRADE PROTECTION.

Pro Grade Protection is standard on every 2015 Terrain. From scheduled maintenance to protecting your entire vehicle, you can drive with confidence.

2-YEAR/40,000 KM SCHEDULED
LUBE-OIL-FILTER MAINTENANCE PROGRAM²

THERE WHEN YOU NEED US.

Standard for 5 years, the OnStar Basic Plan⁴ helps keep you connected, while the OnStar Directions & Connections Plan⁵ standard for 6 months, lets you speak to a live OnStar Advisor just by pressing the blue OnStar button in your vehicle.

ONSTAR 4G LTE HOTSPOT⁶ Unleash the full potential of portable devices by allowing you and your companions to play, work, game and surf in your Terrain. This available Wi-Fi hotspot (with 3-month/3GB trial, whichever comes first) enhances your productivity and entertainment.

ONSTAR BASIC PLAN⁴ Stay connected to everyone and everything that matters with the OnStar Basic Plan on 2015 vehicles, including RemoteLink Key Fob Services,⁴ to remotely start (if factory equipped) and lock/unlock your car, and activate your horn and lights from anywhere. Plus, get OnStar Vehicle Diagnostics and Dealer Maintenance Notification to make service scheduling simple. If your vehicle has OnStar with 4G LTE,⁶ you have available access to a high-speed Internet connection and in-vehicle Wi-Fi hotspot so you can connect to your favourite Web content. For emergency and Advisor-based services, check out our additional plans.

AUTOMATIC CRASH RESPONSE⁷ In many crashes, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help sent to your location—even if you can't respond.

CRISIS ASSIST During severe weather or other crisis situations, OnStar offers assistance to help you connect with loved ones and navigate your way to safety.

EMERGENCY SERVICES If someone in your Terrain needs emergency help, the OnStar emergency button gives you a priority connection to a specially trained Advisor at any time, day or night.

ROADSIDE ASSISTANCE⁸ If you're stranded, run out of gas or have a flat tire, one push of the OnStar button can immediately connect you to an Advisor, ready to help any hour of the day or night.

REMOTE DOOR UNLOCK⁹ If you get locked out of your Terrain, OnStar can help. An OnStar Advisor can send a signal to your Terrain that usually unlocks the doors within minutes.

REMOTE HORN AND LIGHTS Can't remember where you parked? Call the toll-free number and OnStar will send a signal to flash your lights and sound your horn to help you locate your Terrain.

STOLEN VEHICLE ASSISTANCE⁹ If your Terrain is ever stolen, OnStar can help locate it after verification with law enforcement.

HANDS-FREE CALLING¹⁰ WITH VOICE COMMAND This available feature allows you to push a button, call out the number and keep your eyes on the road.

TURN-BY-TURN NAVIGATION All you have to do is push your blue OnStar button and ask the OnStar Advisor to download directions to your Terrain.

ONSTAR eNAV WITH MAPQUEST.CATM Get a head start on a trip by checking out your destination on mapquest.ca. Then just click "Send" and directions will be sent to your Terrain.

DESTINATION DOWNLOAD With the optional Navigation System, simply press your blue OnStar button, and an Advisor will download directions to your Terrain's navigation screen.

²The 2-Year Scheduled Lube-Oil-Filter Maintenance Program provides eligible customers in Canada who have purchased, leased or financed a new eligible 2015 MY GMC vehicle with an ACDelco oil and filter change, in accordance with the Oil Life Monitor system and the Owner's Manual, for 2 years or 40,000 km, whichever occurs first, with a limit of four Lube-Oil-Filter services in total, performed at participating GM dealers. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc. are not covered. This offer may not be redeemed for cash and may not be combined with certain other consumer incentives available on GM vehicles. General Motors of Canada Limited reserves the right to amend or terminate this offer, in whole or in part, at any time without prior notice. Additional conditions and limitations apply. See dealer for details. ³Whichever comes first. See dealer for limited warranty details. ⁴Access is available for 5 years from the date of vehicle delivery and is transferable. Does not include any Emergency Services or other OnStar services. To cancel OnStar RemoteLink Key Fob Services, or if your vehicle is sold, you must contact OnStar at 1.888.4.ONSTAR (1.888.466.7827). Subsequent owners will be able to activate the remaining term. ⁵Visit onstar.ca for coverage maps, details and system limitations. After complimentary trial period, an active OnStar service plan is required. ⁶Visit onstar.ca for coverage maps, details and system limitations. Services and connectivity may vary by model and conditions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement (including software terms). ⁷Visit onstar.ca for vehicle availability, details and system limitations. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ⁸Roadside service provided by Allstate Roadside Services. ⁹Services vary by model and conditions. ¹⁰OnStar Hands-Free Calling requires existing OnStar service plan and prepaid minutes. Not available in certain markets. Visit onstar.ca for coverage map, details and system limitations.

¹Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details. ²At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ³Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Visit intellilink.gmc.com for more details. ⁴Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-877-209-0079 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See SiriusXM "Terms and Conditions" and complete details at siriusxm.ca. ⁵RDS functions only where stations broadcast RDS information. ⁶Not compatible with all devices. ⁷Data plan rates apply. ⁸Visit onstar.ca for coverage maps, details and system limitations. Services and connectivity may vary by model and conditions. OnStar with 4G LTE connectivity is available on select vehicle models and in select markets. Customers will be able to access OnStar services only if they accept the OnStar User Terms and Privacy Statement (including software terms). ⁹Access is available for 5 years from the date of vehicle delivery and is transferable. Does not include any Emergency Services or other OnStar services. To cancel OnStar RemoteLink Key Fob Services, or if your vehicle is sold, you must contact OnStar at 1.888.4.ONSTAR (1.888.466.7827). Subsequent owners will be able to activate the remaining term. ¹⁰Visit onstar.ca for coverage maps, details and system limitations. After complimentary trial period, an active OnStar service plan is required.

Behind 1st Row	1809 [63.9]
Behind 2nd Row	895 [31.6]

¹Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information. ²Fuel-consumption estimates based on GM preliminary testing in accordance with new 2015 model-year Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary. ³Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your dealer for details. ⁴When properly equipped; includes weight of vehicle, passengers, cargo and equipment. ⁵Cargo and load capacity limited by weight and distribution.

PEACE OF MIND, STANDARD WITH EVERY GMC MODEL

When you build them with quality, you can back them with confidence. That's why General Motors of Canada backs every GMC model with the best coverage in Canada. Program highlights include:

- 2-year/40,000 km Scheduled Lube-Oil-Filter Maintenance Program¹
- 3-year/60,000 km New-Vehicle Limited Warranty²
- 5-year/160,000 km Powertrain Component Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge²
- 5-year/160,000 km Courtesy Transportation²
- 5-year/160,000 km 24/7 Roadside Assistance²
- 6-year/160,000 km rust-through perforation coverage²
- 8-year/130,000 km coverage on catalytic converters and Powertrain Control Modules (PCMs)²

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:³

- **GM Protection Plan (GMPP)**—The only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New-Vehicle Limited Warranty period.
- **Certified Service**—With GM-certified technicians and GM-approved parts, nobody knows your GM vehicle better.
- **GMC Owner Centre**—As an owner, take advantage of the GMC Owner Centre. This online owner's destination gives you access to coupons, contests, current offers and the latest driving and maintenance tips. Find out more at gmcowner.ca.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE:

- **Purchase Financing and Leasing**—On-the-spot financing, see dealer for full details.⁴
- **GM Student Bonus Program**—Students or recent graduates of high school, college or university³ may be entitled to receive a Student Bonus vehicle redemption allowance of \$500 or \$750⁵ (tax inclusive) (purchased vehicle dependant) to use toward the purchase, lease or finance of one eligible new GMC vehicle.
- **The GM Card**—GM cardholders may redeem up to \$2500 GM Card[®] Earnings (subject to Vehicle Redemption Allowances) toward the Total Purchase Price on eligible new GM vehicles.⁵ For full program details, please visit thegmcard.ca.

INFORMATION RESOURCES:

You can find more information about these programs from your GMC dealer, or at these information centres:

- The GM Web site at gm.ca
- The GM Customer Care Centre at **1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830** for TDD users)

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of printing, please check with your GMC dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

GMC vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

¹The 2-Year Scheduled LDF Maintenance Program provides eligible customers in Canada who have purchased, leased or financed a new eligible 2015 MY GMC vehicle with an ACDelco oil and filter change, in accordance with the Oil Life Monitoring System and the Owner's Manual, for 2 years or 40,000 km, whichever occurs first, with a limit of four lube-oil-filter services in total, performed at participating GM dealers. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc., are not covered. This offer may not be redeemed for cash and may not be combined with certain other consumer incentives available on GM vehicles. General Motors of Canada Limited reserves the right to amend or terminate this offer, in whole or in part, at any time without prior notice. Additional conditions and limitations apply. See dealer for details. ²Whichever comes first. Conditions and limitations apply, see dealer for details. ³Conditions and limitations apply. ⁴Subject to eligibility. ⁵Program subject to change.
