

HYUNDAI | NEW THINKING.
NEW POSSIBILITIES.

AZERA

BE MOVED LIKE NEVER BEFORE...

There's no car like it out there.

There's no image or word to describe the experience.

Its style, performance, and safety will move you like never before.

The story of the new you, captivated by Azera, starts now.

AZERA

IT WON'T TRY TO CONVINCE YOU. IT WILL SIMPLY CAPTIVATE YOU.

FIREWORKS, SILK, HEARTBEAT

Power as explosive as fireworks
and control as precise as ice
turn every road into silk as you
drive to the beat of your heart.

IT WON'T JUST TALK ABOUT THE PLEASURE OF DRIVING.
IT WILL EXPRESS THE PLEASURE OF LIVING.

HYUNDAI

AZERA

3.0 V6

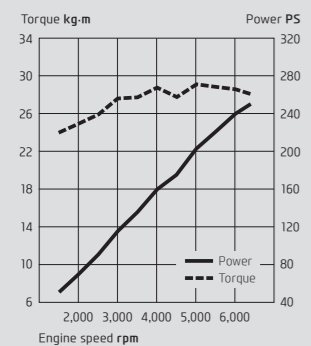

AZERA'S PERSONALITY

Soft yet powerful. Bold yet agile.

This is what you and Azera have in common.

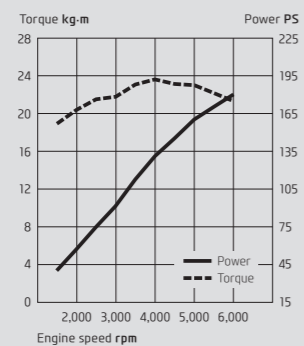

3.0 V6 MPI gasoline engine

Type	DOHC with Dual CVVT
Displacement	2,999 cc
Max. Power	250 ps / 6,400 rpm
Max. Torque	29.0 kg-m / 5,000 rpm

2.4 MPI gasoline engine

Type	DOHC with Dual CVVT
Displacement	2,359 cc
Max. Power	180 ps / 6,000 rpm
Max. Torque	23.6 kg-m / 4,000 rpm

6-speed automatic transmission

Developed using proprietary Hyundai Motor Company technology, the 6-speed automatic transmission has dramatically reduced the number of parts as well as its weight for smoother operation, greater silence, and superior fuel efficiency. By eliminating the need for regular oil changes, the semi-permanent transmission offers convenience and economy.

2.4 MPI gasoline engine

With a maximum output of 180 ps / 6,000 rpm and maximum torque of 23.6 kg-m / 4,000 rpm, the high performance 2.4 MPI gasoline engine delivers dynamic driving under various driving conditions.

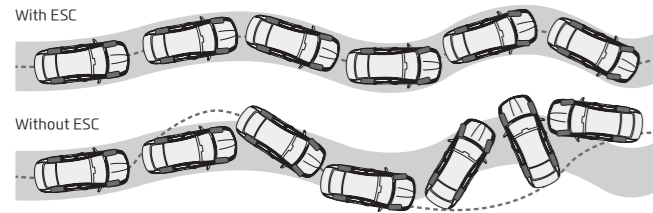

3.0 V6 MPI gasoline engine

With a maximum output of 250 ps / 6,400 rpm and maximum torque of 29.0 kg-m / 5,000 rpm, the exceptional 3.0 V6 MPI gasoline engine achieves power, silence, fuel economy, and eco-friendliness.

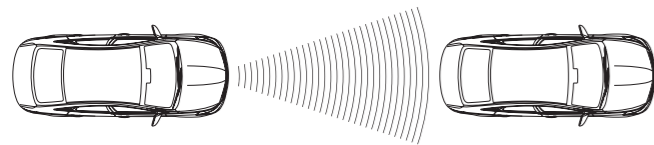

AZERA'S FORESIGHT

Always one step ahead of danger, Azera's remarkable foresight will keep you safe.

Electronic stability control (ESC)

Electronic stability control (ESC) is a system that compares a driver's desired course of direction with the actual direction to help guide the vehicle according to the driver's intentions. It is particularly effective in stabilizing lateral movement in sudden turns and thereby provides a safer ride.

Smart cruise control

A radar sensor monitors the distance with other vehicles and automatically maintains optimum distance by controlling the engine and the brakes. The car advances automatically if the car in front stops and departs again within 3 seconds.

9-airbag system

Depowered driver's and front passenger's seat airbags for head-on collisions and side & curtain airbags for lateral collisions ensure maximum passenger safety in diverse driving situations.

Knee airbag

A supplementary knee airbag protects the knees of driver in the event of a head-on collision.

Rear impact reduction system

The backs of the seats are structurally optimized to minimize passenger injuries in the event of a rear collision by increasing their ability to absorb shocks.

Amplitude selective damper (ASD)

Whether driving on a smooth, well-maintained road or a bumpy, uneven one, a comfortable ride and steady handling are preserved.

Front McPherson strut type suspension

Front McPherson strut type suspension increases tire traction while turning, delivering outstanding stability whether driving straight or turning a curve.

Rear multi-link suspension

Rear multi-link suspension improves steering stability and minimizes shaking when driving and stopping.

Disc brakes

Larger front-wheel disc brakes allow for enhanced braking power.

IT WON'T JUST CHANGE YOUR IMAGE. IT WILL CHANGE YOUR VALUE.

**MUSIC,
ART,
INSPIRATION**

Like live music concerts early in the morning or late at night, or art collections for viewing any time of the day, Azera will be the biggest source of inspiration in your life.

Seat ventilation (Adjustable in 3-step)

Air can circulate naturally in the front seats, making the driver feel comfortable.

Leather seats

The seats of Azera are finished with nappa leather, which is as supple as it is strong and durable, and offers the highest seating comfort. Not only that, they are also eco-friendly thanks to the usage of anti-bacterial seat foam made from Cardanol oil extract, a 100% recyclable natural material.

AZERA'S COMPANIONSHIP

Little pleasures that only you can enjoy from the driver's seat bring you and Azera even closer together.

Panorama sunroof

A panorama sunroof without separate headlining maximizes the feeling of openness to create a pleasant driving environment that is closer to nature.

Driver's extendable seat

The driver's seat cushion is extendable by lifting the front of the cushion, which increases the thigh support area and reduces the sense of fatigue when driving.

Integrated memory seat (IMS)

The driver's seat adjustment switch has an intuitive design that is extremely convenient and easy to use for controlling the angle and extending the cushion of the driver's seat.

AZERA'S DIFFERENCE

Details that soothe the eyes and the soul. This is the difference that sets Azera apart.

Navigation system (Bluetooth)

An easy-to-use navigation system conveniently provides road directions, while the Bluetooth function makes it possible to make wireless phone calls hands-free.

* Navigation system (Bluetooth) is only available in select regions.

Connectivity (USB, AUX)

A built-in auxiliary port allows you to enjoy music files stored in portable devices directly on your car's premium sound system.

* iPod is a trademark of Apple Inc.

Supervision cluster with color TFT LCD

The cluster provides driving information such as flow of energy, fuel and battery status, tire pressure, and open door warning through a high-resolution 4.3" color TFT LCD.

* Tire pressure monitoring system (TPMS) is only available in select regions.

Front/rear air ventilation system

Both the driver and the passenger can each set their own temperature, which is maintained automatically for maximum comfort. The air ventilation system in the front and rear create a pleasant environment for every passengers.

Mood lamps

Subtle lighting on the crash pad and the door trims create a luxurious sense of quality.

Lighting panel

LED lighting in the center tray and cup holder covers creates a unique pattern that conveys a feeling of luxuriousness that can only be experienced in Azera.

Infinity

Premium sound system with 8 speakers

An expandable Infinity amplifier delivers top-class audio quality through an 8 speakers system, making Azera the best mobile space for enjoying music.

* 12 speakers only available in select regions.

Smart key & Engine start / stop button

A cutting-edge smart key makes it possible to lock and unlock doors by simply having the key on you and also to turn the engine on or off with a mere press of a button.

A silver sedan is shown from a high-angle, rear-quarter perspective, driving on a two-lane asphalt road that curves through a mountainous landscape. The road is bordered by a metal guardrail. Below the road, a vast sea of white, fluffy clouds fills the valley, with green and brown hills visible in the distance. The sky is bright and clear.

IT'S NOT ABOUT APPEALING TO THE HEARTS OF MANY.
IT'S ABOUT MAKING YOUR HEART BEAT.

BECAUSE YOU ARE THE PERFECT MATCH FOR AZERA.

EMBRACE, HAVEN, DIAMOND

As warm as an embrace and as safe as a haven, and as lasting as the diamond on your finger, Azera's safety is a promise that will be kept.

AZERA'S CONVERGENCE

Converging functionality and design, this is an idea that you and Azera share.

Radiator grille

Azera's wing-shaped radiator grille, reminiscent of a magnificent aircraft, not only conveys a sense of luxury, but also provides a dynamic driving performance with its enhanced engine cooling function.

Headlamps

The luxuriousness of the headlamps has been height-ened by applying LED light guides and round-type LED positioning lamps. High-efficiency LED that minimizes energy consumption adds to the sense of satisfaction.

Front fog lamps

Visually attractive with their sporty design, the fog lamps with the clear lenses secure visibility more effectively.

Chrome-coated outside handles

Luxurious chrome-coated outside handles provide excellent grip and add a touch of design to the side of the vehicle.

Outside mirrors & repeaters

Outside mirrors, with built-in heat coils to prevent fogging in bad weather conditions, effectively enhance visibility. Outside mirror repeaters sporting both superior design and functionality also promote safer driving.

Electric folding outside mirrors

When coming within a certain distance of the car with the smart key, the outside mirrors unfold automatically to greet the driver and help him or her get started conveniently.

Door courtesy lamps

Interior lights turn on automatically upon opening the door to make preparing for driving safer and more convenient.

Dual mufflers

Dual mufflers integrated into the bumper provide outstanding exhaust performance and complete Azera's luxurious rear design.

Aero blade wipers & rain sensor

Streamlined to minimize air resistance and improve adhesion to the windshield, the aero blade wipers conveniently adjust their speed according to the amount of rain.

LED high-mounted stop lamp

The beautifully designed LED high-mounted stop lamp is highly visible and helps cars following from behind to maintain a safe distance.

LED rear combination lamps

High-tech wide LED rear combination lamps project a luxurious image and help complete the dynamic and voluminous rear design of the vehicle.

Front & rear parking assist system (PAS)

A highly convenient safety system with ultrasonic sensors sounds an alarm when the vehicle comes near obstacles during parking.

19" hyper silver alloy wheels

The luxurious material and originally designed wheel caps of the large-sized 19" alloy wheels add the perfect finishing touch to Azera's elegant style.

18" hyper silver alloy wheels

Large-diameter wheels maximize the thrill of sporty and dynamic driving and also provide outstanding braking.

17" diamond cutting alloy wheels

Excellent traction ensures stable driving under various driving conditions.

17" alloy wheels

These high-performance wheels provide sporty driving and superior braking.

AZERA'S CONVICTION

The smallest detail can speak for the entire car, this conviction gave birth to your perfect match, Azera.

Electronic chromic mirror (ECM)

Push button operated, the Electronic chromic mirror (ECM) automatically senses and reduces light intrusion from following vehicles, dramatically reducing eye fatigue.

Steering wheel remote control

The remote control on the steering wheel makes it easy and convenient for the driver to control the audio system and functions like cruise control while driving.

Audio system (6CDs)

A CD changer system that can accommodate up to 6 CDs has been mounted so that users can enjoy a variety of music according to their tastes and moods.

Electric parking brake (EPB)

The Electric parking brake (EPB) is automatically activated when the vehicle stops, preventing it from rolling as well as sliding when restarting on a hill.

Heated steering wheel

A heated steering wheel eliminates the chill that drivers experience when first grabbing the steering wheel in cold weather.

Front/rear seat warmers

The front/rear seat warmers are particularly warm, cozy, and convenient in the winter.

Full auto air conditioning system

Separate air conditioning for the driver's and front passenger's seats allows the interior temperature to be adjusted automatically to each one's needs for a pleasantly maintained temperature at all times.

Rear air ventilation

Ventilation outlets installed separately for rear passengers help maintain a comfortable interior temperature during the four seasons.

Auto defogging system

Sensors mounted on the windshield detect and automatically remove moisture build-up to ensure safe visibility.

UV cut glasses

The UV cut glasses effectively blocks UV rays from passengers and prevents the discoloration of the interior.

Manual rear door curtains

Rear door curtains installed in the rear side windows block the sunlight, protect the privacy of the passengers, and convey the elegance of a luxury sedan.

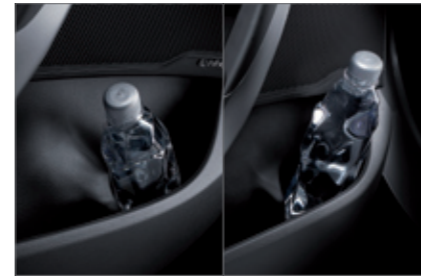

Electric backlite curtain

At the touch of a button, the electric backlite curtain blocks out the hot sun and keeps the interior cool even in hot weather.

Glove box

The glove box with its cooling function helps keep beverages cool during hot weather.

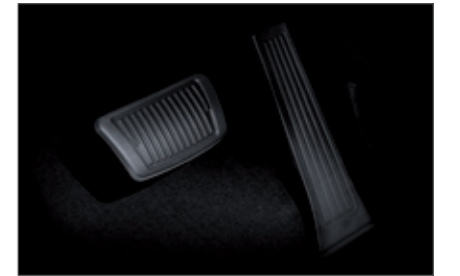

Storage system (door)

Storage system, located on all the door panels, increase convenience and efficiency for storing drinks.

Child anchor system

Child anchor system allows adults to mount a child seat more securely and ensure greater safety of the entire family.

Organ-type accelerator pedal

The operating direction of the accelerator pedal matches the stepping on of the pedal for a more natural operation.

A WHOLE NEW WORLD...

Where style isn't just what you see but what you feel,
where the pleasure of driving doesn't end at the driver's seat,
where roads inspire and comfort you as much as your home,
Azera will take you there.

NEW THINKING. NEW POSSIBILITIES.

People's expectation toward individual mobility requires more than just a convenient means of transportation. The old understanding of cars has become outdated. A car represents individuals' lifestyles, and it became an integral part of their lives. At the same time, the automobile industry has experienced seismic change. Hyundai Motor Company has grown rapidly to become one of the largest automakers, backed by world class production capability and superior quality. We have now reached a point where we need a qualitative approach to bring bigger ideas and relevant solutions to our customers.

This is an opportunity to move forward and we have developed a new brand slogan that encapsulates our willingness to take a big leap. Led by our new slogan and the new thinking underlying it, we will become a company that keeps challenging itself to unlock new possibilities for people and the planet.
