**EON**  
— India **ON** —

## Indian to the core

The Hyundai EON is the perfect example of Hyundai's commitment to India. With millions of dollars spent on research and development, this is a car that is designed for a billion hearts and souls, making it truly Indian. The name EON symbolizes the future and represents style, space, comfort, mileage & quality. EON is now available in 3 new variants: D-lite+, Era+ and Magna+ that come with a range of attractive features and with an option of LPG. India, it's time to move on with EON.

## Style ON

Hyundai EON is undoubtedly a head turner. With its un-interrupted flowing curves and strong character lines, it's a car that's modern and stylish like nothing else. The familiar Hyundai hexagonal grille, the swept back headlamps, the half moon shaped tail-lamps along with other distinctive design elements increases its style quotient and makes the Hyundai EON a design revolution.

**Chrome Grille**  
The 2-tone chrome radiator grille projects a powerful brand presence and amplifies its stylish look while lending it an aggressive stance.

**Head Lamps**  
The swept back headlamps in the Hyundai EON impart a touch of class and provide ample all-around illumination.

**Tail Lamps**  
The half moon shaped tail-lamps greatly enhance rear look and deliver high visibility illumination for extra safety.

**Integrated Spoiler**  
The integrated spoiler adds to the sporty rear appeal and provides better aerodynamics at higher speeds.

**Full Wheel Cover**  
The slick and stylish wheel cover completes the overall side profile and looks cool while cruising on the road.

## Luxury ON

## Space ON

The Hyundai EON gives you a taste of affluence with a well appointed dashboard and controls. Special attention has been given to the quality and finish of the interiors to give it a touch of class. The interiors are an amalgamation of breathtaking design and function. From the 2-tone color scheme to the futuristic dashboard, from the sporty steering wheel to metallic garnishes and trimmings, the Hyundai EON is a luxury statement on wheels.

Intelligent design has created a car with roomy interiors and lots of space. Since the EON is the widest car in its class, and also the one with the longest wheelbase, the first thing that strikes you about its interiors is the sheer space in it. The car boasts of ample legroom both in front and rear to fulfill a family's space needs. And what's more, the space has been designed to generate practical and versatile solutions to different storage/carrying requirements.

**Centre Console**  
The curvy centre console with metallic highlights imparts style and houses various ergonomically placed controls.

**Instrument Panel**  
The futuristic looking instrument panel with projected chrome dial and graphic bands provides vital information while adding appeal.

**3-Spoke Steering Wheel**  
The sporty look of the console and instrument panel is finally topped off with a 3-spoke steering wheel accentuated with metallic inserts.

**Metallic Inside Door Handles**  
The inside door handles boast of a metallic finish, adding to the look of the interiors.

**Bucket Type Front Seats**  
While the well contoured seats provide comfortable seating, the rhythmic wave pattern of the seat fabric lends a sporty touch.

**Pedestal Space**  
Exclusive pedestal space is provided at the centre of the dashboard to place accessories, gadgets or idols for personalization.

**Dashboard Storage**  
The dashboard sports a unique storage space which is convenient for keeping small articles like spectacle cases, keys, mobile phones etc.

**Map Pocket**  
The front doors sport aesthetically designed map pockets with built-in bottle holders for storing essential papers on the go.

**Floor Console Storage**  
The useful floor console storage helps keep your valuables like i-pod, mobile phone or wallet safe and within reach.

**Luggage Space**  
The Hyundai EON boasts of a large boot space to make sure you carry everything that you need on your family weekends.

# Mileage & Safety ON

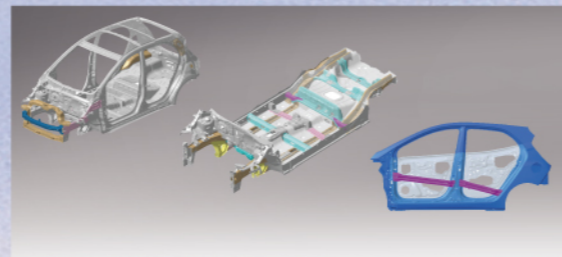

Hyundai has always been committed to making safe cars that are fuel efficient and easy to maintain and the Hyundai EON is no exception. Powered by a mileage-friendly engine and features that help promote eco-friendly driving, this car is both easy on your pocket and on the environment. What's more, the EON has been designed, right from the core development stage with your safety in mind.

**Fuel Efficient Engine:** Designed to generate maximum fuel efficiency, the EON's engine is a marvel of mechanical innovation that delivers an unmatched mileage of 21.1 kmpl. With the most fuel efficient car in its segment, India can go on and on and on.

**Driver Airbag:** Like other Hyundai cars, the EON is also the safest in its class. With a driver airbag installed as a supplementary restraint system, this car gives you unprecedented safety in case of a mishap.

**Reinforced Structure:** Bolstering the already strong structure, the EON's square shaped radiator support panel, reinforced floor panel and door side impact beams provide connection support to counter the huge forces generated on impact.

Hyundai introduces an eco-efficient 'blue drive' technology in the EON with D-Lite+, Era+ & Magna+ LPG variants.

EON 'blue drive' promises both performance and low running costs with an easy shift from petrol to LPG. Separate fuel tanks for LPG and petrol ensure high fuel efficiency in both cases, thus reinforcing Hyundai's commitment to the people and the planet.

#### LPG Benefits:

- Lower running cost than petrol
- 2-year unlimited warranty gives peace of mind
- Dual fuel advantage of petrol and LPG
- Longer drive range with an additional 34 litre LPG tank
- Company fitted kit ensures quality
- Specially designed tank for uncompromised boot space

#### Auto LPG

LPG is a clean burning, high octane, eco-friendly fuel. It has lower emission levels & reduces engine wear and tear.

- Environment friendly
- Enhanced engine life

#### The Toroidal LPG Tank

The company fitted Toroidal LPG tank is specially designed and is smartly located so that it does not use up much of the useful boot space.

Tank capacity (water filling) - 34 litres

#### AMS (Alternator Management System)

AMS is yet another innovative technology from Hyundai, which controls delivery of power to the battery. While decelerating, the power supply to the battery is normal and during acceleration, it limits the same.

- Extended battery life
- Improved mileage

#### Gear Shift Indicator

The first-in-class manual transmission shift indicator helps to decide optimum gear usage.

- Improved mileage
- Enhanced driving performance

Gear Shift Indicator

# Features ON

When it comes to comfort or convenience, the Hyundai EON boasts of both in equal measure. It contains all the features you'll ever need, well designed and placed within easy reach. Take for instance the controls of the air conditioner and power windows or the 2 DIN audio with built-in Aux-in and USB port. All these features and more come together to make this car truly desirable.

**Air Conditioner:** An effective air conditioner ensures that the inside is always cool and comfortable, no matter what the temperature outside.

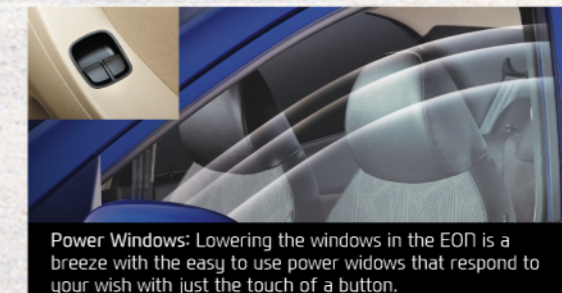

**2 DIN Audio with Aux-in & USB Ports:** This well-integrated audio system is engineered for high quality sound and the Aux-in & USB ports let you play your favourite music through your choice of players.

**MDPS with Tilt Steering:** The power steering in the EON lets you drive with ease while the tilt function enables you to adjust the steering angle to suit your driving style.

**Keyless Entry & Central Locking:** This function helps you conveniently lock/unlock the doors from a distance or when inside the cabin, giving you maximum safety and protection.

**Power Windows:** Lowering the windows in the EON is a breeze with the easy to use power windows that respond to your wish with just the touch of a button.

**Internally Adjustable Outside Mirrors:** This feature lets you adjust the mirror from within, without having to open the windows, giving you more control while driving.

**Rear Parcel Tray:** Useful for placing small utility items, the wallpaper type rear parcel tray also covers objects stored in the boot.

**Body Color Door Handles & Mirrors:** The body colored outside door handles and mirrors enhance the EON's aesthetic appeal and offer ease of operation.

**Front Fog Lamps:** Unique triangular fog lamps not only provide extra visibility in foggy conditions but also add to the sporty looks of the car.
