LEARN THE COMPLETE GRAND NEW LINGO

GRAMMAR + VERBS
+ VOCABULARY

Preface: Introduction to the Grand New Lingo

The Hyundai Grand i10 brings to you a whole new level of innovation. With many first-in-segment features and the 2nd Generation U2 CRDi diesel engine, it is much more than a mere statement. It's a new language altogether. In fact, to describe the Grand i10, we had to invent new words. Because common lingo fails to describe something so Grand. No wonder, the experts have awarded it the prestigious **Indian Car of The Year 2014**.

Designeered Exterior (De-zine-eered) Verb:

1. A marriage between breathtakingly stylish design and future skewed engineering.
2. The ability of the Grand i10 to turn heads wherever it goes.

While the Grand i10 introduces a new language, it may leave you completely speechless at times. Each and every part of the exterior has been crafted to perfection and leaves an everlasting impression on all those who catch a glimpse of it.

CHROME GRILLE

Positioned to perfection, the chrome grille complements the looks and projects strong presence.

TURN INDICATOR

Aerodynamically sculpted outside mirror is ornamented with turn indicator for enhanced looks and safety.

WAISTLINE MOLDING

Chic, distinctive looking side molding imparts sporty looks and prevents side scratches to body.

FOG LAMP

Distinctly designed for proper amplification, the fog lamp ensures safe driving during foggy weather conditions.

DIAMOND CUT ALLOY WHEEL

Uniquely designed black and chrome diamond cut 14" alloy wheel imparts a sporty and dynamic appeal.

REAR SPOILER

The rear spoiler provides better aerodynamics at higher speeds while complimenting its sporty look.

CHROME DOOR HANDLE

Chrome-coated door handle lends a premium look to the overall profile of the car.

ROOF RAIL

The sporty exterior character of the car is enhanced by a set of stylish black integrated roof rails.

Chapter 2

Feature-Rich-Comfy Interiors

(Fea-chur-rich-komfi) Adj:

1. A sense of luxury that comes from great comfort and a rich array of features at one's disposal.
2. The feeling that envelopes you as you step inside the Grand i10.
3. Surprise (For the owners of other vehicles).

Space and features have never been blended so perfectly in a hatchback before. The feature-packed Hyundai Grand i10 responds to your every expectation. The cabin colour, textures and shape lend it a sporty appeal that will easily make any sedan envious.

1st in segment

2 DIN AUDIO WITH 1 GB INTERNAL MEMORY
Radio+CD+MP3 audio offers endless music experience and is equipped with bluetooth and 1 GB internal memory.

STEERING CONTROLS
Multi-function steering with audio and bluetooth controls for an uninterrupted music experience and connectivity.

1st in segment

REAR AC VENT
First-in-segment rear AC vent has been designed specially to enhance rear passenger comfort with instant cooling.

SMART KEY with PUSH BUTTON START/ STOP
Hi-tech and convenient smart key with push button enables start and stop of car with just a touch.

ELECTRIC MIRROR
Electrically adjustable and foldable outside rear view mirror offers great combination of comfort and convenience.

DRIVER SEAT HEIGHT ADJUSTER
Conveniently adjusts seat for excellent driving position and comfortable driving experience.

TILT STEERING
Allows the driver to adjust steering as per his/her convenience and makes it comfortable for drivers of all stature.

COOLED GLOVE BOX
It keeps your drinks or eatables cool and refreshing: a highly recommended feature in adverse climate conditions.

Chapter 3

Comfortainment Space

(Com-fort-tain-ment) Noun:

1. The mode of entertainment that combines comfort
2. The feeling every Grand i10 owner will fall for

The Hyundai Grand i10 packs a punch when it comes to providing comfort. With many cool and exciting features, it is ready to win over the hearts of every customer.

FRONT SEATING
Ergonomically designed bucket type front seat is well contoured to provide sufficient thigh and back support.

REAR SEATING
Spacious and well cushioned rear seats with adjustable headrests offer ample thigh support and comfortable seating.

SEAT BACK POCKET
Seamlessly integrated seat back pocket is purposeful in stocking books or magazines to keep you indulged.

CENTER CONSOLE STORAGE
Ideal for storing small utility items and gadgets like i-pod or mobile phones while charging or playing.

GLOVE BOX
Enormous glove box offers best space in its class and stores everything from CDs, chargers to other utility items.

MAP POCKET
Aesthetically designed map pocket is useful for keeping essential papers and offers built-in 1 litre bottle holder.

BOOT SPACE
Ample boot space to accommodate your weekend luggage. Bench folding function provides you an extra flat load space.

FLOOR CONSOLE STORAGE
Considering the hot climate of India, floor console offers 2 cup holders big enough for 1 litre bottles.

Chapter 4

Active-Pro Safety

(Ac-tive-p-ro-seyf-tea) Adj:

1. Active safety that makes you feel at ease
2. Protection from a mishap is now guaranteed.

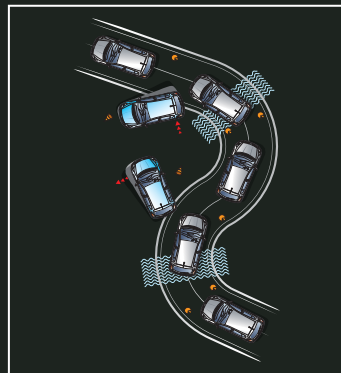

DUAL AIRBAGS

The driver and passenger airbags [available in Asta (O) only] ensure additional protection to occupants in the event of a frontal impact.

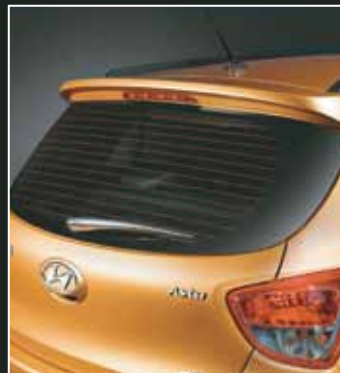

REVERSE PARKING SENSOR

Useful for parking in tight spaces, the parking assist detects obstructions while reversing the car.

ABS

The Anti-lock Braking System prevents skidding and retains car's steer ability on slippery surfaces. It also enables stable braking and restricts wheel lock-up during panic braking.

REAR DEFOGGER

Removes mist on tailgate during foggy or rainy weather conditions to ensure proper visibility of trailing traffic.

Chapter 5

Techonomic Engine

(Tech-o-no-mic) Adj:

Technology that offers an economic output

The Hyundai Grand i10 is powered by 2 performance packed engines – The 2nd Generation U2 CRDi diesel engine which is the newest member of the Hyundai diesel family and the tried and tested 1.2 Kappa Dual VTVT petrol engine.

2nd GEN U2 CRDi DIESEL ENGINE

The 2nd Generation Euro 5 ready, refined and advanced U2 CRDi Diesel Engine offers optimum performance, superior fuel economy and lower emissions to its valued customers.

It operates at a high pressure of 1,800 bar and generates high torque at lower RPMs, thus resulting in lesser gearshift in city traffic conditions. The flat torque curve over a wide range of engine speed ensures a smooth ride with no jerks.

eco Grand i10 comes with eco-technology in 1.0L Kappa dual VTVT Petrol engine. It adopts the advanced 3rd generation 'Port injection' technology and is eco-friendly with OBD II and BS IV compliance.

LPG Benefits:

- 2-year unlimited warranty gives peace of mind
- Dual fuel advantage of petrol and LPG
- Longer drive range with an additional 34 litre LPG tank
- Company fitted kit ensures quality
- Specially designed tank for uncompromised boot space

Auto LPG

- Environment friendly
- Enhanced engine life

1.2 KAPPA PETROL ENGINE

The 16V DOHC Kappa engine with dual VTVT (Variable Timing Valve Train) technology provides you the best of both worlds – superior mileage and optimum performance.

MANUAL TRANSMISSION

Both petrol and diesel variants of Grand i10 offer 5-speed manual transmission for smooth and accurate gearshifts.

AUTOMATIC TRANSMISSION

Driving in traffic is a breeze with the 4-speed automatic transmission available in the 1.2 Asta variant.

*Class is defined by the comparable hatchbacks in the range of 3.75m – 3.9m of overall length, petrol engine capacity ranging from 1100cc – 1200cc and diesel engine capacity ranging from 1100cc – 1500cc.

Chapter 6

Coolvenient Features

(cool-vee-ni-ant) Adj:

1. When convenience finds a cool new attitude.

What happens when convenience finds a cool avatar? The Grand i10 is created. With many convenient additions the Grand i10 is ready to win your heart in more ways than one.

Air Conditioning

The aesthetically designed and easy to reach dials of air recirculation system control the cabin environment effectively.

REAR WIPER: Carefully crafted wiper provides high wiping efficiency with optimum coverage of sweep area.

DAY / NIGHT MIRROR: The inside rear view mirror comes equipped with day/night modes to reduce trailing vehicle glare.

LUGGAGE LAMP: This feature activates with opening of tailgate and enables proper lighting in boot area to help locate/put objects in dark.

POWER WINDOWS: The ergonomically located switches on door armrest aid in easy operation of windows conveniently and comfortably.

GEAR SHIFT INDICATOR: The innovative digital gear shift reminder recommends optimum gear so as to extract maximum mileage.

REAR PARCEL TRAY: Useful for placing small utility items and also acts as a hiding cover for luggage or items stored in the boot.
