SANTAFE 

2012 MODEL YEAR

HYUNDAI

NEW THINKING. NEW POSSIBILITIES.

Since we first started in 1967, there have been four decades of incredible progress. During this period we've established a close relationship with our customers. It's enabled us to develop cutting-edge technology in all the right areas, while staying true to our Korean origins. At the heart of our brand is the ability to think differently and always question convention. It's this relentless commitment to innovation that's seen us arrive at where we are today. We currently sell technologically-advanced, high-quality vehicles to people in more than 190 countries, and employ over 75,000 staff. That's why we're the world's fastest growing car manufacturer.

Impressive on the road AND JUST AS GOOD OFF IT

The Santa Fe is the ideal combination of striking looks and real presence. A new front and rear end design ensure that it looks both aerodynamic and distinctly stylish. We've made it available in both 5 and 7 seat configurations, so whether you're after a larger family car or simply a sense of adventure, it's a perfect fit for every situation. Its impressive 4x4 capabilities will give you confidence in adverse weather and road conditions,

so you'll be able to drive with a real sense of freedom. And you'll also benefit from an impressive towing capacity, which delivers even more practicality when you need it. In short, it's an SUV that looks elegant while still remaining flexible enough to meet all demands. Take it on a business trip. A winding drive through country roads. Or even to pick the kids up from school. The Santa Fe will be everything you need it to be.

Advanced technologies THAT'LL LIGHT UP EVERY JOURNEY

The Santa Fe's impressive features open up a host of exciting driving possibilities. The braked towing capacity of up to 2,500kg – 2,000kg for the automatic version – will ensure that you'll have no problem taking the family caravan, boat or trailer to your destination. And the 'torque on demand' system means you'll benefit from more grip on low friction surfaces. What's more, if you really

decide to put its 4x4 capabilities to the test you'll discover that it can be quickly switched into 4WD lock mode for increased stability. This setting provides permanent 4WD for speeds up to 19mph, giving maximum traction when you need it most. It means that you'll be able to enjoy the Santa Fe in all weather conditions and get the most out of every driving experience.

EFFICIENCY

Fewer fuel stops PULL OVER FOR THE VIEW INSTEAD

The Santa Fe's clever diesel engine remains economical while still producing 194bhp. Delivering high performance when you need it, without the extra cost. The 4WD 'torque on demand' system is also especially impressive. It ensures that power is automatically directed to the wheels only when the driving conditions make it necessary. This makes it much more efficient

than other 4WD systems that use excessive fuel by running continuously. Automatic models are configured to change gear at exactly the right time. And on manual models there's an innovative eco drive indicator, that lets you know the optimum time to change up and down through the gears. It means that you can count on an SUV that performs superbly and helps save fuel on every trip.

However far you travel YOU CAN'T ESCAPE LUXURY

The Santa Fe's interior combines an eye-catching design with an array of innovative features, including MP3 and Bluetooth connectivity as standard. The Style model arrives with a leather steering wheel, carbon black effect inlays and cloth seat trim. On 7 seat models, you'll also benefit from smart-looking privacy glass. Premium models come with even more luxury, with heated front seats, leather upholstery and dual zone climate control. The driver's seat is electrically-adjustable

so you can get into the ideal driving position, and there are also chrome door handles to complete the sophisticated look. For more convenience you can also select an optional media pack on Premium models that includes touchscreen satellite navigation, a rear view parking camera and an advanced park guidance system. No matter which specification you choose, you and your passengers will always be content and extremely comfortable, making every journey a genuine pleasure.

SPACE & COMFORT

A spacious interior EXPLORE THE GREAT INDOORS

The Santa Fe includes more innovative features than ever. But one thing we're especially proud to have included is plenty of space, because we know just how important that is. With 5 and 7 seat configurations available to give you more flexibility, the Santa Fe is designed to suit your needs. There's also a luggage capacity of almost 2,250 litres with the seats folded and a clever rear seating layout, allowing you to quickly and easily change the

seating configuration. It's ideal for every scenario, whether you're taking six little footballers to an away game, or a car full of suitcases to an exotic location. And with reversing sensors as standard, even parking your packed Santa Fe is made easier. Add in the six airbags, seat belt pre-tensioners and active front head restraints that we've also fitted as standard and you can see we've paid plenty of consideration to everyone – and everything.

..... CONFIGURATION
.....

Full 7 seat configuration

5 seat and load space configuration

Fully reclined front seats

60/40 split rear seats and 50/50 split third row seats allow alternate 5 seat configuration

Flexible design CHOOSE YOUR OWN SEATING PLAN

.....
The interior seat combinations will give you plenty of flexibility whenever you need it. Just look through the illustrations on the left to see exactly which configuration suits your needs. You could fold down all the rear seats to create a significant amount of space in the back, or you might choose to fold down the seats on one side, leaving plenty of room for longer objects. If you haven't got much to

carry then you can simply adjust the arrangement for your own comfort, so everyone can enjoy plenty of legroom. It makes the Santa Fe ideal for large families, while allowing you to carry luggage of all shapes and sizes with ease. Whether it's a golf bag, a set of suitcases or plants from the garden centre, you'll be able to fit everything in quickly and efficiently.

Models featured are the Santa Fe Premium 7 seat in Vanilla White solid paint.

Rear View: Full load space configuration. Model featured is the Santa Fe Premium 7 seat in Sleek Silver metallic paint.

STYLE 5 & 7 Seat

MOTABILITY

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme. You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard. Most of our Dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

HYUNDAI CAR FINANCE SERVICES

To help you drive your ideal Hyundai, we've put together some comprehensive Hyundai Car Financial Services* products. The way they work is simple. There are a range of products available and we can offer finance between 1 and 5 years. To find out more just contact your local dealer, they'll have all the details you need. You may be able to reduce your set monthly payments by deferring part of the cost to the end of your agreement with us. It's one way you can take advantage of our finance plans.

Effective 1 October 2011 Hyundai Car Financial Services is a division of Santander Consumer Finance, the leading Consumer Finance House in Europe. We provide finance for your Hyundai through your Hyundai dealer alongside a range of Santander insurance products. *Finance subject to status. Terms and conditions apply. Applicants must be 18 or over. Guarantees/Indemnities may be required. Santander Consumer UK plc trading as Hyundai Car Financial Services. Registered office: 3 Princess Way, Redhill, Surrey, RH1 1SR Registered in England number 2248870

ASSET PROTECTION

We want you to be able to relax in your Hyundai. It's why we've created Return to Invoice GAP Insurance, which covers you in unexpected circumstances. Currently, if your vehicle is written off in an accident, fire or theft, your insurance may only pay the market value for it, not what you actually paid – so you'd have to cover the shortfall. Return to Invoice GAP Insurance could cover the difference between your motor insurance settlement and the amount you originally paid for the vehicle, or the amount outstanding on finance – whichever is greater. Return to Invoice GAP Insurance will complement your own vehicle insurance and provide the financial support you need to get back on the road in a vehicle with the same value as your original choice.

PEACE OF MIND

It was difficult deciding how much 5 years peace of mind is worth. So difficult, in fact, that we decided not to charge anything – but to give it to you as standard. The Five Year Triple Care package* gives you miles and miles of stress-free driving. It's the latest in a long list of standard features on the Santa Fe, and one we hope you'll enjoy just as much as the others. Read more about it in the following sections.

5 YEAR TRIPLE CARE

Five Year Unlimited Mileage Warranty

It's exactly as the title suggests: A Five Year, manufacturer-backed Unlimited Mileage Warranty,** so you can drive with complete peace of mind at all times.

Five Year Roadside Assistance

You'll benefit from free, 24-hour roadside assistance anywhere in the UK or Channel Islands.

Five Years of Vehicle Health Checks

Your Hyundai dealer will carry out an annual vehicle health check on key areas of your Hyundai Santa Fe.

ADDITIONAL HYUNDAI AFTERCARE

A 10 year anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* 5 Year Triple Care terms and exclusions apply. Please see www.hyundai.co.uk/owners/triple5 or ask your local Dealer.
** Vehicles used for taxi or private hire uses are covered by a five year, 100,000 mile warranty.

If you'd like to find out more about the Hyundai range, please consult your local Dealer or visit our website. Not only will you be able to discover everything there is to know about our cars, you'll also be able to arrange a test drive so you can try them out on the road.

Contact us on 0800 981 981 or visit www.hyundai.co.uk
