

New Santa Fe

 **HYUNDAI** | NEW THINKING.
NEW POSSIBILITIES.

NEW THINKING. NEW POSSIBILITIES.

At the heart of the Hyundai brand is the desire to think differently and challenge convention. This has led us to distribute cars in over 190 different countries across the world. Our forward-thinking philosophy means we're always evolving our approach to create cars that exceed your expectations. It means that every Hyundai has been engineered to surprise you with its built-in quality. To complement you with its crisply fluidic design. And to protect you, your family and your passengers with its strength. Prepare to enjoy a world of new possibilities.

Confident, imposing and extremely well-appointed, New Santa Fe combines first class comfort with a powerful engine and cutting-edge technology. It excels on every surface, so take the adventurous route and enjoy premium luxury all the way.

Car shown Santa Fe Premium SE in Titanium Silver metallic paint.

Storm edge design is the height of sophistication.

Its elegant exterior hints at the capabilities within. We've achieved this by enhancing its fluidic surfaces with exquisite detailing — something we refer to as Storm Edge design.

Unique style

The imposing front end is built around a striking hexagonal grille, complemented by sleek compact headlights and LED daytime running lights. The sophisticated rear end also features distinctive twin tailpipes. Our trademark fluidic sculpture design sees rhythmic lines running from front to back, accentuating its dynamic profile. It's a car you'll always be proud to drive.

Carefully selected textures, there's no detail too small.

Special attention has gone into every interior detail, right down to the textures we've carefully selected. In New Santa Fe, it's executive luxury all the way.

Care and comfort

Intricate stitching gives the seats a more personal feel and each surface carries the hallmark of quality. This becomes obvious whether you're touching the stylish leather steering wheel or glancing over the chrome effect interior door handles. The leather seats in the front and rear are heated to guarantee comfort during the winter, while ventilated front seats on Premium SE will help you to stay cool on sunny days. You'll find your perfect driving position using the electric driver's seat lumbar support and height and reach adjustable steering column which both come as standard. Climate control will help you maintain the optimum temperature and a supervision cluster with LCD display on Premium SE models gives you all the information you need.

Car shown Santa Fe Premium SE.

Forward-thinking technology that backs itself up.

The smart innovations in the Santa Fe really do make life easier. We've included advanced technologies at every stage of your journey, making each trip an effortless pleasure.

Stay connected

Enter using keyless entry* so you don't have to search for your keys. Switch on the engine using the convenient engine start/stop* button. Activate cruise control for a more relaxing drive, and utilise the clever steering wheel audio controls to select tracks on your MP3 player. Bluetooth® connectivity lets you stay in touch on the road. Touchscreen satellite navigation with full postcode recognition will guide you to your destination with the minimum of fuss and the Traffic Messaging Channel will keep you away from congestion. You'll find it easy to park thanks to intelligent features such as front and rear parking sensors, a parking camera and parking guidance system — and on Premium SE you'll also benefit from Smart Park Assist. Advanced sensors identify a suitable parallel parking space and steer the Santa Fe perfectly into it. You control the pedals, the system does the rest.

A flexible layout to suit your lifestyle.

The Santa Fe really excels when it comes to luxurious comfort thanks to its intelligent, flexible design. Tailor the space to perfectly suit your busy lifestyle.

Creative configuration

There's an abundance of head, leg and shoulder room for every passenger, while a panoramic sunroof on the Premium SE will flood the cabin with light. When it comes to the seating arrangements there is no strict setup. Instead, it's down to you to make all the adjustments — you can even configure the seats to achieve a significant 1,680 litres of space on 5 seat models and 1,615 litres of space on the 7 seat option. More versatility is provided by the 40:20:40 split rear seats. Plus, on the 7 seat model, there are clever sliding and reclining 2nd row seats, while the 3rd row seats fold flat into the boot floor. A luggage net and hooks help you keep everything secure and 7 seat models also bring you the added benefit of rear air conditioning.

Car shown Santa Fe Premium SE.

Great in all conditions, perfect for the British weather.

Whether it's rugged surfaces or tricky weather conditions, you'll enjoy a responsive driving experience in any situation. Step inside and see what it can do.

Prepare for adventure

The Santa Fe comes with Torque on Demand 4 Wheel Drive (4WD) which works by directing power to all four wheels only when adverse road conditions require it, which is especially useful during the winter months. It means you'll benefit from more grip when you need it — and better economy when you don't. You'll also take advantage of technologies such as the 4WD lock mode which provides better traction. We've fitted Hill-start Assist to temporarily stop you rolling backwards when you move away, and we've provided assistance on steep descents too. That's thanks to Downhill Brake Control as standard, which means you don't have to hold the brake as the system controls the descent at a safe, gentle pace. No matter what the terrain, you'll also take advantage of Flex Steer on manual models and Drive Mode on the automatic, which allows you to adjust the steering settings to suit the type of environment you're in.

Power, efficiency and refinement. It's got it all.

The Santa Fe is no ordinary SUV. Travel further between stops, enjoying total sophistication all the way. Embrace the perfect combination of exciting performance and fuel-saving efficiency.

It comes with 6-speed manual or 6-speed automatic transmission to give you total flexibility. Sound-insulating film in the windscreen and thicker front door glass means that wind and road noise has been significantly reduced. And it produces plenty of power thanks to its 2.2 CRDi 200PS engine which delivers 440Nm torque, resulting in a maximum braked towing weight of 2,500kg on manual models. The Torque on Demand 4WD system ensures that, unlike some 4WD systems, it only applies the drive to all four wheels when needed, helping it deliver up to 46.3 MPG on a combined cycle, with CO₂ emissions starting at 161g/km.

Car shown Santa Fe Premium SE in Sleek Silver metallic paint.

Refined safety features for guaranteed peace of mind.

With such a wide range of active and passive safety features, you'll be able to completely relax on every drive. It's built for luxury and adventure, but safety is always our main priority.

Relax, we've got your back

The Emergency Stop Signal will flash your brake lights in an emergency braking situation and the Lane Departure Warning System will keep you on track. There is also the Electronic Stability Programme (ESP), plus the Braking Assist System (BAS), which increases the braking pressure in an emergency. Blind Spot Detection (BSD) on Premium SE increases all-round awareness thanks to a rear sensor which detects the proximity of any vehicle obscured in the blind spot, providing a visual alert in the door mirror plus an acoustic warning. When towing, Trailer Stability Assist detects trailer instability and reduces engine torque — automatically initiating the braking of individual wheels to bring everything back under control. And it's not just you and your passengers we're looking after, it's pedestrians too. Our Active Bonnet System uses fibre optics to initially detect a collision, raising the active bonnet by 60mm in less than 0.2 of a second, cushioning the initial impact. Finally, Autonomous Emergency Braking is available on Premium SE automatic models as part of the Convenience Pack. The radar and camera-based Front Collision Warning System (FCWS) will alert you of vehicles and pedestrians at dangerously close proximity and brake autonomously if required.

Cars shown: Santa Fe Premium in Creamy White solid paint and Santa Fe Premium SE in Sleek Silver metallic paint.

Premium Stylish features and soft touch surfaces for comfort and refinement.

PREMIUM OFFERS THE FOLLOWING FEATURES AS STANDARD (AVAILABLE IN 5 OR 7 SEAT CONFIGURATION):

- 18" alloy wheels
- 7 Airbags – front, front side, curtain, driver's knee
- Automatic headlights
- Automatic windscreen wipers with rain sensor
- Bluetooth® connectivity
- Cruise control with speed limiter
- Door mirrors – electric adjustment and heated with electric folding function and puddle lamps
- Driver's seat electric adjustment (8 way) and lumbar support (4 way)
- Dual zone climate control
- Electric windows – front and rear with all window anti-trap mechanism and one touch control
- Electronic Stability Programme (ESP)
- Front and rear fog lights
- Full size alloy spare wheel
- Halogen headlights
- Heated front seats – 3 stage
- Heated rear outer seats – 2 stage
- Hill-start Assist Control (HAC)
- Leather seat trim (seat facings only)
- Leather wrapped steering wheel and gear knob
- LED brake lights and daytime running lights
- Parking sensors – front and rear
- Premium sound system (1x centre speaker, 2x tweeters, 2x front door, 2x rear door, 2x cargo area, 1x subwoofer, 1x external amp)
- Privacy glass
- Radiator grille – chrome
- Rear view parking camera with parking guidance system
- Roof rails (black)
- Solar glass with windscreen shade band
- Steering wheel audio and phone controls
- Stereo DAB radio
- Touchscreen satellite navigation including full postcode recognition and TMC
- USB and aux connections

7 SEAT ONLY:

- 3rd row folding seats (50/50)
- Rear air conditioning
- Self levelling suspension

Premium SE Smart, intuitive technologies make every drive an effortless pleasure.

PREMIUM SE OFFERS THE FOLLOWING FEATURES OVER PREMIUM (AVAILABLE IN 7 SEAT CONFIGURATION ONLY):

- 19" alloy wheels
- Blind spot detection system
- Door mirrors – electric adjustment and heated with power folding function and puddle lamps
- Driver's seat electric adjustment (8 way) with memory function
- Headlight washers
- Heated steering wheel
- HID xenon headlights with dynamic bending light system

Hyundai Motor Finance

Hyundai Motor Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple, you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us, with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

* You will not own the vehicle until all payments are made. T&Cs apply. Finance subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required. Hyundai Motor Finance, RH1 1SR

5 Year Unlimited Mileage Warranty

The passion and belief we have in the quality of our products mean we can offer an aftercare package to match. Visit your local Hyundai Authorised Repairer and we'll attend to you straight away, giving you a fully-inclusive quote for the work you've requested.

Only Hyundai Trained Technicians will carry out this work, and we'll also check for any software updates to keep your car running smoothly. You can also be sure that we'll only use Hyundai Genuine Parts which have been thoroughly tested and approved. On collection, we'll explain your invoice and call you within 3 days of your appointment to check you're completely satisfied.

As the people who know your car best, the quality of our service is second to none.

5 YEAR UNLIMITED MILEAGE WARRANTY

A manufacturer backed, unlimited mileage, 5 Year Warranty* protects your Hyundai against manufacturing defects** and is fully transferable to the next owner.

5 YEAR ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands.

5 YEAR ANNUAL VEHICLE HEALTH CHECKS

A free, expert visual inspection by your Hyundai dealer on key areas of your car, to help sort any problems and ensure trouble-free motoring.

ADDITIONAL AFTERCARE

A 12 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* 5 Year Unlimited Mileage Warranty terms and exclusions apply. Please see www.hyundai.co.uk or ask your local dealer for full terms and exclusions.

** Vehicles used for taxi or private hire are covered by a 5 year, 100,000 mile warranty. Cover excludes fair wear and tear.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

Ownership

We're always thinking about how to make owning a Hyundai an enjoyable experience and that's exactly what you get with a Hyundai Fixed Price Service Plan. As a valued customer, we'll take care of all your Hyundai's scheduled servicing for up to 5 years or 50,000 miles.

Being covered by a Hyundai Fixed Price Service Plan means:

- Your Hyundai's servicing is covered in a single payment that can be included in your finance agreement
- You have a choice to cover your servicing for 3 or 5 years*
- Only trained Technicians will expertly assess and service your Hyundai
- Should any parts need replacing during your servicing, your Hyundai will be fitted with Hyundai Genuine Parts

For more information, simply contact your local Hyundai dealer or our Customer Services team, who will be happy to help.

* Price varies according to model, fuel type and mileage. Only available on vehicles registered on or after 1st March 2013. Price includes VAT where applicable. Time and mileage restrictions apply. Excludes seasonal checks. Terms and conditions apply.

MyHyundai

MyHyundai is a complimentary and exclusive owners' club with a variety of unique benefits that'll make your ownership experience even more enjoyable.

As well as amazing offers that range from incredible getaways to indulgent gifts, you'll also be able to set your own alerts and preferences, while storing all your car's details in one, easily-accessible place.

Staying In Touch

We're committed to offering you the very best. That means, as well as delivering impressive cars, we'll also deliver helpful advice and service, every step of the way. Simply contact us on **0800 981 981** or visit our website at www.hyundai.co.uk
