

2011 HYUNDAI SONATA 2.0T

LIMITED IN VENETIAN RED

THEY CALLED SONATA STUNNING. OUR RESPONSE? TURBOCHARGE IT.

Hyundai has been moving fast. Don't-blink-or-you'll-miss-something fast. After our luxury-laden Genesis sedan debuted as the 2009 North American Car of the Year, Hyundai engineers went straight to work infusing a lot of those advances into a redesigned Sonata. The result? A form that flows with energy. An eye-popping new powertrain that follows suit. And a spacious interior that meets the EPA's large car classification. No wonder *Motor Trend* referred to our 2011 Sonata this way: "On paper, it racks up enough best-in-class points to whoop the competition without breaking a sweat."¹

Now, we're unleashing a model that will press people back in their seats. The all-new Sonata 2.0T blazes a new trail in the midsize segment with a 2.0L turbocharged four-cylinder engine that packs more power (class-leading 274 hp and 269 lb-ft of torque) and better fuel economy than any V-6 competitor. It's the first engine in its class equipped with both twin-scroll turbocharging and direct-injection – technologies typically found in high-end luxury models. The result is improved off-the-line acceleration, improved throttle response for passing and optimal fuel economy. Better still, it runs on regular gasoline – the perfect compliment to its surprisingly affordable price tag.

Two trim levels are available to satisfy your personal driving preferences. The SE model offers performance-tuned driving dynamics, while a Limited version adds a bit more refinement to the experience. Like every Hyundai, they both come standard with America's Best Warranty.²

LIMITED IN BLACK LEATHER

COMFORT AND CONVENIENCE. BY DESIGN.

Inside Sonata 2.0T, you'll find yourself in command with cruise, audio and phone controls at your fingertips. To your right, an artfully styled console places the stereo and climate controls right where you expect them to be. An AM/FM/XM®/CD/MP3 sound system¹ is standard on SE, while Sonata Limited features a 360-watt Dimension premium audio system with 6-disc CD changer and factory-installed HD Radio™ Technology.² Every 2.0T model also comes loaded with technology you may not find on competing models. It's the first vehicle in its segment that comes standard with an integrated Bluetooth® hands-free phone system.³ It's also first in its segment with XM NavTraffic® and XM Data Services such as stock, weather and sports. In short, it's a driving environment designed to make your pulse rate quicken. Even at a complete standstill.

RACE-INSPIRED SHIFTING

For brisk acceleration and race-inspired shifting, paddle shifters on the steering wheel are fitted as standard equipment on all Sonata 2.0T models.

PROXIMITY ENTRY KEY

No need to fetch keys from your pocket or purse – Sonata 2.0T senses your presence, allowing you to unlock doors and start the engine at the push of a button.

POWER DRIVER SEAT

Settle into your ideal driving position with the 2.0T's standard 8-way power-adjustable driver seat, complete with power lumbar support.

NAVIGATION-READY

An advanced navigation system featuring a high-resolution touchscreen display with voice command technology is available on both SE and Limited models.

IPOD®/USB & AUXILIARY INPUT JACKS

Sonata features standard iPod®, USB and 3.5mm mini-jack audio inputs that allow your music to be navigated and played through the factory head unit, with visual display of the artist and title.⁴ It also charges your iPod when used with the available Hyundai iPod cable.

AN EYE TO THE SKY

A power tilt-and-slide sunroof (standard on Limited, optional on SE) lets you bring a wide swath of sky along for the ride.

BACKUP CAMERA

Using guidelines that rotate with the steering wheel, reversing out of drive-ways and parking spaces is easy thanks to an available backup camera on Limited.

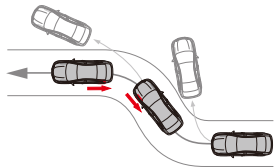

¹XM® Satellite Radio and XM NavTraffic® require an XM subscription, sold separately after complimentary introductory period. All fees and programming subject to change. Traffic and weather channels only available in 21 metropolitan markets. See your authorized Hyundai dealer for details. XM service only available in the 48 contiguous United States. The XM name is a registered trademark of XM Satellite Radio Inc. All other trademarks are the property of their respective owners. ²Not available on navigation-equipped models. The HD Radio, HD Digital Radio and HD Digital Radio Alliance are word marks and trademarks of iBiquity Digital Corporation, used under license by the HD Digital Radio Alliance. All rights reserved. ³The Bluetooth® wordmark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Hyundai is under license. Other trademarks are those of their respective owners. ⁴iPod® is a registered trademark of Apple Inc.

SE IN PHANTOM BLACK METALLIC

PERFECTLY BALANCING NAUGHTY AND NICE.

The Sonata 2.0T powerplant pours a class-leading 274 horsepower and 269 lb-ft of torque onto the pavement, where it's channeled through a silky-smooth 6-speed SHIFTRONIC® automatic transmission. Innovations like gasoline direct injection and a DOHC 16-valve design with Dual Continuously Variable Valve Timing maximize power while simultaneously reducing emissions. A lightweight, all-aluminum design takes this dichotomy even further: Our turbocharged Sonata delivers a lean 33 mpg highway rating with an Ultra-Low-Emission Vehicle (ULEV-II) classification, while still managing a top track speed of 145 mph.¹ All of which leads the reviewers at *Car and Driver* to exclaim, "Powered by an all-new 2.0-liter turbo four, the Sonata 2.0T will take top honors in its class in both highway fuel economy and power – including V-6 competitors."²

ELECTRONIC STABILITY CONTROL (ESC)

ESC helps prevent both oversteer and understeer – and can be turned off any time you prefer to rein the car in at your own measure.³

4-WHEEL DISC BRAKES

A powerful four-channel ABS system applies brake force independently to each wheel. Brake Assist provides maximum braking force in an emergency stop.

HIGH-PERFORMANCE TIRES

Sonata 2.0T's standard 18-inch Hyper-silver alloy wheels and high-performance 225/45R18 tires offer unflappable grip and command over tight corners.

RESPONSIVE ACCELERATION

Sonata 2.0T's brisk acceleration ability (0-60 mph in 6.2 seconds)⁴ and gratifying progression of power help you steer clear of potential problems on the road.

TWIN-SCROLL TURBOCHARGER

Our twin-scroll design helps to improve combustion for better low engine-speed efficiency, lower emissions, minimal turbo lag and more effective delivery of exhaust-gas energy to the turbocharger's turbine.

UNSURPASSED SAFETY FEATURES

Our state-of-the-art safety system includes six airbags, seatbelt pretensioners and Electronic Brake-force Distribution.⁵

¹EPA estimates for comparison. Your actual mileage will vary with options, driving conditions, driving habits and vehicle condition. ²*Car and Driver*, March, 2010. ³Electronic Stability Control (ESC) cannot control your vehicle's stability under all driving situations. ESC is not a substitute for safe driving practices. No system, no matter how advanced, can overcome physics or correct poor driving. The driver is always responsible for controlling the vehicle and must use caution to avoid loss of control in all driving conditions. Speed, road conditions and driver steering input will affect whether ESC can help prevent loss of control. See Owner's Manual for details. ⁴*Car and Driver*, October 2010. ⁵The Supplemental Restraint System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which should be worn at all times. Children under the age of 13 should be restrained securely in the rear seat. NEVER place a rear-facing child seat in the front seat of a vehicle that has a passenger-side airbag.

SE

LIMITED

SE Standard Equipment :

- 2.0L DOHC 4-cylinder engine with twin scroll turbocharger
- Gasoline Direct Injection technology
- 6-speed automatic transmission with SHIFTRONIC®
- Steering-wheel-mounted paddle shifters
- Sport-tuned suspension and steering
- Electronic Stability Control
- Traction Control System
- Anti-lock Braking System with Brake Assist
- Electronic Brake-force Distribution
- Front active head restraints
- Six-airbag safety system featuring advanced front airbags, front side-impact airbags and side-curtain airbags
- Daytime Running Lights
- 18-inch Hypersilver alloy wheels
- Dual exhaust system with chrome tips
- Dark chrome front grille
- Front fog lights
- Chrome exterior door handles
- Proximity keyless entry with push-button start
- SE leather bolster/cloth insert sport seats
- Power driver seat with lumbar support
- Metalgrain interior accents
- Tilt-and-telescopic steering wheel with audio, cruise and hands-free phone controls
- Leather-wrapped steering wheel and shift knob
- Dual automatic climate control

Navigation and Sunroof Package :

- + Power tilt-and-slide sunroof
- + Navigation system with high-resolution touchscreen display
- + 360-watt Dimension® AM/FM/XM®/MP3 audio system

- AM/FM/XM®/CD/MP3 audio system
- iPod®/USB and auxiliary input jacks
- Active ECO system
- Advanced trip computer with custom settings
- Integrated Bluetooth® hands-free phone system with phonebook transfer
- 22 mpg city / 33 highway / 26 combined

Limited Standard Equipment :

- SE Equipment Plus:
- + Power tilt-and-slide sunroof
- + Side mirror turn signal indicators
- + Leather seating surfaces
- + Heated front seats and rear seat bottom cushions
- + Floor console-mounted rear vents
- + Premium door sill plates
- + "Limited" badge
- + 360-watt Dimension® AM/FM/XM®/MP3 audio system
- + In-dash 6-disc CD-changer
- + HD Radio™ Technology with multicasting
- + Piano Black or Woodgrain interior accents
- + Auto-dimming mirror with HomeLink® and compass
- Deletes sport-tuned suspension and steering

Navigation package :

- + Navigation system with high-resolution touchscreen display
- + Rear backup camera
- + 400-watt Infinity® premium AM/FM/XM®/MP3 audio system
- Navigation system deletes in-dash 6-disc CD changer and HD Radio™ Technology with multicasting
