

NEW THINKING.
NEW POSSIBILITIES.

i10

GET IT.
ALL OF IT.

i10

People going places need a vehicle that will take them there. The i10 is all about the complete automotive package that will ensure all your driving needs are met. It is a real Hyundai, and that means there is no compromise on quality, performance, safety or eco-friendliness. And if we did not compromise, why should you? We believe everyone has the right to lasting comfort and peace of mind - and the i10 guarantees this for you and your passengers.

STYLISHLY COMPACT

For those young at heart, the design of the i10 is funky, lively and energetic whilst also practical. The smooth contours of the bonnet and windshield ensure that the i10 is stylish, but also improves aerodynamics. This reduces the wind resistance, and that in turn improves your fuel economy. The stance is broad and reassuring, emphasized by the pronounced sporty wheel arches. The chrome detailed fog lights are stylishly and protectively recessed.

NEW CLEAR HEADLIGHTS

The newly designed clear headlight clusters not only look great, they improve both your night vision and your on-road visibility.

ELECTRIC HEATED EXTERIOR MIRRORS

Electric heated exterior mirrors make life safer in bad weather conditions. For extra elegance they are body coloured.

EXTERIOR MIRROR INDICATOR REPEATERS

Extra style with extra safety. These repeaters make your intention to turn clear, even if other road users cannot see the front or rear lights.

REAR COMBINATION LAMPS

Stylishly integrated rear light clusters blend harmoniously into the Fluidic sculpture design, ensuring that you can be clearly seen by those around you.

Hyundai

A DESIGN THAT FLOWS

Life should be comfortable, convenient and exciting - and with i10 you get all three. In fact, seen from any angle, the i10 has personality as well as real functionality. A perfect fit for the driver and passengers, the i10 experience is dedicated to every detail. Big on style and safety, yet small enough to fit any city street, the i10 is prudently designed for independent minds with busy lives.

WHEELS

Sporty seven spoke style, 14" steel wheels with R14 tyres add a touch more to the overall aesthetic of the i10. The Glide model comes fitted with 15" alloy wheels and features 175/50 R15 tyres for a stylish look.

HEXAGONAL GRILLE

The stylish hexagonal grille on the i10 enhances the fluidic sculpture line of the front end.

SUNROOF*

Sunshine, good times and fresh air. The glass tilting sunroof fits perfectly for great weather driving enjoyment.

MICRO ROOF ΑΝΤΕΝΝΑ

This ensures great radio reception from a small yet aerodynamic antenna that suits the style of the i10.

(*Available on Glide model only.)

CLIMB INTO COMFORT

Step into the Hyundai i10 and you will find that intelligent design makes a real difference. Comfortable supportive seats, instruments which are vibrant and easily understood, controls that feel precise and solid, and high quality materials, all contribute to this award winning Hyundai interior.

SPACIOUS WHEN IT COUNTS

Whether you are out shopping or going on a road trip, there is more than enough space to load everything you need. The 60/40 split rear seatback ensures that you can pack in those larger items with ease.

AIRCONDITIONING CONTROLS

Easy to operate controls, lit by the illuminating blue LED lights, put command of the heating, ventilation and air conditioning right at your fingertips.

MULTI-FUNCTION SOUND SYSTEM

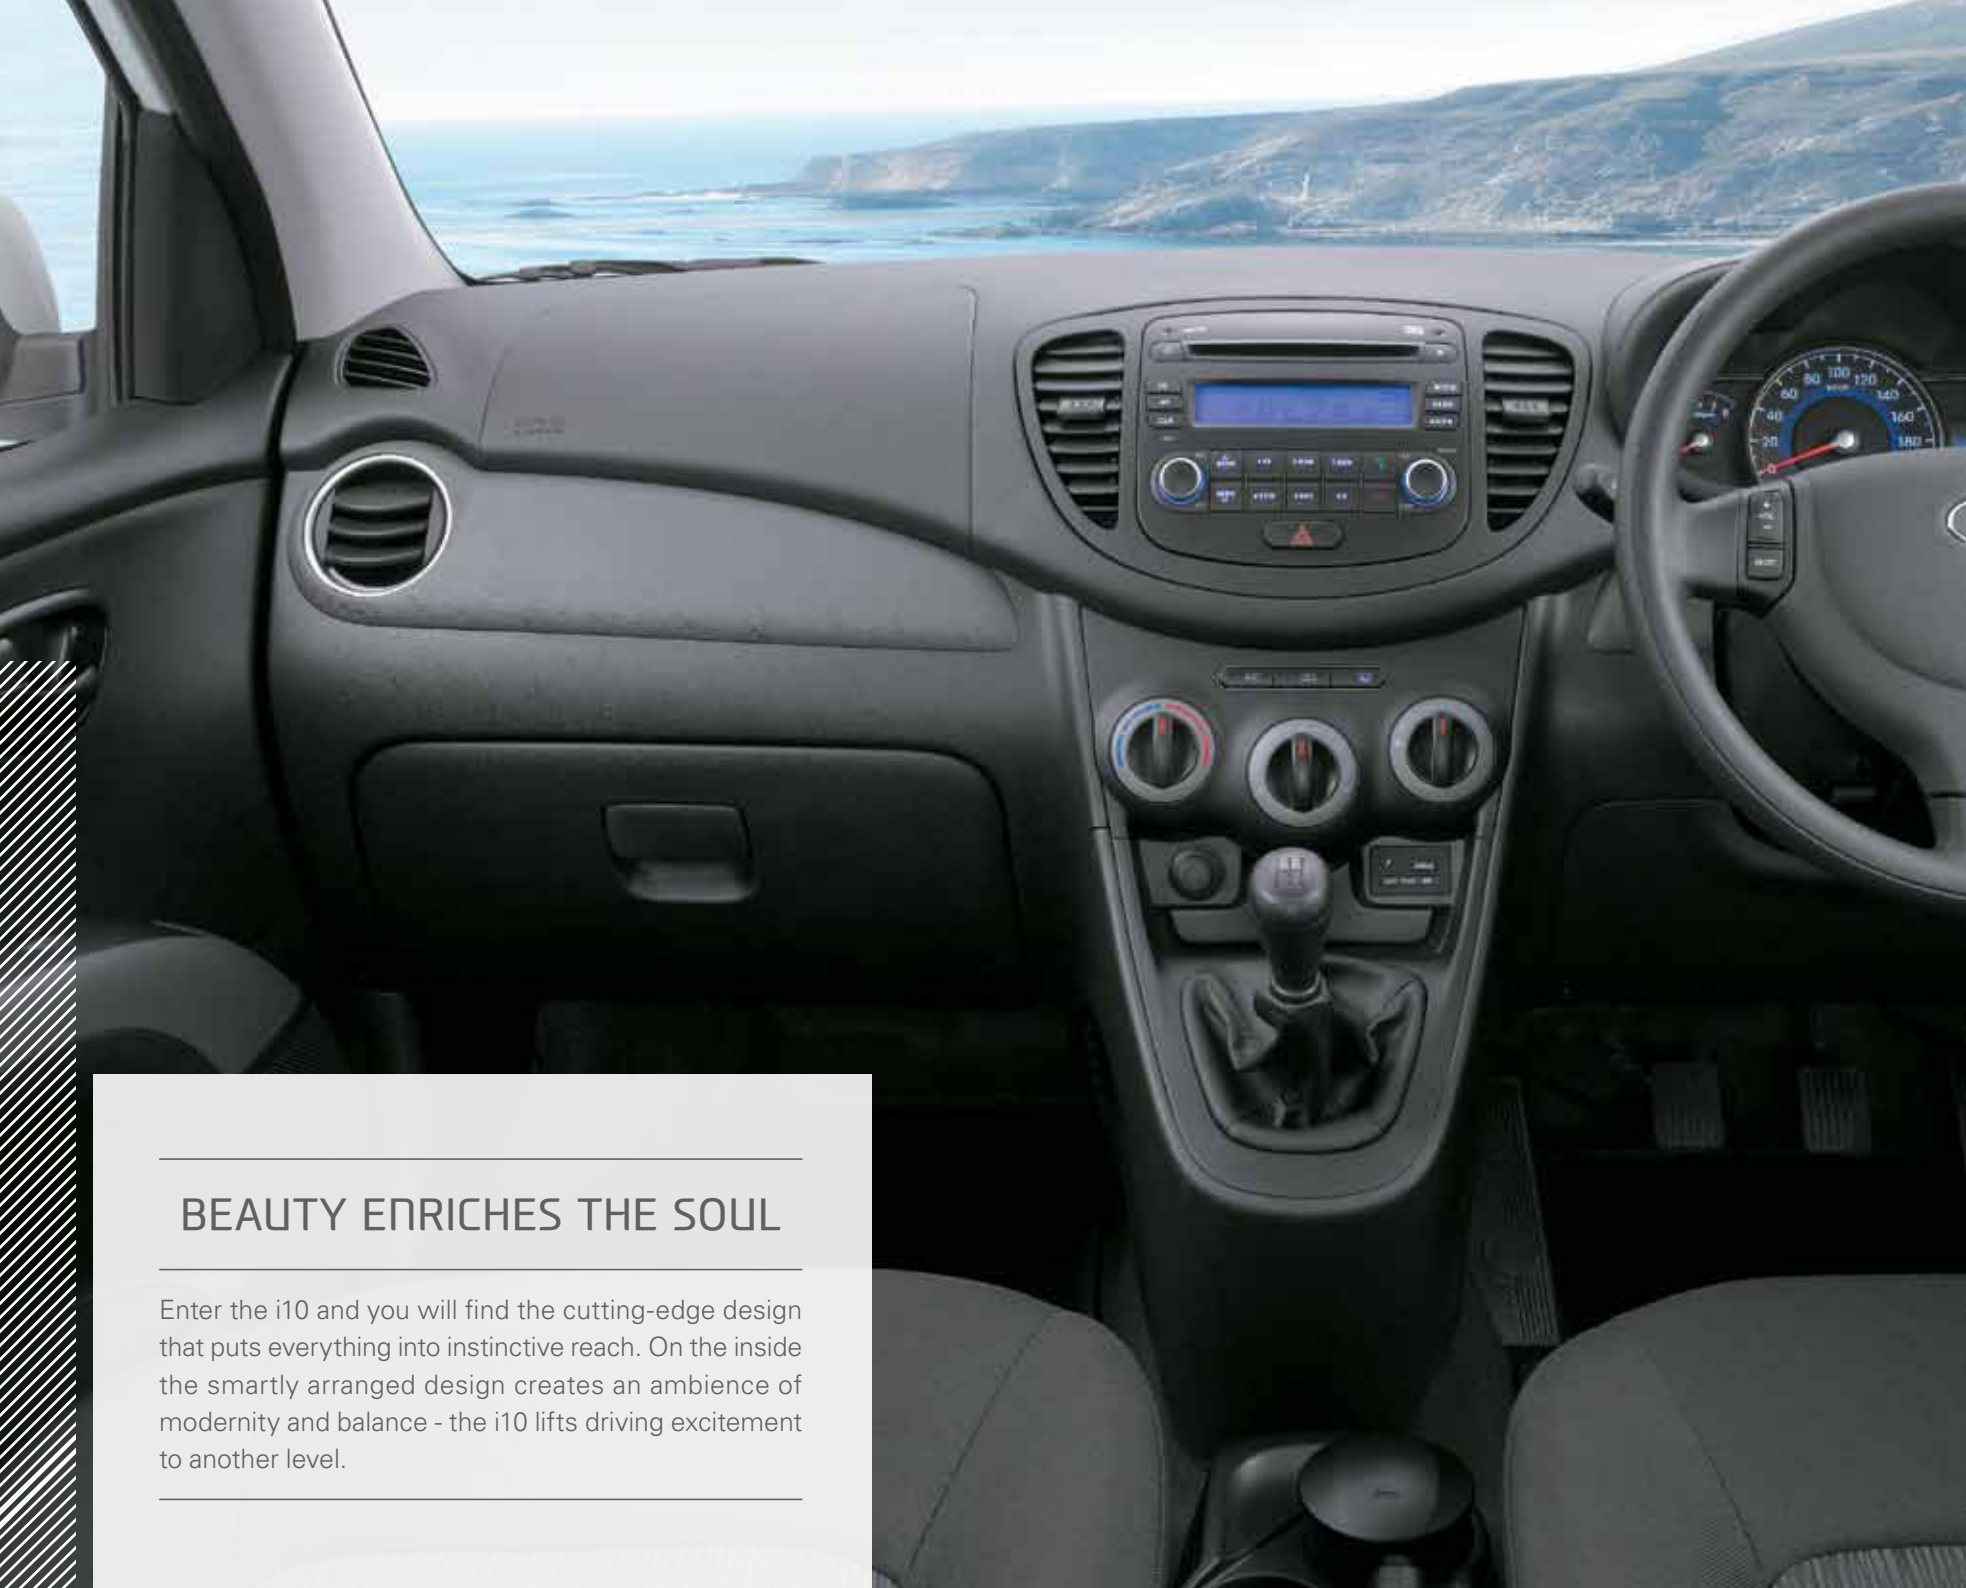

The double DIN intergrated audio system features a state of the art 6-speaker sound system and includes a CD player with MP3 compatability, RDS and Bluetooth, for all your musical requirements.

SEAT HEIGHT ADJUSTMENT

The driver's seat height adjustment is pump action, enabling any driver to find the ideal driving position in just a few seconds.

BEAUTY ENRICHES THE SOUL

Enter the i10 and you will find the cutting-edge design that puts everything into instinctive reach. On the inside the smartly arranged design creates an ambience of modernity and balance - the i10 lifts driving excitement to another level.

ADJUSTABLE REAR HEADRESTS

To increase rear passenger comfort and safety, the practical and comfortable rear headrests are height adjustable.

UNDERSEAT TRAY

This useful storage tray keeps your precious belongings readily accessible, but safely out of sight, beneath the front passenger seat.

12 VOLT POWER OUTLET

Whether it is your GPS or Smartphone, the 12v power outlet is there for all your personal electronics to ensure that you are never out of touch.

AUX, IPOD AND USB JACK

The auxiliary and USB inputs allow for you to access your music from your external MP3 device. The iPod cable allows you to stream music directly from your iPod.

BLUETOOTH

With built in Bluetooth, you can stream music wirelessly or make and receive phone calls through the stereo system of the dynamic i10.

READY, STEADY, GO!

Great performance and environmental responsibility is something you have come to expect from Hyundai. With the i10 it means that you can relax and enjoy maximum driving satisfaction with minimum effort and distraction. Choose precision manual or relaxing automatic transmission. When you add steering wheel controls, comfort and convenience as well as increased driving safety, you can be sure that you have all the necessary performance credentials to get you going.

LESS EMISSIONS

These engines not only deliver exceptional fuel economy, but they give really low emissions. For example, the 1.25 litre emits just 113 grams/km of CO² while returning 5.6 litre/100 km combined. So enjoy driving, secure in the knowledge that your i10 is every bit as eco-friendly as you are.

TRANSMISSION

Precise 5-speed manual or convenient 4-speed automatic transmission ensures that the i10 perfectly fits your driving style. Both manual and automatic transmissions are available in the 1.25 litre engine, while the 1.1 litre engine is available in manual only.

CVVT

There are two efficient engines to choose from, a 1.1 litre with 50 Kw and the 1.25 litre with 64 Kw. Constantly Variable Valve Timing (CVVT), measures every drop of fuel for maximum efficiency and this is available on the 1.25 litre engine.

SAFETY YOU CAN DEPEND ON!

The i10 delivers safety that you, as well as your passengers can depend on. With a tough and rigid body structure and an intelligent infrastructure which absorbs and diffuses impact, as well as dual front airbags for you and your passenger, you can be sure that no matter what situation you find yourself, the i10 will get you out of it.

STOPPING POWER

The i10 features 241mm front discs and larger 180mm rear drums. Together with the 4 channel ABS (on Fluid and Glide) and standard brake booster and assistant systems, this means you will have reserves of braking power and non-skid security when you need it most.

RIGID SAFETY STRUCTURE

Created using computer dynamics, high strength materials and thoroughly tested to withstand the most immense impacts and pressures, the i10 is a light but stable vehicle. This is the basis of not only the safety of the i10 but also of its dynamic, yet safe handling.

AIRBAGS

The intelligent safety package of the i10 provides a fully integrated passive safety system. This package features depowered driver and passenger airbags, which will deploy at a reduced force to prevent possible injury. To further improve the safety of the i10, the seatbelt pre-tensioner is activated with the front airbag, providing enhanced protection. With all these features, you can be sure that the i10 has got all of your safety requirements covered.

PERSONALISE YOUR HYUNDAI i10 WITH GENUINE HYUNDAI ACCESSORIES

At Hyundai we understand that everyone is an individual and that your car should reflect this too. That's why we provide an exceptional range of genuine accessories, designed and built to Hyundai's high quality standards to ensure you get the most out of your vehicle. Carefully selected materials along with innovative design and practical technology ensure that there's something to cater for your unique tastes and needs. From bicycle racks to transport your other set of wheels, to DVD systems for those long distance trips with the family, whatever your lifestyle needs, we've got you covered.

GENUINE ACCESSORIES

ROOF BOX

The Thule Pacific 200 Roof Box has a storage capacity of 410 litres and can be opened from both sides for convenient fitting, loading and unloading. (Roof Racks not included).

BONNET GUARD

The i10 Bonnet Guard protects your bonnet from minor bumps and scratches as well as adds a more aggressive look and feel to your Hyundai.

WINDOW VISORS

The i10 Window Visors protect your windows from flying debris and give your i10 a streamlined funky look.

REAR PARK ASSIST

Your i10 is already a great city car and with Rear Park Assist fitted you will have no problem squeezing into the tightest of spaces.
