HYUNDAI

## NEW THINKING. NEW POSSIBILITIES.

Since we first started in 1967, there have been four decades of incredible progress. During this period we've established a close relationship with our customers. It's enabled us to develop cutting-edge technology in all the right areas, while staying true to our Korean origins. At the heart of our brand is the ability to think differently and always question convention. It's this relentless commitment to innovation that's seen us arrive at where we are today. We currently sell technologically-advanced, high-quality vehicles to people in more than 190 countries, and employ over 75,000 staff. That's why we're the world's fastest growing car manufacturer.

THE HYUNDAI i10

The Hyundai i10 is a shining example of our 'New Thinking. New Possibilities' philosophy. It may be small on the outside but it's packed with big ideas. With street smart styling, a compact design and agile handling, it's designed to excel in the city environment.

## A small car WITH A BIG SENSE OF STYLE

The i10's sculpted appearance and fluidic design leave a lasting impression. Individual features blend seamlessly into the overall look, giving it a combination of great character and style. Dynamic body lines flow from the rear light cluster to the front, where a hexagonal grille creates a fresh and compact appearance. Smart touches like wrap around

headlights and fully integrated tail lights complete the contemporary design. Active and Style models take it to an even higher level of sophistication, thanks to smart alloy wheels, front fog lights and body coloured door handles and mirrors. It all means that the Hyundai i10 is like any great work - the closer you look the more impressive it becomes.

## An inviting interior SO YOU WON'T WANT YOUR JOURNEY TO END

Everything about the i10 has been designed to please. The inside is just as stylish as the outside - cleverly brought together with you in mind. There's blue dash illumination and LCD audio display, as well as USB and auxiliary connections so you can plug in your MP3 player and sing away. The fresh textures, colours and fabrics create a

totally refined experience, enhanced on the Style model by the leather steering wheel, gear knob and handbrake, which complement the alloy effect fascia trim and chrome effect interior door handles. It's a place to feel good and make the journey ahead feel like a treat. The i10: a small and practical package with an exceptionally expansive style.

## Efficient driving BLUE DRIVE TECHNOLOGY LEADS TO GREENER RESULTS

We're fully committed to eco-friendly motoring. From the materials we source and the production processes used, to low emission ownership and recycling. That's why we developed Blue Drive, our plan to improve fuel consumption and reduce emissions. The eco drive indicator on manual models is a clever fuel saving device, suggesting the optimum time to change gear and the electric power

assisted steering is light and saves energy. And when it comes to efficiency, there are other factors to consider too, such as its impressive engines. The 1.2 emits just 108g/km of CO<sub>2</sub>, while delivering up to 61.4 miles per gallon. In short, advanced technology in the Hyundai i10 helps to save both fuel and money, making it a shining example of our eco-friendly approach.

## A flexible layout DESIGNED TO PASS ANY TEST

Life is constantly changing, and so are your travelling needs. That's precisely why you need a car that copes with whatever you ask of it. The i10 is just that. This versatile 5 seater enables you to enjoy the ride in complete comfort. Anything you want to take with you fits in

comfortably too. Handy cubby-holes and front seat back pockets let you tuck away small bits and pieces, while on the higher specification models you can also take advantage of a front passenger under seat storage tray and under floor storage in the boot. Plus, the seat configurations

can help you create more storage space too. When they're neatly folded you'll find wide open spaces for your weekly shopping - or even luggage for a break away. It means that wherever you go you can find a layout that'll suit your latest requirement. Put simply, the i10 handles it all.

COMFORT

## A clever design YOU'LL ALWAYS BE IN YOUR COMFORT ZONE

Whether you're popping down the road to the shops, or across country to visit family, the i10 allows you to get the most from every journey. Air conditioning and electric windows ensure you have full control of your surroundings, while steering wheel height adjustment allows you to adapt the car to your needs. Tailor your environment even more in the Active and Style with driver's seat height adjustment and electric door mirrors - so you can find the perfect

position and then alter the mirrors electrically for optimum awareness. If you select Style you'll be able to indulge yourself even further thanks to heated front seats which will warm you up quickly during the winter months. The five doors provide easy access, and allow all passengers to appreciate the space and generous legroom. We've paid plenty of attention to the thoughtful touches that make every journey a genuine pleasure.

## Intelligent safety features

### BECAUSE YOU'RE OUR NUMBER ONE PRIORITY

The Hyundai i10 is a delight in so many ways, including when it comes to the safety of your friends and family. Thanks to our clever thinking and smart design, you can set off on your travels leaving your worries at home. Anti-lock Brakes (ABS) with Electronic Brake force Distribution (EBD) use computer managed technologies to help prevent skidding and allow for safer controlled braking, while front and front side airbags offer plenty of protection. ISOfix child seat anchorage ensure

your child will be as safe as possible, with fixing points placed on the outer rear seats, and there's even a seatbelt reminder so you don't drive off until you're safe and secure. Front seat belt pre-tensioners are there to detect an impact and adjust the tightness accordingly, while central locking offers safety and convenience every time you leave your car. It means you can enjoy all the great things about the Hyundai i10, knowing that the car is always looking after you.

MOTABILITY

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme. You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard. Most of our Dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit [www.motability.co.uk](http://www.motability.co.uk)

HYUNDAI MOTOR FINANCE

To help you drive your ideal Hyundai, we've put together some comprehensive Hyundai Motor Finance\* products. The way they work is simple. There are a range of products available and we can offer finance between 1 and 5 years. To find out more just contact your local dealer, they'll have all the details you need. You may be able to reduce your set monthly payments by deferring part of the cost to the end of your agreement with us. It's one way you can take advantage of our finance plans.

\* Finance subject to status. Terms and conditions apply. Applicants must be 18 or over. Guarantee / Indemnity may be required. Hyundai Motor Finance. Registered office: 3 Princess Way, Redhill, Surrey. RH1 1SR Registered in England number 2248870

ASSET PROTECTION

We want you to be able to relax in your Hyundai. It's why we've created Return to Invoice GAP Insurance, which covers you in unexpected circumstances. Currently, if your vehicle is written off in an accident, fire or theft, your insurance may only pay the market value for it, not what you actually paid - so you'd have to cover the shortfall. Return to Invoice GAP Insurance could cover the difference between your motor insurance settlement and the amount you originally paid for the vehicle, or the amount outstanding on finance - whichever is greater. Return to Invoice GAP Insurance will complement your own vehicle insurance and provide the financial support you need to get back on the road in a vehicle with the same value as your original choice.

PEACE OF MIND

It was difficult deciding how much 5 years peace of mind is worth. So difficult, in fact, that we decided not to charge anything - but to give it to you as standard. The Five Year Triple Care package\* gives you miles and miles of stress-free driving. It's the latest in a long list of standard features on the i10, and one we hope you'll enjoy just as much as the others. Read more about it in the following sections.

5 YEAR TRIPLE CARE

**Five Year Unlimited Mileage Warranty**  
It's exactly as the title suggests: A Five Year, manufacturer-backed Unlimited Mileage Warranty,† so you can drive with complete peace of mind at all times.

**Five Year Roadside Assistance**  
You'll benefit from free, 24-hour roadside assistance anywhere in the UK or Channel Islands.

**Five Years of Vehicle Health Checks**  
Your Hyundai dealer will carry out an annual vehicle health check on key areas of your i10.

ADDITIONAL HYUNDAI AFTERCARE

A 10 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

\* Year Triple Care terms and exclusions apply. Please see [www.hyundai.co.uk](http://www.hyundai.co.uk) or ask your local Dealer.  
† Vehicles used for taxi or private hire uses are covered by a five year, 100,000 mile warranty.

MYHYUNDAI

If you purchase a new Hyundai you'll receive access to **MyHyundai** - our exclusive online customer loyalty programme, offering you a variety of special offers and benefits.
