 **HYUNDAI** | NEW THINKING.  
NEW POSSIBILITIES.

**HYUNDAI**  
Official Partner

**UEFA**  
**EURO2016**  
FRANCE

## Celebrate this summer

This summer we're embracing the beautiful game at UEFA Euro 2016™. Hyundai is the proud Official Partner of the year's flagship event — a true festival of football. Just like the best players in France, our cars combine impressive style with elite performance. It's a winning combination which we're celebrating with two exciting special edition models. Introducing the i10 GO! Special Edition and i20 GO! Special Edition — it's sure to be a summer to remember.

# A fitting tribute to the beautiful game.

The i10 GO! Special Edition showcases more than a touch of flair and verve. It strikes a winning balance of nippy agility, close control and attention seeking style — something that every team will be striving for this summer.

## Stylish and sporty

Famed for its nimble drive, vibrant colours and chic characteristics, the i10 GO! Special Edition arrives with attractive LED daytime running lights and smart privacy glass, while its signature hexagonal grille completes the look. With both style and practicality, this limited edition model is an impressive addition to the i10 line-up.

## A winning combination of design and technology.

Inside the i10 GO! Special Edition, there are many impressive touches to catch your eye. With advanced technology to back up its interior design, you'll see why it belongs on the grandest stage.

### It's in the detail

Great victories often come down to the smallest details, and the i10 GO! Special Edition proudly shows off its own deft touches. The cloth seat trim is framed by intricate white and blue stitching which proudly accompany the i10 logo. Better still, its style doesn't arrive without substance, thanks to cruise control to help you set the pace, plus air conditioning to keep you cool. There's also Bluetooth® connectivity and steering wheel audio and phone controls — perfect for keeping in touch with home.

## Enjoy crowd pleasing style both home and away.

Whether you're staying close to home or heading further afield, you can drive in style with the i20 GO! Special Edition. Its fluidic design, abundant space and smooth handling make it a pleasure to drive. The excitement starts here.

## A true athlete

There's plenty to admire in the i20 GO! Special Edition. Packed with technology, extremely efficient and with impressive safety features, its popularity is no surprise. Enjoy the stylish, sporty appearance of its distinctive LED daytime running lights, as well as the polished look of privacy glass on the rear side and tailgate. Embrace the athletic style of the 15" alloys, which add a sense of poise and presence on the road. It all combines to make the stylish i20 GO! Special Edition a worthy addition to the range.

## An intuitive mix of style and practicality.

With an interior that more than matches its exterior style, the i20 GO! Special Edition is the place to be. Whether you're visiting a friend or driving further afield, you'll experience smart touches and total comfort along the way.

## Experience its quality

The i20 range is famed for its high level of features, with unique design to capture your attention. Its reputation for quality is further enhanced in the i20 GO! Special Edition by the detailed white and blue stitching, i20 logo, unique blue gearstick and air vent surrounds, plus its convenient auto-dimming rear view mirror. From your comfortable, well-appointed interior, you'll be able to hear the action unfold with crystal clear DAB digital radio. You'll also make the most of rear parking sensors that are ideal for slotting into the tightest gaps, automatic headlights and windscreen wipers for added convenience, plus halogen projector headlights with static front cornering function — perfect for lighting up winding country roads at night.

**i10 GO!** Nimble, balanced and great in tight spaces, i10 GO! Special Edition joins a winning line-up.
