

New Generation i20

 **HYUNDAI** | NEW THINKING.  
NEW POSSIBILITIES.

# NEW THINKING. NEW POSSIBILITIES.

---

At the heart of the Hyundai brand is the desire to think differently and challenge convention. This has led us to distribute cars in over 190 different countries across the world. Our forward thinking philosophy means we're always evolving our approach, to create cars that exceed your expectations. It means that every Hyundai has been engineered to surprise you with its built-in quality. To complement you with its crisply fluidic design. And to protect you, your family and your passengers with its strength. Prepare to enjoy a world of new possibilities.

Every aspect of the New Generation i20 exudes finesse, with intuitive new features to discover on each trip. It'll start as something with poise and refinement, and grow over time to become a part of the family.

# The New Generation i20 isn't just about first impressions, it's about lasting ones.

It's a creation of classic understatement, where every line, curve and shadow help convey a feeling of refined simplicity. From every angle, its stylish poise is a perfect reflection of what lies within.

## Welcome to fluidic design

Its fluidic design results in long, flowing lines and its wheel designs stand out at first glance. The panoramic sunroof on Premium SE adds stand-out style to the exterior, while a floating C-pillar adds another touch of elegance. LED rear combination lights and smart LED daytime running lights on the Premium and Premium SE models complete its sophisticated look.

## The New Generation i20 places you at its heart.

Every interior aspect has been crafted with quality in mind, so you can enjoy a refined and comfortable environment. From a practical perspective right down to the colour palette, it's a car you'll love a little more on every drive.

Please see pages 32 & 33 for interior colour availability.

When it comes to the interior, it's all about the detail. Piano black and chrome highlight its quality appearance, while soft touch fabrics enhance your comfort levels. Your needs were at the forefront of its design, which is why an easy to use driver interface gives you full control at your fingertips. The range of interior colours is designed to perfectly complement the car's exterior, meaning it looks the part both inside and out.

## You'll enjoy an abundance of space in the interior.

When you explore further, there's also ample storage room which will come in handy during family trips. Load up, sit back and enjoy the freedom.

## Stretch your legs

The stylish panoramic sunroof on Premium SE creates the illusion of space. It floods the cabin with light and gives you a great view of the world outside. You'll also enjoy the comfort of air conditioning on S Air and SE, and you can optimise your environment perfectly thanks to climate control on Premium and Premium SE models. With a large, spacious boot, and seats that fold flat for that extra bit of room, you'll appreciate excellent flexibility at all times.

## Embrace the level of quality that shines through every detail.

You can hear quality in classical music, and taste quality in beautiful food. In the New Generation i20, quality sounds like the low hum of the road outside, which is the result of the high-end materials selected. Have fun on every journey, because a smooth ride is there to be enjoyed.

## Enjoy your journey

The suspension is beautifully configured to minimise bumps on uneven roads, while the New Generation i20 also features excellent handling and ride comfort. It's made from strong, high tensile steel, which keeps vibrations down to a minimum, leading to a drive that all but eliminates road and wind interference. This allows you to enjoy a serene drive, free from outside noise. With agile handling and smooth suspension, you can make the most of the open road.

# It's packed with clever and intuitive features to enhance every journey.

The New Generation i20 goes far beyond the normal level of technology for a car in its class, putting your needs first. With features to entertain and assist, you'll enjoy a fun-filled trip that'll pass in a flash.

On SE, Premium and Premium SE you'll make the most of cruise control, which will help you to enjoy a more relaxing experience by maintaining a certain speed. You can also scroll through your playlist with steering wheel controls, and keep in touch safely through Bluetooth® connectivity with voice recognition. When you stop, you'll guide your car safely in to spaces with rear parking sensors. On Premium and Premium SE you can make sure your smartphone\* is always charged, thanks to a convenient smartphone docking station, while on Premium SE you'll utilise front and rear sensors for extra awareness at all times.

\* Please contact your dealer for the latest list of compatible phones. Car shown i20 Premium SE in Sleek Silver metallic paint.

## More miles, fewer emissions. Proof that opposites do attract.

Advanced technologies will help you save money – and help the environment too. As you travel further between fuel stops, you'll enjoy every extra mile.

The S Blue is the halo New Generation i20 for efficiency, delivering a combined 88.3mpg\* and emitting just 84g/km of CO<sub>2</sub> in the process. These impressive numbers are down to Blue Drive technologies like Intelligent Stop & Go which saves fuel when the car is idle. However, it isn't just the S Blue that excels. Whether you choose petrol or diesel, manual or automatic, you can enjoy the ride all year round.

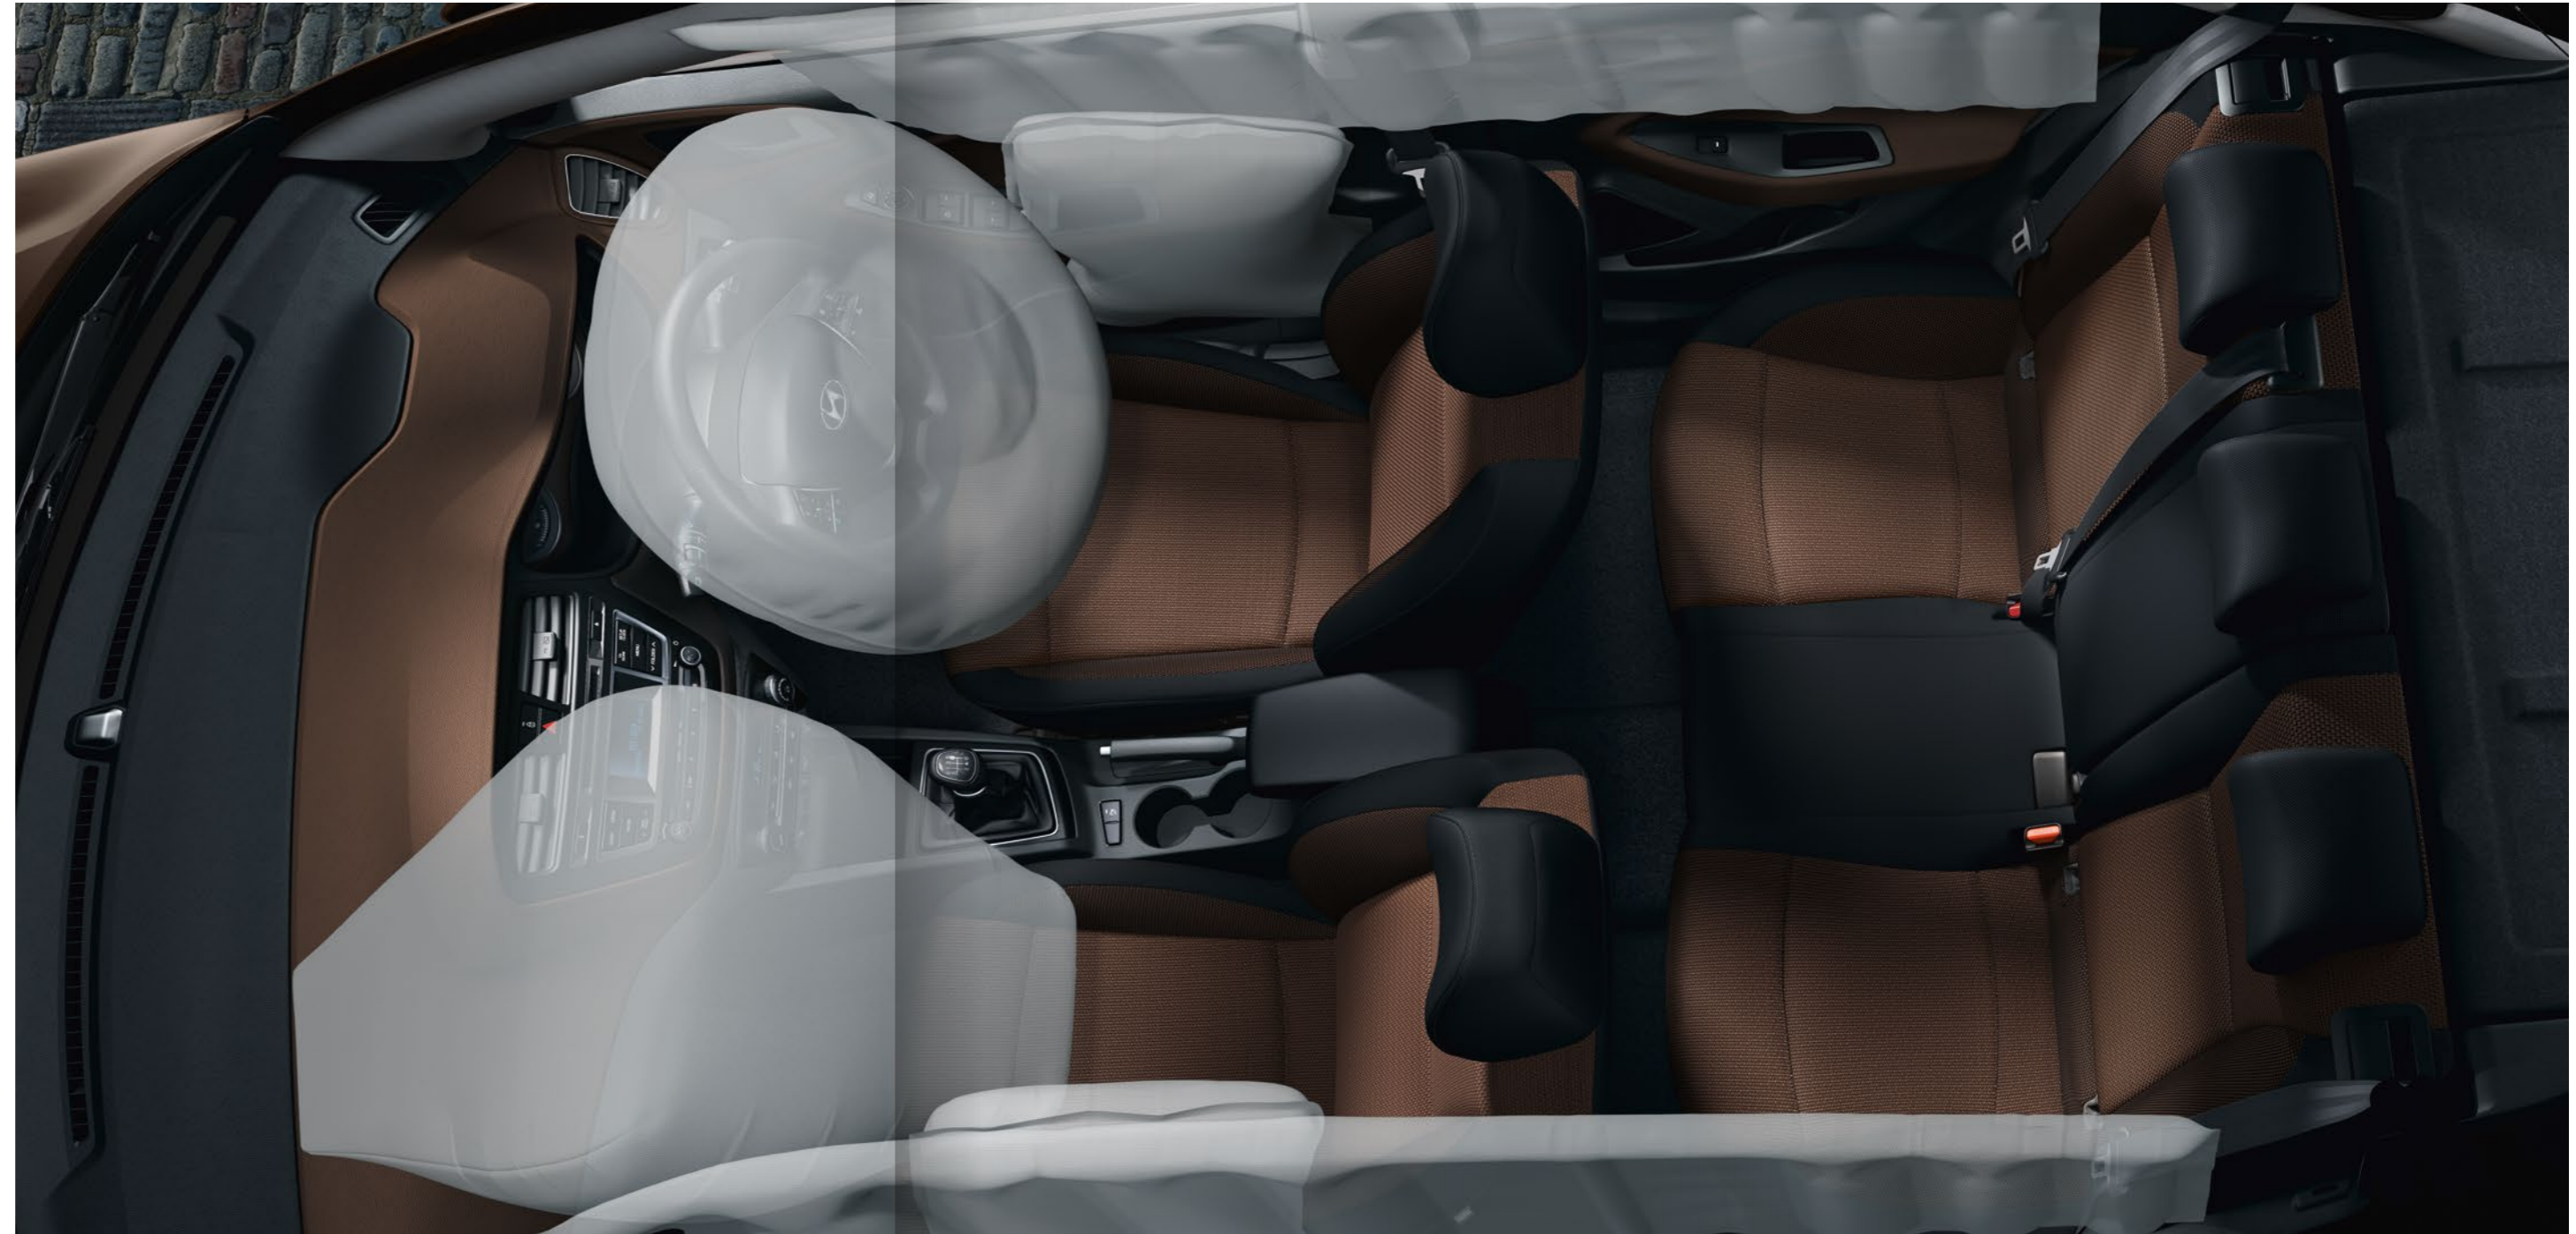

\* Figures shown are based on official EU test figures. These are to be used as a guide for comparative purposes and may not reflect all driving results.

# A high number of advanced safety features make it a car you can rely on.

Feel safe and secure at all times thanks to innovations that have been designed to protect you and your loved ones. There's nothing better than peace of mind on every trip.

If you happen to find yourself faced with a tricky hill start, utilise Hill-start Assist Control (HAC) to move away easily. On a different type of trip, such as a long drive on the motorway, you'll benefit from the clever Lane Departure Warning System (LDWS) on SE, Premium and Premium SE, which will keep you right on track. With the Tyre Pressure Monitoring System (TPMS), it doesn't matter what kind of journey you're on, you'll simply get an alert to tell you if your tyres aren't inflated to the optimum level. As well as improving grip and safety, this will help your efficiency too. With front, front seat side and curtain airbags as standard, New Generation i20 is a car you can trust on every occasion.

# Hyundai i20 WRC, the perfect stage for our philosophy.

There's no better place to showcase advanced engineering techniques than the World Rally Championship. Our competition cars stand up to a variety of challenging terrains, from searing heat to ice and snow. To do this, bespoke improvements have been made to the hand-built i20 ultra-performance vehicle, including the suspension, engine, transmission and chassis. While the cars are fine-tuned and strengthened, they still originate from our popular production cars. Featuring quality to excel at any level.

## Hyundai Motor Finance

To help you drive your ideal Hyundai, we've put together some comprehensive Hyundai Motor Finance\* products. Our aim is clear – to be the most admired finance company in the market. Our purchase plans are simple, flexible and will meet all your personal requirements.

### CONDITIONAL SALE

Conditional sale is a simple and traditional way to finance your car over a fixed period, for a fixed monthly amount. You just pay a deposit and then make regular monthly payments to repay the balance. Once all monthly repayments have been made, you'll own the car outright.

### PERSONAL CONTRACT PURCHASE (PCP)

Personal contract purchase could make it easier for you to get behind the wheel of a new Hyundai, or to change your car on a regular basis. The way it works is simple. First, you put down a deposit that suits your budget, along with the Optional Final Payment (OFP) of the car. Then, you make monthly payments based on the outstanding balance, minus the OFP. At the end of the monthly repayment period you'll have three options.

1. **RENEW:** part-exchange your car using any equity as or towards the deposit of your next car.
2. **RETAIN:** pay off the optional final payment (OFP) and own the car outright.
3. **RETURN:** give back the car and have nothing left to pay.

Please request a full presentation of all our finance options with your local Hyundai dealer, or visit our website for further details.

## 5 Year Unlimited Mileage Warranty

The passion and belief we have in the quality of our products mean we can offer an aftercare package to match. Visit your local Hyundai Authorised Repairer and we'll attend to you straight away, giving you a fully-inclusive quote for the work you've requested.

Only Hyundai Trained Technicians will carry out this work, and we'll also check for any software updates to keep your car running smoothly. You can also be sure that we'll only use Hyundai Genuine Parts which have been thoroughly tested and approved. On collection, we'll explain your invoice and call you within 3 days of your appointment to check you're completely satisfied.

As the people who know your car best, the quality of our service is second to none.

### 5 YEAR UNLIMITED MILEAGE WARRANTY

A manufacturer backed, unlimited mileage, 5 Year Warranty\* protects your Hyundai against manufacturing defects\*\* and is fully transferable to the next owner.

### 5 YEAR ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands.

### 5 YEAR ANNUAL VEHICLE HEALTH CHECKS

A free, expert visual inspection by your Hyundai dealer on key areas of your car, to help sort any problems and ensure trouble-free motoring.

### ADDITIONAL AFTERCARE

A 10 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

\* 5 Year Unlimited Mileage Warranty terms and exclusions apply. Please see [www.hyundai.co.uk](http://www.hyundai.co.uk) or ask your local dealer for full terms and exclusions.

\*\* Vehicles used for taxi or private hire are covered by a 5 year, 100,000 mile warranty. Cover excludes fair wear and tear.

## Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit [www.motability.co.uk](http://www.motability.co.uk)

## Aftercare

We're always thinking about how to make owning a Hyundai an enjoyable experience and that's exactly what you get with a Hyundai Fixed Price Service Plan. As part of your Hyundai Aftercare, we'll take care of all your Hyundai's scheduled servicing for up to 5 years or 50,000 miles.

Being covered by a Hyundai Fixed Price Service Plan means:

- Your Hyundai's servicing is covered in a single payment that can be included in your finance agreement
- You have a choice to cover your servicing for 3 or 5 years\*
- Only trained technicians will expertly assess and service your Hyundai
- Should any parts need replacing during your servicing, your Hyundai will be fitted with Hyundai Genuine Parts

For more information, simply contact your local Hyundai dealer or our Customer Services team, who will be happy to help.

\* Price varies according to model, fuel type and mileage. Only available on vehicles registered on or after 1st March 2013. Price includes VAT where applicable. Time and mileage restrictions apply. Excludes seasonal checks. Terms and conditions apply.

## MyHyundai

MyHyundai is a complimentary and exclusive owners' club with a variety of unique benefits that'll make your ownership experience even more enjoyable.

As well as amazing offers that range from incredible getaways to indulgent gifts, you'll also be able to set your own alerts and preferences, while storing all your car's details in one, easily-accessible place.
