

i20 2016 Model Year

 NEW THINKING.
HYUNDAI NEW POSSIBILITIES.

NEW THINKING. NEW POSSIBILITIES.

Our philosophy is to do things differently and embrace every challenge. Whatever you're looking for on the open road, we've made it possible by refining every area. We're the only car maker to control the entire manufacturing process, which we're especially proud of since we've made over 50 million cars. We're also the first car manufacturer to produce zero emission fuel-cell powered vehicles, and we've achieved over 90% recyclability of our cars. Every day we aim to improve, which is why we're the world's fastest growing manufacturer and received the industry's Motor Trader's Carmaker of the Year award for the third time in just six years. Thanks to your support, the possibilities are endless.

Every aspect of the i20 exudes finesse, with intuitive new features to discover on each trip. It'll start as something with poise and refinement, and grow over time to become a part of the family.

Car shown i20 Premium SE 1.2 in Aqua Sparkling metallic paint.

The i20 isn't just about first impressions, it's about lasting ones.

It's a creation of classic understatement, where every line, curve and shadow help convey a feeling of refined simplicity. From every angle, its stylish poise is a perfect reflection of what lies within.

Welcome to fluidic design

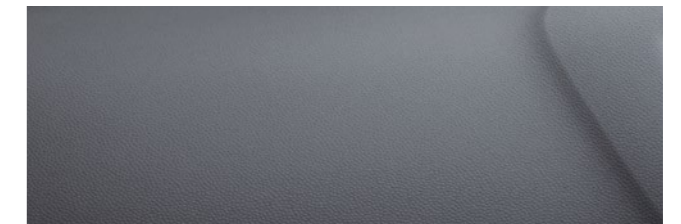

Its fluidic design results in long, flowing lines and its wheel designs stand out at first glance. The panoramic sunroof on Premium SE and Premium SE Nav models allows plenty of light into the cabin, while a floating C-pillar adds another touch of elegance. LED daytime running lights on Active and all Premium models complete its sophisticated look.

The i20 places you at its heart.

Every interior aspect has been crafted with quality in mind, so you can enjoy a refined and comfortable environment. From a practical perspective right down to the colour palette, it's a car you'll love a little more on every drive.

Please see pages 32 & 33 for interior colour availability.

When it comes to the interior, it's all about the detail. Piano black and chrome highlight its quality appearance, while soft touch fabrics enhance your comfort levels. Your needs were at the forefront of its design, which is why an easy to use driver interface gives you full control at your fingertips. The interior colour designs perfectly complement the car's exterior, meaning it looks the part both inside and out.

You'll enjoy an abundance of space in the interior.

When you explore further, there's also ample storage room which will come in handy during family trips. Load up, sit back and enjoy the freedom.

Stretch your legs

The stylish panoramic sunroof on Premium SE and Premium SE Nav creates the illusion of space. It floods the cabin with light and gives you a great view of the world outside. You'll also enjoy the comfort of air conditioning on S Air, SE and Active, and you can optimise your environment perfectly thanks to climate control on all Premium models. With a large, spacious boot, and seats that fold flat for that extra bit of room, you'll appreciate excellent flexibility at all times.

Car shown i20 Premium SE with Black Grey interior. Image excludes smartphone docking station. Not to UK specification.

Embrace the level of quality that shines through every detail.

You can hear quality in classical music, and taste quality in beautiful food. In the i20, quality sounds like the low hum of the road outside, which is the result of the high-end materials selected. Have fun on every journey, because a smooth ride is there to be enjoyed.

Enjoy your journey

The suspension is beautifully configured to minimise bumps on uneven roads, while the i20 also features excellent handling and ride comfort. It's made from strong, high tensile steel, which keeps vibrations down to a minimum, leading to a drive that all but eliminates road and wind interference. This allows you to enjoy a serene drive, free from outside noise. With agile handling and smooth suspension, you can make the most of the open road.

It's packed with clever and intuitive features to enhance every journey.

The i20 goes far beyond the normal level of technology for a car in its class, putting your needs first. With features to entertain and assist, you'll enjoy a fun-filled trip that'll pass in a flash.

On SE, Active and all Premium models you'll make the most of cruise control with speed limiter, which will help you to enjoy a more relaxing experience by maintaining a certain speed. You can also scroll through your playlist with steering wheel controls, and keep in touch safely through Bluetooth® connectivity. When you stop, you'll guide your car in to spaces with rear parking sensors. On Active, Premium and Premium SE you can make sure your smartphone* is always charged, thanks to a convenient smartphone docking station, while on Premium SE and Premium SE Nav you'll utilise front and rear parking sensors for extra awareness at all times. Finally, opt for the Premium Nav or Premium SE Nav for even more useful benefits, including a touchscreen satellite navigation system with TomTom LIVE® services. This monitors real-time traffic and automatically directs you to your quickest route, so you'll arrive with the minimum of fuss. On the journey, you'll be entertained by the DAB digital radio before parking up with ease thanks to a rear view parking camera.

* Please contact your dealer for the latest list of compatible phones. Car shown i20 Premium SE 1.2 in Sleek Silver metallic paint.

More miles, fewer emissions. Proof that opposites do attract.

Advanced technologies will help you save money – and help the environment too. As you travel further between fuel stops, you'll enjoy every extra mile.

The S Blue is the halo i20 for efficiency, delivering a combined 88.3mpg* and emitting just 84g/km of CO₂ in the process. These remarkable numbers are down to Blue Drive technologies like Intelligent Stop & Go which saves fuel when the car is idle. However, it isn't just the S Blue that excels. The 1.0 Turbo GDi petrol engine, available on SE and above, gives you the perfect balance of power and efficiency, delivering up to 120PS of power for an exhilarating drive. Alternative petrol engine options include the impressive 1.2 75PS manual or 1.4 100PS automatic. If you opt for diesel, you'll be able to select from the efficient and responsive 1.1 75PS or 1.4 90PS derivatives. With all the options covered, you'll get the most out of every drive.

* Figures shown are based on official EU test figures. These are to be used as a guide for comparative purposes and may not reflect all driving results.

The i20 Active comes primed for adventure.

The Active is the newest addition to i20 range, bringing its own striking attributes and distinct personality. With unique exterior styling and abundant room in the back, it makes a big impression both inside and out. Its rugged stance sets it up for adventure, while its spacious interior means you'll leave nothing behind.

Built for your lifestyle

The i20 Active commands respect from the moment you lay eyes on its unique front and rear bumpers, skid plates, stylish wheel arches and sill moulding — plus its highly practical roof rails. If the exterior suggests an active lifestyle, then its interior only enhances this feeling, thanks to a higher driving position for extra authority and a 20mm raised suspension that provides an even better view of the road ahead. Ideal for driving around town, you'll also respect its versatile capabilities when you fancy taking it further afield. Fit in your friends and luggage and make the most of this impressively compact crossover.

Car shown i20 Active in Aqua Sparkling metallic paint.

A high number of advanced safety features make it a car you can rely on.

Feel safe and secure at all times thanks to innovations that have been designed to protect you and your passengers. There's nothing better than peace of mind on every trip.

If you happen to find yourself faced with a tricky hill start, utilise Hill-start Assist Control (HAC) to move away easily. On a different type of trip, such as a long drive on the motorway, you'll benefit from the clever Lane Departure Warning System (LDWS*) which will keep you right on track. With the Tyre Pressure Monitoring System (TPMS), it doesn't matter what kind of journey you're on, you'll simply get an alert to tell you if your tyres aren't inflated to the optimum level. As well as improving grip and safety, this will help your efficiency too. With front, front seat side and curtain airbags as standard, i20 is a car you can trust on every occasion.

i20 S Quality standard features with S, breezy air conditioning with S Air and an efficiency boost with S Blue.

- 15" steel wheels with wheel trims
- 2 speakers – front
- 6 airbags – front, front seat side and curtain airbags
- Daytime running lights – bulb type
- Deadlocks
- Door mirrors – electric adjustment and heated with integrated indicators
- Driver seat height adjustment
- Electric windows – front
- Exterior door handles – body coloured
- Hill-start Assist Control (HAC)
- Interior light – cabin and luggage compartment
- Low rolling resistance tyres
- Perimeter alarm
- Remote central locking
- Speed sensitive automatic door locking
- Split folding rear seats – 60/40
- Steering column – height and reach adjustable
- Stereo RDS radio with MP3 compatibility
- Tinted glass
- Tyre Pressure Monitoring System (TPMS)
- Tyre repair kit
- USB and aux connection

S Air FEATURES OVER S

- Air conditioning
- Glove compartment – illuminated with cooling function

S Blue FEATURES OVER S

- Intelligent Stop & Go (ISG)

i20 SE A great blend of technology and stylish extras give you everything you need and more.

SE OFFERS THE FOLLOWING FEATURES OVER S

- 15" alloy wheels
- 6 speakers – 2 front door, 2 rear door, 2 tweeters
- Adjustable intermittent front windscreen wipers with aero wiper blade
- Bluetooth® connectivity
- Cruise control with speed limiter
- DAB digital radio
- Electric windows – front and rear with driver's anti-trap mechanism and one touch control
- Front fog lights
- Front map reading light and sunglasses holder
- Lane Departure Warning System (LDWS)
- Leather wrapped gear knob
- Leather wrapped steering wheel
- Luggage hooks
- Parking sensors – rear
- Steering wheel audio and phone controls
- Stereo RDS radio/CD player with MP3 compatibility & My Music

T-GDi GRILLE

Bar type front grille is standard in conjunction with 1.0 Turbo GDi engine.

i20 Active Style, versatility and a real sense of adventure.

ACTIVE OFFERS THE FOLLOWING FEATURES OVER SE:

- 17" alloy wheels
- Active body kit: roof rails, unique front and rear bumpers, skid plates, wheel arch, sill moulding and fuel filler cap
- Alloy pedals
- Halogen projector headlights with static front cornering function

Accessories

Choose from a range of Hyundai Genuine Accessories to make your i20 perfectly suited to you and your lifestyle. The stylish and practical branded entry guards protect your vehicle from knocks and scratches, whilst the boot liner and carpet mat sets will keep the interior in pristine condition. The interior LED lighting will illuminate the driver and passenger footwell when opening and closing the doors for an enhanced interior styling effect. A practical towbar is also available for all your towing requirements. As well as the selection on display there are many more accessories available for your i20. For the full range and for more information, contact your local Hyundai dealer who will be happy to help.

i20 DIMENSIONS

i20 ACTIVE DIMENSIONS

Hyundai i20 WRC, the perfect stage for our philosophy.

There's no better place to showcase advanced engineering techniques than the World Rally Championship. Our competition cars stand up to a variety of challenging terrains, from searing heat to ice and snow. To do this, bespoke improvements have been made to the hand-built i20 ultra-performance vehicle, including the suspension, engine, transmission and chassis. While the cars are fine-tuned and strengthened, they still originate from our popular production cars. Featuring quality to excel at any level.

Hyundai Motor Finance

Hyundai Motor Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist in your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple, you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us, with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

* You will not own the vehicle until all payments are made. T&Cs apply. Finance subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required. Hyundai Motor Finance, RH1 1SR

5 Year Unlimited Mileage Warranty

The passion and belief we have in the quality of our products mean we can offer an aftercare package to match. Visit your local Hyundai Authorised Repairer and we'll attend to you straight away, giving you a fully-inclusive quote for the work you've requested.

Only Hyundai Trained Technicians will carry out this work, and we'll also check for any software updates to keep your car running smoothly. You can also be sure that we'll only use Hyundai Genuine Parts which have been thoroughly tested and approved. On collection, we'll explain your invoice and call you within 3 days of your appointment to check you're completely satisfied.

As the people who know your car best, the quality of our service is second to none.

5 YEAR UNLIMITED MILEAGE WARRANTY

A manufacturer backed, unlimited mileage, 5 Year Warranty* protects your Hyundai against manufacturing defects** and is fully transferable to the next owner.

5 YEAR ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands.

5 YEAR ANNUAL VEHICLE HEALTH CHECKS

A free, expert visual inspection by your Hyundai dealer on key areas of your car, to help sort any problems and ensure trouble-free motoring.

ADDITIONAL AFTERCARE

A 12 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* 5 Year Unlimited Mileage Warranty terms and exclusions apply. Please see www.hyundai.co.uk or ask your local dealer for full terms and exclusions.

** Vehicles used for taxi or private hire are covered by a 5 year, 100,000 mile warranty. Cover excludes fair wear and tear.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

Ownership

We're always thinking about how to make owning a Hyundai an enjoyable experience and that's exactly what you get with a Hyundai Fixed Price Service Plan. As a valued customer, we'll take care of all your Hyundai's scheduled servicing for up to 5 years or 50,000 miles.

Being covered by a Hyundai Fixed Price Service Plan means:

- Your Hyundai's servicing is covered in a single payment that can be included in your finance agreement
- You have a choice to cover your servicing for 3 or 5 years*
- Only trained Technicians will expertly assess and service your Hyundai
- Should any parts need replacing during your servicing, your Hyundai will be fitted with Hyundai Genuine Parts

For more information, simply contact your local Hyundai dealer or our Customer Services team, who will be happy to help.

* Price varies according to model, fuel type and mileage. Only available on vehicles registered on or after 1st March 2013. Price includes VAT where applicable. Time and mileage restrictions apply. Excludes seasonal checks. Terms and conditions apply.

MyHyundai

MyHyundai is a complimentary and exclusive owners' club with a variety of unique benefits that'll make your ownership experience even more enjoyable.

As well as amazing offers that range from incredible getaways to indulgent gifts, you'll also be able to set your own alerts and preferences, while storing all your car's details in one, easily-accessible place.

Staying In Touch

We're committed to offering you the very best. That means, as well as delivering impressive cars, we'll also deliver helpful advice and service, every step of the way. Simply contact us on **0800 981 981** or visit our website at www.hyundai.co.uk
