Presenting the i20 Active

A mundane lifestyle is for those who like to play safe. But those who dare to escape the everyday are the ones who live life in the active zone. Presenting the all new Hyundai i20 Active. With its fluidic 2.0 design and many first-in-class features, this car is built to make everyday an adventure.

Live Active

It isn't stylish
if it isn't active

Style has never been so flamboyant. The fluidic 2.0 design philosophy is changing the way we look at style. Designed to perfection, this funky yet functional beauty is something that you have been always waiting for. The aggressive front grille with multi-feature lamps, the glossy black finish pillar and tailgate spoilers, make this car an active drive.

Activate futuristic technology

The i20 Active is powered by two performance-packed, proven and reliable engines - 1.2L Kappa Dual VTVT petrol engine and 1.4L U2 CRDi diesel engine.

Petrol Engine:

The refined and smooth 1.2L Kappa engine comes with latest dual VTVT technology, offering an optimum combination of power, mileage and refined performance.

5-Speed Manual Transmission:

The 5-speed transmission in the petrol variant of i20 Active offers highly responsive acceleration to make your drive a smooth experience.

Diesel Engine:

The powerful and efficient 1.4L 'U2' CRDi engine is among the technologically advanced engines from Hyundai diesel family. It comes with 6-speed manual gear box and has a proven track record for its reliable, durable and powerful presence.

6-Speed Manual Transmission:

The effortless, yet zippy 6-speed diesel transmission is sure to keep you ahead of the pack without burning a hole in your pocket.
