HYUNDAI

NEW THINKING. NEW POSSIBILITIES.

Since we first started in 1967, there have been four decades of incredible progress. During this period we've established a close relationship with our customers. It's enabled us to develop cutting-edge technology in all the right areas, while staying true to our Korean origins. At the heart of our brand is the ability to think differently and always question convention. It's this relentless commitment to innovation that's seen us arrive at where we are today. We currently sell technologically-advanced, high-quality vehicles to people in more than 190 countries, and employ over 75,000 staff. That's why we're the world's fastest growing car manufacturer.

We've given it plenty of attention EXPECT EVEN MORE ON THE ROAD

The i30 showcases our striking design philosophy, making it one of the most impressive cars in its class. We've combined signature Hyundai features, like the distinctive hexagonal grille, with an elegant tailgate that incorporates a row of vertical tail lights. As you'd expect,

just as much attention has been paid to the smooth lines on the bodywork, resulting in a car that embodies our 'new thinking' approach. With state-of-the-art engineering and plenty of innovative design traits, the Hyundai i30 is certainly a difficult car to overtake.

Model featured is the i30 Premium Hatchback in Sleek Silver metallic paint.

DRIVE

We'd like to shout about engines BUT NOISE IS ALWAYS KEPT TO A MINIMUM

You'll be able to choose from a range of powerful and economical engine options in the Hyundai i30, from the 1.4 petrol up to the 1.6 CRDi – an engine that produces an impressive 192 lbs/ft torque. We've also included an advanced electric power steering system, which gives you more responsiveness when you need it. With a wide range of adjustments for your seat position

and all-round suspension, we've delivered unrivalled comfort, so you won't want to come to a stop. With that in mind, you'll be pleased to hear that the i30 also excels in efficiency, so you can sail past those fuel stations. With high-quality design and superb handling, it's easy to see why the Hyundai i30 is one of the most popular cars in its class.

You've read all about the i30 NOW HERE'S SOME INSIDE INFORMATION

Every aspect of the i30's high-quality interior has been well thought out to give you the best experience possible. The reassuring blue glow of the instrument cluster sets the tone, while the sophisticated interior trim design and air-conditioned environment make it an even more enjoyable setting. There are several carefully-considered touches throughout the elegant interior, including glove box cooling to keep your food and drinks cool. There's also an adjustable height

setting on the driver's seat, and an adjustable steering column so you can find the perfect driving position. Comfort and Premium models come with a stylish leather steering wheel and gear knob, while Premium models also arrive with climate control so you can keep the temperature at the ideal level. It means that whether you're driving through spectacular countryside or busy urban traffic, there will always be plenty to admire in your immediate surroundings.

SAFETY

At Hyundai we never stand still BUT WE KNOW HOW TO STOP QUICKLY

We've put safety first, so you'll always drive your i30 with complete confidence. There's the Electronic Stability Programme (ESP) which comes as standard and proactively controls the brake pressure to each wheel, resulting in optimum control during acceleration and braking on low friction road surfaces. It also works in combination with the Anti-lock Braking System (ABS), Electronic Brake force Distribution (EBD) and traction control to deliver safer braking.

Also featured as standard is the Brake Assist System (BAS). Designed to detect sudden braking, it applies increased braking force in an emergency situation to help prevent a collision. There are also six airbags placed strategically around the car, ISOfix child seat anchors and automatic headlights* for even better visibility. And that's without mentioning the crumple zones, a rigid passenger safety cell, as well as other features such as seat belt reminders and active front head restraints.

Space for all the family BUT LITTLE ROOM FOR IMPROVEMENT

Everyone appreciates plenty of personal space, and that's exactly what we've provided in the Hyundai i30. The clever design ensures that you can stretch out and relax, so you'll always be extremely comfortable. You'll also be able to adjust your driver's seat into the perfect position. The rear seats can be split 60:40 so there's plenty of room for your kids and luggage too. As well as the impressive boot capacity,

you'll also find a number of compartments which you can put to practical use. In the Comfort and Premium models there are some nice extra touches – a sunglasses holder for instance. It all means that whether you're on a business trip or a family weekend, there's enough space to make sure you don't need to leave anything behind. It's just one of the ways that the i30 remains comfortably ahead.

TECHNOLOGY

The latest driver technology IT'S ALL WITHIN REACH

The i30 features a wealth of gadgets to help ensure that your experience is as relaxing as possible. There's a remote central locking system to make things easier when you have your hands full. And with USB and aux connections you can plug your MP3 player into the audio system. In Comfort and Premium models you can even control your music by using the buttons on

your steering wheel. On the Premium model there's also technology such as reversing sensors, automatic headlights, rain sensing front windscreen wipers, cruise control and front windscreen wiper de-icer. It means that wherever you decide to go, you'll be able to get the most out of your time in the car.

We've gone the extra mile SO YOU CAN GO EVEN FURTHER

We've included a number of efficient technologies to help you conserve fuel. The petrol models each have a lightweight engine with aluminium block technology, while the high powered diesel models have a Variable Geometry Turbocharger that optimises fuel consumption. Then there are Blue Drive technologies. Models with manual transmission are fitted with an eco drive indicator,

which increases efficiency by showing you the best time to change gear. Not only will this help you to save fuel, but it'll reduce the amount of harmful CO₂ emissions that your car is releasing. Certain engines emit below 120 g/km, resulting in significant tax savings. So while you'll be contributing that little bit less to fuel stations, you'll be contributing slightly more to the environment.

Model featured is the i30 Premium Estate in Steel Grey metallic paint.

CLASSIC

Classic models come with 15" steel wheels, front fog lights and a height-adjustable driver's seat. There's also ESP, air conditioning and a remote central locking system. You'll also be able to take advantage of USB and aux connections for your MP3 player.

- 15" steel wheels
- Active front head restraints
- Air conditioning
- Body coloured mirrors
- Cloth seat trim
- Driver's seat height adjustment
- Eco drive indicator (manual transmission only)
- Electric front windows
- Electronic Stability Programme (ESP)
- Follow-me-home headlight function
- Front fog lights
- Front, front side and full length curtain airbags
- Height and reach adjustable steering column
- Remote central locking
- Stereo RDS radio/CD player with MP3/WMA compatibility
- Temporary spare wheel
- Trip computer
- USB and aux connections

Follow-me-home headlight function

Air conditioning

USB & aux connections

COMFORT

16" alloy wheels, a leather steering wheel and a leather gear knob give the Comfort model a sophisticated look and feel, while practical functions like steering wheel audio controls and electric rear windows ensure your driving experience is as relaxing as possible.

Comfort offers the following additional features over Classic:

- 6 speakers
- 16" alloy wheels
- Body coloured door handles
- Driver's seat lumbar adjustment
- Electric rear windows
- Electrically adjustable and heated door mirrors
- Electrically folding door mirrors with integrated LED indicators
- Front map reading light
- Front seat back pockets

- Instrument panel brightness control
- Leather steering wheel and gear knob
- Steering wheel audio controls
- Sunglasses holder

Comfort Estate offers the following additional features over Comfort Hatchback:

- Rear centre armrest with cup holders
- Retractable load cover
- Roof rails

Leather steering wheel

Sunglasses holder

Instrument brightness control

MODEL DETAILS

PREMIUM

Premium models come with stylish 17" alloy wheels, automatic headlights and leather and cloth seat trim. To make things even easier, there's also front windscreen wiper de-icer, rain sensing front windscreen wipers, cruise control and reversing sensors.

Premium offers the following additional features over Comfort:

- 17" alloy wheels
- Automatic headlights
- Automatically dimming rear view mirror
- Climate control
- Cruise control with speed limiter
- Electrically folding door mirrors
- Front centre armrest with storage compartment
- Front windscreen wiper de-icer
- Full size alloy spare wheel
- Leather and cloth seat trim (leather seat facings only)
- Rain sensing front windscreen wipers
- Rear centre armrest with cup holders
- Reversing sensors

Electrically folding door mirrors

Reversing sensors

Leather seats with cloth inserts (leather seat facings only)

MOTABILITY
HYUNDAI CAR FINANCIAL SERVICES

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme. You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard. Most of our Dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

To help you drive your ideal Hyundai, we've put together some comprehensive Hyundai Car Financial Services* products. The way they work is simple. There are a range of products available and we can offer finance between 1 and 5 years. To find out more just contact your local dealer, they'll have all the details you need. You may be able to reduce your set monthly payments by deferring part of the cost to the end of your agreement with us. It's one way you can take advantage of our finance plans.

Effective 1 October 2011 Hyundai Car Financial Services is a division of Santander Consumer Finance, the leading Consumer Finance House in Europe. We provide finance for your Hyundai through your Hyundai dealer alongside a range of Santander insurance products. *Finance subject to status. Terms and conditions apply. Applicants must be 18 or over. Guarantees/Indemnities may be required. Santander Consumer UK plc trading as Hyundai Car Financial Services. Registered office: 3 Princess Way, Redhill, Surrey, RH1 1SR Registered in England number 2248870

ASSET PROTECTION

We want you to be able to relax in your Hyundai. It's why we've created Return to Invoice GAP Insurance, which covers you in unexpected circumstances. Currently, if your vehicle is written off in an accident, fire or theft, your insurance may only pay the market value for it, not what you actually paid – so you'd have to cover the shortfall. Return to Invoice GAP Insurance could cover the difference between your motor insurance settlement and the amount you originally paid for the vehicle, or the amount outstanding on finance – whichever is greater. Return to Invoice GAP Insurance will complement your own vehicle insurance and provide the financial support you need to get back on the road in a vehicle with the same value as your original choice.

PEACE OF MIND

It was difficult deciding how much 5 years peace of mind is worth. So difficult, in fact, that we decided not to charge anything – but to give it to you as standard. The Five Year Triple Care package* gives you miles and miles of stress-free driving. It's the latest in a long list of standard features on the i30, and one we hope you'll enjoy just as much as the others. Read more about it in the following sections.

5 YEAR TRIPLE CARE

Five Year Unlimited Mileage Warranty
It's exactly as the title suggests: A Five Year, manufacturer-backed Unlimited Mileage Warranty,** so you can drive with complete peace of mind at all times.

Five Year Roadside Assistance
You'll benefit from free, 24-hour roadside assistance anywhere in the UK or Channel Islands.

Five Years of Vehicle Health Checks
Your Hyundai dealer will carry out an annual vehicle health check on key areas of your Hyundai i30.

ADDITIONAL HYUNDAI AFTERCARE

A 10 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* 5 Year Triple Care terms and exclusions apply. Please see www.hyundai.co.uk/owners/triple5 or ask your local Dealer.
** Vehicles used for taxi or private hire uses are covered by a five year, 100,000 mile warranty.

ACCESSORIES

Bike rack

Choose from a variety of Hyundai accessories to make sure your car perfectly fits your lifestyle. From mounted bike carriers to a foldable roof box, there are a range of extras to catch your eye.
