

New i30

 NEW THINKING.  
**HYUNDAI** NEW POSSIBILITIES.

Car shown i30 5 door Premium in Sleek Silver metallic paint. Not to UK specification.

## The i30 is defined by quality, both inside and out.

The New i30's stylish bodywork and lines are designed to capture your attention. Whether you opt for the athletic hatchback or distinctive Tourer, the sense of true quality remains the same. Once inside the spacious interior, enjoy fine fabrics and an abundance of features - each designed to improve your experience.

### Quality in every aspect

With its fluidic design that conveys a constant sense of motion, New i30 makes a bold first impression. Its spacious interior and luxurious fabrics ensure maximum comfort, while Bluetooth® connectivity with voice recognition and audio controls help you stay in touch. On SE models and above, rear parking sensors will help you fit into tight spaces and a rear view parking camera on SE Nav and Premium models will assist you even further. SE Nav and Premium also come with a touchscreen satellite navigation system, which will get you to your destination on time thanks to the Traffic Messaging Channel that re-routes you to avoid traffic jams. On Premium, you won't need to fumble for your keys thanks to keyless entry, while leather upholstery\* and heated front seats will add to the overall feeling of luxury. Behind the wheel, you'll appreciate the responsiveness and efficiency offered by both petrol and diesel engines. Enjoy extra flexibility with a choice of manual and automatic transmissions, plus the dual clutch transmission option on selected models that will help to keep emissions low. Intelligent Blue Drive innovations further reduce CO<sub>2</sub> and improve fuel economy, creating the perfect blend of high performance and cost-saving efficiency.

\* Leather seat facings only. Other parts of the seats, including the head restraints, are upholstered in artificial leather.
