

i30

 NEW THINKING.
HYUNDAI NEW POSSIBILITIES.

NEW THINKING. NEW POSSIBILITIES.

Our philosophy is to do things differently and embrace every challenge. Whatever you're looking for on the open road, we've made it possible by refining every area. We're the only car maker to control the entire manufacturing process, which we're especially proud of since we've made over 50 million cars. We're also the first car manufacturer to produce zero emission fuel-cell powered vehicles, and we've achieved over 90% recyclability of our cars. Every day we aim to improve, which is why we're the world's fastest growing manufacturer and received the industry's Motor Trader's Carmaker of the Year award for the third time in just six years. Thanks to your support, the possibilities are endless.

The i30's bold features and fluidic design make a striking first impression. Outstanding quality continues on the inside where intuitive technologies, abundant space and supreme comfort bring an air of refinement. It's designed with your lifestyle in mind.

Fluidic style with a dynamic sense of purpose.

The i30 exudes a powerful presence, right from the moment you first lay eyes on its athletic exterior. Strong, bold and distinctive, it's a car you'll be proud to call your own.

Make an impression

Refined touches and distinctive fluidic styling make it worthy of your admiration. The striking exterior features a redesigned hexagonal grille as its bold signature centrepiece, while LED daytime running lights add an extra touch of class. Flowing lines running from back to front are punctuated by a range of eye-catching wheel designs which complete its cultured look.

Pure quality from the moment you step inside.

The i30's interior will refine your driving experience, whether that's a business trip, a quick run to the shops or a holiday away. Tactile fabrics and sophisticated touches bring an air of luxury to every journey.

Business and pleasure

Whether it's long commuter drives or a weekend getaway, both the i30 hatchback and Tourer deliver a relaxing and calming environment. Soft-touch surfaces combine with quality upholstery to create a premium feel throughout. Gloss black and alloy effect fascia adds sophistication, while the intuitive, driver-oriented layout places everything at your fingertips. On Premium models, heated front seats and steering wheel bring extra luxury your way, while leather seat trim facings add even more elegance and comfort. Easy on the eye and soft to the touch, it demonstrates quality on every occasion.

Comfort and convenience, hallmarks of i30's design.

Sleek on the outside and spacious on the inside. i30 is intelligently designed to maximise style and comfort. The result is a versatile environment that's perfectly tailored to you and your passengers. More room, more relaxation — it's as simple as it sounds.

Sit back and relax

A spacious, comfortable layout that perfectly suits your busy schedule. Thanks to the clever design, there's plenty of head, leg and shoulder room, while air conditioning or climate control will keep you at the optimum temperature. Take advantage of useful space savers like storage in the central armrest and the split folding rear seats to fit in extra luggage. A boot capacity of up to 1,316 litres (hatchback) or 1,642 litres (Tourer) with the seats down means i30 will adapt to your needs, ensuring total comfort at all times. On Premium, there's an electric parking brake to free up more room for the driver, plus auto-folding door mirrors to make life even simpler. It's where plentiful storage meets abundant space, all designed with your comfort and convenience in mind.

Packed with technology. Smart in more ways than one.

Intelligent and hardworking. In any aspect of life, that's a potent mix. The i30 works hard to ensure you enjoy every journey thanks to smart, intuitive features at every turn. There's plenty to explore along the way.

Control at your fingertips

Stay in touch with friends and family thanks to Bluetooth® connectivity with voice recognition. Enjoy the advantages of Flex Steer on SE models and above, enabling you to fully tailor your driving experience. Comfort mode makes the steering lighter; perfect for zipping around town, while Sport mode brings an extra thrill when on the road. On long trips you can sit back and relax by using cruise control. You'll arrive at your destination with the minimum of fuss thanks to touchscreen satellite navigation with Traffic Messaging Channel, which will always divert you on to a quicker, less congested route — available on SE Nav models and above. When you come to stop, make the most of rear parking sensors, plus a rear view parking camera.

Enjoyable to drive, affordable to run.

Beyond its style and smooth drive, i30 includes a host of innovations to boost efficiency too. Wherever you go, you'll gladly welcome fuel-saving capabilities which keep you driving even further between refills.

Fuel-saving economy

Whether you opt for a petrol or diesel engine, you're guaranteed an intuitive, responsive drive. The i30 is available with either a 1.4 100PS or 1.6 120PS petrol engine, or with 1.6 110PS and 136PS diesel variants. Manual transmission is an option with both petrol and diesel — ideal for the driving purists. Some manual models are equipped with Intelligent Stop & Go where the engine automatically cuts out when the car is safely at a standstill, before starting again when the clutch is engaged. Automatic is available with the 1.6 petrol engine, while a brand new Dual Clutch Transmission is available with both diesel engines. This works by having two separate manual transmissions inside one casing, each connected to the engine via its own clutch. In turn, this allows the next gear to be pre-selected as you accelerate or slow down, for faster, smoother gear changes and greater efficiency. It means that the i30 yields some impressive CO₂ results: emissions as low as 94 g/km* (1.6 CRDi 110PS Blue Drive) and low Benefit In Kind taxation. All part of the growing attraction.

Your safety is our number one priority.

The i30 is rigorously tested and developed to the highest standard. It's with this peace of mind that you can fully relax and enjoy everything it has to offer.

Peace of mind

Safety is everything, no matter what the weather conditions. Electronic Stability Programme and Electronic Brake force Distribution will reduce the risk of skidding when the roads are treacherous. However, some roads are tricky all year round — like steep hills for instance, where there's a chance of rolling backwards. For that there's Hill-start Assist, providing total peace of mind when you set off. There's also a Tyre Pressure Monitoring System, which improves your safety and efficiency by informing you if your pressure drops below the optimum level, plus an Emergency Stop Signal which warns other cars behind you if you apply the brakes sharply. The interior incorporates 6 strategically placed airbags, 7 on Premium models, while the Premium also features an Adaptive Forward Lighting System for better visibility at night. From testing and research to development and optimisation, everything is conducted to keep you safe 100% of the time.

Hyundai Motor Finance

Hyundai Motor Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

CONDITIONAL SALE

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

PERSONAL CONTRACT PURCHASE (PCP)

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple, you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

RETURN: you can hand the car back to us, with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

RETAIN: you can pay the optional final payment and the car is yours.

RENEW: you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

* You will not own the vehicle until all payments are made. T&Cs apply. Finance subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required. Hyundai Motor Finance, RH1 1SR

5 Year Unlimited Mileage Warranty

The passion and belief we have in the quality of our products mean we can offer an aftercare package to match. Visit your local Hyundai Authorised Repairer and we'll attend to you straight away, giving you a fully-inclusive quote for the work you've requested.

Only Hyundai Trained Technicians will carry out this work, and we'll also check for any software updates to keep your car running smoothly. You can also be sure that we'll only use Hyundai Genuine Parts which have been thoroughly tested and approved. On collection, we'll explain your invoice and call you within 3 days of your appointment to check you're completely satisfied.

As the people who know your car best, the quality of our service is second to none.

5 YEAR UNLIMITED MILEAGE WARRANTY

A manufacturer backed, unlimited mileage, 5 Year Warranty* protects your Hyundai against manufacturing defects** and is fully transferable to the next owner.

5 YEAR ROADSIDE ASSISTANCE

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands.

5 YEAR ANNUAL VEHICLE HEALTH CHECKS

A free, expert visual inspection by your Hyundai dealer on key areas of your car, to help sort any problems and ensure trouble-free motoring.

ADDITIONAL AFTERCARE

A 12 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* 5 Year Unlimited Mileage Warranty terms and exclusions apply. Please see www.hyundai.co.uk or ask your local dealer for full terms and exclusions.

** Vehicles used for taxi or private hire are covered by a 5 year, 100,000 mile warranty. Cover excludes fair wear and tear.

Motability Plans

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit www.motability.co.uk

Ownership

We're always thinking about how to make owning a Hyundai an enjoyable experience and that's exactly what you get with a Hyundai Fixed Price Service Plan. As a valued customer, we'll take care of all your Hyundai's scheduled servicing for up to 5 years or 50,000 miles.

Being covered by a Hyundai Fixed Price Service Plan means:

- Your Hyundai's servicing is covered in a single payment that can be included in your finance agreement
- You have a choice to cover your servicing for 3 or 5 years*
- Only trained Technicians will expertly assess and service your Hyundai
- Should any parts need replacing during your servicing, your Hyundai will be fitted with Hyundai Genuine Parts

For more information, simply contact your local Hyundai dealer or our Customer Services team, who will be happy to help.
