 NEW THINKING.
HYUNDAI NEW POSSIBILITIES.

HYUNDAI

NEW THINKING. NEW POSSIBILITIES.

Since we first started in 1967, there have been four decades of incredible progress. During this period we've established a close relationship with our customers. It's enabled us to develop cutting-edge technology in all the right areas, while staying true to our Korean origins. At the heart of our brand is the ability to think differently and always question convention. It's this relentless commitment to innovation that's seen us arrive at where we are today. We currently sell technologically-advanced, high-quality vehicles to people in more than 190 countries, and employ over 75,000 staff. That's why we're the world's fastest growing car manufacturer.

Eight seats and plenty of space THE i800 MAKES A BIG IMPRESSION

The i800 is built for practicality and comfort, so it's perfect for large families or even as a chauffeur car. These impressive qualities are reflected in its smart design - unlike most other cars in its class it comes with eight seats rather than seven, so there's always plenty of room for passengers and luggage. The sliding doors allow easy access for passengers, while privacy glass, 16" alloy wheels and body-coloured door handles enhance its stylish appearance. There are also useful mud flaps to keep the bodywork nice and clean. The 2.5 CRDi engine delivers two power

outputs - either 136PS or 170PS - so you'll have all the performance you need. There are also manual and automatic transmission options too. We've incorporated an Electronic Stability Programme (ESP), Anti-lock Braking System (ABS), Electronic Brake force Distribution (EBD) and Traction Control System (TCS), so you'll enjoy a safe journey. And when you come to a stop, you'll take advantage of the body-coloured reversing sensors to guide you into the tightest gaps. It's a stylish, spacious vehicle that's perfect for every occasion.

Car shown: i800 SE 2.5 CRDi in Hyper Silver metallic paint. Front bumper and grille shown not to UK specification.

STYLE

Interior and exterior design

GET TO KNOW THE i800 INSIDE OUT

Eight seat configuration

The i800's interior is just as refined as the exterior. The eight seats provide useful practicality and maximum comfort at the same time. The second row slides and reclines, while the third row also reclines. It'll enable your passengers to find the perfect position with generous leg, head and shoulder room. For an even more relaxing journey, the second row of passengers will also be able to alter the air conditioning settings so they can find the ideal temperature. If there happens

to be fewer passengers in the car, you'll still be able to put the space to good use. Both the second and third row of seats split 60/40, giving you room for extra cargo instead – useful for trips to a DIY store or garden centre. And that's without even mentioning the practical front seat back pockets for extra storage space, as well as flush sliding rear windows and adjustable LED mood lighting. The i800 maintains its unique style while refusing to compromise its practical features.

Lots of room in the back WE'VE STILL PUT DRIVER COMFORT OUT IN FRONT

The i800 certainly takes good care of its passengers, but it's just as comfortable in the driver's seat. The elevated driving position gives you excellent visibility, and the seat is also heated and fully adjustable, enabling you to find the right position. A stylish ergonomic dashboard ensures that everything's within reach, while a leather steering wheel, a leather centre-mounted gear knob

and optional leather seat trim enhance its high-quality appearance and add a level of refinement. It means that wherever you decide to go, you'll arrive at your destination feeling just as relaxed as each one of your passengers. When you consider the i800's cleverly designed layout and stylish interior, it's really no surprise that it's one of the leading cars in its class.

COLOURS & UPHOLSTERY

Creamy White - Solid

Hyper Silver - Metallic

Timeless Black - Mica

Customise your i800 by selecting your favourite colour from the range.

Creamy White comes as standard, other colours are optional.

Front bumper and grille shown not to UK specification.

Cloth Seat Trim

BUYING A HYUNDAI

PIONEERING PEACE OF MIND

The passion and belief we have in the quality of our products mean we can offer an aftercare package to match. Visit your local Hyundai Authorised Repairer and we'll attend to you straight away, giving you a fully-inclusive quote for the work you've requested. Only Hyundai Trained Technicians will carry out this work, and we'll also check for any software updates to keep your car running smoothly. You can also be sure that we'll only use Hyundai Genuine Parts which have been thoroughly tested and approved. On collection, we'll explain your invoice and call you within 3 days of your appointment to check you're completely satisfied. As the people who know your car best, the quality of our service is second to none.

Our extensive aftercare service also includes:

5 Year Unlimited Mileage Warranty
 A manufacturer backed, unlimited mileage, 5 Year Warranty* protects your Hyundai against manufacturing defects** and is fully transferable to the next owner.

5 Year Roadside Assistance
 24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands.

5 Year Annual Vehicle Health Checks
 A free, expert visual inspection by your Hyundai dealer on key areas of your car, to help sort any problems and ensure trouble-free motoring.

ADDITIONAL AFTERCARE

A 10 year Anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

* 5 Year Unlimited Mileage Warranty terms and exclusions apply. Please see www.hyundai.co.uk or ask your local dealer for full terms and exclusions.
 ** Vehicles used for taxi or private hire are covered by a 5 year, 100,000 mile warranty. Cover excludes fair wear and tear.

YOUR HYUNDAI JOURNEY STARTS HERE
