

QX30

 INFINITI

CROSSOVER TO ADVENTURE

*Feel the passion in the all-new Infiniti QX30 come alive when you cross the line.
This is the car that you'll want to drive in the city, in the country – and everywhere in between.
Let the Infiniti QX30 give you the freedom to achieve the life that only you can define.*

HEIGHTEN YOUR STYLE

Discovering new horizons requires a vehicle that breaks new ground. One look tells you that the Infiniti QX30 was designed to fulfil that goal. Sporting bold, daring lines and an adventure-seeking stance, this is a car that can't wait to swap its reserved parking space for an open road adventure.

UNDENIABLY INFINITI Feel our DNA in every curve of the all-new Infiniti. From the front, the top arc of the grille mirrors the arc of the bottom to form Infiniti's signature double-arch grille. The trade-marked eye-inspired LED headlight design can be seen from both the front and the side. It is echoed in the tail lamps for a definitive character from every angle. The side view is accentuated by the Infiniti crescent-shaped C-pillar, while a dramatic rising and dipping shoulder line runs the entire length of the car – so deep and sharp that engineers had to develop a new type of 3D manufacturing process to get it just right.

EXPRESSIVE STYLING Dramatically shaped front and rear bumpers combined with Infiniti QX30 wider wheel arches and side sills, amplify its commanding, rugged presence.

ENHANCED VIEWPOINT Infiniti QX30 elevated ground clearance combines a "see-all" ability with its "go-anywhere" attitude.

ATHLETIC STANCE Sculpted 18-inch alloy wheels reinforce the bold design of Infiniti QX30, while meeting all driving requirements with responsiveness and absolute certainty.

HEIGHTEN YOUR SENSATIONS

Inside Infiniti QX30, shapes flow naturally in beautiful asymmetry, creating an inviting interior which is fresh and unique. This is design with a new view.

FIRST IMPRESSIONS Looking from the driver's seat, the interior's intersecting arcs are refreshingly dynamic, but your first impression happens before you ever sit down. Infiniti QX30 has been designed to be breathtaking from the moment you see it – whether from the front or in striking profile.

PREMIUM SENSATION TOUCH We tested various fabrics with hundreds of people around the world and ultimately were inspired to create Sofilez – a proprietary material uniquely pleasing to the touch. It's applied to surfaces, like the centre armrest, where durability and feel are essential.

NAPPA LEATHER This exceptionally supple leather, selected for its softness and durability, adds unrivalled comfort to seating, as well as enhancing other surfaces throughout the cabin.¹

CAFÉ TEAK Casual, but refined. Classic material meets modern reinvention with black stitching on brown Nappa leather upholstery and stainless steel kicking plates.¹

CARRY WITH EASE Opening the rear lift gate makes for effortless loading and unloading. Clear from any obstruction, you'll have direct access to the spacious cargo area. What's more, the 60/40 folding rear seats open up more space to carry more.

FLAWLESS CONNECTIVITY

With Infiniti QX30, connecting isn't only about what's on-line. It's also about what's down the road. Intelligent All-Wheel Drive (AWD)¹ and Dual-Clutch Transmission (DCT) keep your car in perfect contact with the road. Meanwhile, its InTouch^{1,2} smartphone access connects you to your world.

INTELLIGENT ALL-WHEEL DRIVE The intelligent All-Wheel Drive¹ (AWD) works in sync with the Vehicle Dynamic Control³ system to adjust for better traction. Under normal road conditions, the system operates its front-wheel drive for improved fuel efficiency. Should conditions become compromised, it will send additional power to the rear wheels to enhance traction control. You can count on the Infiniti QX30 to deliver all the power you want, while intelligently using only the power you need.

PREMIUM CONNECTION Infiniti InTouch^{1,2} creates a seamless connection between your smartphone and Infiniti QX30. On-board technology allows you to email or text, listen to your playlists, navigate unfamiliar places or just call your friends.

DUAL-CLUTCH TRANSMISSION Shift delays are history. The transmission uses one clutch for even gears and another for the odd gears. The next gear is already pre-selected and the result is a smooth, quick change you'll almost never notice.¹

DRIVEN BY DESIRE

Design doesn't answer to logic, it answers to the heart. It begins with the artist drawing a simple line, curve or shape and loving something in it that must be fully expressed. To Infiniti, design is more than a passion, it is part of our business DNA.

WHEN A BRAND IS LED BY DESIGN, that becomes the brand's way of communicating. Every vehicle gives voice to that language through the harmony of striking lines, liquid curves and muscular stance. Proprietary elements, including the double arch grille and crescent cut, distinctly express the Infiniti design-led approach to product development and business vision. Fuelled by the power of design, an Infiniti concept car is a glimpse into tomorrow as it develops from being a sketch on the artist's table to taking its rightful place on the road.

Q80 Inspiration

Q60 Concept

In synthesis with powerful design, purity of form rises above style. Through sweeping lines and arching curves, the thing we place above all else is the artist. His sense of the future.

QX30 Concept

UNDENIABLE PRESENCE. UNFORGETTABLE EXPERIENCE.

The Infiniti vehicle range defies convention and redefines the premium segment through empowering technologies and expressive design.

ESTABLISHED IN 1989, Infiniti has now grown to include saloons, coupés, convertibles, crossovers and SUVs in its line-up and spans 50 countries worldwide. Infiniti is unique and distinctive – not trying to be all things to all people, but everything to some people. At the heart of the Infiniti brand is a history of human attentiveness where the belief that the total ownership experience is much more important than just the car itself, coupled with a commitment to delivering a more empowering, more assured and more exhilarating driving and ownership experience.

INFINITI HAS COME to be recognised as a brand that delivers expressive and striking car design. A distinctive design crafted by human hand and delivered with a powerful and daring presence on the road. This, combined with an obsessive attention to detail and precision engineering, all contribute to the feeling that to drive an Infiniti is something special.
