

COMMODORE VFII

HOLDEN
LET'S GO THERE

WE IMAGINED A WHOLE NEW WORLD

SSV Redline Sedan in Heron White
* Available on automatic models only
Driver remains responsible for vehicle control
~ Maximum figures as per ECE regulations.
Figure quoted using 98 RON (PULP)
^ Optional on Evoke, standard on all other models
+ BiModal exhaust and Mechanical Sound Enhancer available on V8 models only

Never before has a Commodore been so aware of its surroundings; and so in tune with the driver.

The Commodore VFI is one of the most advanced vehicles to wear the Holden badge, thanks to the vast array of high technology features integrated throughout.

Now with a new 6.2L LS3 V8 engine complete with BiModal exhaust and Mechanical Sound Enhancer⁺ all you have to do is hear it to believe it.

3.0 litre SIDI V6

With proven performance, this engine is heroed on the Evoke model. The 3.0 SIDI V6 delivers a great balance of specific output, high torque over a broad rpm band, fuel economy, low emissions and first-rate noise, vibration and harshness control.

3.6 litre SIDI V6

An impressive engine, perfectly in tune with the SV6, Calais and Calais V-Series. The use of light weight components and enhancements adds up to improved performance, efficiency and durability.

6.2 litre LS3 V8

Experience the sheer adrenaline of taking a seat in the Commodore VFI sporting a new 6.2L LS3 engine on V8 models, the most powerful in Holden's history. Standard with SS and SS V-Series models, and optional with the Calais V-Series, this powerful 6.2 litre V8 engine offers exceptional performance and towing capabilities churning out 304kW[~] of raw power and 570Nm[~] of torque.

BiModal Exhaust and Mechanical Sound Enhancer (MSE)⁺

Commodore VFI still offers the same worldly refinement you have come to expect with the added option of activating the BiModal exhaust and unleashing its heightened aural potential to allow maximum exhilaration. The MSE enhances induction noise and supplies targeted frequencies into the driver cabin.

Remote Vehicle Start System^{*}

Remote Vehicle Start gets you on your way quicker, enabling you to fire up the engine and even resume the air conditioning before entering the car.

Passive Entry and Push-button Start[^]

This ultra-convenient feature offers handy push-button ignition and the ability to unlock and lock the car simply by carrying the sensor key with you.

Automatic Park Assist

Leading from the front with Automatic Park Assist, that uses ultrasonic sensors to give you hands-free[#] parking. This is an intelligent feature supported by the reverse camera and Front and Rear Ultrasonic Park Assist – all included as standard across the range.

Rear View Camera

When you shift into reverse, the Rear View Camera automatically comes to life, displaying what's directly behind you on the large touch-screen. Ideal when reversing into tight spots or out of a driveway – included as standard across the range.

Reverse Traffic Alert[^]

When reversing, it's not always easy to see what's coming up behind you. Reverse Traffic Alert gives you eyes in the back of your head, as the system picks up cross-traffic movement up to 25 metres away. If detected, warning chimes sound and a directional arrow flashes on the Rear View Camera screen to warn you of approaching obstacles.

SEAMLESS CONNECTIVITY

Calais V-Series Sedan interior in Light Titanium

Never before has a car built in Australia, been so in sync with the wider world. Say hello to Holden MyLink infotainment.

We've taken seamless connectivity to the forefront, from accessing apps to streaming internet radio and much more.

And it's all available with minimal effort, whether selecting your media by voice control, intuitive touch-screen, or by controls on the steering wheel.

Take your world on board:

- MyLink infotainment system[^]
- 8" colour touch screen
- Built-in app technology
- Bluetooth[®] audio streaming[^]
- iPod[®] connectivity
- Enhanced voice control
- Siri[®] Eyes Free[~]
- Hands-free calling
- Satellite Navigation^{*} with live traffic updates
- Pandora[®] Internet Radio^{^^}
- Stitcher[™] SmartRadio^{^^}
- Access phone contacts, calendars, reminders, playlists and more

[^] Certain devices may not be compatible with the vehicle's MyLink system. See holden.com.au/myholdenconnect for more details

[~] Requires compatible iOS device. See apple.com/au for more details

^{*} Standard on V-Series models only

⁺ Data plan rates often apply

mylink

THE CAR THAT THINKS

Calais V-Series Sedan in Prussian Steel

This is a world-class car that thinks for itself, monitoring everything and acting accordingly. When you're on the road, it's nice to know that your Commodore is looking out for you. Literally.

Colour Head-Up Display[~]

The Head-Up Display uses technology originally developed for fighter jets to relay important information on the windscreen such as speed, turning signals and some alerts – allowing you to view it without taking your eyes off the road.

Forward Collision Alert[^]

A digital camera mounted on the windscreen uses state-of-the-art image processing to observe vehicles ahead, and uses the Head-Up Display and an audible alert to warn you when you are approaching another vehicle too rapidly and a collision appears to be imminent.

Lane Departure Warning^{**}

To help combat drowsiness or distraction at the wheel, this sixth-sense technology uses the windscreen camera to look for lane markings, and will flash an icon and audible alert if it detects you're straying outside of your lane.

Blind Spot Alert⁺

This clever system detects other vehicles in both rear side blind spots; providing peace of mind when changing lanes. When it detects any vehicle in your blind spot, it will alert you via an icon in the side mirror on the side the car is approaching. If you indicate to change lanes, the icon will flash.

MyLink[#]

Whether it's locating that right song via the Pandora® or Stitcher™ apps or locating a phone number from a paired device, Holden's MyLink infotainment system enables you to access your essential information simply, quickly and safely. And at the touch of the screen or via the sound of your voice.

[~] Available on V-Series models
[^] Available on SSV Redline and Calais V-Series
^{*} Lane Departure Warning is activated at speeds above 56km/h
⁺ Not available on Evoque models. Standard on all other models
[#] Certain devices may not be compatible with the vehicle's MyLink system

TECHNOLOGY THAT PROTECTS

With an unprecedented level of active safety technology and crash protection, the Commodore is looking out for you in every possible way.

Advanced network of chassis control systems

The advanced network of chassis control systems can help you out of tricky situations, including Electronic Stability Control (ESC), Trailer Sway Control, Anti-lock Braking System (ABS), Traction Control, Electronic Brakeforce Distribution, and Electronic Brake Assist.

Protect your precious cargo

Inside the Commodore VFII, your most precious cargo is protected like never before with advances such as the simple-to-use ISOFIX child seat anchorage system. Available in all three back seat positions, ISOFIX creates a rock solid connection between the child seat and vehicle body and offers a high level of side impact crash protection.

A car with a sixth sense

Available on selected models, intelligent avoidance systems such as Forward Collision Alert, Lane Departure Warning, Blind Spot Alert and Reverse Traffic Alert help to expand your all-round vision and draw attention to potential road hazards.

5-star ANCAP rating

The Commodore has been awarded with the highest possible 5-star ANCAP rating – across the Sedan and Sportwagon range. Safety features incorporated throughout the vehicle reduce the severity of certain front, side and rear impacts.

Crash-optimised body

The crash-optimised body uses a range of advanced materials including ultra high-strength Boron steel, creating a stronger yet lighter structure.

Trailer Sway Control

Whether pulling a trailer or caravan, this cutting-edge safety feature activates the brakes and reduces engine torque if it detects any towing instability, creating a safer towing experience for drivers.

Six-airbag system

All models are fitted with driver and front passenger airbags, side impact airbags for driver and front passenger and side curtain airbags. The side impact protection is further enhanced with the addition of thorax/pelvis airbags as part of the six airbag system, enabling a wider area of the body to be covered in the event of a collision.

EVOKE

Sedan and Sportwagon

Evoke Sedan and Sportwagon in Phantom Black

SV6

Sedan and Sportwagon

SV6 Sedan and Sportwagon in Some Like It Hot Red

The Evoke sits proudly as the first model in the Commodore range; setting the standard with its redefined sculptured body and 'sixth-sense' technologies such as Automatic Park Assist. This high level of precision is evident throughout, from the SIDI Direct Injection V6 and Electric Power Steering, to its stunning interior with layered trim and fluid instrument panel integrating Holden's MyLink.

Engine and Transmission

- 3.0 litre SIDI Direct Injection V6 engine and 6-speed automatic transmission with Active Select

CALAIS

Sedan and Sportwagon

CALAIS V-SERIES

Sedan and Sportwagon

Calais Sedan and Sportwagon in Nitrate Silver

Calais V-Series Sedan and Sportwagon in Prussian Steel

The level of refinement is instantly apparent, from the sleek exterior lines to the equally stylish interior finished in jet black and chrome accents. The Calais delivers refined power too, with the 3.6 litre SIDI Direct Injection V6 engine offering the exacting response and performance from a car to rival the world's best.

Whether choosing the 210kW* SIDI Direct Injection V6 or 304kW** LS3 V8 engine, the drive has never been more breathtaking and fulfilling; enhanced by a luxury interior of leather trim and detailed layered fabrics. Intelligent technologies such as Head-up Display and Forward Collision Alert complete the perfect embodiment of the Commodore – a class above in sophistication and performance.

Seat Trims

PHANTOM BLACK*

A true black metallic with a shimmery silver sparkle within the highlight. Drop out turns to a powerful solid Jet Black.

REGAL PEACOCK GREEN*

An evocative dark and deep green metallic. Capturing a strong burst of rich and intense green in the highlight. The shadow transforms into a dark midnight green black with a solid appearance.

EMPIRE BRONZE*

A luxury mid tone metallic bronze. In shadow this hue captures as warm yellow tone bronze with a darker muted drop-out. The highlight reveals a shimmering golden glow mica effect that evokes opulence.

SOME LIKE IT HOT RED*

A metallic red with a warm searing highlight. Colour evokes a sultry intense luscious red with the drop-out moving towards a darker richer red tone for drama.

PRUSSIAN STEEL GREY*

A neutral medium grey metallic with a semi coarse silver highlight and a dark smokey drop out.

SLIPSTREAM BLUE*

A chromatic metallic blue that draws out an intense brightness in sunlight, featuring red mica undertones. The drop out moves darker providing a restrained statement.

NITRATE SILVER*

A light silver metallic with a highlight transforming to a lighter silver with a bright sparkle. In shadow Nitrate Silver turns into a slightly darker shade of silver.

HERON WHITE

A crisp and robust solid white.

JUNGLE GREEN*

A bright hero green metallic with an intense feature highlight. Colour captures a mid-tone yellow based green in the highlight and shifts to a darker deep jungle green on the drop-out.

RED HOT

An intense solid bright red.

* Prestige Paint colours available at additional cost

~ Selected options available at additional cost, please refer to your Holden Dealer for details

+ Light Titanium Leather is available on Calais V-Series Sedan only

A word about this brochure. We have tried to make this brochure as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this brochure may have been changed and/or is available at extra cost. Further, GM Holden Ltd ABN 84 006 893 232 (Holden), reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by Holden in its published sales literature, and Holden does not accept any liability for any such unauthorised action. Holden has authorised Dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Dealers carry adequate stocks of service parts, but Holden doesn't make any promise other than that contained in the New Vehicle Warranty given by Holden that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from Holden on request. Copyright Holden, October 2015.
