Defender 110 Game Viewer

Available to order from your nearest Land Rover dealership, the Defender 110 Game Viewer comes standard with a full manufacturer warranty (3 years / 100 000km). Extensive aftersales support includes field service technicians who are able to service vehicles on site, minimising down time.

The highest levels of quality and meticulous attention to detail see the Defender 110 Game Viewer appointed with a multitude of useful features: a dual-purpose bull-bar doubles as a drinks table; auxiliary points allow passengers to charge their phones and cameras; and a unique nine-seat configuration allows up to three couples to sit next to their respective partners.

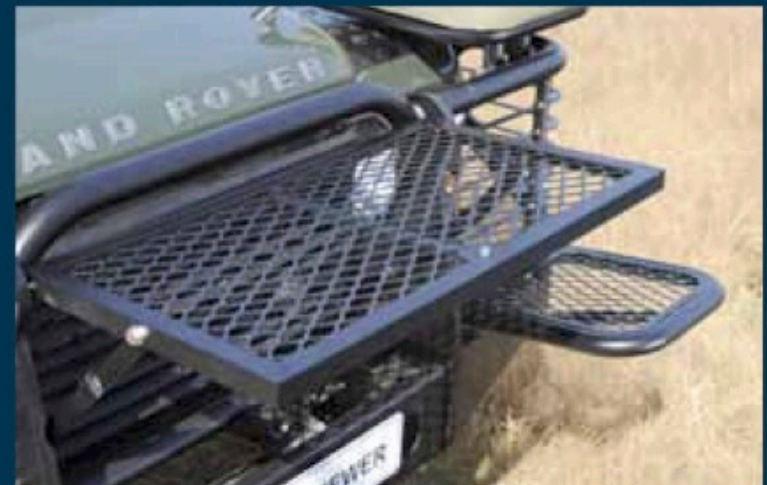

These are just a few of the carefully considered details that make the Defender 110 Game Viewer the obvious choice.

On board Electrical Points

Convenient Stowage Areas

Bull Bar doubles as a serving platform
