## DESIGN

The latest Freelander 2. Its purposeful stance is sporty and sophisticated. Freelander 2 is ready and prepared to tackle life's challenges. Its exterior, with its modern, contemporary looks and sleek lines, has an immediate sense of purpose and is more distinctive than ever.

Smart enough for town, tough enough for the country. Freelander 2's style and engineering deliver refinement and performance. It's smart and strong, compact and spacious.

TCN 488

FREELANDER 2

SD4 HSE

## ALL CONDITIONS

Supreme capability off-road, unparalleled comfort on-road. Freelander 2 has what it takes because it is able to draw on 60 years' worth of Land Rover expertise. This truly multi-talented vehicle delivers the confidence to take on both the unexpected demands of rural locations and the rigours of urban motoring. Whether on dirt track or ice, Land Rover's renowned Terrain Response® system\* maximises traction through the vehicle's electronic management systems and traction aids. Broken ground off-road or adverse weather conditions on-road; it's always reassuring to know you're driving Freelander 2.

-  GENERAL DRIVING
-  GRASS/GRAVEL/SNOW
-  MUD & RUTS
-  SAND

Freelander 2 deals with the rough as easily as it delivers the smooth. That's because it's ready to take on tough terrains and conditions with famous Land Rover qualities such as excellent entry/departure angles and outstanding ground clearance as well as taking full advantage of the most modern off-road driving aids. The Terrain Response system\* allows the driver to select one of four settings appropriate to the conditions – Grass/Gravel/Snow, for example, and adjusts the vehicle's powertrain and traction control systems to maintain momentum.

Hill Descent Control (HDC®)\* is an aid that helps with the safe descent of steep slopes. Land Rover's Gradient Release Control\* helps ensure smooth hill starts whether ascending or descending.

\*Not available for the eD4 model.

Freelander 2 brings together cutting-edge technology, robust design and decades of Land Rover experience to handle inhospitable conditions. Storm becomes shower, gale becomes breeze. Freelander 2 is built not only for demanding terrain, but demanding weather conditions too.

The Terrain Response system\* is as useful on-road as it is off-road. It adds to the on-road capabilities of Freelander 2, allowing you to maximise your vehicle's potential to go further and see more – all with outstanding control.

## PERFORMANCE

Power, performance and torque.

The 2.2 litre 150HP diesel engine is fitted to eD4 and TD4 models. The eD4 provides much of the versatility of Freelander 2 for people who may not require the outright capability of four-wheel drive. As a two-wheel drive vehicle, the eD4 delivers enhanced fuel economy of 47.1 mpg on the combined cycle producing just 158g/km of CO<sub>2</sub>. An intelligent Stop/Start system is fitted to all eD4 and TD4 diesel manual models. The 2.2 litre 190HP SD4 diesel engine is fitted as standard with a six-speed automatic transmission with CommandShift®.

## INTERIOR

### COMMAND DRIVING POSITION

Whether you're on the highway, manoeuvring into a tight parking space or taking on a pot-holed track, Freelander 2 is designed to put the driver in control. Land Rover's renowned Command Driving Position is an intrinsic part of the vehicle's design. It improves the view of the road ahead and gives better visibility of the vehicle's corners. The driver's seat is also optimised for comfort and support with six-way adjustment as standard (electric operation with three memory settings is available) and the steering wheel can be adjusted for rake and reach ensuring that you can set the position that is right for you.

## INTEGRATED DESIGN

Inside, Freelander 2 makes you feel special. That's because everything is designed to enrich the driver and passenger experience. It's the place to relax and forget the stresses of the day. Every control, every surface is carefully crafted to give Freelander 2's luxurious interior the quality and tactile ambience found on other, larger Land Rover vehicles with a range of trim options that can be tailored to suit the most sophisticated personal tastes as well as practical requirements.

## STADIUM SEATING

First class accommodation for everyone. And every thing. Inside Freelander 2, no one travels second class.

Driver and passengers alike enjoy generous leg, head and shoulder room. And with Stadium Seating putting rear passengers 50mm higher than those in front, everyone can enjoy the view.

## LOADSPACE

From comfortable seating to cavernous stowage, Freelander 2's versatile rear loadspace adapts to your needs. Instantly and easily adjustable, the space can be expanded by folding one side of the 60:40 split rear seats to provide a flat load floor. Or, with both seats folded, a practical loadspace area is available. With one metre between the wheel arches there's room for the most awkward loads.

## INFOTAINMENT

Freelander 2 offers two levels of infotainment packages. S and GS models benefit from a four inch colour screen and audio controls on the steering wheel. XS models and above have a larger seven inch colour Touch-screen making the navigation, audio and Bluetooth® telephone controls all available at your fingertips. XS models and above also feature voice control using spoken commands to operate the infotainment system.

**Please note:** The Voice System has been designed to recognise a number of languages. However, Land Rover cannot guarantee that the system will be compatible with every accent group within those languages. Please speak to your Land Rover Dealership about testing the Voice System for compatibility with a particular accent group.

## SOUND

Freelander 2 takes you that step closer to the artist's original performance. There are three in-car entertainment systems to choose from, including a premium Meridian™ Surround Sound System with 17 speakers and an astonishing 825W of power. The system also features a Virtual CD player which allows as many as ten uncompressed albums to be stored on the hard drive\*. Plus every Freelander 2 comes with audio input as standard.

\*Virtual CD player functionality is only available when optional Hard Disk Drive Navigation system is taken. Please speak to your Land Rover Dealership for more information.

## AND VISION

Freelander 2 is available with a rear view camera which displays images from behind the vehicle on the centre console screen. The system's intuitive interface aides manoeuvring and parking. What's more, the rear view camera also features Hitch Assist which helps line up Freelander 2's tow ball, when fitted, with a trailer.

## SAFETY

A host of technology and sophisticated primary safety systems are packed into Freelander 2.

Freelander 2's strong monocoque body and inner safety cell, protected by meticulously engineered front and rear crumple zones, are designed to absorb energy on impact. While high-strength steel is used in the construction of the body, dual-phase steel, which requires special pressing because of its resilience, is found in key components such as the front windscreen pillars and lower side sills. The result is a first class safety cell.

Advanced stability control systems which can speedily reduce engine torque and apply specific braking forces to each individual wheel, provide both stability and capability where you need it. So whatever obstacles might come your way, Freelander 2 helps give you impeccable control.

Large disc brakes on every wheel help provide stopping power equivalent to a compact sports saloon. Freelander 2's intelligent four-wheel drive\* system adapts continuously and instantaneously to conditions.

When tested in 2007 Freelander 2, with its seven airbags, was the first vehicle in its class to be awarded a five star rating for Adult Occupant Protection in the rigorous Euro NCAP tests.

**Please note:** When choosing vehicles fitted with specific wheel and tyre combinations or optional wheels and tyres, your intended use of the vehicle should be considered. Wheels with larger diameters and lower profile tyres may offer certain styling or driving benefits, but may be more vulnerable to damage. Please discuss your requirements with your Land Rover Dealership. For further details on tyre efficiency as required by EU legislation please speak to your Land Rover Dealership.

Your Freelander 2. Every model is packed with useful features to suit every practical need and every lifestyle. So whatever you're into, you're choosing the perfect Freelander 2 for you.

## FREELANDER 2 S/GS

Versatile, practical, offering superb handling and drivability; the perfect complement to the active lifestyle.

### FREELANDER 2 XS/HSE/HSE LUX

# TECHNICAL FEATURES AND SPECIFICATION

**LOADSPACE.** The versatile rear loadspace can be expanded by folding the 60:40 split rear seats to provide a flat load floor, and up to 1,670 litres of space. With one metre between the wheel arches there's always room for more awkward loads.

**STEERING WHEEL CONTROLS.** Steering wheel mounted controls at your fingertips for ultimate ease of use. Depending on the model, the intuitive technologies available cover cruise control, the audio system, Say-What-You-See (SWYS) Voice Activation and hands-free telephone operation.

Freelander 2 can be Bluetooth® connectivity enabled as an option on some models. You'll be able to make and take telephone calls via the vehicle's audio system (subject to telephone compatibility).

Say-What-You-See (SWYS) Voice Activation is a useful technology which helps the driver to use and interact more easily with Freelander 2 by displaying voice commands on the seven inch colour Touch-screen.

The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Land Rover is under license.

**CLIMATE CONTROL.** As well as the standard air-conditioning system, optional dual-zone climate control, with pollen filter, humidity sensor and air quality control system, can be specified maintaining fresh air in the cabin, keeping you and your passengers comfortable whatever the weather.

**CENTRE CONSOLE STORAGE.** The rear of the centre console features an additional storage box for small items, an audio socket for MP3 players and a power socket, which can be used to recharge PCs and other low-wattage electrical equipment.

**TRIM MATERIALS.** Elegant, high quality materials are used throughout the cabin. Choose from facings in Windsor leather, grained leather, or cloth with colour co-ordinated door casing inserts. The front seats provide excellent support and have the option of electric control and seat memory.

**CONVENIENCE FEATURES.** Life with Freelander 2 is so practical thanks to thoughtful technology. Available features include: an electrochromatic rear view mirror for automatically minimising the dazzle of headlamps at night. There are rain sensing wipers and twin map lights conveniently located in the roof console above the rear view mirror.

**PANORAMIC SUNROOF.** The optional panoramic sunroof – with a fixed rear section and electric tilting/sliding front section – adds to the feeling of lightness and airiness within the cabin. The glass is specially formulated to filter the sun's infrared rays, providing light without unpleasant heat. Both sections also include a convenient blind.

**IN-CAR ENTERTAINMENT.** An outstanding choice of in-car entertainment systems, Meridian™ is the ultimate audio specialist and creates sound just as the artist intended by benchmarking acoustic performance against real musical instruments. The Meridian Surround Sound System provides a perfect stereo image for each occupant and produces a natural, enveloping concert-like experience.

- Meridian Surround Sound System featuring 825W amplifier with 17 loudspeakers (including subwoofer). Seven inch colour Touch-screen and 1xUSB auxiliary input. Features unique Trifield™ technology with audio connectivity
- Meridian Sound System featuring 380W amplifier with 11 loudspeakers (including subwoofer). Seven inch colour Touch-screen and 1xUSB auxiliary input with audio connectivity
- Audio system including 4.2 inch colour screen with 80W CD/DVD Audio and MP3 player with six speakers. To increase your choice of listening you can also specify DAB radio.

**STOP/START SYSTEM.** The intelligent Stop/Start system, fitted to all eD4 and TD4 diesel manual models, enhances fuel efficiency and reduces tailpipe emissions to zero by shutting down the engine, in appropriate conditions, when the vehicle comes to a stop. The system is also able to operate at temperatures as low as 0°C.

**SATELLITE NAVIGATION.** The optional satellite navigation system, with a seven inch colour Touch-screen, easy-to-use menu and extensive point-of-interest database, makes finding your destination as simple as possible.

**REAR VIEW CAMERA.** The Rear View Camera helps reversing by displaying a wide-angled rearward view from the vehicle on the centre console screen. To aid manoeuvrability, lines representing the vehicle's predicted path are superimposed on the image. Includes trailer hitch assist.

**TERRAIN RESPONSE®.** Land Rover's renowned Terrain Response system\* adds to Freelander 2's breadth of capability. Any of the four programmes – General Driving, Grass/Gravel/Snow, Mud and Ruts or Sand – can be easily selected. In addition all vehicles with Terrain Response are also fitted with Hill Descent Control\* and Land Rover's Gradient Release Control systems\*.

\*Not available for the eD4 model.

**PASSIVE START AND START/STOP BUTTON.** The convenient Passive Start system automatically detects the close proximity of the key, allowing use of the Start/Stop button without the key being docked in the vehicle. The remote control includes the following functions: locking and unlocking of the doors and tailgate, a 30 second courtesy headlamp delay and activation of alarm.

**COMMANDSHIFT®.** The six-speed automatic transmission with CommandShift is standard on SD4 diesel models and optional on TD4 diesel models. CommandShift® provides manual sequential gear changes and Sport mode for an even livelier performance. (Not available on eD4).

**PERFORMANCE WITH EFFICIENCY.** The 2.2 litre turbo diesel engines, available in power outputs of 150HP and 190HP, come with common rail diesel technology which aids fuel economy and refinement and a variable nozzle turbocharger helping to deliver exceptional torque.

**SAFETY.** High-strength steel is used to construct a strong monocoque body and inner safety cell protected by front and rear energy absorbent crumple zones. Seven airbags are fitted as standard on all vehicles. There are separate driver and front passenger airbags for head and chest protection as well as side airbags for side impact protection.

Full-length curtain airbags help to provide head impact and rollover ejection protection for all occupants.

Freelander 2 also features a driver's inflatable knee airbag for additional lower body protection.

**STABILITY CONTROL SYSTEMS.** Freelander 2 comes with a host of stability control systems as standard, designed to enhance traction by reducing engine torque and applying a unique braking force to each individual wheel where driving conditions dictate. They include: Anti-lock Braking System (ABS), Electronic Brake-force Distribution (EBD), Emergency Brake Assist (EBA), Cornering Brake Control (CBC), Electronic Traction Control (ETC), Dynamic Stability Control (DSC), Roll Stability Control (RSC) and Trailer Stability Assist (TSA).

**HEADLAMPS.** Three types of headlamp are available: halogen headlamps with impact-resistant polycarbonate lenses; automatic halogen headlamps with a signature LED light design; automatic xenon headlamps with Automatic Headlamp Levelling and a signature LED light design.

**Fuel consumption figures:** The results given here do not express or imply any guarantee of the fuel consumption of any particular vehicle with which this information may be supplied. Vehicles are not individually tested and there are inevitable differences between individual vehicles of the same model. The vehicle may also incorporate particular modifications. Furthermore, the driver's style and road traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.

# ACCESSORIES

Add style or add practicality. You can add both with Freelander 2's exceptional range of specialist accessories. This is the perfect opportunity to tailor the vehicle to your personal activities and tastes, as well as adding distinguished styling cues.

The truly comprehensive range features carrying and towing options as well as exterior and interior styling additions. Importantly, all Freelander 2 accessories are available individually, at any stage in the vehicle's life – not just when it's new. Seasonal or year-round, extreme sports or touring activities, the great outdoors or the demands of urban life – we've got everything you need. In fact, Freelander 2 is as versatile as you need it to be. And remember, Land Rover Approved Accessories are designed and manufactured to the same exacting standards as the original equipment fitted to your vehicle.

Visit [www.landrover.co.uk](http://www.landrover.co.uk) for more information.

Freelander 2 HSE shown above is accessorised with Side Protection Tubes, Raised Roof Rails, Crossbar Kit, Aqua Sports Carrier and 19 inch Triple Sport alloy wheels in High Gloss with Land Rover Centre Caps. Freelander 2 HSE shown right is accessorised with Fixed Side Step, Bright Finish Mirror Caps and 19 inch 10-Spoke alloy wheels in Shadow Chrome with Land Rover Centre Caps.

**Aqua Sports Carrier\***  
LR006846  
Carries one surfboard or sailboard and mast, or one canoe or kayak. Maximum payload 45kg\*\*.

**Luggage Box\***  
VPLV/R0062  
Gloss Black Finish. Opens from both sides. Lockable for security. External dimensions: 1,750mm long, 820mm wide, 450mm high. Volume 440 litres. Maximum payload 68kg\*\*.

**Ski and Snowboard Carrier\***  
LR006849  
Carries four pairs of skis or two snowboards. Incorporates slider rails for easy loading. Lockable for security. Maximum payload 36kg\*\*.

**Bike Carrier**  
STC50063  
Fits to the Fixed-Height Tow Bar only (LR007479). Holds two bikes. Trailer may be towed at the same time. Not compatible with friction type tow hitches. For further information on Land Rover bikes please go to [www.2x2worldwide.com](http://www.2x2worldwide.com)

**Roof Mounted Bike Carrier**  
VPLFR0091 – (not shown)

**Luggage Rack\***  
LR006848  
Maximum payload 62.6kg\*\*.

**Raised Roof Rails and Cross Brace Kit\***  
Panoramic Sunroof vehicles LR007220  
Non Panoramic Sunroof vehicles LR006608  
Maximum payload 75kg\*\*. Vehicle height when fitted 1,830mm. Crossbars not included.

**Crossbar Kit\***  
LR002417  
Easily removed when not in use. Vehicle height when fitted 1,852mm. Maximum payload 71.8kg\*\*. Vehicle must have accessory Raised Roof Rails and Cross Brace Kit fitted. Shown above, sold separately.

\*Roof Rails and Crossbars are required for all Land Rover roof mounted accessories. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.

\*\*Maximum payload equals the load capacity of the roof mounted accessory.

**Side Protection Tube – Black**  
LR003840

**Side Protection Tube – Stainless Steel**  
LR003318

**Lashing Eye Kit**  
VUB503160  
Six additional tie-down points for use with Crossbars T-slots.

**Fixed Side Steps**  
LR002773 – (bottom)

**Body Side Mouldings**  
LR002791 – (top)

**TRAILAIR**  
Designed exclusively by Land Rover, our unique all-in-one tyre pressure monitoring and hitching aid system incorporates leading edge technology to give you complete reassurance and peace of mind, whether you're on or off-road towing. Installation of TrailAir and its warranty cover are provided by the system manufacturer, ATP. For more information go to [www.landrovertrailair.co.uk](http://www.landrovertrailair.co.uk)

**Fixed Height Tow Bar\***  
LR007479  
Bolt on tow ball. Trailer load capacity 2,000kg. Trailer nose load 150kg. Compatible with tow bar mounted bike carrier (STC50063).

**Quick Release Tow Bar**  
VPLFT0009  
Lockable for security. Easily removed. Trailer load capacity 2,000kg. Trailer nose load 150kg. Not compatible with Sports Styling Pack.

**Swan Neck Tow Bar\***  
LR007481  
Fixed position tow bar. Trailer load capacity 2,000kg. Trailer nose load 150kg.

\*Vehicles fitted with a Sports Styling Pack require a separate towing electrics socket bracket kit (LR004084). Please see your Land Rover Dealership for further details.

**Stainless Steel Rear Bumper Tread Plate**  
VPLFB0040 – (bottom)

**Stainless Steel Tailgate Latch Finisher**  
VPLFB0039 – (top)

**Stainless Steel Undershield**  
VPLFT0004  
Not compatible with Sports Styling Pack.

**Front Mudflaps**  
LR003324  
Not compatible with Sports Styling Pack.

**Bumper Styling Cover**  
Diesel: VPLFB0079  
Petrol: VPLFB0099  
Not compatible with Sports Styling Pack.

**Rear Mudflaps**  
LR003322  
Not compatible with Sports Styling Pack.

**Snow Traction System**  
LR005169  
For 17 inch and 18 inch front wheels only.

**Waterproof Seat Covers  
Almond\***  
Front Seats VPLFS0107SVA  
Rear Seats (without armrest) VPLFS0109SVA  
Rear Seats (with armrest) VPLFS0110SVA

**Waterproof Seat Covers  
Ebony\***  
Front Seats VPLFS0107PVJ  
Rear Seats (without armrest) VPLFS0109PVJ  
Rear Seats (with armrest) VPLFS0110PVJ

**Nutmeg Carpet Mats**  
LR007817

**Front and Rear Sill Tread Plate Kit**  
LR002525  
Finished in highly polished stainless steel.

**Ebony Carpet Mats**  
LR002484

**Rubber Mat Set**  
LR002481

\*Protects seats from mud, dirt and wear and tear. Machine washable. Includes headrest and armrest covers. Colours may differ from actual product.

**Rigid Loadspace Protector**  
LR002424

**Loadspace Rubber Mat**  
LR002516  
Waterproof with retaining lip and non-slip surface.

**Cargo Divider**  
LR002522  
Separates pets from cargo. Lockable outer gate on one side.  
Must be fitted with Cargo Barrier (LR002521).

**Cargo Barrier**  
LR002521  
Easily removed. Retains cargo according to EC Regulation 17.

**Cargo Barrier – Half Height**  
VPLFS0146 – (not shown)

**Loadspace waterproof liner**  
VPLFS0014  
Heavy duty fabric protects loadspace up to window height.  
Covers loadspace floor with second row seats folded.

**Luggage Net**  
LR003852  
Secured to rear of second row seating.

**Load Retention Net**  
VUB503130  
Utilises loadspace tie down points. Includes floor net and two ratchet straps. Strap length approximately two metres.

**BABY-SAFE plus infant carrier<sup>1</sup>**

VPLMS0007

For babies 0-13kg (birth to approximately 12-15 months). Includes sun/wind canopy. Padded machine washable cover. Can be installed with the vehicle's three-point seat belt or the BABY-SAFE ISOFIX Base VPLMS0008.

**BABY-SAFE ISOFIX Base<sup>1</sup>**

VPLMS0008

**13 Pin Towing Electrics<sup>2</sup>**

VPLFT0077

Not compatible with the lighting board (STC8153).

**'N' and 'S' Type Towing Electrics<sup>2</sup>**

VPLFT0001

Compatible with the lighting board.

**Ratchet Strap**

CAR500010

Nylon tie strap for securing items to the Crossbars and Luggage Carrier. Five metres long, 20mm wide. Supplied individually.

**Lighting Board<sup>2</sup>**

STC8153

Four metre cable plugs into 'N' Type Towing Electrics socket.

**Detachable Towing Mirror**

VPLVT0080

**Tow Strap**

STC8919AA

Includes storage bag that can be attached as a warning flag to the strap. 3,000kg maximum load capacity.

**Electric Cool Bag**

VUP100140L

Powered by the 12 volt auxiliary socket. Thermostatically controlled temperature. Easy clean interior surface. Height 380mm, length 380mm, width 220mm. Volume 14 litres.

**Front Screen Shade**

VPLFY0067

Reflects the sun's rays and helps to keep the interior of your vehicle cool.

**Bulb Kit**

VPLFV0089

<sup>1</sup>Children are safer when correctly restrained in the rear of a vehicle.

**Please Note:** All seat cover patterns and colours are periodically updated.

<sup>2</sup>These Accessories are not suitable for Caravans, Trailers, Lighting Boards fitted with rear mounted LED Lamp Kits.

<sup>3</sup>When not fitted as standard specification. The Sports Styling Pack is supplied ready for painting – please consult your Land Rover Dealership regarding colour-matching to your vehicle.

<sup>4</sup>Please see your Land Rover Dealership for advice on paint finishing these accessories in your chosen colour.

<sup>5</sup>Fitment compatible with certain derivatives, please speak to your local Land Rover Dealership.

<sup>6</sup>Adhesive required (STC50551).

**DUO plus Child Seat<sup>1</sup>**

LR006637

For children 9-18kg (approximately 9 months – 4 years). One-pull, height adjustable headrest and harness. Padded machine washable cover. Forward facing on rear seat. ISOFIX system anchors the seat directly to the car's ISOFIX connection points.

**Fire Extinguisher**

LR002523

1kg powder extinguisher with floor mounting bracket.

**Fire Extinguisher**

LR002524

2kg powder extinguisher with loadspace board mounting bracket.

**Warning Triangle**

KCC500021

**First Aid Kit**

STC7642

Aids in the treatment of cuts and grazes.

**Touch-up Paints**

A comprehensive range of touch-up paint sticks and aerosols to help your Freelander 2 look as good as new despite those minor chips and scrapes. Please see your Land Rover Dealer for further details.

**Alloy Wheel Cleaner – 500ml Dispenser**

VPLSW0066

Designed specifically for Land Rover vehicles to remove brake dust deposits without damaging the surrounding brake or wheel components.

**Tyre Valve Caps**

Land Rover Branded – LR027560

Union Jack (Coloured) – LR027664

Union Jack (Black) – LR027666

Enhance your alloy wheels.

**KID plus Child Seat<sup>1</sup>**

LR004940

For children 15-36kg (approximately 4 – 12 years). Seat belt guides correctly position seat belt. Three adjustable width positions. Improved side impact protection. Padded machine washable cover.

**Sports Styling Pack – 2011 Model Year Onwards**

Add even more attitude and a more individual, more personal look. Sports Styling Pack includes neat bib spoilers for the front and rear lower bumpers, smart lower door appliqué panels and distinctive elliptical single tailpipe finisher/twin tailpipe finishers for diesel and petrol models respectively. The Sports Styling Pack is available in the matching colour of your vehicle.

Petrol: VPLFB0071LML

Diesel: VPLFB0072LML

Spoiler: LR002464<sup>3</sup>

**Body-coloured Door Handles**

Primed Door Handle<sup>4</sup> – LR006876

Primed Cap<sup>4</sup> (with lock symbol) – LR006877

Primed Cap<sup>4</sup> (without lock symbol) – LR006878

**Bright Finish Mirror Caps<sup>5</sup>**

Uppers – VPLMB0041

Replaces original Body-coloured Mirror Caps.

**Bright Finish Mirror Caps<sup>5 6</sup>**

Uppers – VUB503880MMM

Lowers – LR003905

**Body-coloured Mirror Caps<sup>5 6</sup>**

Primed Uppers<sup>4</sup> – LR004867

Primed Lower<sup>4</sup> – LR004866

**Land Rover Satellite Navigation DVD**

Map updates for your Land Rover Satellite Navigation System.

**IMPORTANT NOTICE:** Land Rover is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and Dealerships are not agents of Land Rover by any express or implied undertaking or representation.

All Land Rover Approved Accessories fitted by a Land Rover Dealership within one month or 1,000 miles/1,600 kilometres (whichever ever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited mileage warranty. All Land Rover Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Land Rover Dealership who will be pleased to advise you on current specifications and any query you may have.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Dealership. Distributors and dealerships are not agents of Land Rover and have absolutely no authority to bind Land Rover to any express or implied undertaking or representation.
