TECHNOLOGY TO ENJOY

TECHNOLOGY TO ENJOY

At the heart of everything we do is the belief that relevant technology should be available to everyone. We believe that this will make the world a better and more enjoyable place. We want everything we create to inspire you to make beautiful things happen. And nowhere is this better expressed than in the SEAT Leon range. Stunning design, state-of-the-art safety technology and a dynamic driving experience: these are the underpinnings of the Leon family.

LEON SC

Model Shown: Leon SC SE with optional Appearance Pack, Technology Pack, Winter Pack and Alor Blue paint

LEON 5DR

Model Shown: Leon 5DR FR with optional Winter Pack, Camera Pack, Performance 18" Alloy wheels and Technology Pack and Emocion Red paint.

LEON ST

Model Shown: Leon ST FR with optional Performance 18" Alloy wheels, Technology Pack, Camera Pack, Adaptive Cruise Control and Monsoon Grey metallic paint.

WE GIVE DESIGN A PURPOSE

The SEAT Leon family has been redesigned from the ground up. Quality engineering and technology ensure the Leon is a driving experience like no other. With iconic angular design at its heart, the Leon benefits from sporty, streamlined proportions that make it responsive at every turn. The sharp angles merge seamlessly with fluid curves and flowing lines to ensure a bold exterior. One that truly sparkles in sunlight and embraces the warmth you have come to expect from a SEAT.

The **Leon 5DR** is confident, dynamic and filled with some of our brightest ideas yet. Like the EasyConnect System, which controls the entertainment, communications and car functions via a touchscreen. And the SEAT Drive Profile, allowing you to select different driving modes depending on what driving mood you're in. Available with a range of engines, you'll wonder why all cars aren't engineered like the SEAT Leon. After all, every detail has a higher purpose. Put simply, this is a car to enjoy.

Model Shown: Leon 5DR SE Dynamic Technology with optional, Electric Sunroof, Park Assistance Pack, Winter Pack and Nevada White paint.

LEON 5DR

LEON SC

DYNAMIC DRIVING FOR A DYNAMIC LIFE

And for the sportier amongst us, look no further than the **SEAT Leon Sports Coupé (SC)** a three door variant of the Leon. The Leon SC has everything the Leon 5DR has, with a specific focus on agility to provide a dynamic driving experience. Being agile allows you to respond rapidly to change. The Leon SC comes with sports seats, standard in all trims, but is also fitted with a shorter wheelbase than the Leon 5DR, resulting in a more dynamic chassis, a more responsive drive and more impressive design proportions.

Just like the Leon 5DR, the Leon SC benefits from one of the best sound systems in its class with built in subwoofers, and also has an optional Tiredness Recognition System that will alert you if you lose concentration. But if you still want more, there's also a Direct Shift Gearbox (DSG) with steering wheel paddles* that puts sporty driving at your fingertips.

Welcome to a dynamic and exciting style of driving.

* On FR & CUPRA models.
Model Shown: Leon SC FR Titanium in optional Emocion Red.

MORE SPACE MORE LIFE

We can never be sure what life has in store for us, that's why we built the **Leon Sports Tourer (ST)** with versatility at its heart. It's our first Leon estate, so naturally we wanted it to be first class.

That's why along with all the other great features of the Leon 5DR and Leon SC, we packed it full of space. It comes with an impressive boot of 587 litres of capacity that can easily turn to 1470 litres at the pull of a handle thanks to the innovative Easy Rear Seat-back Release mechanism*. The boot has a chrome loading sill* for added protection and offers endless possibilities thanks to its double boot floor design.

If that's not enough, add to it the optional Adaptive Cruise Control (ACC) that automatically adjusts your speed to keep you safe and panoramic sunroof that gives your view a fresh new perspective. Now that's the new Leon ST.

Never again will you have to decide between style and versatility.

* Standard on SE, FR and CUPRA models.
Model Shown: Leon ST SE with optional Appearance Pack Technology Pack,
Adaptive Cruise Control, Park Assistance Pack and Monsoon Grey paint.

LEON ST

LEON X-PERIENCE DESIGNED FOR DISCOVERY

The **SEAT Leon X-PERIENCE**, the first all road Leon with 4Drive, permanently on demand all-wheel drive technology, combines distinctive design with exclusive features, giving you the perfect vehicle to explore new destinations and have new experiences.

The SEAT Leon X-PERIENCE continues the same beautiful design that characterises the Leon family with specific enhancements that match the demands of off-road surfaces. Features such as protective cladding on the wheel arches and side skirts combine robustness with protection, while a higher suspension ensures an effortless drive on even the most challenging of roads.

Inside materials of the highest quality are used throughout, with details like the orange stitching on the leather steering wheel, adding a touch of sophistication and better grip too. As versatile as it is attractive, with the adaptable boot space of up to 1470 litres, you have the flexibility to pack exactly what you need.

Travel in safety and comfort thanks to its state-of-the-art technology. The 4Drive system automatically adapts to the road, distributing power between the wheels to ensure agility and control in every situation.

Leon X-PERIENCE SE Technology with optional Adaptive Cruise Control and Adventure Brown Metallic Paint.

LEON X-PERIENCE

WHERE BEAUTY MEETS BEAST

Sometimes beauty is better appreciated when you take your time to contemplate it. Other times you enjoy it by taking it to the limit. This is the Leon CUPRA.

The CUPRA 290 blends power and handling with precise agility. From the Dynamic Chassis Control, which adapts the characteristics of your CUPRA's chassis to the conditions of the road, to the front mechanical differential lock, designed to improve traction and handling while also delivering a more precise and relaxed steering feel. The CUPRA engine provides maximum power and its high performance brake system delivers a safe and reliable deceleration every time. Even the SEAT Drive Profile has been redesigned to suit the car's ultra-sporty characteristics.

Just by looking at the CUPRA, its design identity stands out. Impressive air intakes, full LED headlights, dual chrome exhaust pipes as well as its 19" alloy wheels with titanium finish and red brake callipers reflect its sporty appearance. The accentuated dynamics of the exterior continue seamlessly throughout the interior. The aluminium finished pedals add refinement and its door sill trim displays the CUPRA logo. The Leon CUPRA is our highest performance SEAT, and all of this combined with good fuel economy for such a powerful engine (ST DSG: urban 33.2 mpg, extra-urban 51.4 mpg and combined 42.8 mpg), make the CUPRA 290 the car that best expresses SEAT's racetrack heritage on the road.

Model Shown: Leon ST CUPRA 290 Black with optional Adaptive Cruise Control and CUPRA SUB8 Performance Pack in Nevada White metallic paint. Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the SEAT website at www.seat.co.uk and at www.dft.gov.uk/vca.

LEON ST CUPRA

PACKED FULL OF TECHNOLOGY

Our ambition was to make the Leon an unforgettable driving experience. That's why our attention to detail is easy to see. From the ergonomic seats and moulded instrument clusters, to the chrome door handles and leather steering wheel; everything in the Leon breathes an air of quality.

There's also a range of upholstery choices, including cloth, Alcantara or leather in black and grey. An extra touch of distinction is provided by the LED Interior Illumination Pack, optional as part of Convenience Pack Plus for SE and FR and standard on CUPRA and X-PERIENCE models. And you'll find sophisticated infotainment systems that will keep you up-to-date and entertained.

TECHNOLOGY AT YOUR FINGERTIPS

The SEAT Sound System and radio, Navigation System, Bluetooth®, and more, are all controlled through our very own EasyConnect entertainment system, which is standard on all models. This allows you to manage the Leon's large array of infotainment options through a single touchscreen mounted on the dashboard. The entire console is driver-orientated for easier control and syncs easily through SEAT Full Link technology, optional or part of Navigation System High, for social media and your favourite playlists, wherever you are.

A substantial 5" screen comes as standard, with the option to upgrade to a 6.5" Media System Plus, Navigation System or Navigation System High. Navigation System High, features a super high resolution 6.5" colour touch-screen display incorporating: 3D map views, SEAT Full Link, 10GB jukebox, image and video viewer, SMS reader and improved voice recognition. Whichever you choose, the three-dimensional button designs, razor-sharp display and logical interface will keep you connected to the world and to your inner-child.

Furthermore Full Link is now an option for your Leon. Full Link seamlessly integrates your smartphone with your media system, keeping you connected to your digital world at the touch of a button; sync emails, social media and all of your favorite digital playlists via your car's media system. Full Link is compatible with Apple CarPlay™, Google Android Auto™ and Mirror Link™.

Optional Navigation System High shown

DRIVING PLEASURE IS ABOUT ENJOYING THE DETAILS

Look deep into the Leon's sculpted front and rear lights, and you'll see the future: SEAT Full LED headlights. A unique feature that brings the benefits of daylight to night time driving.

LED lights are smarter and more efficient than their halogen equivalents. With pure white 'daylight' at the front for improved vision and faster response lighting at the back to give drivers behind you more time to react when you brake. Not only do they make you more visible, they also give the Leon a sleek look that's sure to be admired.

With futuristic lights outside, we had to create the optimum experience inside too.

Why not combine the full LED headlights with two more convenient features of navigation system and DAB digital radio. The optional Technology Pack combines all three of these most popular options and offers great value.

TECHNOLOGY PACK

DIGITAL AUDIO BROADCASTING (DAB) RADIO TUNER.
Enjoy listening to your favourite radio station with complete clarity, in addition to AM/FM and MW frequencies.

NAVIGATION SYSTEM.
Let it guide you to your destination with its 7 digit post code functionality, 3D map display and navigation via voice command.

FULL LED HEADLIGHTS.
The Leon is the first car in its segment to offer full LED headlights. They make use of LED technology both in the main and dipped beams, but also the daytime running lights. They also give the Leon a sleek, contemporary look. Headlamp washers are optional as part of the optional Winter Pack.

SYSTEMS THAT CAN FORESEE YOUR REACTION

The most important things that go into the Leon are you and your passengers. That's why we've designed it to be one of the safest places you can be on the road.

There are a host of ways the Leon also looks out for you. With the aid of a mono-video camera installed on the windscreen, the High Beam Assist automatically alters the intensity of the headlights when faced with oncoming traffic. Lane Assist warns you if you unintentionally drift into another lane and automatically corrects the car's trajectory. There's even a Tiredness Recognition System that measures your fatigue and helps to keep you alert at the wheel.

Seven airbags come as standard, including knee airbag. And in the rear seats there's an ISOFIX system to keep the smallest passengers safe and sound.

And with the Leon being awarded the maximum 5-star Euro NCAP* safety rating.

Wherever you sit in the Leon, you'll always be on the safe side.

*For detailed information go to www.euroncap.com, the 5 star EuroNCAP rating was awarded to the SEAT Leon 5DR, ST and X-PERIENCE model tested in 2012.

FRONT & REAR PARKING SENSOR.

These intelligent sensors help guide you into a parking space without incident, warning you if you are too close to the kerb, or another car. Standard on CUPRA models, available as an option for SE, FR and X-PERIENCE models as part of Park assistance pack or Camera pack.

CAMERA PACK.

Make squeezing into those tight spots a breeze with the Camera Pack. Located in your rear bumper, the rear view camera features sensors that alert you to possible obstacles or hazards via your car's interior display for easier, safer parking. Available as an option for SE, FR and CUPRA and X-PERIENCE models.

MULTI-COLLISION BRAKING SYSTEM.

In the unlikely event of an accident, when the airbags have been deployed this innovative new braking system will slow the vehicle to avoid any further collisions, keeping you and your passengers safer than ever. Standard on all models.

LANE ASSIST.

Lane assist helps the driver to stay in lane and is particularly useful on motorways. The system informs the driver if the car is drifting out of its lane unintentionally and provides gentle steering impulses to guide the driver back into lane. Available as part of the optional Safety Pack Plus on SE, FR, CUPRA and X-PERIENCE SE Technology models.

HIGH BEAM ASSIST.

Where necessary, the Leon switches from high to low beam settings automatically so as not to dazzle oncoming traffic. And it leaves you free to concentrate on the road ahead. Available as part of the optional Safety Pack Plus on SE, FR, CUPRA and X-PERIENCE SE Technology models.

ADAPTIVE CRUISE CONTROL (ACC) WITH FRONT ASSIST.

The Adaptive Cruise Control works with a sensor installed on the front of the car to measure the distance and speed relative to vehicles up to 200 metres ahead, and automatically adjusts your speed to maintain a safe braking distance. The Front Assist uses audio and visual alerts to notify you when danger of a head on collision is detected. If you don't react the system briefly applies the brakes, before automatically applying the emergency braking system to minimise or avoid collision. Adaptive Cruise Control (ACC) with Front Assist is available as an option on SE, FR, CUPRA and X-PERIENCE SE Technology models.

TRIMS

S

- / 15" steel wheels with 'Urban' covers
- / Emergency tyre repair kit
- / Halogen daytime running lights
- / Body-coloured door mirrors with integrated LED indicators
- / Black roof rails (Leon ST only)
- / Double boot floor (Leon ST only)
- / Electrically adjustable and heated door mirrors
- / Media System Colour
 - 5.0" colour touchscreen
 - Combined USB/AUX-in port
 - SD card slot
 - FM / AM radio
 - Bluetooth® audio streaming with hands-free system
 - Steering wheel mounted audio and phone controls
- / Six speakers
- / Front courtesy light with front reading light
- / Height-adjustable driver's seat
- / Electro-mechanical power steering (speed-sensitive)
- / 12V socket in centre console
- / 12V socket in boot (Leon ST only)
- / Height-and reach-adjustable steering wheel

- / Electric front windows (one touch with anti-squeeze)
- / Air conditioning
- / Driver and front passenger airbags
- / Front passenger airbag deactivation
- / Front side airbags
- / Two curtain airbags
- / Driver's knee airbag
- / Three-point seatbelts on all seats
- / Front seatbelt reminders
- / ISOFIX points in outer rear seats with top tether anchorage points
- / Remote central locking with deadlocks
- / Electronic Stability Control (ESC) with Emergency Brake Assist (EBA)
- / Tyre pressure monitoring
- / Alarm (perimeter and interior monitoring) with back-up horn and tow-away protection
- / Electronic engine immobiliser
- / Automatic Post-Collision Braking System

SE

IN ADDITION TO THE S TRIM

- / 16" 'Design' alloy wheels
- / Chrome roof rails (Leon ST only)
- / Front fog lights with cornering function
- / Rear courtesy light with rear reading light
- / Ambient spot lighting and footwell illumination
- / Front armrest (height and reach adjustable) with storage compartment
- / Chrome loading sill (Leon ST only)
- / Rear armrest (Leon ST only)
- / Leather steering wheel and gear knob
- / Height-adjustable front passenger's seat
- / Driver's seat with lumbar adjustment
- / Easy rear seat-back release mechanism (Leon ST only)
- / Chrome interior decorative mouldings
- / Cruise control
- / Electric rear windows (one-touch with anti-squeeze)
- / Electronic differential lock system (XDS)
- / Hill hold control

SE DYNAMIC TECHNOLOGY*

IN ADDITION TO THE SE TRIM

- / 17" 'Dynamic' Alloy Wheels
- / Dark tinted rear windows
- / Technology Pack:
 - Full LED Headlights
 - Navigation System
 - Digital Audio Broadcasting (DAB) digital radio
- / Media System Plus:
 - 6.5" colour touchscreen proximity sensor
 - Integrated voice control

*Available on Leon 5DR and ST.

TECHNOLOGY PACK

The Technology Pack includes the SEAT Navigation System which integrates high quality audio with voice recognition with a high resolution 6.5" colour touchscreen. DAB Digital radio for superior sound and less interference and Full LED headlights with LED daytime running lights and LED taillights.

FULL LINK.

Full Link seamlessly integrates your smartphone with your media system, keeping you connected to your digital world at the touch of a button.

CONVENIENCE PACK PLUS.

With the optional convenience pack plus, you can sit back and relax. Features include an interior mirror that dims automatically to avoid glare from following vehicles and rain sensors that automatically activate the windscreen wipers. There's also a Coming Home function, which keeps your car's headlights on when you arrive, giving you enough time to get into your front door safely. How convenient.

SE Dynamic Technology with optional Dual Zone Climate Control shown.

FR

IN ADDITION TO THE SE TRIM

- / 17" 'Dynamic' alloy wheels
- / LED taillights
- / Dark tinted rear windows
- / Twin exhaust pipe
- / Exclusive FR front and rear bumpers
- / Electrically folding door mirrors
- / Eight speakers
- / Flat-bottomed perforated leather steering wheel with red stitching and FR logo
- / Aluminium front door sill trims with FR logo
- / Front passenger's seat with lumbar adjustment
- / Front sports seats with cloth, red stitching and simil leather bolsters
- / Dual-zone climate control
- / Passenger door mirror with 'kerb' function when reversing
- / SEAT Drive Profile with four different modes (Eco-Normal-Sport-Individual)
- / Sports suspension
- / Steering wheel-mounted gearshift paddles (DSG models only)
- / Rear parking sensors

FR TITANIUM

IN ADDITION TO THE FR TRIM

- / 18" Titanium Alloy Wheels
- / Titanium Mirror Caps
- / Body Side Skirts
- / Extended Roof Spoiler
- / Media System Plus
 - 6.5" colour touchscreen
 - proximity sensor
 - Integrated voice control
- / Technology Pack
 - Full LED Headlights
 - Navigation System
 - Digital Audio Broadcasting (DAB) digital radio

*Available only on Leon SC.

FR LEATHER UPHOLSTERY PACK.

The optional FR leather upholstery pack includes leather upholstery with perforated simil leather bolsters and winter pack with electrically adjustable driver's seat on 5DR and ST variants.

ADAPTIVE CRUISE CONTROL (ACC) WITH FRONT ASSIST.

This innovative safety feature means the Leon always maintains a safe braking distance in relation to the car in front. Sensors monitor the situation of the preceding traffic so when the distance increases, the ACC automatically accelerates to the required speed. Combined with the emergency braking function, the car can even stop completely, avoiding a direct collision.

NAVIGATION SYSTEM HIGH.

The SEAT Navigational System High includes a high resolution 6.5" touchscreen with CD, AUX-in, 2 SD cards and Bluetooth® connectivity for hands-free and audio streaming. This advanced navigational system also includes voice recognition, Full Link, SMS, DVD playback, 3D navigational view and a 10GB hard drive so you're totally at home when on the road.

X-PERIENCE SE

IN ADDITION TO THE SE TRIM

- / 17" 'Twin spoke' alloy wheels
- / Black roof rails
- / Dark tinted rear windows
- / Exclusive X-PERIENCE front and rear bumpers
- / LED interior illumination pack
- / Aluminium front door sill trims with X-PERIENCE logo
- / Perforated leather steering wheel with orange stitching and X-PERIENCE logo
- / Front passenger's seat with lumbar adjustment
- / Front sports seats in cloth with simil leather bolsters
- / 4Drive System - permanently on demand all-wheel drive
- / Dual-zone climate control
- / Improved ground clearance (28mm)
- / Twin exhaust pipe
- / Rear parking sensors

X-PERIENCE SE TECHNOLOGY

IN ADDITION TO X-PERIENCE SE

- / 18" 'X-PERIENCE' machined alloy wheels
- / Electrically folding door mirrors
- / Full LED headlights (dipped and main beam)
 - LED daytime running lights
 - Automatic range adjustment
- / LED taillights
- / Interior ambient door panel lighting (DSG models only)
- / SEAT Media System Plus
 - 6.5" colour touchscreen proximity sensor
 - Digital Audio Broadcasting (DAB) digital radio
- / Navigation System
 - 3D map display
 - High resolution colour driver's display
 - SD card slot x2
- / Eight speakers
- / Front sports seats in alcantara with simil leather bolsters
- / Steering wheel-mounted gearshift paddles (DSG models only)
- / SEAT Drive Profile with four different modes (Eco-Sport-Normal-Individual) (DSG models only)
- / Auto-dimming rear view mirror
- / Auto-headlights
- / Rain-sensing wipers
- / Dynamic Chassis control (DCC) (DSG-models only)

ELECTRIC PANORAMIC SUNROOF.

The optional electric sunroof opens up the interior, giving every passenger a little more room to breathe.

SEAT SOUND SYSTEM.

Explosive sound throughout the Leon, with 10 high quality speakers and a powerful boot mounted subwoofer for an intense audio experience

X-PERIENCE LUX PACK.

The LUX pack features a sumptuous black leather interior with electrically adjustable driver's seat, heated front seats and heated washer nozzles for all weather conditions. The exterior is finished with chrome trimmed roof rails for an even more luxurious look.

CUPRA 290

IN ADDITION TO THE FR TRIM

- / 19" 'CUPRA 290' Titanium finished alloy wheels
- / Red brake callipers with CUPRA logo
- / Black door mirrors
- / Black exterior mouldings and frames
- / Rear roof spoiler with black underside
- / Dual exhaust pipe
- / Exclusive CUPRA front and rear bumpers
- / Full LED Headlights (dipped and main beam)
 - LED daytime running lights
 - Automatic range adjustment
- / SEAT Media System Plus
 - 6.5" colour touchscreen proximity sensor
 - Integrated voice control
 - Digital Audio Broadcasting (DAB) digital radio
- / Navigation System
 - 3D map display
 - High resolution colour driver's display
 - SD card slot x2
 - Full Link

- / Black interior decorative mouldings
- / LED interior illumination pack
- / Front sports seats in alcantara with simil leather bolsters and white accents
- / Aluminium front door sill trims with CUPRA logo
- / Steering wheel-mounted gearshift paddles (DSG models only)
- / Flat-bottomed perforated leather steering wheel with white stitching and CUPRA logo
- / Auto-dimming rear view mirror
- / Rain-sensing wipers
- / Auto-headlights
- / ESC switch-off key
- / SEAT CUPRA Drive Profile with four different modes (Normal-Sport-CUPRA-Individual)
- / Dynamic chassis control (DCC)
- / Front parking sensors
- / Electro-mechanical progressive power steering (speed-sensitive)
- / Mechanical limited slip differential

CUPRA 290 BLACK

IN ADDITION TO THE CUPRA 290 TRIM

- / 19" CUPRA 290 'Multi' alloy wheels
- / CUPRA Black-Line
- / CUPRA Bucket Seats

- / Optional CUPRA Sub8 Performance Pack which includes Brembo brake callipers, larger vented discs and body side skirts.

CUPRA BUCKET SEATS.

Inside the Leon CUPRA 290 Black the racetrack DNA is clear to see, every inch of the stylish interior evokes the spirit of competition. The CUPRA Bucket seats are crafted with comfort and performance in mind, all designed to accentuate its athleticism. Standard on CUPRA 290 Black.

CUPRA SUB8 PERFORMANCE PACK.

Developed by SEAT Sport in recognition of the previous CUPRA 280 completing the Nurburgring Nordschleife Circuit in a record breaking 7 minutes 58.4 seconds, the Sub 8 Performance Pack adds an extra dimension of excitement to the CUPRA 290 Black with high-tech Brembo brake callipers and aerodynamic side skirts. Available as an option on the CUPRA 290 Black.

All CO₂ and MPG figures are provisional and awaiting final UK homologation.

¹The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS by 1.0139.

²Where law permits.

³Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated within this standard.

CUSTOMISE SEAT ACCESSORIES

Let your car reflect your personal style, equipped for the life you lead. Specifically designed and fully tested, all SEAT Genuine Accessories come with a two-year warranty* (unless otherwise stated), extended to three years† when bought and fitted before registration of a brand new vehicle.

There's a range of Accessory packs to suit every lifestyle, as well as individual accessories (including those in the Accessory packs) from styling accessories to the more practical safety accessories. For full details visit seat.co.uk/accessories or ask your dealer for a copy of the 'Customise SEAT Accessories' range brochure.

'CLICK+GO' ONLINE ACCESSORY ORDERING

'click+go' is the quick and easy way to order our most popular SEAT fitted accessories online and at your local dealership. Whenever you see  next to an accessory you can book a fitting appointment at your chosen dealer. Just give us a few details and use the online calendar to confirm a day and time for having your accessories fitted.

*Applies to SEAT Genuine Accessories only. † Applies to SEAT Genuine Accessories only. Up to 2-year warranty on others.

CAREFREE

Ownership.

CAREFREE OWNERSHIP ISN'T JUST ABOUT CARING FOR YOUR CAR. IT'S ALSO ABOUT HELPING YOU ENJOY YOUR SEAT EXPERIENCE MORE, IN EVERY WAY, OVER EVERY MILE YOU DRIVE.

/ It's about fixed price servicing and fixed price Service Plans, in place to smooth the financial road throughout your SEAT journey.

/ It's helping you give your SEAT the look and style that makes it all your own, easily and affordably, with all the most popular accessories available to order online 24/7.

/ It involves keeping you safe, with the right tyres always at competitive prices.

/ It's peace of mind from Extended Warranties that take the worry out of unexpected repairs.

/ And it's about giving you three years of SEAT's accident management cover absolutely free.

All together, it's all you need to give you Carefree Ownership of your SEAT.

YOU'LL KNOW HOW MUCH

With our fixed price servicing and maintenance.

Your SEAT is special to you, and deserves special treatment when it's time for a service or repair. So put it in the hands of people who know and care about your car as much as you do, your SEAT Dealer.

The benefits at a glance

/ Clarity on the cost with our service and maintenance fixed prices.

/ Easy, free drop-off and collection or a courtesy lift to your home or work, or a low-cost, insured loan car.

/ Wash and vacuum with every service.

/ Option to book your service online 24/7.

/ FREE UK and European Roadside Assistance worth £245 for all cars 2-15 years, when a service is booked online. This includes cover from the moment you leave home to the moment you get back.

Plus all the SEAT standards you would expect

/ SEAT technicians, using the latest diagnostic technology.

/ Check of SEAT software and product enhancements.

/ SEAT-approved parts fitted complete with two year warranty.

/ A SEAT stamp in the service book.

/ National network of Dealers.

SEAT.CO.UK/SERVICE

SEAT Service Plans

Our Service Plans cover so much for such a small monthly outlay, they really make a lot of sense.

Transparency

You can easily plan your car's service requirements and either pay for the Service Plan in full or spread the cost with affordable 18 monthly payments of £21 for 24 months cover. It's worry-free and ensures that you're taking the best care possible of your car, today and tomorrow.

Savings

There's no better way to enjoy peace of mind whilst you care for your car.

/ You can choose either two or three year Service Plan.

/ Plan is protected from inflation.

/ Residual value enhanced with a SEAT stamp in the service book.

/ Plan is transferable, when fully paid, to another owner.

/ No tie-in with a specific Dealership, choose any SEAT Dealer from the nationwide network.

Terms and conditions apply.

EXTENDED WARRANTY

Extend your peace of mind.

When you buy a new SEAT from a SEAT Dealer, your new car is covered by a three year/60,000 miles manufacturer warranty. And if you take out a SEAT Extended Warranty before your new car is registered, you'll get exactly the same level of cover for up to five years, at extremely competitive prices. Plus it's fully transferable to the new owner (and subsequent owners) should you sell your car – enhancing the resale value of the car.

Taking out a SEAT Extended Warranty is easy, you can choose the warranty to last until the end of the 4th year/up to 75,000 miles or until the end of the 5th year up to 90,000 miles (age or mileage, whichever comes soonest).

You'll enjoy all the following:
/ Exactly the same cover as the original manufacturer warranty.

/ No limit to the number of claims, no excess and no need to pay and reclaim (within the UK).

/ Repairs carried out by a member of the SEAT authorised network using SEAT genuine parts.

/ Simple process to have the repairs done. Just contact your SEAT Dealer and take your policy with you when you drop your car in.

These Extended Warranties are only available at the time of ordering a new SEAT.

All together, it's all you need to give you Carefree Ownership of your SEAT.

INSURANCE

SEAT's free accident and repair cover.

Did you know that your insurer probably does not guarantee to use SEAT-approved repairers or parts? With so much complex safety technology in your SEAT you won't want to risk compromising your car with parts that have not been made specifically for your SEAT. As a SEAT customer you are entitled to three years' FREE accident and repair cover. Our cover works alongside your main motor insurance policy, giving you and your car additional protection.

Benefits at a glance

/ A dedicated claims manager to liaise with your insurer and any third parties on your behalf.

/ Guaranteed use of a SEAT approved repairer and SEAT trained technicians.

/ Receive a repair guarantee, which includes a two year parts warranty and three year paint warranty.

/ Legal expenses cover to help recover any uninsured losses .

SOLUTIONS PERSONAL CONTRACT PLAN (PCP)

Making your budget go the extra mile

Solutions (PCP) is a flexible finance package that really puts you in the driving seat.

Solutions offers flexibility – from your deposit and monthly repayments to what you do with your SEAT at the end of the agreement.

By paying a small deposit (as little as a single month's repayment) over a repayment period from 18 months up to four years, you can enjoy a plan individually suited to your needs and monthly budget.

Solutions takes away the worry about depreciation because a proportion of the value is left until the end of the agreement (the optional final payment), which acts as a guaranteed minimum future value. By doing this means you can lower your monthly repayments or make your budget go even further with a higher spec.

The options are wide open with Solutions.

DECISION TIME

1. Choose a repayment period and annual mileage.
2. Pay your deposit which can be made up of cash or a part exchange.
3. Agree the number of repayments.

Setting the deposit and repayment term helps create the right combination for a monthly payment budget.

AT THE END OF YOUR AGREEMENT YOU HAVE 3 OPTIONS

1. Part exchange your existing car for a new SEAT on a Solutions (PCP) contract (subject to status).
2. Pay the optional final repayment and keep your SEAT.
3. Hand the car back (subject to terms and conditions).

IMPORTANT INFORMATION TO CONSIDER

/ You may end your agreement earlier than the full term. However, depending how far you are in to your agreement will affect the final amount left to pay.

/ If you exceed the anticipated mileage agreed at the start of your agreement and intend to return the vehicle then excess mileage charges will apply.

/ It is important to keep the vehicle in good condition as this will affect the value of the vehicle. You may be charged for any damage that goes beyond fair wear and tear.

COST OF YOUR CAR

DEPOSIT

As little as one repayment

AMOUNT TO FINANCE

Divided into any choice of 18 to 48 fixed repayments

ADDITIONAL FINAL PAYMENT

You have three choices at the end of your agreement

We are Spanish and German. We are passionate perfectionists. We are emotional technologists. Everything we know, is everything you feel. We give design a purpose. We bring technology to life. We call it TECHNOLOGY TO ENJOY. We are SEAT.

Auto Express Car of the Year Award
relates to Leon 1.2 TSI 105PS S model

SEAT is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. Some illustrations in this brochure may depict left-hand drive models. Consequently, controls and some items of equipment may differ or not appear on UK models. The information in this brochure can therefore be given as guidance only. While SEAT makes every effort to ensure that specifications are accurate at the time of publication, you should always check with your authorised SEAT dealership for the latest information. Due to limitations of the printing process the colours reproduced in this brochure may vary slightly from the actual paint colour and material. These vehicles and all their parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality. SEAT UK has made provision for the correct disposal and recycling* of all SEAT Vehicles when they are delivered by the customer to its national network of Environment Agency authorised treatment facilities. This service is offered at no cost to the last holder and applies to SEAT vehicles of any age which are substantially complete. The service is provided by Cartakeback.com and to find your nearest facility contact 0845 257 32 33 or browse to www.cartakeback.com.

*Since 2006 all vehicles returned to SEAT were certified by UK Government to be recycled to 85%. This brochure has been produced from Hello Silk paper which is Forest Stewardship Council certified.
