

# RANGE ROVER VOGUE

GO BEYOND

THERE IS NOTHING ON EARTH TO COMPARE WITH RANGE ROVER VOGUE. Range Rover luxury has no limits. It's a vehicle that displays accomplished capability and sophistication, featuring a V8 Supercharged or Twin Turbo V8 Diesel engine, all-air suspension, all six-speed automatic transmission with CommandShift™. It demonstrates supreme off-road ability and sublime on-road handling.

FROM THE LEGENDARY RANGE ROVER COMMAND DRIVING POSITION the driver is perfectly placed to interact with the vehicle and the surrounding environment. This brings a sense of control and reduces stress and fatigue. At the heart of Range Rover Vogue's fascia is the high resolution touch-screen, an intuitive interface between driver and key functions of the vehicle. Getting in and out can be made even easier with accessory power side steps which complement the air suspension access mode.

FIRST-CLASS ENTERTAINMENT. Range Rover Vogue houses a superb **harman/kardon**® sound system. It has a six-disc changer compatible with CD and MP3 discs and featuring Digital Signal Processing (DSP) as standard. The premium system delivers 710 Watts of power to 14 speakers and brings LOGIC7® world-class audiophile quality to all passengers. A rear seat entertainment option has a six-disc DVD changer, headrest-mounted 6.5 inch twin screens and wireless headphones. In keeping with its ability to roam almost anywhere on the planet, Range Rover Vogue offers an easy-to-use DVD-based satellite navigation system which can be operated, on the move, manually or by voice control. Off-road navigation shows the contours of the terrain and provides the ability to mark way points in the memory.

**harman/kardon**® and LOGIC7® are registered trademarks of Harman International Industries Incorporated.

**UNMATCHED CAPABILITY OFF-ROAD.** The electronically controllable differential or E-DIFF works not only to deliver superior on-road traction, but also improve off-road traction by reducing cross axle wheel slip. The E-DIFF can act sooner and with more subtlety than traditional traction control systems because it does not rely on the intervention of the brakes. Standard on Range Rover Vogue Supercharged, and available as an option on TDV8, the electronic rear differential maximises every last bit of grip in adverse conditions. A centre E-DIFF, which splits the torque between front and rear wheels, is standard on every Range Rover.

**RANGE ROVER VOGUE'S LEGENDARY OFF-ROAD PERFORMANCE** is further enhanced by Terrain Response™. Using a fingertip control on the centre console any one of five settings can be chosen for different driving conditions. Automatically adjusting settings for engine, gearbox, brake control systems, air suspension, traction control and electronic centre and rear differentials, some of the most difficult conditions can be overcome. It succeeds in making the most demanding appear effortless.

THE MOST POTENT, MOST REFINED DIESEL-POWERED RANGE ROVER. EVER. The ultra-civilised TDV8 diesel is now recognised as a state-of-the-art vehicle for efficiency, refinement and performance. Providing all the benefits of a petrol engine alongside the economy of a diesel. The TDV8 has established itself as a powerful alternative in the V8 line-up.

## ENGINE

Type	<b>Twin Turbo V8 Diesel</b>
Max Power	200kW @ 4,000rpm
Max Torque	640Nm @ 2,000rpm
Engine Data	90 degree 32 Valve Diesel engine. Compacted graphite iron cylinder block to reduce noise levels with an aluminium head to improve heat dissipation. Fuel injection pressure of 1,700 Bar with a state-of-the-art twin variable nozzle turbochargers and inlet valve deactivation deliver supreme refinement, power and fuel economy. The advanced technology in the TDV8 allows it to exceed EU4 emissions levels by up to 20 percent. Bore 81mm (3.19in). Stroke 88mm (3.464in). Cubic capacity 3,630cc. Compression ratio 17.3:1.

TDV8

THE RANGE ROVER VOGUE SUPERCHARGED. The supreme expression of Land Rover's most complete luxury 4x4. A supercharged V8 lightweight engine makes this the most powerful Range Rover ever made. It offers 291kW and an astonishing 560Nm of torque to deliver immediate, supple acceleration. Standard on Range Rover Vogue Supercharged are a Noble finish front grille and side power vents, dramatically enhanced with diamond mesh to maximise airflow. Special 20 inch alloy wheels, chrome tail pipes and distinctive black and silver Land Rover badging affirm the high performance credentials of the Range Rover Vogue Supercharged at a glance. There is also stainless steel detailing on brake and accelerator pedals.

## ENGINE

Type	<b>Supercharged V8 Petrol</b>
Max Power	291kW @ 5,750rpm
Max Torque	560Nm @ 3,500rpm
Engine Data	Supercharged V8 Petrol. Aluminium construction of engine block and cylinder head with a structural sump and oil pick-up designed to enable operation at extreme angles. 32 Valve with quad camshafts and Supercharged with peak pressure of 80kPa (0.8 Bar). Torque based engine management system, mapped for both on and off-road driving speeds. Drive by Wire throttle control and multi-holed fuel injectors. Three way catalysts, unleaded fuel only. Bore 86mm (3.386in). Stroke 90.3mm (3.55in). Cubic capacity 4,197cc. Compression ratio 9.1:1.

**SAFETY IS INHERENT IN THE DESIGN, CONSTRUCTION AND SYSTEMS OF RANGE ROVER VOGUE.**

The strength of Range Rover Vogue's body and chassis, required to support its legendary off-road and towing abilities, also provides for a very strong passenger cell that helps protect its occupants in an accident. This inherent strength is complemented with nine airbags (including a driver's knee airbag), special bolsters in the new front door trims and lower glovebox lid as well as high strength steel beams in each of the doors. Active safety technology plays a major role. For example, the 4x4 systems developed to enable Range Rover Vogue to creep down slippery hills also assist in maintaining control on icy roads, seeking out all available grip and helping to keep the car going in the intended direction. Vehicle systems also predict when a roll-over is likely and apply force on the appropriate wheel to counter the roll.

All Range Rover Vogues have leather interiors which are available in Blenheim or full Oxford depending on the model chosen.

**Loadspace volume 994 litres**  
Loadspace width between arches 1,040mm  
Length 1,081mm

Thanks to its innovative cross-linked air suspension, The Range Rover can maintain a level ride height even over undulating terrain and be set to lower gently to ensure easy entry and exit when parked. Despite its impressive power and peerless capabilities, front and rear Park Distance Control and speed sensitive power-assisted rack and pinion steering ensure that manoeuvring in tight spots is always a simple, trouble-free operation. And with up to 2,099 litres of cargo space Range Rover Vogue again demonstrates its breadth of capability.

## PERFORMANCE AND WEIGHTS

WEIGHTS (kg)	SUPERCHARGED V8	TDV8
Total (EEC kerb)	2,687	2,717
Gross vehicle weight	3,100	3,200
Max front axle	1,530	1,530
Max rear axle	1,850	1,850
Max roof rack (including roof rack)	100	100

TOWING (kg) (towing pack optional)	SUPERCHARGED V8	TDV8
Unbraked trailer	750	750
Trailer with over-run brakes	3,500	3,500

FUEL ECONOMY* & PERFORMANCE	SUPERCHARGED V8	TDV8
Urban L/100km	22.4 (12.6)	14.5 (19.6)
Extra urban L/100km	12.2 (23.1)	9.2 (31.2)
Combined L/100km	16.0 (17.7)	11.1 (25.3)
CO <sub>2</sub> emissions (g/km)	376	294
Maximum speed kph	210 (130)	200 (124)
0-100kph	7.5	9.2
0-60	7.1	8.6

\*Manufacturer's data according to new government test regulations.

Fuel consumption figures: The results given here do not express or imply any guarantee of the fuel consumption of any particular vehicle with which this information may be supplied. Vehicles are not individually tested and there are inevitable differences between individual vehicles of the same model. The vehicle may also incorporate particular modifications. Furthermore, the driver's style and road traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. Usable fuel tank capacity of 104.5 litres. Low fuel warning at 8 litres approximately.

The TDV8 fuel range (based on usable fuel tank capacity and the combined economy) exceeds 935km/585 miles and the Supercharged has an impressive 0-100kph time of 7.5 seconds. Both the fuel economy and the performance are aided by the extensive use of aluminium components that include the bonnet assembly, outer door skins and inner door construction, wheels, transmission housing and front wings.

WHEELBASE 2,880mm

LENGTH 4,972mm

## WARRANTY, ROADSIDE ASSISTANCE, CUSTOMER CARE AND FINANCIAL SERVICES

**WARRANTY.** A comprehensive manufacturer's warranty is a feature of every Land Rover vehicle and extends to any genuine Land Rover accessories fitted by a Land Rover Retailer. The warranty period for the vehicle is three years/100,000 kilometres. In addition, the paint surface is also covered for three years/100,000 kilometres and the body work covered for corrosion for six years.

**LAND ROVER ROADSIDE ASSISTANCE.** All Land Rover vehicles purchased in Australia benefit from complimentary Land Rover Roadside Assistance service for the length of the new car warranty. This covers you Australia-wide 24 hours per day every day. And because it is Land Rover Assistance, help will also be provided if you become bogged or disabled on roads that only four-wheel drives can travel.

**CUSTOMER CARE.** Land Rover Australia has a dedicated Customer Care Centre to assist owners who may have a general query. Owners seeking this level of assistance are invited to phone our Customer Care Centre on the toll-free number 1800 625 642. Land Rover ownership includes a package of benefits designed to provide high standards of after sales care and support.

**LAND ROVER FINANCIAL SERVICES.** Just as Land Rover lets you tailor a vehicle to your specific requirements, we offer you the same service when it comes to finance. You can arrange to purchase and finance your Land Rover from the people who know it best – your Land Rover Retailer. Your Land Rover Business Manager can explain the full range of finance options available from Land Rover Financial Services and provide expert advice to help tailor a finance package to best suit your needs. To discover more about Land Rover Financial Services visit your nearest Land Rover Retailer or visit [www.landroverfinancialservices.com.au](http://www.landroverfinancialservices.com.au) or the link at [www.landrover.com.au](http://www.landrover.com.au)
