ZOOM-ZOOM

A TRUE DRIVING EXPERIENCE

The flowing profile of Mazda CX-3 GT Sport gives an impression of pure energy in motion and works as a seamless extension of the driver. The full body kit with silver accents and contrasting Brilliant Black rear roof spoiler compliment the award-winning KODO: Soul of Motion design, creating a truly striking, sporty appearance. Inside, the cabin features luxury Nappa leather seats with suede inserts, whilst all of your driving instruments and controls have been designed around you. This provides ultimate ease of operation, allowing you to concentrate fully on what matters, the road ahead. It is our way of taking our Jinbai Ittai philosophy of a feeling of togetherness between car and driver. The road ahead is always something to look forward to when you are driving Mazda CX-3 GT Sport.

NAPPA LEATHER SEATS

Designed to elegantly complement the exterior, the Nappa leather trim with suede inserts enhances the interior with a luxurious premium feel, along with adding comfort to every journey.

18" SILVER ALLOY WHEELS

The 18" alloy wheels strengthen the sporty exterior styling of the car.

LED HEADLIGHTS

Striking LED headlights enhance the stylish looks as well as significantly improving visibility.

COMFORT REIMAGINED

Indulge yourself with the luxurious cabin. Mazda CX-3 GT Sport interior has been designed with the driver in mind. Featuring stylish satin chrome dials and Nappa leather trim, complimented with heated seats and steering wheel. Mazda CX-3 GT Sport ensures the optimum comfort, for you and your passengers. The position of the controls, the weighted steering and position of the colour head-up display ensures you are focused on truly enjoying the drive.

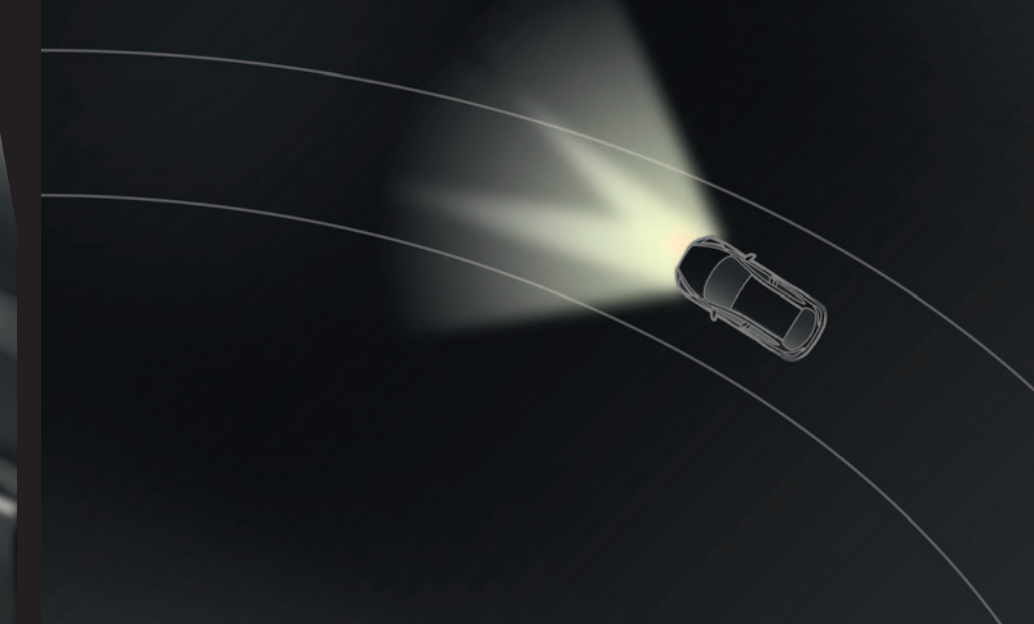

HUMAN-CENTRIC CABIN

The superior interior design surrounds you, the driver, ensuring you are in control and focused on the road ahead.

HEATED STEERING WHEEL

The heated steering wheel is perfect for warming up your hands on chilly mornings.

ADAPTIVE FRONT LIGHTING SYSTEM

Increase visibility when driving at night with the Adaptive Front lighting System. The system adjusts the LED headlights when cornering to illuminate more of the road ahead, which could increase your ability to react to any potential obstacles.

COLOUR ACTIVE DRIVING DISPLAY (COLOUR HEAD-UP DISPLAY)

Directly in the driver's natural line of sight, the colour head-up display keeps the driver updated with essential driving information. Including speed and turn-by-turn navigation. Enabling the driver to stay focused on the road ahead.

CLIMATE CONTROL AIR-CONDITIONING

Provides a comfortable driving environment with stylish satin chrome dials.
