# Welcome to Hyundai. Welcome to Candoism.

Innovation is at the heart of what we do. We call it 'Candoism' and it keeps us focused on the future. We're proud of what we've achieved in a short space of time. Since launching our industry-leading 5 year unlimited mileage warranty, we've become one of the world's fastest growing car companies. We developed the world's first mass produced zero-emission Hydrogen Fuel Cell vehicle and we recently launched IONIQ – the only car available in hybrid, electric and plug-in hybrid options. We've also revolutionised the buying experience with Click to Buy – our clever website which allows you to buy your next Hyundai from the comfort of your sofa. So what happens next? The answer is inspired by you, our customers, because our next innovation will happen with you in mind. For us 'done' will never be 'done' – we're always excited to start again. Welcome to Candoism. Welcome to Hyundai.

Go further with the Tucson.  
Take control of a powerful  
engine with impressive  
strength and efficiency.  
Stay safe with innovative  
design features you can rely  
on. Whatever drives you,  
choose a car that can keep up.

# Fluidic design that hints at the luxury within.

Every line of the Tucson is designed for agility and luxury, drawing attention without making a sound. Stand out from the crowd with modern style and timeless sophistication.

The Tucson grabs your attention thanks to its cascading grille and fluid front-end design, including full LED headlights as eye-catching as they are illuminating. The self-assured design doesn't stop there, with contrasting wheel-arch cladding and alloy wheels adding an extra touch of class everywhere you go. These premium fittings are tied together through a modern aesthetic that boasts of the innovative technology inside.

# Make the journey easy on your mind and body.

To us, luxury is more than a look. It's ergonomic design that keeps you comfortable and in control. It's creative choices that enhance functionality. It's a refusal to compromise on your comfort, your style, your journey. Enjoy the ride.

Luxurious upholstery and ergonomic controls create a high-quality experience you can be proud of. A soft-touch dashboard finish and opulent leather seat facings on certain trims make the Tucson feel as good to relax in as it does to drive. With its panoramic sunroof, you'll enjoy stunning views as it sheds light on the polished interior.

# Enjoy the open road with power and responsive handling.

A wide range of engines lets you choose your ideal car. Whatever your ride, you'll enjoy economy and performance from innovative technology designed to keep your journey fun, smooth and serene.

Take back the city with new energy and control. From dual carriageways to wide-open motorways, the Tucson has enough power to own the road – and the responsive handling to make it look easy. Thanks to optional four-wheel-drive (HTRAC) for the 136PS 1.6-litre engine, you'll benefit from road-holding stability – perfect for a variety of driving conditions. With certain models reaching 62mph in 9.5 seconds, every journey is a new adventure. Both efficiency and handling are increased on the 2.0 CRDi 4WD model, with an 8-speed Automatic Transmission to increase fuel economy, and a 48V Mild Hybrid System to help acceleration at key moments for optimum performance. Other engines enjoy an optional 7-speed Dual Clutch Transmission for smooth movement from city streets to motorways, with uninterrupted torque and seamless gear changes.

# Innovative technology that gives you the edge.

Choose an easier drive with the Tucson, packed with technologies to keep you entertained, on course, and well informed. Smart features take the worry out of driving, letting you enjoy the journey.

Every interior feature is refined, from the Smart Key that lets you enter the vehicle and open the boot without it leaving your pocket, to the automatic headlights and rain sensors, it takes the hassle out of the drive. The built-in 8" touchscreen is your navigation and entertainment hub, with a 7-year subscription to LIVE services and connectivity to Apple CarPlay™ and Android Auto™. Along with backseat and driver phone charging options, you'll always be informed and entertained.

# Advanced safety features for extra peace of mind.

Drive with confidence in the Tucson, with a wide range of technologies that work with you. See the information you need to make the right choices, and feel confident in your car in case of emergency.

**Lane Keep Assist (LKA).** The standard LKA uses the front camera to monitor the lines of the road. In case of an unintended lane departure, it will warn the driver and can apply counter steering torque to guide the car back to the lane.

**Full LED Lighting Technology.** High Beam Assist (HBA) detects oncoming vehicles as well as vehicles in the same lane ahead at night, and changes from high beam to low beam as appropriate. The Static Cornering Light illuminates the front side area ahead when cornering, improving visibility at night.

**Rear Cross Traffic Alert (RCTA).** When reversing out of a narrow parking space, the Rear Cross Traffic Collision Warning reduces the risk of a collision. Using 2 radar sensors at the rear, it warns you in case of any approaching cross traffic.

**Intelligent Speed Limit Warning (ISLW).** The Intelligent Speed Limit Warning uses the front camera and information from the navigation system to identify road speed signs and displays the speed limit and no-passing signs in real time. The information is displayed in both the navigation system display and the TFT cluster.

**Advanced Smart Cruise Control (ASCC) with Stop and Go function.** Using front radar sensors, Advanced Smart Cruise Control with Stop and Go function keeps a constant speed and distance from the vehicle ahead by automatically accelerating and braking. If traffic comes to a halt, the Stop and Go system applies the brake until the car comes to a standstill and accelerates to the desired speed as soon as the road is clear.

**Driver Attention Alert (DAA).** This available feature from SE Nav and above raises safety and convenience to an entirely new level by continuously monitoring and analysing driving patterns. When a pattern of fatigue or distraction is identified, DAA gets the driver's attention with an audible alert and pop-up message suggesting a break.

# Enjoy the space and comfort to fit your lifestyle.

Breathe easy thanks to spacious designs and flexible seat formations. Whatever life may hold for you, you can be sure that the Tucson will rise to the challenge.

Stretch out in the Tucson's expansive cabin, keeping you comfortable whether you're on a shopping spree or the school run. Ample headspace improves your visibility, whilst the dash-to-boot panoramic sunroof opens the interior to the world, giving incredible views of everywhere your travels take you. Generous space guarantees a comfy ride and easily stored luggage, letting you relax on every journey.

\*Kerb Weight defined as the total weight of a vehicle with standard equipment (the minimum figure) and factory fitted optional equipment (the maximum figure) and all necessary operating consumables such as oils, coolant, air conditioning refrigerant and a full tank of fuel, while not loaded with either driver, passengers or cargo. † Payload is the difference between the Gross Vehicle Weight and the Kerb Weight. ‡ Gross Vehicle Weight is the maximum allowable weight of the vehicle, fully loaded with passengers and cargo (The Payload) and includes the weight of the vehicle. \*\* The Gross Train Weight is the weight of the fully loaded vehicle plus a fully loaded trailer and must not be exceeded. †† The results given above do not express or imply any guarantee of fuel consumption of any model to which this brochure refers. The driver's style and road traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. ††† g/km = grams of emitted substance per kilometre travelled. CO<sub>2</sub> = Carbon Dioxide. Figures quoted refer to new testing procedure WLTP (Worldwide Harmonised Light Duty Test Procedure). Until 2020, these WLTP figures are converted to obtain equivalent NEDC values that are displayed. These test figures are for comparative purposes and may not reflect actual driving results.

## Hyundai Finance

---

Hyundai Finance provides a range of products to make the purchase of your Hyundai even more accessible. To meet your requirements, our plans are simple but offer you the same quality and flexibility as your new Hyundai. Applying for a finance plan through your local Hyundai dealer is easy and they will support you in choosing the right plan for your needs.

As a customer your satisfaction is at the heart of our business, and whilst you are able to manage your account online, we are only a phone call away should you require any help or assistance. We offer two main products to assist your car purchase:

### **CONDITIONAL SALE**

Conditional Sale is a simple and traditional way to finance your car over a fixed period. You decide to fund the entire purchase price or put down a deposit and as your interest rate is fixed you'll pay the same amount each month. After all repayments have been made you'll own the car.

### **PERSONAL CONTRACT PURCHASE (PCP)**

Personal Contract Purchase could make it easier for you to get behind the wheel of your Hyundai, it may also help you to change your car on a more regular basis.

The way it works is simple — you decide what level of deposit to pay. From nil, up to a maximum of 50%. You also decide your repayment period (typically 25, 37 or 49 months) and set your anticipated annual mileage. This will determine your optional final payment.

You will then make fixed monthly repayments based on the outstanding balance and interest, less your optional final payment, and at the end of your monthly repayment period you will have three choices: return, retain or renew.

**RETURN:** you can hand the car back to us with nothing further to pay (subject to fair wear and tear, and/or excess mileage charges may apply).

**RETAIN:** you can pay the optional final payment and the car is yours.

**RENEW:** you can part exchange the car, using any equity over and above the optional final payment as deposit on your next car (equity is anticipated, but this cannot be guaranteed).

T&Cs apply. Subject to status. Applicants must be 18 or over. Guarantee/Indemnity may be required. Hyundai Finance, RH1 1SR

## 5 Year Unlimited Mileage Warranty

---

At Hyundai we continually invest in the latest manufacturing technology designed to give you years of enjoyable motoring. Our trust in our products is backed up by our comprehensive aftercare package to ensure you have the best possible experience as a Hyundai owner.

Only Hyundai-trained technicians will carry out any warranty work, and we'll also check for any software updates to keep your car running smoothly. You can be sure that we'll only use Hyundai Genuine Parts - tested and approved by us.

### **5 YEAR UNLIMITED MILEAGE WARRANTY**

Peace of mind comes as standard with our manufacturer-backed, unlimited mileage, 5 year warranty\* which protects your Hyundai against manufacturing defects and is fully transferable to the next owner.

### **HYUNDAI ROADSIDE ASSISTANCE**

24 hour roadside assistance should you ever need it, anywhere in the UK or Channel Islands, with Onward Travel included, to get you home if your car can't be fixed at the roadside<sup>†</sup>.

### **5 ANNUAL VEHICLE HEALTH CHECKS**

Free, expert visual inspections by your Hyundai dealer on key areas of your car, to help spot any potential problems early.

### **ADDITIONAL AFTERCARE**

A 12 year anti-perforation warranty against perforation of the bodywork, from the inside of the panel outwards.

\* Vehicles used for taxi, daily rental hire and reward or light commercial vehicles are limited to 100,000 miles. Terms and conditions apply. Visit [hyundai.co.uk/warranty](http://hyundai.co.uk/warranty) for further details.

† Complimentary Hyundai Roadside Assistance automatically covers your Hyundai for 12 months from the date of first registration and can be re-activated annually upon adhering to the recommended service schedule at an Authorised Hyundai Dealer. Visit [hyundai.co.uk/assistance](http://hyundai.co.uk/assistance) for further details.

## Motability Plans

---

The Motability plan will enable some of you to purchase a Hyundai at a preferential rate. If you receive the Higher Rate Mobility Component of the Disability Living Allowance, you're entitled to access this excellent scheme. In recognition of your requirements, many Hyundai models can be ordered on the 3 year Contract Hire Scheme.

You'll benefit from advantageous features like power steering, height-adjustable driver's seat and automatic gearbox, which all come as standard.

Most of our dealers are Motability Accredited, so just contact them and they'll be happy to help. If you'd like to read about the scheme in more depth, simply visit [www.motability.co.uk](http://www.motability.co.uk)
