Versatility that will transform *your thinking about everyday cars.*

The Yaris Verso represents a remarkable new concept that draws on highly original thinking in design and clever new advances in engineering. It combines interior space comparable to a Multi Purpose Vehicle (MPV) in an aerodynamic body shape that's no longer than a small family car.

You simply won't find a more versatile vehicle. A unique underfloor fold-away seating system means you can quickly convert it from a lively five-seat family transporter to a two-seat high capacity load carrier.

This compact car is also superbly equipped with remote double locking, electric front windows and power steering on all models. Excellent road holding and responsive performance give you the control and safety associated with much larger cars.

Experience the transformation of the car - with the Yaris Verso.

Driving a compact MPV is a whole new experience.

You'll be very impressed by the performance of the Yaris Verso's 1.3 VVT-i litre engine. Its advanced engineering helps it adapt perfectly to all kinds of demands: from the school run, through winding country roads to motorway cruising.

The secret is in the intelligent Variable Valve Timing (VVT-i). This uses computerised control to ensure that intake valve timing adjusts to engine speed and accelerator pressure, to provide optimum performance and fuel economy plus low emission levels. In this way, acceleration is always responsive yet efficient. With the help of the Verso's aerodynamic body, VVT-i technology delivers the performance you want with the most sparing use of fuel.

Equally impressive, the 1.4 D-4D diesel power unit, with its advanced common-rail design and direct injection, delivers excellent performance and truly exceptional fuel economy of more than 55 mpg on a combined cycle.

Whichever Yaris Verso you choose, the results are impressive, offering power and response – yet still offering good fuel economy and low emissions at the same time.

VVT-i engine technology gives the Yaris Verso lively and responsive performance while achieving optimum fuel consumption.

Toyota's sophisticated D-4D diesel technology delivers exceptional fuel economy.

To reduce fuel consumption further, computer-aided engineering is used to optimise Yaris Verso's body weight and aerodynamic drag without sacrificing safety.

*Yaris Verso 1.3 manual 93/116/EEC
Combined 44.1MPG = 6.4ℓ/100km
Urban 35.3MPG = 8.0ℓ/100km
Extra Urban 51.4MPG = 5.5ℓ/100km
Digital display information is for illustration purposes only

It changes your view
of driving.

The advanced interior layout of the Yaris Verso means that you're always firmly in control. You'll find the higher seating position gives a more commanding view through the panoramic windows.

Every control is comfortably within reach. Instruments can be checked with total safety: frequently used dials are positioned on top of the dashboard close to your view of the road. And the 3D holographic instrument panel is much easier to see in all light conditions.

The multi-information display comprising audio controls, trip computer and external temperature completes the impressive dashboard.

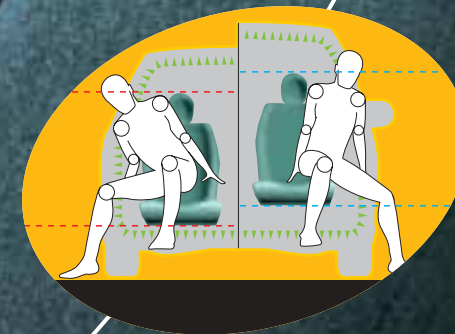

You'll see driving from a different perspective in the Yaris Verso.

The instrument panel is centrally situated - a more natural position for driver's eyes. A holographic display relays information to the driver's eyeline as the journey progresses.

Information at your fingertips: Yaris Verso's integrated audio system - and optional GPS satellite navigation - share the central multi-information display rendering the audio system useless to thieves if stolen.

Yaris Verso seats are higher than conventional cars which provides a more natural seating position and aids entry and exit from the vehicle

The rear seats of the Yaris Verso fold away flat into the floor - extending your cargo carrying space up to 2160 litres. More than a mid-size estate car.

There are four seating options in all: giving you the choice of 2, 3, 4 or 5 seats. And the lightweight seats make conversion the simplest of procedures. So the Yaris Verso is always on standby to deliver whatever seating-to-load ratio that you want.

Big doors, low floors and full length assist grips make access no trouble at all. While the Iso-fix system means child seats can be anchored with one click.

Whether you need outstanding load capacity or a five-seat family car, the solution remains the same. The remarkably versatile Yaris Verso.

Extra load-space
appears in an instant.

Club class:
There is 12 per cent more legroom in the rear of the Yaris Verso than other cars in its class.

Striking a balance:
With the centre rear seat removed and one of the two outer seats folded into the floor, 2 passengers and driver are accommodated plus unusual loads.

The cargo hold:
With the hide-away seats folded, there is 2160 litres of storage - more than most family estate cars - easy access is provided by a flat floor with an extra low loading lip.

It makes you feel *good inside.*

Built-in rechargeable torch: Yaris Verso's interior rear hatch light is also a practical chunky torch. Even better, it's stored in its own easy-to-get-at charging point, so it's always ready just where you need it most.

There's a place for everything inside the Yaris Verso. You'll find a dual glove box that provides twice as much storage as more conventional designs. Another storage tray is located beneath the front passenger seat. And map shelves are provided above driver and passenger sunvisors.

Seat-back pockets reduce the excuse for clutter still further. There's a sunglasses holder and even a built-in rechargeable torch. Clearly, inside a Yaris Verso it's a well ordered world.

As children grow older, the 12v rear power point can be used for electronic games to help the miles fly by on longer journeys. It's amazing the difference these design features make - inside the Yaris Verso.

Rear seat cup-holders and a 12 volt power point mean that your passengers can keep themselves occupied on longer journeys.

Overhead storage designed to keep everyday items like sunglasses or mobile phones at hand, just one of many innovative storage compartments.

Well developed *protective instincts.*

CAE safety cell:
In an accident, Yaris Verso's occupants are protected by a structure optimised using Computer-Aided Engineering to provide excellent frontal and side impact protection.

Multi reflector headlamps:
The new-design halogen headlamps in the Yaris Verso have one of the most powerful low beams in the class for safer and more relaxing night-time driving.

Twin front SRS airbags:
Driver and front seat passenger enjoy the reassurance of airbags as standard.

The safety of you and your family is paramount aboard a Yaris Verso. As the best protection is prevention, our designers have ensured superb road handling qualities by ensuring excellent weight distribution and a low centre of gravity.

Ventilated front disc brakes and electronic brake force distribution with ABS ensure controlled braking - whatever the condition. For ultra-safe night driving, the powerful beam of special halogen headlamps provide excellent visibility through the dark.

If an impact should occur, the Yaris Verso's front twin airbags, front/rear side impact bars and front seat belt pre-tensioners with force limiters help to protect occupants - your most valuable cargo.

The Yaris Verso: the compact family car that makes a big contribution to road safety.

Yaris Verso drive plans

Easy Start

Finding the deposit doesn't have to be an obstacle to driving a new Yaris.

Yaris Easy Start, means you can be on the road after paying a low deposit that's no more than the equivalent of your first monthly payment.

At the end of the Yaris Verso Easy Start plan, you have three attractive choices:

- You can part exchange your Yaris Verso for a new model and use any money left over above the Guaranteed Future Value/Final Payment towards the deposit.
- You can continue to drive your Yaris Verso - simply pay the Guaranteed Future Value/Final Payment and the car becomes yours*
- You can return the car provided that you have not exceeded the agreed mileage and the car is in good repair. All you pay is a £40 fee and you return the car with no further charges.

* A £40 Option to Purchase Fee is payable at the end of the agreement.

Easy Drive

This plan allows you to include most of your motoring costs for 2 or 3 years in a single payment each month and covers:

- The cost of your car on a 2 or 3 year Toyota Terms agreement
- A 2 or 3 year Toyota Easy Care servicing plan covering routine major and intermediate services.
- Extended membership of Club Toyota for 2 or 3 years. This covers Toyota EuroCare, RAC Homestart, Roadside Assistance and Vehicle Recovery in the UK and Europe*. It also includes a two day replacement loan car or onward transport when required. And, of course, you'll enjoy all the additional motoring, travel and leisure benefits that Club Toyota membership brings.
- As a further option you can also include the cost of 2 or 3 years car insurance from Toyota Insurance in your monthly payment. This offers you the additional convenience and reassurance of knowing that any claims will be managed by the Toyota Accident Service - with repairs carried out by an authorised Toyota bodyshop.

* Ask your Toyota dealer for details of the countries covered by Roadside recovery and Assistance.

Easy Care

A well maintained car not only provides better performance and greater safety, it also holds its value better too. That's an important consideration when it comes to changing your car in the future.

The Toyota Easy Care Plan ensures that your car receives the very best maintenance and servicing at all times, by allowing you to spread the payments over a ten month period. You'll find that Toyota Easy Care is a simple method for prepaying the following costs:

- Routine major services (including routine servicing, parts* and labour)
 - Intermediate oil and filter services
- *excludes any replacement parts additional to the service, such as brake pads, tyres, clutch etc.

Your Toyota Dealer can arrange cover by Toyota Easy Care for either 2 or 3 years and at annual mileage bands of between 10,000 and 40,000 miles. The Toyota Easy Care Plan represents excellent value for money and provides added peace of mind with your new Toyota.

Business Drive

Business Drive is a fully maintained contract hire package most suited to small business customers.

The package includes the following benefits:

- The cost of your car on a 2 or 3 year contract hire agreement
- Routine scheduled servicing (including routine servicing parts)
- Mechanical repairs required through fair wear and tear
- Replacement tyres
- Courtesy vehicle in the event of mechanical failure
- Renewal of road fund licence in 2nd and 3rd year
- RAC Cover/European Cover/Extended Club Toyota membership/Toyota EuroCare.
- An accident management service.

The Business Drive package clearly offers many customer benefits including reduced capital outlay, all-inclusive monthly rentals and no depreciation disposal or administration problems – everything is taken care of by Toyota Contact Hire.

Flexible Finance

A Drive Plan to suit you

These specific Yaris Verso Drive Plans may not suit your individual needs. Perhaps you prefer a more traditional method of financing your car. Whatever your requirements Toyota have a full range of finance options to offer you. Just discuss your personal requirements with your Toyota dealer who will be pleased to help you choose a Drive Plan to suit you.

Typical finance example

Yaris Verso 10,000 miles per year for 24 months (non-maintained)	
Cash price on the road	£10,995.00
Deposit	£2,199.00
23 monthly payments	£239.00
Guaranteed future value/final payment	£5,383.25
Total amount payable [†]	£13,189.25
APR	16.54%

[†]Includes £70 Credit Facility Fee (payable with the first monthly payment) and £40 Option to Purchase Fee (payable with the final payment). Based on 10,000 miles per year on Toyota Terms. Additional mileage charged at 7p per mile inc. VAT. Written quotations available on request from Toyota Financial Services (UK) PLC. All agreements subject to status. Indemnities may be required. Prices and example correct at time of going to press.

Yaris Verso *accessories*

Whether you are looking for extra comfort convenience, or just extra style, Yaris Verso comes with a range of genuine Toyota accessories designed to fine tune your Yaris Verso to the way you live your life.

Roof spoiler

Your Yaris Verso looks good, yet to add that finishing touch, you may just want to add an aerodynamic roof finish. Yaris Verso roof spoilers need to be colour-keyed for that streamlined, integrated look.

Vertical cargo net

Whether your travelling near or far, this convenient nylon car net secures small items in the trunk of your Yaris. A perfect barrier. Hooks easily into place.

Alloy wheels

These stylish wheels give your Yaris Verso a distinctive look. Choose exclusive Toyota designs and let your Yaris Verso make a great first impression.

Steering wheel

Choose added grip and colour for your Yaris Verso steering wheel. These fashionable leather-clad steering wheels give a personal touch. Two-tone covers available in blue and green. Feels good on your hands - cool in summer, warm in winter.

In-car entertainment

Equipping your Yaris Verso with state-of-the-art audio components allows you to enter a new sound dimension, giving you the best seats in your own concert hall.

Peace of mind

Yaris Verso is not just about a new car. It's not even just about a new way of designing cars. Yaris Verso also offers a completely new approach to looking after your car, once it is yours. Toyota's global reputation for quality and integrity means Yaris can add peace of mind to its own highly individual range of attributes.

On the day you purchase your Yaris Verso, your dealer will present you with a 'Yaris Verso Passport'; a guide to living with your Yaris Verso and making the most of its considerable range of features. Your dealer will explain the car to you, and always be there, should you require any assistance.

Health and Safety

Your dealer will also talk you through Yaris Verso's very own Health and Safety programme. It's very simple. Your Yaris Verso will only need a full 'Engine service' check once every two years, or 20,000 miles if you enjoy driving it as much as we think you will. An intermediate oil change with additional 'Health and Safety' checks are also recommended every year or 10,000 miles.

Warranty

We're so confident each and every Yaris Verso is so well built that it comes with a three-year or 60,000 miles warranty against any mechanical failure. In addition, the paintwork, no matter what colour you select, is guaranteed against imperfections for three years too.

Also, the body is guaranteed for 12 years against corrosion perforation.

Customer services

When you buy a Toyota, you automatically become a member of one of the most exciting and innovative clubs for car owners in the UK - Club Toyota. As well as giving you one year's Eurocare Roadside Assistance run in conjunction with the RAC, Club membership provides a host of other valuable benefits. These include special rates for car and travel insurance plus an exclusive travel service designed to save you time and money. Club Toyota also offers reduced price cinema and theatre tickets and the opportunity to participate in a variety of special events. You'll find all the details in the quarterly magazine written specifically for Toyota drivers: In Front. **To find out more about Club Toyota call 0845 275 5555.**

Toyota Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Dealer.

Toyota Fleet provides complete business solutions for companies that run a fleet of vehicles. For more information on how Toyota Fleet can deliver your fleet requirements either contact your local Toyota Dealer or the Toyota Fleet Business Centre on 0845 271 2712.

Toyota Drive Plans make acquiring and maintaining your new car as easy as driving it. They offer a choice of affordable ways to help you buy, finance, service and maintain your Toyota. The range of plans has been structured to offer you flexibility, easy budgeting and peace of mind.

- **Easy Start is an exciting new low deposit plan.**
- **Easy Care offers the complete reassurance of prepaid servicing.**
- **Easy Drive is a comprehensive plan which takes care of most of your motoring needs for 2 to 3 years with one monthly payment .**
- **Business Drive is a fully maintained contract hire package most suited to small business customers.**

Whatever your personal preference, your Toyota Dealer can tailor a Drive Plan to suit your needs perfectly - driving a new car has never been so easy.

Written quotations available on request. All agreements subject to status. Indemnities may be required.

Every new Toyota comes with a three year/60,000 mile manufacturers warranty. Toyota offers you the opportunity to renew your warranty annually after the initial warranty period expires until the vehicle is 7 years old. No unexpected bills or concerns. In fact, nothing to pay beyond routine servicing and maintenance.

Toyota warranties offer equivalent cover to the manufacturers warranty, covering all of the main components of your vehicle (with the exception of batteries, corrosion of exhaust and damage or wear to interior trim).

Our warranty range offers you choice and flexibility, based on the vehicles age and engine size. All allow for an unlimited annual mileage and special low user discounts are available for those covering less than 10,000 miles a year. Warranty cover also includes Club Toyota membership including UK RAC and Eurocare Roadside Assistance, car hire up to 5 days after the first 24 hours, hotel expenses and free MOT test cover.

For further information please contact your local Toyota dealer.

In the event of an emergency Toyota offers free of charge to Toyota owners a comprehensive management service which includes advice, assistance and practical help. Please contact your local Toyota Dealer for further details.

Toyota Approved Used Car Scheme. Please contact your local Toyota Dealer for details.

Whilst every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice.

This brochure cannot be regarded as infallible, (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification.

For the latest specification and availability we ask that you contact your local Toyota dealer.

For more information on any other Toyota models and the location of your nearest Toyota dealer, simply call: **0845 275 5555** (calls to Toyota may be monitored or recorded) or visit our web site: www.toyota.co.uk
