

GIULIETTA

A HUMAN-CENTRIC CAR FOR THE PASSIONATE

The Giulietta is an Alfa Romeo car before anything else. Designed totally around the person, it puts the driver at the center, giving full command and control of information.

FUEL YOUR INSTINCT

The new Giulietta. Power, energy and safety, ready to be unleashed on the road.

Agility. Cutting-edge McPherson front suspensions and Multilink rear suspensions, ideal for handling sharp corners with excellent grip, offering superior driving comfort.

Fun. Dual Pinion Active Steering for an exhilarating driving experience.

Flexibility. 6-speed manual or automatic transmission with the Alfa TCT double clutch, for more efficient and faster shifting, with a continuous torque output.

Technology and sportiness. Alfa™ DNA selector with three different dynamic vehicle responses according to the driving style and travelling conditions.

IT TAKES ONLY ONE GLANCE TO RECOGNIZE IT

A strong, unique, clear, precise style. The new Giulietta is the true embodiment of Alfa Romeo design and beauty.
The new honeycomb grid grille gives the front of the car a sporty and aggressive feeling.
The distinctive Alfa Romeo trilobe communicates strength, balance and harmony.
The headlamps, with a carbon-look treatment for the sporty versions, have an aggressive and glamorous edge.
The unique and unmistakable rear lights - next to the new Giulietta logo - give it a modern, bold and sporty style.

DYNAMIC INTERIORS

ENERGY FROM WITHIN

Perfect ergonomics and Italian style: the interior of the new Giulietta is all about the driver. The beauty of sophisticated materials is all around. New brushed matt black inserts for the dashboard, door panels and center console. The ultimate in comfort and beauty, the seats come in fabric, fabric and Alcantara®. In the sports versions, they are in leather and Alcantara®.

SMOOTH POWER

A cutting-edge range of Turbo-charged Petrol, Turbo Diesel and LPG engines, combines maximum performance with reduced fuel consumption and respect for the environment. The Giulietta now comes with the new Diesel 1.6 120 HP engine with Alfa TCT transmission, combining the advantages of Turbo Diesel engines with the comfort of an automatic transmission and the speed of a dual clutch transmission. Efficiency and driving pleasure.

MULTIMEDIA INTELLIGENCE

MAKING REALITY EASIER

The Giulietta has the innovative Uconnect™ touch-screen multimedia system with Bluetooth®, audio streaming, Aux-in, USB connector, voice commands, SMS Reader and DAB device so you can listen to the radio in digital sound. The latest update is the Uconnect™ Live services that make your driving experience simple and enjoyable. Download the app onto your Smartphone. Arrive at destinations with TomTom Live services. Monitor savings, consumption and emissions with the applications Eco:Drive and my:Car. Stream music with Deezer and TunIn, and share the trip with friends on Facebook and Twitter. The exclusive Alfa Performance lets the driver monitor vehicle parameters, measure their performance and get real-time driving advice.

MOPAR® VEHICLE PROTECTION - "FEELING GOOD, DRIVING HAPPY"

Mopar® Vehicle Protection offers Service Contracts guaranteed by Fiat Chrysler Automobiles to ensure peace of mind to customers so that you can enjoy the pleasure of driving your car without problems or worries. Only with Mopar® Vehicle Protection can you be sure that all technical operations will be carried out by highly qualified, specialised professionals in Alfa Romeo authorised workshops exclusively using the right tools and instruments and genuine spare parts covered by warranty anywhere in Europe. The product portfolio features a comprehensive, flexible range of FCA-approved warranties and service plans, which can be transferred to the new owner if the car is sold to keep its value constant over time. Each product has different coverage, duration and mileage levels created to satisfy everyone's needs.

For Giulietta, Mopar® has developed vital services to keep your car in perfect conditions:

"Maximum Care" - mechanical and electronic coverage that extends the vehicle warranty. You can enjoy the advantages of total safety by extending the manufacturer's warranty for up to five years. Maximum Care is the natural continuation of the manufacturer's warranty and ensures the best coverage-to-price ratio.

"Powertrain Care" - coverage for mechanical parts extending beyond the vehicle warranty for engine, gearbox, transmission and fuel system components. An essential, fundamental coverage for customers who need to keep using the car and save at the same time. The coverage follows the car for up to five years.

"Easy Care" - prepaid scheduled maintenance plans at competitive prices. The Easy Care service is created to make it easier to monitor service-related costs allowing you to keep your car in the best conditions without missing a deadline and guaranteeing maximum performance at all times.

You can choose to purchase our Service Contracts when you buy your new car or at the first service deadline for Easy Care or within 24 months from the registration date for Maximum Care or Powertrain Care warranty extension.

For more information on conditions, restrictions and exclusions of Mopar® Vehicle Protection Service Contracts contact your Dealership and/or Alfa Romeo Authorised Workshop, or go to the website www.alfaromeo.mopar.eu

VEHICLE WARRANTY

The purchase price of your Alfa Romeo car includes a 24 month warranty that starts from the handover date and has no mileage limits. The warranty covers the car against manufacturing defects, which will be resolved free of charge using genuine or reconditioned spare parts. Operations under warranty are carried out by an Alfa Romeo Dealership and include: • Repair or replacement of the faulty component • Manpower needed for the replacement or repair • Supply of consumable materials needed to carry out the repair under warranty. You have the benefit of roadside assistance for the duration of the warranty.

INSURANCE AND FINANCING SERVICES

However you want to move, FCA Bank satisfies your needs with financing plans, leasing packages and exclusive services.

Instalment plans

This financing solution allows you to spread the payment of all or part of your new Alfa Romeo over a period ranging from 12 to 72 months, or part of the purchase cost of a used car for a period ranging from 12 to 60 months.

Leasing

If you are a professional, a freelancer or run your own business, this solution offers you the option of using your car without tying up your capital. You have a choice of contract term (from 24 to 60 months) and advance, plus a flexible final redemption value.

Be-Lease

Be-Lease starts where leasing stops. Be-Lease is the first and only financing plan that offers car insurance included in the fee and the guarantee that the price will not change for the entire duration of the lease*: one problem less, one advantage more for peerless convenience and even more accurate expense planning. Furthermore, you can tailor coverage to your actual protection needs by choosing from a wide range of accessory services. *with cancellation option at every contractual expiry date according to policy date.

Freely Alfa

To finance your Alfa Romeo you can choose to pay a variable advance from 0% to 50% integrated with the value of your used car in case of trade-in. At the end of the three year period, you can decide to keep your Alfa Romeo settling the rest in a single payment or in instalments or you can change your car with a new one picked from the Alfa Romeo line-up.

ACCESSORY SERVICES

FCA Bank allows you to combine your financing plan with a wide range of services designed to protect you from unexpected events: marking as deterrent against theft, Fire&Theft, Collision, Kasko insurance to protect the value of your car, Gap4You to guarantee the invoice value of your car for four years, CPI (credit protection insurance) to cover contingencies in the customer's life, residual capital debt or a predetermined number of residual financing plan monthly instalments.
