

FABIA

ŠKODA

FABIA – SETTING THE STANDARD

The redesigned third generation ŠKODA FABIA takes a classic and adds so much more. The sleek new design takes what was an already hugely popular model and makes it more compelling than ever.

A restyled front and rear gives the FABIA more presence on the road, and that coupled with a host of new safety features such as Blind Spot Detection, Rear Traffic Alert and Auto Light Assist give you more confidence on your drive. The functional and stylish interior makes it not only a comfortable drive, but allows you to stay connected on the move, with a whole host of connectivity features.

We think you'll agree that today's FABIA is as much a joy to drive and just as relevant as when we started.

Models shown are not UK specification. Some of the equipment shown is optional.

STEAL ATTENTION ON THE ROAD

Confidence, power and balance. From the crystalline design of the headlights, the distinctive geometry of the grille to the powerfully contoured rear, the FABIA's exterior makes a first-class first impression from every angle.

LED HEADLIGHTS

The optional LED headlights adjust light intensity to provide great visibility in all situations. When oncoming traffic is detected, they automatically adjust to prevent dazzling others. Comes with front cornering fog lights.

PRIVACY GLASS

Designed to provide additional sun protection for passengers in the back, the tinted rear windows also add a sporty look and feel.

LED REAR LIGHTS

The FABIA's LED rear lights feature the iconic illuminated C-shaped design, tinted with a black edge. Standard on the Monte Carlo.

SIGNATURE DESIGN

The newly designed front with its dynamic 3D fins give the car a modern and dynamic look, whilst the grill cuts in at the top to drag the bonnet in giving the car an improved road presence. The honeycomb bumper gives the car a more premium feel.

**PANORAMIC
GLASS ROOF**

The optional eye-catching panoramic glass roof gives the car a more spacious feel.

A GREAT DEAL OF THOUGHT AND SPACE

The interior of the FABIA is as captivating as it is inviting, with an emphasis on striking horizontal lines and fine-tuned functionality. It's highly adjustable too, from the seats, mirrors and windows to the dashboard style and upholstery colour.

MULTIFUNCTION STEERING WHEEL

The attractive multifunction leather steering wheel isn't simply soft and tactile, it enables you to control the radio, trip computer and your connected smartphone.

CLIMATE CONTROL AIR CONDITIONING

Whether keeping you cool in the summer or cosy in the winter, this electronic system provides year-round comfort. It's also fitted with a humidity sensor to reduce windscreen misting.

HEIGHT ADJUSTABLE FRONT SEATS

We go to great lengths to put comfort firmly in the driving seat. Quite literally in this case, as the driver's seat can be easily adjusted to suit your height. An adjustable passenger seat is standard on SE and above.

REAR SEATS

With its generous leg-room and space, the FABIA ensures your passengers in the back always have plenty of room.

CONNECTIVITY TO GO WHEREVER YOU GO

While the infotainment system instantly impresses, it truly comes alive once connected to your smartphone. This enables you to be fully online on the move, keeping you connected wherever your journey takes you. It also opens up a world of personalisation thanks to features such as SmartLink+.

SMARTLINK+

From taking calls to switching between your favourite playlists, SmartLink+ enables you to connect your smartphone through the infotainment system with Apple CarPlay™ and Android Auto™.

SWING PLUS RADIO

Take your favourite tunes on the road with the Swing Plus radio, which includes a 6.5" touchscreen, DAB, AM and FM tuners, USB connection and SD card slot. Included as standard on SE models and above.

ŠKODA SURROUND

Open road. Favourite tunes. Pure bliss. The ŠKODA Surround sound system is perfectly tuned to suit the unique space of the FABIA and includes six onboard speakers, plus a further three virtual speakers.

STAY CONNECTED

The ŠKODA Connect system turns the FABIA into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates. With Proactive Services the car will contact your ŠKODA Retailer to inform them a service is due.

Finally, Emergency Call will contact the emergency services in the event of an accident to get you the help you need.

Generous space and ŠKODA have always gone hand in hand. The FABIA's no different. With the rear seats folded, the Hatch offers an impressive 1,150 litres, while the Estate offers 1,395 litres. In other words, ample room for both practical essentials and playful extras.

FULLY LOADED

The FABIA's always been filled with thoughtful touches that make life that little bit easier. Naturally, you'll find that remains the case with cleverly hidden extras at every turn.

UMBRELLA

A spot of rain will never dampen your spirits again thanks to the umbrella located under the passengers seat.

ICE SCRAPER

Mounted out of sight on the fuel cap, this handy ice scraper is ideal for frosty mornings.

REAR-VIEW CAMERA

Located on the boot handle, the optional rear-view camera makes light work of reverse parking, with an integrated washer to keep obstacles visible.

ADJUSTABLE SHELF

The two-position luggage compartment shelf, when fixed in the lower position, allows you to transport fragile objects with complete peace of mind.

LOOKING OUT FOR THOSE INSIDE

We're forever focused on customer safety and comfort. It's why in a car that can seat up to five passengers, six airbags are equipped as standard. You'll also find a host of active and passive driver assistance systems that help to provide extra protection at all times.

DRIVER FATIGUE SENSOR

This intelligent safety feature evaluates data from the power steering sensors to detect driver fatigue. The moment any tiredness is detected, the trip computer display warns the driver to take a break.

THIRD REAR HEADREST

If full carloads are the rule rather than the exception, the option of a third headrest in the middle seat will be welcomed by all rear passengers.

BLIND SPOT DETECTION WITH REAR TRAFFIC ALERT

Placed in the corner of each wing mirror, the signal turns yellow when a car is in your blind spot to warn you not to pull out. Rear Traffic Alert provides an audio signal when reversing if the car detects a potential collision.

FRONT ASSIST

Using a radar in the front bumper this system provides an audio and visual signal to warn of an impending collision. If the driver fails to respond, the system initiates braking to minimise any possible impact.

FABIA S

Loaded with standard equipment and thoughtful touches, this entry-level trim impresses at every turn.

ELECTRICALLY ADJUSTABLE AND HEATED DOOR MIRRORS

HEIGHT AND REACH ADJUSTABLE THREE-SPOKE STEERING WHEEL

SWING RADIO WITH 6.5" TOUCHSCREEN DISPLAY

STANDARD EQUIPMENT

WHEELS

- > 15" COSTA STEEL WHEELS

> CRUISE CONTROL AND SPEED LIMITER

Helping you maintain a constant speed, cruise control is particularly useful on longer journeys. Whilst the speed limiter ensures you don't exceed the maximum speed limit.

YOUR FABIA, YOUR WAY

From roof racks, mudflaps and mats to the latest tech and alloy wheels, our range of FABIA accessories are designed to protect your pride and joy and add that special finishing touch.

ROOF BOX AND ROOF BARS

By using the roof box in conjunction with our aluminium roof bars, you solve a common problem when transporting large, awkward objects such as skis, snowboards, pushchairs and golf bags that don't fit into the luggage compartment of a fully seated car. With its spacious 380 litres of volume, it can comfortably carry up to 120 kg in total stability.

REAR SEAT PROTECTION AND DOG SAFETY BELT

Forget worrying about the cleanliness of your car, particularly when transporting your pet. This easy-to-clean seat protector is sufficiently sized to cover the back seats. It is waterproof, washable and has an anti-slip treatment for your pet's safety. The safety belt keeps your dog safe and is available in a variety of sizes.

PLASTIC BOOT DISH AND PARTITION

This lightweight and durable thermoplastic dish fits perfectly into the boot area and protects it from moisture, dirt and damage. If the dish does get wet or dirty it can easily be taken out and cleaned - perfect if you lead an active lifestyle. Inserting aluminium inserts also helps create smaller compartments meaning less chance of items sliding around.

MULTIMEDIA HOLDER AND ADAPTER

This clever holder allows tablets between 115 to 195mm to be viewed both vertically and horizontally. It can also be tilted forwards, backwards or sideways by up to 30° and can be rotated 360°, making versatile viewing for your rear passengers.

PROTECTION PACK

A walk in the woods or a day at the beach – it's great for the soul but not your interior. Protect your FABIA and save money with our Protection Pack. The pack includes front and rear mudflaps, rubber boot liner and textile floor mats – all for a special pack price.

LOCKABLE BICYCLE HOLDER WITH ALUMINIUM PROFILE

Providing secure transport for your bicycle, the aluminium profile bicycle rack makes it easy to mount and secure your bicycle to the roof of your car. With its unique design and high-quality workmanship, the rack protects your bicycle and can also be locked to provide better protection against theft.

MUDFLAPS

Mudflaps prevent stones, grit and road spray from ruining your precious bodywork. This custom design is moulded to fit snugly into the contours of the wheel arches.

FLOOR MATS

These quality textile mats will keep your carpeted floors looking pristine. Thanks to quick release floor poppers, they won't slip around beneath your feet. There's also rubber versions for the more outdoorsy types.

RUBBER BOOT MAT

This rubber mat fits perfectly onto the floor cushion of your car. It protects your boot space so you can put dirty objects such as shoes, sports equipment, gardening material, paint etc. in knowing it can be easily removed for quick and easy cleaning - perfect for keeping the boot of your car immaculate for as long as possible.

YOUR FABIA, YOUR RULES

Express your personality by adding a distinctly personal twist to the award-winning FABIA. Will you make a statement with colour, go all out on style or go all in on features? Decisions, decisions.

Simply use our online car configurator to choose your engine, alloys and the all-important eye-catching finish, then turn your attention to the many extra features available.

Visit: skoda.co.uk/models/fabia and select **Build Your Own** to start creating.
