

## PURE DRIVING JOY

A truly grand presence in a compact form—and a pure joy to drive. Put simply, the XT4 has everything you're looking for in an SUV.

## DESIGN WITH YOU IN MIND

### SIGNATURE LED LIGHTING

Exterior LED lighting comes standard on both the front and the rear, including iconic Cadillac vertical taillamps.

### ACCENT GRILLE

High gloss—high style. The available high-gloss Sport Grille is the statement piece of your new look.

### FRONT SEATS

Available massaging front seats with heat and ventilation keep you warm or cool, and always comfortable.

### REAR SEATS

At 39.5 inches, the XT4 offers segment-leading rear legroom so your passengers have room to stretch out.

### CARGO SPACE

The XT4 offers 60/40 folding rear seats for flexible cargo configuration with up to 48.9 cubic feet<sup>1</sup> of storage.

1. With rear seats folded. Cargo and load capacity limited by weight and distribution.

# PEACE OF MIND COMES STANDARD

## STANDARD SAFETY FEATURES

- **Automatic Emergency Braking<sup>1</sup>**  
When traveling below 50 mph, this feature can help alert you when it detects a front-end collision is imminent with a vehicle ahead you are following. It also can help reduce the collision's severity or avoid the collision by automatically applying hard, emergency braking if you have not already or by enhancing driver hard braking.
- **Safety Alert Seat<sup>1</sup>**  
Provides you the option of getting directional seat vibration pulses on the driver seat-bottom instead of beeps for crash avoidance alerts.
- **Front Pedestrian Braking<sup>1</sup>**
- **Forward Collision Alert<sup>1</sup>**
- **HD Rear Vision Camera<sup>1</sup>**
- **8 Standard Airbags<sup>2</sup>**

## AVAILABLE SAFETY FEATURES

- **Rear Camera Mirror**  
Use the traditional inside rearview mirror or switch to a camera display in the mirror that provides a wide, less obstructed view to check for traffic.
- **Adaptive Cruise Control—Advanced**  
Automatically adapts speed to maintain the selected following gap between you and the detected vehicle ahead while you steer.

Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle's owner's manual for important feature limitations and information.

# BUILT TO PUSH BOUNDARIES

## PERFORMANCE & TECHNOLOGY
