

ALL NEW CAMRY HYBRID

TOYOTA

ALWAYS A
BETTER WAY

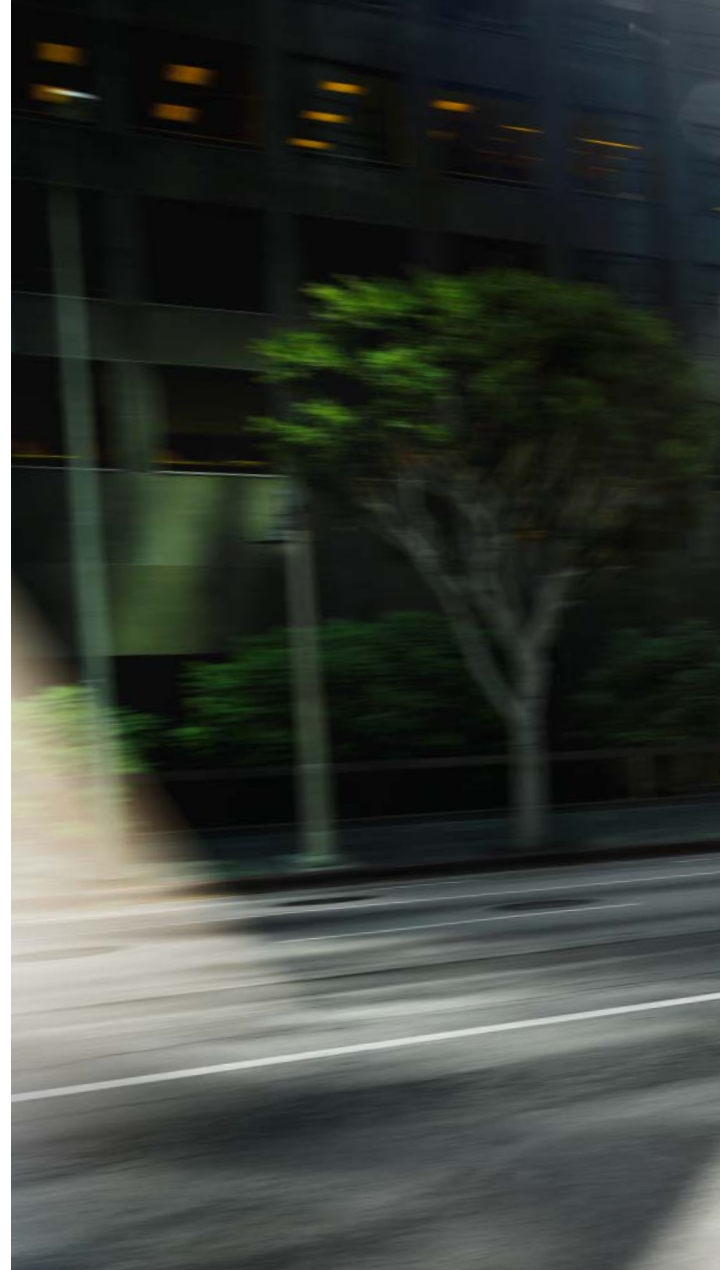

A CUT ABOVE

The All New Toyota Camry Hybrid.

PERFORMANCE MEETS ELEGANCE

**The All New Camry Hybrid fuses
performance and style.**

The All New Camry Hybrid has it all. It combines all the advantages of a sophisticated saloon with all the benefits of a Toyota Hybrid. The result is a car that offers stunning looks, sophisticated comfort and a wealth of intuitive technology, while also delivering a rewarding driving experience that takes hybrid to a new level.

THE NEXT LEVEL OF HYBRID

**Outstanding performance that
takes hybrid to another level.**

Toyota have been creating pioneering hybrids for over 20 years – and now we've added outstanding hybrid performance to the refined elegance of the All New Camry Hybrid. The result is a car that is built for driving. The all new 2.5 litre engine transforms the driving experience, allowing the hybrid system to produce impressive power, alongside excellent fuel economy and low CO₂ emissions. The supremely quiet drive is made even more tranquil thanks to superior sound insulation that reduces road and wind noise at all speeds.

A NEW DRIVING EXPERIENCE

Built to satisfy every driver and passenger.

With the Toyota New Global Architecture (TNGA) platform, safety and ride refinement meet exhilarating handling and intuitive new technology. TNGA gives the All New Camry Hybrid a low centre of gravity, a highly rigid body and advanced double wishbone suspension, providing remarkable roadholding and ride comfort with a greater sense of control, for true driving pleasure. Every aspect of the car has been optimised, from a lower bonnet for improved visibility to a new instrument panel that makes it easy to absorb vital information.

THE POWER TO DELIVER

In the city or the countryside.

At the heart of the All New Camry Hybrid is the all new Dynamic Force Engine – a lightweight 2.5 Petrol Hybrid powertrain that takes hybrid to a new level. Providing plenty of torque at low speeds and power at higher speeds, it ensures dynamic performance with effortless acceleration. It also uses a combination of direct and port injection to enhance the exciting, involving driving experience. On top of all this, it delivers outstanding thermal efficiency that ensures excellent fuel economy.

2.5 PETROL HYBRID AUTOMATIC

Power **218 DIN**

Fuel consumption* **50.4–53.2 mpg**

CO₂ emissions* **98–101 g/km**

Acceleration 0–62 mph **8.3 seconds**

* Combined cycle.

STRIKING LOOKS

All New Camry Hybrid is the definition of elegant design.

The self-assured look of the All New Camry Hybrid takes the refined elegance of a high-quality saloon and adds a dynamic edge. Its sleek, modern profile is enhanced by new alloy wheels, while the front view reveals a broad, confident grille and stylish LED lights. Whether it's arriving in style or heading into the distance, Camry Hybrid exudes true road presence.

CRAFTED WITHOUT COMPROMISE

**A car designed to delight
every occupant.**

The welcoming cabin of the All New Camry Hybrid combines superior craftsmanship with all the space and practicality you need. The finest materials are used throughout, and there's no compromise on headroom, legroom or even the space between your shoulder and the door. Uninterrupted lines create a sense of space around the driver and front passenger, while an intelligently designed cabin provides an ideal driving position.

With Cruise Control switches on the steering wheel you don't need to release your hands to change settings.

A nanoe™ ion generator cleans the air inside the car, deodorising and suppressing bacteria.

The 7" TFT screen between the dials gives you all the driving information you need.

An 8" touch screen gives you access to music, navigation and more.

PREPARED TO PROTECT

Equipped for whatever lies ahead.

Toyota Safety Sense is a suite of advanced driver assistance technologies that comes as standard in the All New Camry Hybrid, giving you complete peace of mind. From detecting potential collisions to monitoring road signs, this is a system that puts your safety first. Alongside Toyota Safety Sense, you'll also benefit from a Blind Spot Monitor* system which enables you to change lanes safely. Intelligent front & rear parking sensors with automatic braking* make parking simple, while Rear Cross Traffic Alert with Brake Assist warns you of approaching vehicles when you're reversing and applies the brakes if needed.

ALL ACTIVE SAFETY TECHNOLOGIES are intended to be back-up systems only and are not a substitute for safe and attentive driving. The functionality of these systems may be impacted by driving conditions. Further information is available from your local Toyota Centre.

* Available on Excel grade only.

SAFETY SPECIFICATIONS

Road Sign Assist

Monitors the road signs ahead and displays key information such as the current speed limit in clear view.

Pre-Collision System

When the risk of a collision is detected, audio and visual warnings and brake assistance are activated. If the driver fails to respond in time, the brakes automatically engage.

Adaptive Cruise Control

Keeps a minimum preset distance from the vehicle in front. If this distance falls, the system reduces the speed and eventually the brakes will be applied and brake lights activated. If the distance increases again, your car will gradually accelerate until the driver returns to their chosen cruising speed.

Automatic High Beam

Detects the lights of oncoming vehicles and traffic ahead while monitoring the brightness of street lights to allow automatic switching between high and low beam for safer night-time driving.

Lane Departure Alert

Detects the lane markings in the road ahead and alerts the driver with audible and visual warnings should the vehicle start to deviate from its lane without the turn indicator being applied.

Design

Main features

- 17" alloy wheels (9-spoke)
- Privacy glass
- Power-retractable, heated door mirrors
- Smart Entry & Push-button start
- LED front and rear lights
- Automatic headlights
- Automatic wipers
- Automatic High Beam (AHB)
- Adaptive Cruise Control
- Black leather
- Toyota Touch® 2 with Go navigation and enhanced multimedia functionality including E-Call emergency system, Bluetooth® and Wi-Fi connectivity
- Electric, heated front seats, fully power-adjustable including lumbar support

Excel

Main features (additional to Design)

- 18" alloy wheels (20-spoke)
- LED fog lights, indicators, light guides & rear brake lights
- Power-adjustable steering wheel
- Auto-dimming rear view mirror
- Rear Cross Traffic Alert with Brake Assist (RCTAB)
- Blind Spot Monitor (BSM)
- Wireless mobile phone charger

A new Tiger Eye insert offers a sense of depth and shine. It varies with the viewing angle in the manner of the tiger's eye gemstone.

EXTRA CHOICES

The finishing touches.

ACCESSORIES

Genuine Toyota accessories add special touches of individuality to your Camry Hybrid.

1. Mud flaps – Toyota mud flaps are especially shaped to fit the wheel arches of your vehicle. They help maintain your car's good looks by protecting against excessive dirt, mud spray and flying stone chips.
2. Boot liner – Stiff waterproof plastic part with edges for boot protection.
3. Rubber mats – The ultimate floor protection against mud, water, dirt and grime.
4. Rear bumper protection plate – Designed to protect the rear bumper paintwork against scratching when sliding heavy or awkward loads into the boot. It is also particularly effective for guarding the paintwork of the boot area. (Image shown for illustrative purposes as cargo net is not available.)

PROTECTION PACK

The protection pack includes:

- Rubber floor mats
- Rear bumper protection plate (stainless steel)
- Door handle protection film (2 doors)
- Boot liner
- European safety kit

A high-angle, top-down photograph of a swimmer in a blue pool. The swimmer is wearing a dark blue swim cap and dark swim trunks. Their arms are extended horizontally to the sides, and their legs are also extended horizontally, creating a starburst pattern of white water splashes around their body. The water is a deep, vibrant blue. The overall composition is centered and symmetrical.

**START YOUR
IMPOSSIBLE**

INSPIRING THE WORLD TO MOVE

Toyota is committed to mobility as a source of inspiration and as a way to improve quality of life for all.

**The world is full of endless possibilities...
Even if you don't have the roads, legs or sight.**

We are wholeheartedly committed to unleashing human potential through the power of movement, which is why we are a proud Partner of the Olympic and Paralympic Games as well as Team GB and ParalympicsGB.

The Games are the world's biggest celebration of human movement. This is where we learn the true power of sports – that sports can challenge us, inspire us and, most importantly, unify us. And as the Worldwide Official Mobility Partner of the International Olympic Committee and the International Paralympic Committees, we share the vision to inspire people to push onward – past their finish line, past their impossible.

'Under this Olympic and Paralympic flag, let us reaffirm the power of sport to bring people together.' AKIO TOYODA, President, Toyota Motor Corporation

OWNING YOUR CAMRY

Servicing your Toyota

Toyota Fixed Price Servicing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your car based on the car's age, mileage and service history.

For more information visit toyota.co.uk/owners/service-mot-maintenance

Service Plans

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

For more information visit toyota.co.uk/owners/service-mot-maintenance

Toyota Fixed Price Repairs using Genuine Parts

We offer fixed prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties); and your car will always be dealt with by a trained Toyota technician.

For more information visit toyota.co.uk/owners/service-mot-maintenance

My Toyota

Whether you're a long-term owner or have recently taken delivery of a new Toyota, there are lots of reasons to join **My Toyota**. Packed with time-saving and convenient features, **My Toyota** ensures everything you need to manage your vehicle ownership is in one place. You'll also gain access to **My Rewards** where you can enjoy great offers and discounts from big brands on everything from family days out to pampering as well as everyday deals.

For more information visit toyota.co.uk/mytoyota or download the **My Toyota** Europe app* now available on iTunes® and Android.

Toyota Accessories

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailor-made for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they've been tested under the most severe conditions, you can have complete confidence in their reliability and durability. To add to the reassurance, every genuine Toyota accessory has a 5-year warranty when purchased together with the vehicle.

For more information visit toyota.co.uk/owners/parts-accessories

Toyota Roadside Assistance

When you buy a Toyota you will automatically receive 12 months' AA Roadside Assistance in the UK and Europe, free of charge. After the first year the cost of Toyota Roadside Assistance is £7 per month if paid by monthly Direct Debit, £72 per annum if paid by annual Direct Debit, and £76 per annum when paid by all other payment methods[§]

For full terms and conditions please visit toyota.co.uk/owners/roadside-assistance

5-Year Toyota Warranty

Every new Toyota comes with a 5-year/100,000-mile (whichever comes first) manufacturer's warranty, covering you against the unlikely event of a manufacturing defect causing a mechanical fault.

For full details, please ask your official Toyota Centre or visit toyota.co.uk/owners/warranty/toyota-warranty

Corrosion Cover

The 12-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 12-year period.

Rust and Paint Cover

The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

* Features on desktop and app vary.

§ Prices correct at time of going to print.

Toyota Business Plus

Designed to support business operators and company vehicle drivers, Toyota Business Plus is our promise to help you procure, manage and upgrade your fleet quickly, efficiently and cost-effectively. Business Plus unites our passenger car and commercial vehicle ranges, with tailored services, ensuring fleet managers can keep their company car drivers happy and business costs down.

Our specialist Business Centres promise you same-day access to a business manager or dedicated sales executive. With business offers and interactive wholelife cost modelling tools which consider emissions, fuel economy, servicing, insurance and residual value data, our advisers can accurately compare tax costs against any competitor. Whenever servicing is due, we offer fixed-price servicing, free local vehicle collection and delivery (with wash and vac), plus a guaranteed booking within 3 days.

Special offers, fixed-price fleet servicing, specialist fleet insurance, business daily hire, Toyota Fleet Financial Services, extended test drives and a dedicated Business Centre Network are just some of the services business customers can expect from Toyota Business Plus.

Toyota Business Plus

Toyota Extended Warranty

You have the choice of either the low-user option that restricts you to 15,000 miles per year or 12 months whichever comes first or the 12-month unlimited mileage cover. You also have a choice between 12 and 24 months' cover (subject to vehicle eligibility). The 24-month option will show a saving over two 12-month Toyota Extended Warranty policies and is available with the low-user option at 30,000 miles or 24 months whichever comes first.

The Toyota Extended Warranty can be renewed until the vehicle is 12 years old with less than 100,000 miles at point of sale, and if a part covered by the Toyota Extended Warranty suffers electrical or mechanical failure at any time during the term, Toyota is committed to fixing it. You don't pay for replacement parts or labour.

For more information visit toyota.co.uk/owners/warranty/extended-warranty

Toyota Motor Insurance

Toyota Motor Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

Flexible Finance from Toyota Financial Services

All our plans offer easy budgeting and peace of mind, and **AccessToyota** brings these benefits together in one flexible package.

Toyota Financial Services, Great Burgh, Burgh Heath, Epsom, Surrey, KT18 5UZ.
